"Tunachokipata tunakihifadhi tu kwa umakini"

— Kitabu cha Kijivu, p. 87 (Chapter 6, Header)

Umakini unamaanisha kuwa macho. Kama vile wanajeshi wanavyolinda ili adui asisogee mbele, sisi kama waraibu ambao tunapona kutokana na ugonjwa wa uraibu lazima pia tuwe macho. Tunafanya vitendo ili ugonjwa wa uraibu usisogee mbele na kudai eneo zaidi la kiroho.

Tunafanya kazi na kuishi kwa Kanuni za Kiroho za Hatua na Mapokeo tunapofanya upya Ahadi yetu kwa Urejesho wetu kila siku. Reprieve yetu ya Kila Siku inategemea tu hali hii ya Kiroho. Kujisalimisha huku kwa Kila Siku kwa Programu ya Narcotics Anonymous kunasababisha Kuamshwa Kiroho.

Roho zetu pia zinaweza kurudi kulala ikiwa hatuko macho. Narcotics Anonymous kwa ujumla pia inapaswa kubaki macho.

Mapokeo ni mstari wetu wa kwanza wa ulinzi. Kutekeleza Mapokeo yetu katika Vikundi vyetu na kamati za huduma kunazuia ugonjwa kuingia katika Vikundi vyetu na kamati za huduma. Hatua za Narcotics Anonymous zinapendekezwa na zinaweza kutofautiana katika mbinu yao.

Mapokeo ya Narcotics Anonymous ni ulinzi wetu kutoka kwetu wenyewe; kwa hivyo, hayawezi kujadiliwa. Kanuni hizi za Kiroho zinafananishwa na wanajeshi kwenye uwanja wa vita ambao wanazuia adui kushinda na kuharibu. Mapokeo yetu hayatulindi tu kutoka kwetu wenyewe, bali pia kutoka kwa nguvu za nje. Nguvu ya Juu ni Mamlaka ya Mwisho pekee katika Narcotics Anonymous kama inavyoonyeshwa kupitia N.A.

Uamuzi wa Kikundi. Mwelekeo huu Mzuri wa Kawaida na utii kwa Kanuni hizi za Kiroho utatufanya tuwe macho na kuhakikisha uhai wetu na uhai wa Narcotics Anonymous.

Kwa Wakati Huu: Tunahifadhi Roho zetu zikiwa Macho na Makini kwa kutumia Kanuni za Kiroho za Narcotics Anonymous.

2 Januari

"Tunapoomba jambo la kushangaza hutokea; tunapata njia, mbinu, na nguvu za kutekeleza majukumu zaidi ya uwezo wetu."

— Kitabu cha Kijivu, p. 58 (Lines 23-25, Step Eleven)

Hatua ya Kwanza katika Narcotics Anonymous inatuomba tukubali kutokuwa na nguvu na kutoweza kudhibiti ugonjwa wa uraibu. Katika Hatua ya Pili tunaombwa kuungana na Nguvu Kubwa Kuliko Sisi wenyewe ili kuondoa hamu yetu ya kutumia dawa za kulevya. Katika Hatua ya Tatu tunaombwa kufanya Uamuzi wa kugeukia Nguvu hii kwa Mwongozo na Utunzaji. Msingi uliojengwa kutoka kwa Hatua hizi Tatu za Kwanza ndio unaowezesha Urejesho.

Katika Hatua ya Kumi na Moja tunapendekezwa kuomba Nguvu; Nguvu tunayoomba si kwa ajili ya nguvu juu ya uraibu. Daima tutakuwa hatuna nguvu juu ya uraibu wetu. Nguvu tunayoomba sasa ni Nguvu ya kutembea njia, kuvutia wengine kwa Urejesho na kutufanya tuendeleo Kukua.

Tunaomba Nguvu hii kufanya Hatua na Kutekeleza Kanuni hizi katika Maisha yetu kila siku. Bila Nguvu hii hatuwezi na hatutaendelea katika Safari hii ya Kiroho. Hatimaye, tutarudi katika hali ya kukata tamaa tuliyokuwa nayo tulipokuja mara ya kwanza.

Kwa Nguvu hii tunabadilishwa kuwa hali bora kuliko tulivyokuwa kabla ya uraibu wa kazi. Inachukua Maombi, Tafakari na kuoanisha mawazo na vitendo vyetu na Nguvu hii Kubwa Kuliko Sisi wenyewe. Matokeo yatakuwa uelewa mkubwa na dunia, sisi wenyewe na wengine kuliko tulivyowahi kuwa nao. Kawaida inakuwa ya ajabu.

Madeni yetu yanapunguzwa na Mali zetu zinaimarishwa. Tunakuwa chombo cha Kujisaidia sisi wenyewe na wengine.

Hatuishi tu. Kwa mara ya kwanza tunaishi kikamilifu, Furaha, Furaha na Uhuru.

Kwa Wakati Huu: Tutaendelea kutafuta Mwongozo kupitia Maombi na Tafakari. Mawasiliano haya ya Kifahamu na Nguvu hii ya Juu ndio inayowezesha Urejesho wetu.

3 Januari

"Hatua ya Kumi na Moja inatusaidia, mbele ya tatizo, kuwa na ufahamu wa Mungu."

— Kitabu cha Kijivu, p. 58 (Step Eleven, Lines 10-11)

Tunapofika Hatua ya Kumi na Moja, wengi wetu tumefikia Ufahamu, kwamba hatuko peke yetu. Tumepata na kuhisi Nguvu iliyotufanya tuwe Safi, bado iko nasi. Katika Safari yetu, tumepata miujiza ambayo hatuwezi kuelezea.

Tumepata Nguvu na Ujasiri wa kupitia Maisha kwa Masharti ya Maisha bila kuchukua au kuunda machafuko katika Maisha yetu. Katika Narcotics Anonymous, tunaona ushahidi wa Nguvu hii hiyo ikifanya kazi katika Maisha ya wengine. Tunaona wapya wakibaki Safi na Matumaini yao yakirudi, Maisha yao yanapobadilishwa.

Pia tunapata vipindi vya Amani ya Akili na Utulivu ambao hatukuwahi kujua hapo awali. Kitabu chetu cha Kijivu kinasema kwamba: "Tunaanza kupata amani isiyolinganishwa na hali ya juu inayosababishwa na dawa." Tunaboresha Uhusiano wetu na Mungu wa Kuelewa Kwetu na kutegemea Mungu katika nyakati nzuri na pia katika nyakati ngumu. Hatua yetu ya Saba inatukumbusha kwamba Unyenyekevu ni hali nzuri kwa mraibu kuwa nayo.

Kutegemea Mungu kunathibitisha kwamba hatuko peke yetu. Kutokujulikana kunamaanisha kwamba hatuwezi kufanya hivi peke yetu kwa juhudi zetu wenyewe.

Kutegemea kunachukua nafasi ya kutii tunapoendelea na Mawasiliano haya ya Kifahamu ya Kudumu. Hatuendelei tu kufanya Hatua ili kubaki Safi, ingawa hilo ni muhimu. Tunaishi Hatua ili Kupata Kuamshwa Kiroho ambayo Kanuni za Kiroho zinawezesha.

Ufahamu wetu Unatusaidia tuisahau kwamba katikati ya dhoruba, Nguvu yetu ya Juu iko pale ikisubiri na lko tayari kutusaidia, ikiwa tutafikia.

Kwa Wakati Huu: Hatutasahau kwamba Nguvu iliyotufanya tuwe safi bado iko nasi. Nguvu yetu ya Juu itaendelea kuwa nasi katika Safari hii, ikiwa tutaikaribisha.

4 Januari

"tunaweza hatimaye kuangalia wengine machoni na kushukuru sisi ni nani."

— Kitabu cha Kijivu, p. 142 (Chapter Eight, Lines 13-14)

Kwa wengi wetu, uraibu wa madawa ya kulevya ulitujaza aibu, hatia na majuto. Kwa sehemu kwa sababu ya mambo fulani tuliyolazimika kufanya ili kupata dawa zetu. Tulitembea tukiwa tumeinamisha vichwa vyetu kwa aibu.

Hatukuangalia juu kwa sababu hiyo ingemaanisha tungehitaji kumtambua Mungu, kwa njia ya ishara. Hatukuangalia moja kwa moja mbele kwa sababu tungeweza kukutana na macho ya mtu akitutazama. Tuliacha kuangalia watu moja kwa moja machoni kwa sababu tulihisi wangeweza kuona hatia na aibu yetu. Tulijua ndani kabisa kwamba hatuko sawa, lakini tulikuwa hatuna nguvu.

Baada ya kufika Narcotics Anonymous na kuwa Safi, tuliona hatuko peke yetu. Tulikutana na wanachama walioteseka na kuhisi kama sisi. Walitukumbatia, walituangalia machoni, na walituambia kwamba hatuhitaji kuteseka tena.

Tulihisi Huruma ambayo hatukujua ipo, tulifikiri na kuhisi kwamba tuko peke yetu. Kwa msaada wa Wadhamini wetu, kufanya Hatua na Mungu, aibu na hatia yetu ziliondolewa. Hatua yetu ya Tano ilifunua kwamba sisi ni binadamu tu wenye ugonjwa. Kwa mara ya kwanza kwa muda mrefu sana, tuliweza kumtazama mtu mwingine machoni na kuhisi kuwa sehemu ya.

Hatua zetu za Nane na Tisa zilitoa njia ya kutoka kwenye aibu na hatia hiyo. Tulipewa fursa ya Kurekebisha yaliyopita. Sasa tunaweza kutembea tukiwa tumeinua vichwa vyetu juu.

Tunaweza sio tu kuangalia watu machoni, bali hata kumtazama Mungu wetu kwa Unyenyekevu.

Kwa Wakati Huu: Tutakubali sisi ni nani. Tutaendelea kujiboresha kwa Msaada wa Mungu na Narcotics Anonymous.

5 Januari

"Katika uzoefu wetu, Hatua Kumi na Mbili zinatupa njia ya maisha ambayo hufanya zaidi ya kutuzuia kutumia dawa za kulevya."

— Kitabu cha Kijivu, p. 159 (Chapter Ten, Lines 2-3)

Katika Narcotics Anonymous Hatua ya Kwanza inazungumzia kutokuwa na nguvu juu ya uraibu wetu. Narcotics Anonymous sio programu ya dawa, ni Programu ya Urejesho. Tunapona kutoka hali isiyo na matumaini ya akili, mwili na Roho inayounda ugonjwa wa uraibu.

Kujizuia kabisa na kudumisha Kujizuia kabisa ni Jiwe la Msingi la N.A. Lakini, Narcotics Anonymous ni zaidi ya hayo. Kwa kuwa uraibu ni zaidi ya kutumia dawa tu, Urejesho wetu lazima uwe zaidi ya kubaki Safi.

Waraibu wanapaswa Kutekeleza Kanuni za Kiroho katika kila eneo la Maisha yao. Ni kuhusu "usitumie, sasa nini?" Tunapoishi Kanuni za Kiroho zilizofungwa katika Hatua na Mapokeo yetu, Roho zetu Zinaamka; na tunapata Faida za Matunda ya Kiroho ambayo Hatua na Mapokeo yanatoa. Tunapata Mungu wa Kuelewa Kwetu na Kuendeleza Uhusiano na Mungu huyo. Tunayo fursa ya Ukuaji wa Kiroho bila mipaka.

Kisha Tunashiriki Zawadi hii ya Thamani na wengine tunapobeba Ujumbe kwa mraibu ambaye bado anateseka. Tunawaamsha wengine tunapoamshwa.

Pia tunayo fursa ya Uhuru kutoka kifungo cha kibinafsi ambacho ugonjwa ulitufungia ndani. Pia, kama matokeo tunapewa Uhuru kutoka kwa udhibiti wa watu wengine juu yetu. Kanuni za Kiroho za Narcotics Anonymous zinaweza kufikiwa, ikiwa tutazifanyia kazi.

Narcotics Anonymous inafanya dunia kuwa mahali pazuri zaidi pa Kuishi, kwetu na kwa wale walio karibu nasi.

Kwa Wakati Huu: Tutaona Faida kamili za Hatua Kumi na Mbili za N.A. na Mapokeo Kumi na Mbili na sio kuzipunguza kwa kutotumia dawa za kulevya tu.

6 Januari

"tunaamini kwamba kila mraibu, pamoja na mraibu "mtarajiwa", anateseka kutokana na ugonjwa usioweza kupona wa mwili, akili na roho."

— Kitabu cha Kijivu, p. iv (Introduction, Last paragraph)

Katika Narcotics Anonymous tunaona uraibu kama tatizo la Kiroho, sio tatizo la kimatibabu. Fasihi yetu inatuambia kwamba uraibu unaundwa na vipengele viwili, fikra na shinikizo. Matumizi yetu ya dawa yalikuwa tu dalili ya vipengele hivyo.

Kwa kuwa tatizo la Kiroho haliwezi kutibiwa kwa dawa, Suluhisho letu lazima liwe la asili ya Kiroho. Narcotics Anonymous inaona na kutibu uraibu kama ugonjwa wa pande tatu; kimwili, kiakili na Kiroho. Suluhisho letu la Kiroho linaanza kwa kutibu shinikizo la kimwili kupitia Kujizuia Kamili na Kabisa katika Hatua ya Kwanza.

Tunaenda kimwili kwenye mikutano, kama kitendo cha Kujisalimisha na hatutumii dawa yoyote kwa sababu yoyote. Tunatibu sehemu ya fikra ya ugonjwa katika Hatua ya Pili kwa kuingia kwenye Nguvu Kubwa Kuliko Sisi wenyewe na kuiomba iondoe fikra yetu ya kutumia. Mchakato, kwa maneno mengine, Vitendo vya Kuja Kuamini ndio vinavyoturejesha kwenye Akili timamu. Katika Hatua ya Tatu tunaamua kuiruhusu Nguvu hii, ambayo tulikutana nayo katika Hatua ya Pili, kututunza na kutuongoza kwa kuendelea Kuishi Programu ya Narcotics Anonymous.

Tunapewa Msamaha wa Kila Siku kutoka kwa ugonjwa huu unaoendelea, unaoua, usioweza kupona. Tunaanza Kuishi Maisha yasiyo na dawa. Narcotics Anonymous ni zaidi ya kutotumia dawa.

Kwa Kutekeleza Kanuni za Hatua na Mapokeo na Kushiriki Zawadi hii ya Thamani, tunapata Kuishi kwa Furaha, Furaha na Uhuru.

Kwa Wakati Huu: Tutatumia Suluhisho la Kiroho kwa tatizo la Kiroho, na Tutashiriki Ujumbe huu na kila mraibu anayeteseka tunayekutana naye.

7 Januari

"Siyo tu kwamba njia hii ya maisha ni bora kuliko maisha ya zamani ya kutumia, ni bora kuliko maisha yoyote tunayoweza kufikiria."

— Gray book, p. 159 (Chapter Ten, Lines 3-5)

Watu wengine wanasema kwamba Urejesho katika Narcotics Anonymous unamwacha mtu katika hali bora kuliko walivyokuwa kabla hata ya kuugua. Narcotics Anonymous haikupi tu Uhuru kutoka kwa uraibu wa kutumia, bali inatoa Uamsho wa Kiroho kama matokeo ya kila Hatua. Tunajifunza Njia Mpya ya Maisha ambayo watu wengi hawawezi hata kufikiria.

Inatoa Uhuru kutoka kwa magereza yetu tuliyojitengenezea wenyewe. Njia hii ya Maisha inatuachilia kutoka kwa kifungo cha nafsi, na kutoka kwa wengine.

Kupitia kufanya kazi na Kuishi Kanuni za Kiroho za Hatua na Mapokeo, tunajifunza jinsi ya Kukubali na Kujipenda wenyewe. Tunajifunza jinsi ya kujenga mahusiano yenye afya na wengine na ulimwengu kwa ujumla.

Moja ya Zawadi kubwa ni kwamba tunaanzisha Uhusiano na Mungu wa Kuelewa Kwetu. Kwa Nguvu Zetu za Juu yote yanawezekana. Maisha yetu hayatawaliwi tena na hasira na hofu.

Kitabu chetu cha Msingi cha Hatua Kumi na Mbili kinasema, "Wengi wetu tunaamini uamsho wa kiroho hauna maana isipokuwa ukiambatana na ongezeko la amani ya akili na kujali wengine." Hatimaye tunakuwa watu wenye manufaa na Kutumikia kama chombo cha Mema. Matumaini na Ndoto za Maisha yetu zinakuwa inawezekana kufikiwa. Kama Roho zetu zinavyoamka, kama matokeo, tunakuwa watu ambao tulikusudiwa kuwa tangu mwanzo. Tunahifadhi Zawadi hii kwa Kuamsha wengine, na Kushiriki Zawadi hii ya Thamani na wale wanaotafuta Msaada wetu.

Kwa Wakati Huu: Kwa msaada wa Narcotics Anonymous, tutapata Baraka zote tunazoweza kupata kutoka kwa Maisha yetu yenye manufaa. Pia tutakuwa wenye manufaa kwa wengine.

8 Januari

"Matamania yetu ya ndani kabisa na picha zinazojirudia za aina ya watu tungependa kuwa ni mwangaza tu wa mapenzi ya Mungu kwetu."

— Kitabu cha Kijivu, p. 58 (Step Eleven, Lines 18-20)

Hatua yetu ya Kumi na Moja katika Kitabu chetu cha Narcotics Anonymous inasema kwamba Mawasiliano Yetu ya Ufahamu na Nguvu Zetu za Juu yanafunua kwamba Mapenzi ya Mungu kwetu yanaweza kuwa mapenzi yetu kwa sisi wenyewe. Hii, bila shaka, hufanyika kwa muda, si mara moja. Kulinganisha Mapenzi ya Mungu na yetu ni jambo linalowezezekana tu kupitia mabadiliko yanayotokea, kama matokeo ya Kuishi Kanuni za Hatua na Mapokeo ya Narcotics Anonymous. Wakati wa Kuishi Kanuni za Kiroho za Hatua ya Saba, tunaanza kuona mwangaza wa sisi wenyewe tukiwa huru kwa muda kutoka kwa kasoro fulani.

Ufunuo huu unatupa Matumaini kwamba Uhuru kutoka kwa kifungo cha ubinafsi unawezekana. Tunahisi kwamba Nguvu Zetu za Juu zinataka tuwe na Afya, mafanikio na tusipate upweke bila Marafiki, Familia zetu au hata Mwenza. Haya ni mambo ambayo tulitaka kwa ajili yetu wenyewe tangu mwanzo.

Tunapitia kwamba Njia Mpya ya Maisha inawezekana. Sisi si watu tulivyokuwa, si watu tunaotaka kuwa, sisi ni watu ambao Mungu anatufanya tuwe, kwa wakati huu.

Bado tunaundwa na kuchongwa, Mchakato huu utaendelea kwa safari yetu yote, ikiwa tutafanya kazi kwa ajili yake. Kwa Leo tu kuna Matumaini kwetu kuwa yote tunayoweza kuwa.

Matumaini haya yanatafsiriwa kuwa Imani tunapomwamini Mungu wa Kuelewa Kwetu. Nguvu Zetu za Juu zitafanya kwa ajili yetu kile ambacho hatuwezi kufanya kwa ajili yetu wenyewe. Ili kuendelea kuendelea katika Urejesho wetu lazima tufanye kazi na wengine tunaposhiriki Zawadi hii ya Thamani na mraibu ambaye bado anateseka.

Kwa Wakati Huu: Mwangaza wa watu tunaoweza kuwa, utatupa Matumaini tunayohitaji Kujisalimisha na kuwa Tayari kuendelea Kubadilika.

9 Januari

"Mabadiliko ya tabia ni maendeleo ya asili yanayoanzishwa na kujisalimisha kwetu kwa programu."

— Kitabu cha Kijivu, p. 81 (Chapter Five, Lines 4-5)

Tulipofika kwanza katika Narcotics Anonymous, tuliambiwa kwamba kitu pekee tunachohitaji kubadilisha ni kila kitu. Hii ilionekana haiwezekani kwetu kwa sababu tulipokuwa tunatumia, dawa zilifanya maamuzi yote kwa ajili yetu. Hatukuwa huru kufanya maamuzi yetu wenyewe.

Ugonjwa wa uraibu uliongoza kila fikra na kitendo chetu. Tulidhibitiwa, tulikuwa hatuna nguvu.

Katika Narcotics Anonymous tunajisalimisha kwa Kanuni zake za Kiroho kwa sababu njia yetu haikuwahi kufanya kazi. Hatua na Mapokeo ya Narcotics Anonymous yanaweza kujenga upya tabia zetu zilizovunjika. Kwa msaada wa Nguvu Zetu za Juu na Wadhamini wetu, tunarudi nyuma kwa wakati hadi tulipochukua mara ya kwanza; na Kulea Roho zetu zilizopotea, ambazo kwa upande wake zinaanza Kuamka. Hatua ya Nne inatoa taarifa na chombo tunachohitaji kutambua mifumo yetu ya zamani.

Ufahamu huu unaweza kutuweka kwenye njia sahihi ya mabadiliko. Kwa kuwa akili mgonjwa haiwezi kujitibu yenyewe, tunahitaji msaada wa wengine na Mungu wa Kuelewa Kwetu. Kwa vitendo sahihi, tunaanza Kuishi Njia Yetu Kuelekea Kufikiri Vizuri.

Kwa kuwa tunaishi kile tunachoamini, tunaanza kubadilika kidogo kidogo. Hii ni mabadiliko ya Leo tu.

Tunaweza kurudi kwenye tabia zetu za zamani ikiwa tutashindwa Kutekeleza Kanuni hizi katika Mambo Yetu ya Kila Siku. Narcotics Anonymous inatusaidia kuunda historia mpya, moja bila uraibu wa kutumia na matokeo yake yote; moja iliyojaa Matumaini, Uhuru na Furaha. Tunapata kuhifadhi kile tulicho nacho kwa Kushiriki Njia Yetu ya Maisha na wengine ambao bado wanateseka.

Kwa Wakati Huu: Tutaendelea Kujisalimisha ili Kushinda. Mabadiliko katika tabia zetu yatakuwa kwa muda, si mara moja.

10 Januari

"Tunakuja kuelewa kwamba urejesho wetu ni zawadi kutoka kwa nguvu iliyo kuu kuliko sisi wenyewe."

— Kitabu cha Kijivu, p. 11 (Chapter One, Lines 11-12)

Wakati wengi wetu hatimaye tulifika katika Narcotics Anonymous, tulikuwa tunatafuta tu afueni kutoka kwa maisha yetu yenye maumivu. Dawa za kulevya ziliacha kufanya kazi na zilikuwa zinatuletea maumivu. Kwa wengi wetu, ilikuwa nyumba ya mwisho kwenye mtaa.

Ilikuwa kituo chetu cha mwisho; kila kitu tulichojaribu hadi sasa kilishindwa. Kwa hivyo, hatukuwa na uhakika kama Narcotics Anonymous ingeweza kutufaa pia. Tulikuja katika N.A. kama watumiaji wa dawa za kulevya kwa sababu tuliona tu matokeo ya matumizi yetu ya dawa za kulevya.

Tukifanya Kazi Hatua ya Kwanza, tuligundua kwamba tulikuwa tunateseka na ugonjwa unaoitwa uraibu. Tulijifunza kwamba ilikuwa ni ugonjwa wa Kiroho, Akili, na Kimwili unaoendelea na dawa za kulevya zilikuwa ni dalili tu. Tulijifunza kwamba uraibu ulikuwa unaendelea, unaua na haukuwa na tiba inayojulikana.

Katika Narcotics Anonymous tunapewa Suluhisho la Kiroho ambalo linaweza kutibu ugonjwa wetu na kufanya Urejesho uwezekane. Kwa kuwa uraibu unaathiri kila eneo la Maisha yetu, lazima tuishi kwa Kanuni za Kiroho katika kila eneo la Maisha yetu. Urejesho katika Narcotics Anonymous unamwacha mtu mgonjwa katika hali bora zaidi kuliko walivyokuwa kabla ya kuanza kutumia dawa za kulevya. Urejesho unajumuisha Nguvu ya Kipekee inayojidhihirisha ndani ya kila mmoja wetu ili kukamata na kutibu ugonjwa huu.

Hakuna nguvu ya kibinadamu, dawa au dini inayoweza kutupatia Suluhisho hili. Ni kweli ni Zawadi kutoka kwa Nguvu ya Kiroho iliyo Kuu Kuliko Sisi Wenyewe.

Ili kuweka mabadiliko haya ya Siku Moja Kwa Wakati, lazima tushirikiane na wengine.

Kwa Wakati Huu: Tunakuja kuelewa Zawadi hii ya Thamani tunayoita Urejesho na Chanzo cha Nguvu yake.

11 Januari

"Kwa mwongozo wa Nguvu yetu ya Juu, huenda tusilazimike tena kushughulika na matumizi. Lakini tutalazimika kila wakati kushughulika na kubaki safi."

— Kitabu cha Kijivu, p. 147 (Chapter Nine, Lines 21-23)

Kwetu sisi kupata Usafi na kubaki Safi ni vitu viwili tofauti. Kulikuwa na nyakati nyingi tuliacha kutumia dawa za kulevya, lakini tukaanza tena.

Tulikuwa tunatazama kuacha na sio kuanza tena. Tulifikiri tunaweza kuacha wakati wowote tunapotaka. Hatua yetu ya Kwanza inatukumbusha kwamba kama hatuwezi kudhibiti matumizi yetu, tunawezaje kudhibiti uraibu wetu?

Shauku ya kutumia inaweza kubaki nasi, muda mrefu baada ya kuacha kutumia dawa za kulevya. Ni Nguvu iliyo Kuu Kuliko Sisi Wenyewe pekee inayoweza kutuondolea shauku ya kutumia. Hii si nguvu ya kibinadamu yoyote; hii si dawa au dini.

Hatua yetu ya Pili inaelezea Nguvu hii kama ya Upendo na Kujali, na iliyo Kuu Kuliko Sisi Wenyewe. Wengi wetu tunatumia Kikundi kama kizima, kama Nguvu. Baadhi yetu tunatumia Kanuni za Kiroho za Programu, na wengine hutumia asili au ulimwengu.

Tunadhihirisha Nguvu hii tunapokwenda kwenye Mikutano na Kutekeleza Kanuni hizi za Kiroho. Nguvu hii pia inaweza kutumika kutusaidia Kubadilika.

Hatuhitaji kamwe kurudi kwenye uraibu wa kazi. Kubaki Safi kunahusisha zaidi ya kutochukua, hatukuwa na chaguo hili hapo awali. Tunapoungana na Nguvu hii ya Juu katika Narcotics Anonymous, tunapewa nguvu; sio juu ya uraibu wetu, lakini tunapewa nguvu ya Kutekeleza Kanuni za Kiroho ili kuzuia mchakato wa kurudi nyuma usianze. Kitabu chetu cha Kijivu kinasema kwamba Mikutano ni uzio kuzunguka Muda wetu wa Usafi. Kuwa Safi ni mwanzo, katikati na mwisho wa programu yetu.

Muda wa Usafi ni Jiwe la Msingi la Programu yetu. Muda wa Usafi + Hatua + Mila = Urejesho.

Kwa Wakati Huu: Hatutumii tu Nguvu yetu ya Juu kupata Usafi; tunatumia pia Nguvu yetu ya Juu kubaki Safi na Kukua.

12 Januari

"Baada ya kupata mwamko wa kiroho kama matokeo ya hatua hizi"

— Kitabu cha Kijivu, p. 59 (Step Twelve, Header)

Hatua ya Kumi na Mbili inatuambia kwamba Roho zetu zinaamka kama matokeo ya Kuishi Hatua. Sote tunazaliwa na Roho, lakini matumizi ya dawa za kulevya yalisababisha Roho zetu kulala.

Baada ya kuweka chini dawa za kulevya na kuchukua Hatua ya Kwanza, Roho zetu zinaanza Kuamka. Tunda la Tumaini tulilopata kama matokeo ya Hatua ya Pili linaendelea Kuamsha Roho yetu.

Katika Hatua ya Tatu tunapata Uaminifu katika Nguvu hii ya Juu. Tunaendelea kugeuza Mapenzi yetu na Maisha yetu kwa Utunzaji wa Mungu wa Kuelewa Kwetu Wenyewe. Kwa kila Hatua na kila Kanuni tunayotumia kila siku, Roho zetu zinaamka zaidi na zaidi.

Tunapofikia Hatua ya Kumi na Mbili, tunakuwa tumeamka kikamilifu. Hii ni ushahidi katika jinsi tunavyoishi, Kubeba Ujumbe na Kutekeleza Kanuni hizi katika mambo yetu yote. Kitabu chetu cha Kijivu kinasema, "Hatua Kumi na Mbili zinatuongoza kutoka hali ya fedheha na kukata tamaa hadi hali ambapo tunaweza kutenda kama vyombo vya mapenzi ya Mungu." Mwamko huu si mara moja na kwa wote, tukiacha Kuishi Programu au Kusaidia wengine, Roho zetu zinaweza kulala tena.

Matokeo ya mwisho ni kwamba tunarudi kwenye uraibu wa kazi. Kurudi nyuma kwa Roho ni kwa siri, wakati mwingine haionekani hadi tunapoingia kwenye matatizo. Mwamko wetu wa Kiroho lazima ubaki unaendelea, hatufiki kamwe. Urejesho ni Safari ya Kupanda, kwa hivyo lazima tuendeleo kulisha Roho zetu ili kubaki Wazi, Macho na Kukua.

Kwa Wakati Huu: Kama hatukui, tunaenda. Tutaendelea kuweka mwamko wetu wa Kiroho unaendelea.

13 Januari

"Urejesho huanza na kukiri kwanza kutokuwa na uwezo."

— Kitabu cha Kijivu, p. 33 (Step One, Line 16)

Mwanzoni, tulitumia dawa za kulevya na mwishowe, dawa za kulevya zilitutumia sisi. Tuliambia nafsi zetu kwamba tunaweza kuacha ikiwa tunataka, lakini tamaa hiyo haikuwahi kuja. Mwishoni mwa matumizi yetu ya dawa za kulevya, tulitaka tu kuacha kuumia.

Tuliambia nafsi zetu kwamba kama si kwa matokeo, bado tungetumia. Tulishindwa kuona kwamba hatukuwa waraibu kwa sababu tulitumia dawa za kulevya, tulitumia dawa za kulevya kwa sababu sisi ni waraibu. Kwa kweli, hatukuwa na uwezo juu ya uraibu wetu; ilijidhihirisha tu katika matumizi yetu ya dawa za kulevya.

Ndani tulikuwa hatuwezi kudhibiti kama vile tulivyokuwa nje. Kwa kweli, hadi tuliposalimu amri, ndipo tulipohisi kutoweza kudhibiti ndani. Baada ya kujiunga na Narcotics Anonymous, tuliona kwamba kutokuwa na uhusiano na Nguvu ya Juu yenye Upendo ilikuwa ni matokeo ya kutosha.

Kukiri kwetu katika Hatua ya Kwanza kulipaswa kuungwa mkono na Kitendo; Uaminifu ni chombo nyuma ya Hatua ya Kwanza. Uaminifu unamaanisha kwamba tunalinganisha vitendo vyetu na Ukweli. Vitendo katika Hatua ndizo zinazozindua Mchakato wa Urejesho.

Hatua ya Kwanza inasema, tunapokiri kutokuwa na uwezo na kutoweza kudhibiti, tunafungua mlango wa Urejesho, kinyume chake pia ni kweli. Tunaweza pia kufunga mlango huo kwa kutokutenda. Kwa hivyo, lazima tuendelee na Mpango wa Kuishi.

Tunapopata Shukrani, itaonekana tunaposhiriki na kujali Njia ya N.A.

Kwa Wakati Huu: Kukiri kwetu kutokuwa na uwezo kutafuatiwa na kuendelea kufanya Salimu Amri ambayo inaungwa mkono na Kitendo.

14 Januari

"Kitu pekee tunachotaka kusesitiza ni kwamba unapaswa kujisikia vizuri na Nguvu yako ya Juu"

— Kitabu cha Kijivu, p. 35 (Step Two, Lines 12-14)

Katika Narcotics Anonymous tunaamini kwamba tunateseka kutokana na ugonjwa wa Kiroho, si ugonjwa wa kimatibabu. Ugonjwa huu unahitaji Suluhisho la Kiroho, si suluhisho la kemikali. Hii ndiyo Kusudi la Hatua ya Pili, katika Narcotics Anonymous.

Fasihi inatuambia kwamba maumivu ya kuishi bila dawa za kulevya au kitu chochote cha kuzibadilisha, yanatulazimisha kutafuta Nguvu, ambayo itatusaidia na kujiondoa na mazoea. Hatua ya Pili inatuambia kwamba tunalazimika kutafuta. Katika Hatua ya Pili tunatambulishwa kwa Nguvu hii.

Nguvu hii ni muhimu kuanza na kufanikisha Urejesho unaoendelea. Katika uraibu wa kazi tulitumia kila kitu nje yetu, pamoja na dawa za kulevya, kujaza pengo letu. Sisi katika Narcotics Anonymous tunaweza kuchagua Nguvu yoyote ya Juu tunayotaka kujaza pengo ambalo Kujizuia Kamili na Kabisa kumeacha. Narcotics Anonymous inapendekeza kwamba Nguvu hii isiwe sisi wenyewe.

Nguvu hiyo ya Juu inapaswa pia kuwa ya Kujali, ya Upendo, ya Kusamehe na Kubwa Kuliko Sisi Wenyewe. Baadhi ya wanachama huchagua Kikundi kama Nguvu Kubwa Kuliko Sisi Wenyewe. Baadhi ya wanachama huchagua Kanuni za Kiroho za Narcotics Anonymous, na baadhi huchagua Mungu wa Uelewa Wao Wenyewe.

Chochote tunachochagua, lazima tuwe waaminifu kuhusu chaguo letu. Tutatumia Nguvu hii Kubwa Kuliko Sisi Wenyewe katika Urejesho wetu wote. Tutaendelea kuingia katika Mungu wa Uelewa Wetu Wenyewe kwa Mwongozo na Nguvu.

Tunapofanya kazi na Kuishi Hatua ya Tatu, tutaanza kukuza Uhusiano wa Upendo na Mungu huyu. Uhusiano huu utakuwa moja ya Nguvu na Mahitaji Makubwa katika Safari yetu ya Urejesho.

Kwa Wakati Huu: Tutachagua Nguvu ya Upendo na Kujali ambayo itajaza pengo letu na Kutuelekeza katika Urejesho wetu, Uhusiano huu unaanza katika Hatua ya Pili.

15 Januari

"Maisha bila hofu ni zawadi tunayoipokea kwa gharama ya kukubali."

— Kitabu cha Kijivu, p. 36 (Step Two, Lines 13-14)

Kukubali kuwa na ugonjwa wa uraibu kutatuweka Huru kutokana na kuwa Wajibu wa ugonjwa huo. Ugonjwa hujidhihirisha kwa njia ambazo huathiri mitazamo na tabia zetu. Tunapogundua kwamba tunateseka kutokana na ugonjwa wa Kiroho na si tatizo la maadili, tunaanza kupumua kwa urahisi zaidi.

Katika Narcotics Anonymous tunakutana na watu kama sisi ambao waliteseka kama tulivyoteseka, lakini wamepata Tumaini. Tumaini tunalopata katika Narcotics Anonymous litatufanya tuwe Huru kutokana na hofu kwamba hatuwezi kubaki safi. Tunakubali sio tu kuwa na ugonjwa huu, lakini tunakubali Suluhisho pia.

Kujenga Imani katika Nguvu ya Juu kunatuzuia kuingia katika huzuni kutokana na kuishi katika siku za nyuma. Tumaini hili jipya linatusaidia kubaki katika wakati huu na kuzuia hofu ya kesho. Ukosefu wa Imani husababisha hofu, hofu ni Ushahidi wa Uongo Unaonekana Halisi.

Hofu pia inaweza kumaanisha, Kabiliana na Kila Kitu na Urejee. Tunapojiachilia na Kumwachia Mungu, tunaimarisha Salimu Amri yetu ya awali. Kutenda Kanuni ya Uwazi kunatupelekea kwenye maarifa ambayo yalitukwepa maisha yetu yote.

Hofu pia inabadilishwa na Imani tunapona ushahidi wa waraibu wanaopona kote katika Narcotics Anonymous. Tunapokubali nafsi zetu, tunaanza kukubali wengine.

Hatujisikii tena peke yetu. Tunajikuta tuko miongoni mwa vikundi maalum vya watu, ambao kama sisi, waliteseka kutokana na hali isiyo na matumaini, lakini sasa wamepata Suluhisho la Kiroho katika Narcotics Anonymous. Tunashiriki Zawadi hii ya Thamani na wengine, tunapokuwa watu wa Upendo na Kujali. Tuko Huru Kuishi kwa Furaha, Furaha na Uhuru.

Kwa Wakati Huu: Tunaishi Maisha Yasiyo na hofu, tunapotekeleza Kanuni za Kiroho za Narcotics Anonymous. Tunakuwa na Shukrani ya kweli kwa Njia yetu Mpya ya Maisha. Shukrani hii inaonyeshwa katika jinsi tunavyoishi.

16 Januari

"Tuliogopa kwamba ikiwa tungejifunua jinsi tulivyo kweli, tungekataliwa hakika."

— Kitabu cha Kijivu, p. 44 (Step Five, Lines 14-15)

Wengi wetu tulikuja katika Narcotics Anonymous tukiwa na hali ya kujidharau, baadhi yetu tukiwa karibu hatuna kabisa. Kutumia dawa za kulevya ilikuwa suluhisho letu kwa hisia tulizokuwa nazo kuhusu sisi wenyewe. Hisia za kutokuwa na maana na kutokufaa zilituandama miaka mingi kabla hatujaanza kutumia.

Kutumia dawa za kulevya kulionekana kutoa afueni fulani; ilisaidia kuficha hisia zetu kuhusu sisi wenyewe na wengine. Hatukujua kwamba tulipoficha hisia zetu, tulizificha zikiwa hai. Dawa zilipokoma kufanya kazi tulitumia zaidi kufunika watu waliokuwa wakitetemeka na kuogopa jinsi tulivyokuwa kweli. Tulifikataa wenyewe, na tulifikiri tungekatalika na wengine ikiwa wangejua jinsi tulivyo kweli.

Kwa sisi, kujitenga kulikuwa njia yetu ya maisha; tulihisi tuko peke yetu. Baada ya kufika Narcotics Anonymous na kusikia uzoefu wa wengine, tulianza kutambua. Tulianza kuhisi Tumaini na kuanza kuhisi kuwa sehemu ya.

Tulianza kuwa na Huruma kwa wengine. Wanachama waliokuwa hapa kabla yetu walitupenda bila Masharti, hadi tulipojifunza kujipenda wenyewe. Tulipofanya Mazoezi ya Kanuni za Kiroho zilizomo katika Hatua na Wadhamini wetu na Mungu wa Kuelewa Kwetu, tulijifunza Kujikubali, na tulijifunza kujipenda wenyewe.

Baada ya kuchukua Hatua ya Tano na binadamu mwingine, tulianza kupoteza hofu yetu kuhusu wengine kutujua jinsi tulivyo kweli. Tulianza kukuza Huruma kwa wengine na Kuwakubali wengine walipo. Tulijifunza kuhusu hatari zenye afya. Tunajifunza kwamba hata kobe lazima atoe shingo yake nje, ili kufanya maendeleo yoyote.

Leo katika Ushirika hatuko peke yetu.

N.A. inaweza pia kumaanisha Kamwe Peke Yake.

Kwa Wakati Huu: Kupitia Kujikubali tunakoma kujikataa wenyewe. Pia tutapoteza hofu ya kukataliwa na wengine.

17 Januari

"Hatua ya Nane inaanza utaratibu wa kusamehe watu wengine, kusamehewa na wao, na kujifunza jinsi ya kuishi ulimwenguni kama mwanadamu asiye na dawa za kulevya."

— Kitabu cha Kijivu, p. 50 (Step Eight, Lines 15-18)

Katika Hatua ya Saba, Nane na Tisa, Mioyo yetu inaanza Kupona. Moyo umekuwa daima ishara ya Upendo, Msamaha na Ujasiri. Katika Hatua ya Saba Mungu wa Kuelewa Kwetu anatupatia Msamaha, tunapoomba upungufu wetu kuondolewa.

Kwa kuwa hatuko Juu ya Mungu, tunajifunza Kujisamehe wenyewe na wengine katika Hatua ya Nane. Katika Hatua ya Tisa tunaomba Msamaha kutoka kwa wengine, na ikiwa hawafanyi hivyo, sisi pia tunawasamehe. Hatua ya Nane inatuandaa kuwa tayari kweli kwenda nje na kuwapata watu, mahali na vitu kwenye orodha yetu.

Inatuonyesha mahali tulipokosea na kwa upande mwingine tunaweza kuona jinsi wengine wanavyoweza kuwa na makosa kama sisi. Tunaona jinsi uraibu wetu unavyotuweka katika hali za kujiumiza wenyewe, na kwa wengine kutuumiza. Hatua ya Nane inatuonyesha jinsi tulivyowachochea baadhi ya watu kutenda kwa kasoro zao na kutuumiza.

Ingawa baadhi yetu tulikuwa wahanga halisi tulipokuwa watoto, tunaposamehe watu hao, tunatolewa kutoka kwa chuki zetu na kuwa wahanga. Marekebisho yanamaanisha Kubadilika, tunabadilisha Mawazo yetu, Matendo na Mitazamo. Tunajipa sisi wenyewe na wengine fursa ya kutolewa kutoka kwa hasira na chuki.

Wakati mwingine Kusamehe wengine ni kweli kwa ajili yetu. Moyo wetu unaanza kuhisi Huruma na Upendo kwa wengine. Kuondoa vizuizi hivi kunatuwezesha Kuishi Kanuni za Programu na Kubeba Ujumbe huu kwa mraibu ambaye bado anateseka.

Kwa Wakati Huu: Tutapata zaidi kutoka kwa Hatua yetu ya Nane

kwa kubaki wazi kwa Msamaha.

18 Januari

"Kuendelea kuchukua hesabu ya kibinafsi inamaanisha kwamba tunaunda tabia ya kujitazama wenyewe"

— Kitabu cha Kijivu, p. 57 (Step Ten, Lines 14-15)

Hatua yetu ya Kumi inatuomba kuendelea kuchukua Hesabu ya Kibinafsi. Hii inamaanisha kwamba hatukuwahi kuacha.

Hatua zetu zote katika Narcotics Anonymous ni Hatua za Hesabu. Kuanzia Hatua ya Kwanza, tulitazama matumizi yetu na matatizo yaliyotusababishia. Katika Hatua ya Pili tulichukua Hesabu ya Nguvu Kubwa kuliko sisi wenyewe tuliyoamini.

Tulifungua akili zetu na Kukubali Mwongozo kutoka kwa Nguvu hiyo. Katika Hatua ya Tatu tulimtegemea Mungu wa Kuelewa Kwetu. Katika Hatua ya Nne tulikuwa Tayari kutazama mahusiano yetu ya zamani na watu, mahali, vitu na Uhusiano wetu na Uhalisia.

Tuliona tulichokuwa nacho, na tuliona tulichotaka na haikuwa tulichokuwa nacho. Kwa msaada wa Wadhamini wetu na Nguvu Yetu ya Juu, tulifanya kazi kuelekea Mabadiliko ya Tabia yetu katika Hatua ya Tano, Sita, na Saba. Urejesho katika Narcotics Anonymous ni Reprieve ya Kila Siku, kwa hivyo Kuishi Hatua ni Mzunguko Endelevu. Tunaendelea kufuatilia mitazamo na tabia zetu, na kurekebisha kinachohitaji kurekebishwa.

Urejesho katika Narcotics Anonymous ni kuondoa mara kwa mara na kubadilisha ya zamani na mpya. Tunajiozea kujitazama wenyewe na Kufanya Mazoezi ya Kanuni hizi za Kiroho, hadi tabia hii inakuwa ya kiotomatiki. Tabia zetu zinabadilishwa, tunakuwa watu tofauti.

Kwa Wakati Huu: Tutaendelea Kufanya Mazoezi ya tabia ya kujitazama wenyewe, hadi tabia hii inakuwa ya kiotomatiki.

19 Januari

"Tunapoanza kuishi katika sasa, mizigo ya zamani na wasiwasi wa siku zijazo hupotea."

— Kitabu cha Kijivu, p. 147 (Chapter Nine, Lines 26-28)

Kama watumiaji wa dawa za kulevya, tulikuwa na mawazo mengi juu ya kila kitu, ni sehemu ya ugonjwa wa uraibu. Hatukuishi katika wakati huu. Hata tulipokuwa tukitumia, akili zetu zilikuwa zikifikiria kuhusu matumizi ya baadaye.

Kutokuwepo katika wakati huu kulisababisha maisha yetu kujawa na mabadiliko ya kihisia. Tulijiletea machafuko yetu wenyewe.

Ugonjwa wa uraibu ulikuwa umeshika hatamu. Tulipofika katika Narcotics Anonymous, tuliambiwa tuishi katika wakati huu. Tuliambiwa tusitafakari.

Hatungeweza kuacha kufikiria tulikotoka, na uharibifu ambao uraibu wetu wa kazi ulisababisha. Hatukuwa na furaha sana kuhusu siku zetu za usoni pia. Tukihisi kukata tamaa na kukosa matumaini, tuligeukia Nguvu Kubwa Kuliko Sisi wenyewe ili kutuliza mawazo yetu.

Kauli mbiu "Kwa Leo Tu" ilituruhusu kuzingatia mahali miguu yetu ilipokuwa, hiyo ilikuwa Ukweli. Tulilazimika kukaa mbali na vichwa vyetu kwa sababu hapo ndipo ndoto zilipokuwa na ambapo ugonjwa ulikuwa. Tulipoishi "Katika Wakati Huu" na kushughulikia kazi iliyopo, tulianza kuhisi kwamba "Yote Yatakua Sawa." Hatukulazimika tena kubeba mizigo ya zamani au wasiwasi wa siku zijazo. Tulikabidhi Mapenzi yetu kwa Uangalizi wa Mungu Kama Tunavyomuelewa.

Kupitia Imani hii tuliweza kukuza Imani. Kupitia Imani, tuliweza kuendelea Kuishi

KATIKA WAKATI HUU

na Maisha kwa Masharti ya Mungu. Kwa Wakati Huu: Kuamini Nguvu Yetu ya Juu kutatupa uwezo wa Kuishi Katika Wakati Huu. Tutapewa Utulivu, Kwa Wakati Huu Tu.

20 Januari

"Hatimaye, kwa msaada wa Ushirika na Nguvu Yetu ya Juu, tumepata uhuru wetu tena."

— Kitabu cha Kijivu, p. 160 (Chapter Ten, Lines 27-28)

Kama watumiaji wa dawa za kulevya, tuliishi katika magereza tuliyojitengenezea wenyewe. Ugonjwa wa uraibu ulikuwa umetufunga katika mzunguko mbaya. Kupata na kutumia na kutafuta njia, ili tuweze kutumia zaidi.

Uraibu wetu wa kazi uligeuka kuwa kazi ya muda wote. Ugonjwa ulikuwa umetufunga katika akili na miili yetu wenyewe. Tulijitoa kidogo kila wakati tulipotumia, hatukuwa na udhibiti.

Tulikuwa watumwa wa uraibu, na hatukuona njia ya kutoka, tukawa na kukata tamaa na kukosa msaada. Gereza letu lilikuwa la kujitakia, na Kujisalimisha kwa Narcotics Anonymous ilikuwa ni Ufunguo. Baada ya kufika N.A. tulisikia kwamba hatukulazimika kutumia tena, hii ilikuwa ni Ufunuo mkubwa. Hatukujua kwamba tulikuwa na chaguo hilo hapo awali.

Tunda kuu katika Hatua yetu ya Kwanza ni Uhuru kutoka kwa uraibu wa kimwili. Hilo pekee liliokoa Maisha yetu, lakini halikutosha. Tulihitaji Uhuru kutoka kwa gereza letu la kiakili.

Hatua ya Pili ilikuwa ni Ufunguo wa kufungua akili zetu zilizofungwa. Hatua ya Tatu iliamsha Roho yetu iliyolala na kutoa Uhuru wa Kiroho. Kwa Msaada wa Wadhamini wetu na Mungu Tunavyomuelewa, tulifanya kazi ya Hatua zilizobaki.

Kwa kila Hatua tulipata Uhuru zaidi, tulihitaji tu Kujisalimisha kwa kiwango cha kina zaidi. Kujisalimisha lazima kufuatiwe na Kitendo ili kukamilika na kuwa kamili.

Tunafanya Mazoezi ya Kanuni hizi kupitia Mila zetu.

Kwa Wakati Huu: Tutakubali kwamba Uhuru si bure, ingawa tulilipa gharama ya kuingia, bado tunapaswa kuendelea kuufanyia kazi.

21 Januari

"Umoja ni ukweli katika Narcotics Anonymous."

— Kitabu cha Kijivu, p. 91 (Tradition One, Line 32)

Kamusi moja inaelezea Umoja kama, "Jumla au jumla kama inavyounganisha sehemu zake zote kuwa moja." Katika Narcotics Anonymous tunapenda kusema kwamba Jumla ni Kubwa kuliko jumla ya sehemu zake zote. Hii inamaanisha kwamba pamoja na Kusudi Moja la Pamoja tunakuja pamoja kwa Kusudi hilo na hilo linafanya Umoja katika Kitendo kuwa inawezekana. Narcotics Anonymous ipo tu ili Kubeba Ujumbe kwa mtumiaji ambaye bado anateseka. Kwa kuwa hatuwezi kuweka kile tulichopata isipokuwa tukikitoa, Umoja katika Narcotics Anonymous ni lazima.

Umoja pia ni Ukweli, vinginevyo Programu yetu ingekuwa imefungwa muda mrefu uliopita. Umoja si sare wala kufanana. Tunahitaji utofauti katika jinsi tunavyobeba Ujumbe wetu ikiwa tunataka kuvutia kila aina ya mtumiaji.

Umoja wetu wa Kusudi haupaswi kubadilika. Umoja wa Kujitegemea ni Kanuni ya Kiroho ambayo tunapaswa Kufanya Mazoezi.

Sisi kama wanachama wa Narcotics Anonymous lazima tubaki bila majina, hakuna mimi mkubwa au wewe mdogo. Ustawi wa Pamoja wa Narcotics Anonymous unapaswa kuja kwanza, Urejesho wetu wa Kibinafsi unategemea Umoja huo. Kwa hivyo si ustawi wetu binafsi unaokuja kwanza, bali Ustawi wa Pamoja wa Narcotics Anonymous ndio unakuja kwanza.

Hii inamaanisha kila kitu tunachofanya, tunafanya kwa Kusudi letu la Msingi. Kubeba ujumbe usiopotoshwa.

Hivyo ndivyo Narcotics Anonymous itakavyobaki katika Uwepo.

Kwa Wakati Huu: Tutaweka Kusudi la Pamoja la Narcotics Anonymous mbele ya mahitaji yetu binafsi. Hakuna mtu mmoja aliye muhimu zaidi kuliko Narcotics Anonymous kwa ujumla.

22 Januari

"Tunataka kujifunza kufanya mambo yatakayotubadilisha kuwa watu wanaojithamini."

— Kitabu cha Kijivu, p. 26 (Chapter Three, Lines 32-33)

Kitabu cha Msingi kinasema kwamba huu ni Mpango wa kujifunza. Narcotics Anonymous pia ni Mpango wa kujifunza upya.

Kwa wengi wetu katika uraibu hai; mitazamo na mitazamo yetu ilibadilika. Ingawa ugonjwa wa uraibu si tatizo la kimaadili, uliathiri na kuharibu wengi wetu. Roho zetu zilifungwa kabla hata hatujaanza kutumia dawa za kulevya.

Roho zetu zilizokuwa tupu labda ndicho kilichotufanya tuanze kutumia dawa za kulevya. Fasihi yetu inatuambia kwamba wakati wa uraibu hai, tulisahau Neema za Kijamii. Tulipata na kujifunza tabia na mienendo ya ajabu.

Inaendelea kuelezea jinsi tulivyosahau kucheza, kuhisi na kuonyesha kujali wengine. Sasa Tukiwa Safi na Tukitumia Kanuni za Kiroho zilizomo katika Hatua na Mapokeo ya Narcotics Anonymous; tunapaswa kujifunza tena upya. Tunajifunza kutotumia; tunajifunza kuhusu Nguvu ya Juu na Mapenzi yake kwetu. Tunajifunza kuhusu sisi wenyewe; tunajifunza kuhusu wengine, na tunajifunza kuhusu Ulimwengu unaotuzunguka.

Muhimu zaidi tunajifunza kutoka kwa kila mmoja. Kitu pekee tunachopaswa kubadilisha kuhusu sisi wenyewe tunapofika Narcotics Anonymous, ni kila kitu. Ujuzi wetu wa Kuishi ulipunguzwa hadi kiwango cha wanyama, fasihi yetu inasema.

Ndiyo, huu ni Mpango wa kujifunza upya, kwanza tunajifunza upya, kisha tunajifunza tena, na kisha tunaendelea kujifunza.

Kwa Wakati Huu: Tutaendelea kujifunza Njia Mpya ya Maisha, tunapoendelea katika Safari yetu tutaendelea kujifunza upya njia zetu za uraibu.

23 Januari

"Ukosefu huu wa matengenezo ya kila siku unaweza kuonekana kwa njia nyingi."

— Kitabu cha Kijivu, p. 144 (Chapter Nine, Lines 21-22)

Mpango wa Narcotics Anonymous ni Mpango wa saa ishirini na nne. Tunakomesha ugonjwa wa uraibu kwa Leo Tu.

Tunahuisa Ahadi yetu kwa Urejesho wetu kila siku. Tunapolala usiku, tunapitia siku yetu, matendo yetu, majibu yetu, na mitazamo yetu. Tunaangalia wapi labda tungeweza kushughulikia hali vizuri zaidi kuliko tulivyofanya.

Tunachukua Hesabu kuona kama tunahitaji kufanya Marekebisho kwa mtu. Ufuatiliaji huu wa mara kwa mara wa mitazamo na tabia zetu ni nusu tu ya matengenezo yetu ya kila siku. Nusu nyingine ya matengenezo yetu ya kila siku ni Utendaji halisi wa Kanuni zetu za Kiroho katika mambo yetu yote.

Tunaanza siku inayofuata mara tu tunapofungua macho yetu. Tunaanza na Shukrani kwa kuamka. Tunaomba Nguvu kutoka kwa Mungu wa Kuelewa Kwetu, kutembea mazungumzo.

Kadri tunavyoishi Kanuni za Kiroho za Mpango wa Narcotics Anonymous, ndivyo nafasi ya ugonjwa wetu kupata bora kwetu inavyopungua. Mchakato wa kurudi nyuma kawaida huanza na Kiroho chetu, hicho ndicho kitu cha kwanza kinachoanza kwenda. Tunaacha kuwa na Shukrani kwa vitu tulivyo navyo, na tunaacha Kuomba. Tunaanza kupoteza Uvumilivu na watu, mahali, na vitu; wasiwasi unakuwa mbadala wa Maombi.

Tabia zetu na sisi wenyewe na wengine zinaanza kubadilika. Tunaanza kutumia toleo fupi la Sala ya Utulivu, ambalo ni "#### ##" na kisha machafuko yanaanza. Mchakato huu wa kurudi nyuma unaweza kusababisha kurudi nyuma kimwili.

Kurudi kwenye misingi ndicho kitu pekee kinachoweza kutuokoa wakati huo. Kuchukua Hesabu ya haraka kunaweza kutuweka kwenye njia sahihi na kuendelea mbele.

Tunajiunganisha tena na Nguvu yetu ya Juu. Tunasaidia mraibu mwingine anayeteseka. Tunahuisa Kujisalimisha kwetu kwa Kanuni za Narcotics Anonymous, na Mchakato wa Urejesho unaanza tena.

Kwa Wakati Huu: Tutaendelea kusonga mbele kwenye Njia hii ya Kiroho, kwa kuendelea Kujisalimisha na Kutumia Kanuni hizi za Kiroho kwa misingi wa saa ishirini na nne.

24 Januari

"Uraibu ulitutenga na watu isipokuwa kwa kupata, kutumia, na kutafuta njia na njia za kupata zaidi."

— Kitabu cha Kijivu, p. 7 (Chapter One, Lines 12-13)

Katika uraibu hai tunapozidi kutumia, ulimwengu wetu ulionekana kuwa mdogo na mdogo. Kadri muda ulivyopita na ugonjwa wetu ulivyoendelea, tulitumia kuishi na tuliishi kutumia. Baadhi yetu tulipoteza kazi zetu; baadhi yetu tulitenganishwa na Familia na Marafiki zetu. Mwishoni tulitumia muda mwingi tukijihusisha, katika kupata na kutumia dawa za kulevya.

Tulipomaliza dawa za kulevya, tulitumia muda kutafuta njia na njia za kupata zaidi. Moja ya asili halisi ya ugonjwa wa uraibu ni kutengwa. Ugonjwa ulitutenganisha na Wapendwa na vitu tulivyopenda kufanya.

Baadhi yetu hatukufurahia tena burudani au shughuli za burudani. Tulisahau jinsi ya kufurahia.

Kutumia kulikuwa kipaumbele chetu, na hatukuwa na chaguo, ila kuendelea. Tulikuwa hatuwezi kudhibiti uraibu wetu, na maisha yetu yakawa hayadhibitiwi. Wengi wetu tulikosa makazi na tukajikuta mitaani tukiishi katika unyonge.

Sehemu ya uchungu zaidi kutokana na matokeo ya uraibu wetu ilikuwa kutengwa kwa roho zetu, na hatimaye tulijipoteza. Kwa kukata tamaa, tulipata watu kama sisi katika Narcotics Anonymous. Hatimaye tulihisi kuwa sehemu ya kitu maalum; hatukuhisi tena peke yetu.

Hii ilikuwa mwanzo wa mwisho wa kutengwa kwetu. Kwa Msaada wa Narcotics Anonymous, ulimwengu wetu ulianza kuwa mkubwa.

Baadhi yetu tukawa na uwezo wa kuajiriwa, na baadhi yetu tukapata Familia zetu tena. Tulianza kupata marafiki wapya na kushiriki katika Maisha yetu na ya wengine. Ili kuendelea katika Safari hii ya Kiroho, lazima tuishi Kanuni za Narcotics Anonymous.

Lazima pia Tushiriki Zawadi hii na wale waraibu wanaoteseka wanaoitafuta. Narcotics Anonymous inaweza kumaanisha Kamwe Peke Yake.

Kwa Wakati Huu: Hatutahitaji tena kuhisi kutengwa. Leo Ulimwengu wetu unajumuisha Ushirika, Familia, Marafiki, Nguvu yetu ya Juu na hatimaye sisi wenyewe.

25 Januari

"Njia pekee ya kuondokana na kinyongo ni kukuza unyenyekevu, kwa njia ya msamaha."

— Kitabu cha Kijivu, p. 76 (Step Twelve, Lines 10-11)

Wengine husema kwamba kinyongo ni kama kujisaidia mwenyewe kwa sababu wewe ndiye unayehisi. Ukweli ni kwamba kuhisi tena au kutuma tena hasira kunatumiza sisi wenyewe kwa kiasi kikubwa. Mchakato wa Msamaha huanza na Mungu kutusamehe, kisha tunajisamehe; wakati huu tunaweza kusamehe na kusamehewa na wengine. Mchakato huu kawaida hufanyika katika Hatua ya Saba hadi Tisa.

Tulianza Mchakato wa Msamaha mapema, tulipokiri kutokuwa na nguvu juu ya uraibu wetu. Tulilazimika kuweka mbali lawama zetu.

Tulikuwa Wajibikaji kwa uraibu wetu. Tulikuwa Tunastahili Kupona tulipoomba Nguvu Kubwa Kuliko Sisi wenyewe kutuondolea hamu ya kutumia. Uamuzi wetu wa kugeuza Mapenzi na Maisha yetu kwa Mungu wa Kuelewa Kwetu ulileta Unyenyekevu ndani yetu.

Kuomba Msaada kilituwezesha kutambua ubinadamu wetu wenyewe. Tunaanza kukuza Huruma kwa wengine.

Uvumilivu na Uvumilivu na sisi wenyewe, hutusaidia Kutekeleza Kanuni hizi kwa wengine. Kusamehe wengine kunatuachilia kutoka kifungo cha kinyongo; pia huwasaidia wengine na hasira na hatia yao. Leo na Narcotics Anonymous na Nguvu Yetu ya Juu tuko Huru Kuishi, Furaha, Raha na Uhuru.

Kwa Wakati Huu: Tumeachiliwa kutoka kwa kinyongo kwa Kusamehe wengine. Tunaanza kuona kwamba Msamaha ni kweli kwa ajili yetu.

26 Januari

"Tulitoka katika hali ya mafanikio na ustawi wa madawa ya kulevya hadi kufilisika kabisa kiroho, kiakili na kihisia."

— Kitabu cha Kijivu, p. 13 (Chapter One, Lines 28-30)

Mwanzoni, tulitumia madawa ya kulevya na kisha madawa ya kulevya yakatutumia sisi. Baada ya Kuamshwa Kiroho, uzoefu wetu unaonyesha kwamba ugonjwa wetu ulikuwepo muda mrefu kabla ya sisi kutumia madawa ya kulevya. Hatua ya Nne ilifichua kwamba tulikuwa na ugonjwa wa Kiroho ambao ulisababisha kuoza Kiroho. Kwa muda, kwa wengi wetu, madawa ya kulevya yalikuwa Suluhisho; yalituokoa kutoka kwetu wenyewe.

Madawa ya kulevya yalitusaikia kuishi na hisia zetu na hisia zetu. Tulitumia madawa ya kulevya kujaza pengo katika Maisha yetu. Baada ya muda, madawa ya kulevya yaliacha kufanya kazi.

Madawa ya kulevya yalifanya pengo letu kuwa kubwa zaidi na Maisha yetu kuwa na maumivu zaidi. Madawa ya kulevya yakaanza kututumia sisi.

Kutumia madawa ya kulevya kukawa njia yetu ya maisha. Tuliteseka kihisia, Kiroho, kiakili, kimwili, na Maisha yetu yakawa hayadhibitiwi. Wengi wetu tulijikuta katika magezea, taasisi, katika kudhalilishwa na baadhi yetu walikufa.

Baada ya kujaribu kila kitu bila mafanikio, tulijikuta katika Narcotics Anonymous. Kwa wengi wetu, ilikuwa nyumba ya mwisho kwenye mtaa.

Hapa, tulikutana na watu, ambao kama sisi waliteseka kutokana na hofu za uraibu. Watu hawa walipata Suluhisho na Walilishiriki nasi. Jambo la kwanza tulilopaswa kufanya lilikuwa kuacha kutumia madawa ya kulevya, kwa namna yoyote. Hatua yetu ya Pili inatuambia kwamba maumivu ya Kuishi bila madawa ya kulevya au kitu kingine cha kuyachukua nafasi (ikiwa ni pamoja na madawa mengine) yanatulazimisha kutafuta Nguvu Kubwa Kuliko Sisi wenyewe ambayo itatuondolea hamu ya kutumia.

Tulipata Suluhisho ambalo lilitukwepa Maisha yetu yote. Tulipata Suluhisho la Kiroho kwa tatizo la Kiroho linaloitwa uraibu. Katika Narcotics Anonymous, Roho zetu Zinaamka na tunakuja kujua Maisha ambayo hatukuwahi kujua kuwa yanawezekana.

Kupona katika N.A. kunamwacha mtu mgonjwa katika hali bora kuliko kabla ya kuugua. Tunakaribishwa tena katika nchi ya Wanaoishi. Tunashiriki Ujumbe huu wa Tumaini, Ahadi ya Uhuru na wengine, ili tuweze kuhifadhi Zawadi hii ya Thamani.

Kwa Wakati Huu: Tutabaki katika Suluhisho. Tutaendelea Kuamsha Kiroho kwetu, kwa kuendelea Kutekeleza Programu ya Kuishi.

27 Januari

"Njia hizi za zamani lazima ziende ikiwa tunataka kupata maisha mapya."

— Kitabu cha Kijivu, p. 80 (Chapter Five, Line 19)

Kasoro za tabia zetu zilikuwa zana za ugonjwa wa uraibu. Kasoro hizi za tabia zilifanya iwezekane kwetu kuishi njia yetu ya zamani ya maisha. Madawa ya kulevya yalikuwa suluhisho letu kwa muda mrefu, kabla ya kugeuka dhidi yetu.

Ili kuishi uraibu wetu, tulilazimika kutekeleza kasoro zetu za tabia. Katika Narcotics Anonymous tunapewa seti mpya ya zana, zana hizi mpya ni muhimu kwa Njia yetu Mpya ya Maisha. Katika Narcotics Anonymous zana zetu za zamani hazifanyi kazi ili Kupona.

Kitabu chetu cha Gray kinasema, "Kuachilia kasoro za tabia kunapaswa kufanywa kwa upendo. Hofu na chuki haziwezi kutupa maisha mapya." Hatuhitaji tena zile ujuzi wa zamani wa kuishi kwa sababu sasa tunafanya zaidi ya kuishi tu; hatimaye tunaishi kweli. Narcotics Anonymous inatupa Kanuni za Kiroho rahisi ambazo tunaweza Kutekeleza ili kuendelea kwenye Njia hii ya Kiroho.

Narcotics Anonymous ni zaidi ya kutotumia madawa ya kulevya, si programu ya madawa ya kulevya; N.A. ni Programu ya Kupona. Ahadi moja, na Zawadi nyingi, na Zawadi moja ni Kuamshwa Kiroho kama matokeo ya Kufanya Hatua hizo. Zawadi nyingine ni Uhusiano na Nguvu Kubwa ya Kuelewa Kwetu.

Zawadi nyingine ni Uhusiano na Uhalisia. Fasihi yetu inasema kwamba ikiwa hatutumii kile tulicho nacho, tutakipoteza katika kurudi nyuma.

Kwa hivyo, lazima tuendele kuzitumia Zana hizi Mpya kwa kuzitumia mara kwa mara na Kuzishiriki na wengine.

Kwa Wakati Huu: Lazima tutumie Zana Mpya ambazo ziliwekwa mbele yetu katika Maisha haya Mapya, vinginevyo, tunaweza kurudi kwenye njia zetu za zamani.

28 Januari

"Maendeleo ya ugonjwa ni mchakato unaoendelea, hata wakati wa kujizuia, bila kujali muda gani."

— Kitabu cha Kijivu, p. 128 (Chapter Seven, Lines 32-33)

Fasihi yetu inatuambia kwamba tuna ugonjwa usioweza kupona unaoitwa uraibu, ni sugu, ambayo inamaanisha kuwa hudumu kwa muda mrefu au hujirudia mara kwa mara. Ni unaoendelea, ambayo inamaanisha kuwa kila wakati unazidi kuwa mbaya. Ni hatari, ambayo inamaanisha inaweza kutuua.

Hata hivyo, ugonjwa huu unaweza kutibiwa, kuna Tumaini. Katika Narcotics Anonymous jambo la kwanza tunalofanya ni kuacha kutumia dawa za kulevyi. Kwa sisi, Urejesho hauwezi kutokea isipokuwa tumeacha kabisa na kabisa kutumia dawa zote.

Kujizuia katika Narcotics Anonymous ni lazima, ikiwa tunataka kutibu ugonjwa huu. Tunateseka kutokana na ugonjwa wa kimwili, kiakili, kiroho na kihisia, ambao unahitaji Suluhisho la Kiroho. Tunakomesha ugonjwa huu kila siku.

Tunatumia Kanuni za Kiroho kupona kutoka hali ya kukosa matumaini, kwa siku hiyo tu. Tunapata Nafuu ya Kila Siku kulingana na hali yetu siku hiyo. Tunapolala usiku, Urejesho wetu unakwisha.

Siku inayofuata tunapaswa kuanza tena kufanya mambo tuliyofanya siku iliyopita ambayo yalitupa Nafuu hiyo ya Kila Siku. Haijalishi tumekuwa katika Urejesho na Kujizuia kwa muda gani, ugonjwa wetu unaendelea na unasubiri fursa ya kuchukua tena. Tunajenga Uangalifu, tunaendelea Kujisalimisha na kuchukua Hatua. Tunaanza kupata Uhuru kutoka kwa mawazo ya ugonjwa, na tunaanza kuhisi Utulivu tunapoishi kwa Kanuni za Kiroho.

Kwa Leo Tu, Tunapona.

Kwa Wakati Huu: Tukikubali kutokuwa na nguvu na kutoweza kudhibiti, tunafungua mlango wa Urejesho. Kuna Tumaini.

29 Januari

"Je, tunaelewa na kuamini kwamba hatuna udhibiti wa kweli, wa muda mrefu juu ya dawa za kulevya?"

— Kitabu cha Kijivu, p. 31 (Step One, Lines 23-25)

Ikiwa hatuna udhibiti juu ya uraibu wetu, tunawezaje kujidanganya kwamba siku moja tunaweza kutumia dawa za kulevya kwa usalama tena. Moja ya njia ambazo ugonjwa wa uraibu hujidhihirisha ni katika matumizi yetu ya dawa za kulevya. Sisi si waraibu kwa sababu tunatumia dawa za kulevya, tunatumia dawa za kulevya kwa sababu sisi ni waraibu.

Matumizi ya dawa za kulevya ni dalili moja ya ugonjwa huu. Ugonjwa huu huathiri Roho zetu, hisia zetu, na hali yetu ya kiakili.

Matumizi ya dawa za kulevya kawaida huja mwishoni mwa mchakato wa kurudia. Mchakato wa kurudia huanza baada ya kuwa katika Urejesho na kuwa Safi. Sura ya Saba katika Kitabu cha Msingi inaelezea matukio ambayo yanaweza kutupeleka kwenye matumizi ya dawa za kulevya.

Pia inaelezea mchakato unaoanza kuoza kwa Kiroho, kihisia, kiakili ambayo hutokea kabla ya kurudia kimwili halisi. Uraibu ni ugonjwa unaoendelea, usioweza kupona na hatari ambao huathiri kila eneo la Maisha yetu. Ishara iliyo wazi zaidi ya ugonjwa wetu ni hamu isiyoweza kudhibitiwa na kisha matumizi ya dawa za kulevya.

Katika Narcotics Anonymous tunapewa Nafuu ya Kila Siku kutoka kwa matumizi haya ya kazi na hamu ya dawa za kulevya. Nafuu hii ya Kila Siku inategemea Matengenezo yetu ya Kiroho ya Kila Siku. Matengenezo yetu ya Kiroho yanajumuisha Mazoezi ya Kila Siku ya Hatua na Hatua zinazopendekezwa katika programu ya Narcotics Anonymous.

Katika Hatua ya Kwanza mawazo yetu kwamba tunaweza kurudi kutumia dawa za kulevya kwa usalama, lazima yavunjwe. Hifadhi hizi wakati mwingine zimefichwa zaidi ya ufahamu wetu nyuma ya akili zetu, zinaweza tu kufikiwa na Hatua zetu katika Kutekeleza Kanuni za Kiroho na kufuata mapendekezo. Hatua hizi tunazochukua katika Narcotics Anonymous ni Mchakato unaopunguza hamu yetu na hifadhi za kutumia dawa za kulevya. Hatua hizi pia huweka Uamsho wetu wa Kiroho na Urejesho unaendelea.

Hatimaye, tunaweza tu kuhifadhi kile tulichopewa, kwa kukitoa.

Kwa Wakati Huu: Kupitia Hatua zetu na Uaminifu, tunaimarisha Kujisalimisha kwetu kwamba hatuhitaji kutumia dawa za kulevya tena, kwa siku hiyo tu.

30 Januari

"kutoa kile tulichopewa - ni bima yetu bora dhidi ya kurudia"

— Kitabu cha Kijivu, p. 59 (Step Twelve, Lines 21-23)

Katika Narcotics Anonymous kubeba Ujumbe wa N.A. kwa mraibu mgonjwa na anayeteseka, sio tu kunasaidia Kuokoa Maisha yao, bali yetu pia. Kwa kuwa Ujumbe hauna maana isipokuwa tuuishi, tunahakikisha Kutekeleza kile tunachofundisha. Katika Narcotics Anonymous tunapewa Zawadi inayozidi kutoa, mradi tuendeleo kuipatia.

Moja ya njia tunazobeba Ujumbe ni kwa kubaki Safi wenyewe. Kujisalimisha kwetu kwa kutokuwa na nguvu kwa ugonjwa wa uraibu kunampa mraibu anayeteseka matumaini kwamba wao pia wanaweza Kujisalimisha kwa ugonjwa huo, na kisha Kujisalimisha kwa Kanuni za N.A. Muda wetu wa Usafi unatumika kama Nguvu ya mfano machoni mwa wengine, mfano wa Programu inayofanya kazi. Wakati wengine wanaposhiriki Urejesho wao nasi, inawasaidia kuimarisha kile walichojifunza tayari. Njia hii ya Maisha na Uamsho wa Kiroho tuliopata ni matokeo ya Hatua hizo.

Hii ilikuwa kweli Zawadi kutoka kwa Mungu wa Uelewa Wetu. Tunaendelea kutoa Zawadi hii kwa wale wanaotafuta Urejesho.

Kwa upande wake, Zawadi hiyo itaendelea kutupa, lakini baada ya muda hiyo haipaswi kuwa Sababu yetu Kuu. Roho yetu inapowaka, tunatekeleza Kanuni za Upendo na Huduma kwa kutaka kwa dhati Kuwasaidia wengine. Tunapowasaidia wengine kubaki Safi tunabaki Safi wenyewe, unaweza kusema ni athari ya upande. Tunahifadhi kile tulicho nacho kwa kukitoa.

Kubeba Ujumbe wa Narcotics Anonymous ndio sababu halisi ya Narcotics Anonymous kuwepo. Hii ndiyo yote tunayo kutoa, hii ndiyo Kusudi letu Kuu.

Kwa Wakati Huu: Bima yetu bora dhidi ya kurudia ni Kuishi Kanuni za Hatua ya Kumi na Mbili. Hatua hii, pamoja na Mapokeo ya Kumi na Mbili, yanajumuisha Programu yetu yote.

31 Januari

"KWA LEO tu nitakuwa na imani na mtu katika N.A. ambaye anaamini mimi na anataka kunisaidia katika nafuu yangu."

— Kitabu cha Kijivu, p. 143 (Chapter Nine, 2nd Just For Today)

Katika Narcotics Anonymous, Moyo wa Nafuu kutoka kwa uraibu ni mraibu mmoja kumsaidia mwingine. Hii ndiyo maana ya Ufadhili, ni barabara ya pande mbili kwa sababu inasaidia wote, Mwanafunzi na Mfadhili. Tunaposhiriki Nafuu yetu na mtu mwingine, tunaimarisha Nafuu yetu wenyewe.

Tulipokuja kwanza katika Narcotics Anonymous roho zetu zilikuwa zimevunjika, zimetatizika kutoka chini hadi juu, tulihisi hatuna msaada na tumekata tamaa. Hapa, katika N.A. tulikutana na watu ambao walihisi kama sisi, lakini walikuwa wamepata Nafuu ya Kila Siku kutoka kwa hali hiyo ya kukata tamaa. Tuliambiwa kwamba hatuhitaji kuteseka tena, hatuhitaji kutumia, kwa siku hiyo tu. Tuliambiwa kwamba hatukuwa watu wabaya wanaojaribu kuwa wazuri; tulikuwa watu wagonjwa wanaojaribu kuwa bora.

Sisi wa Programu husaidia Kuokoa Maisha yetu. Ugonjwa ulitutenga, na tulifikiri tungekufa peke yetu kama waraibu wanaotumia.

Fasihi yetu inasema kwamba Narcotics Anonymous ni kama meli katika bahari ya upweke. Hatuko peke yetu, pamoja tumeangamia kwenye kisiwa kimoja.

Tunasaidiana Kuishi kutokana na hofu za uraibu tulizopitia. Moja ya mapendekezo katika Narcotics Anonymous ni kwamba tupate Mfadhili wa kutuongoza kupitia Hatua na Mila. "Silaha kuu kwa nafuu ni mraibu anayepata nafuu." Mfadhili ni kama ramani ya kibinadamu; wanajua tulikotoka. Wanajua tunakoenda, na wanatuonyesha jinsi ya kufika huko.

Watu katika Narcotics Anonymous watatembea bega kwa bega nasi, bila nia au malengo mengine. Kwa Leo Tu, hatuhitaji kuwa peke yetu tena. Kwa Leo Tu, tutakuwa na Imani na mtu katika N.A.

KATIKA WAKATI HUU

Tutatafuta kuwa sehemu ya Ushirika huu. Tutachagua mtu huyo ambaye anaweza kutuongoza kupitia Programu ya Narcotics Anonymous na Njia Mpya ya Maisha.

1 Februari

*"Tulijisalimisha—tukaacha kupambana—tukasalimu amri, kabisa na bila masharti.
Kisha na hapo tu ndipo tulipoanza kupona kutoka kwa ugonjwa wa uraibu."*

— Kitabu cha Kijivu, p. 33 (Step One, Lines 13-15)

Hatua yetu ya Kwanza katika Maandishi ya Msingi inasema kwamba tunapokubali kutokuwa na nguvu na kutoweza kusimamia maisha yetu wenyewe tunafungua mlango wa Nafuu. Tunapata kinyume chake pia kuwa kweli, bila Kusalimu Amri kabisa tunafunga mlango wa Nafuu. Wengi wetu tulikuja na G.O.D. "Zawadi ya Kukata Tamaa".

Baadhi yetu tulikuja na matatizo ya mgongo; tulitaka watu waondoke mgongoni mwetu, wengine walilazimishwa, wengine walikuwa na tarehe za wanawake. Lolote lililotufikisha hapa kwanza, linaweza lisitufanye tubaki hapa. Tunasikia wanachama wakipiga kelele, "Endelea kurudi!", katika mikutano yetu.

Waliotutangulia walijua kwamba Kusalimu Amri kwetu kwa awali kulihitaji kuwekwa hai. Tulihitaji kuendeleza miguu yenye akili, kwenda kwenye mikutano ilikuwa kitendo chetu cha kimwili cha Kusalimu Amri. Kuna zaidi katika Hatua ya Kwanza, Uaminifu wetu na Kukubali kulihitaji kuungwa mkono na Vitendo vyetu ili kuwa na athari yoyote.

Tulihitaji Kusalimu Amri kiakili kwa kufungua akili zetu kwa Nguvu inayoweza kuondoa hamu yetu ya kutumia dawa, na baadaye pia kwa hamu nyingine. Tukitumia Nguvu hii kisha tukasalimu amri kwa Utayari wa kutumia Kanuni hizi rahisi za Kiroho katika Maisha yetu. Msingi katika Hatua tatu za kwanza hutupa Zana tunazohitaji kuendelea katika Mchakato wa Nafuu unaotolewa katika Narcotics Anonymous. Kiwango chetu cha Kusalimu Amri kinahusiana moja kwa moja na Vitendo tunavyofanya katika Nafuu yetu.

Tunajifunza kwamba hatungeweza kushinda hadi tuliposalimu amri. Mapambano yamepangwa, lakini na Nguvu yetu ya Juu kama Mkufunzi wetu na Ushirika katika kona yetu, Tunapona.

KATIKA WAKATI HUU

Je, tumesalimu amri kabisa? Je, tunabadilisha Maarifa kwa Kusalimu Amri? Au, bado tunadumisha Kusalimu Amri kwetu kwa awali na Vitendo?

2 Februari

"Nia njema inaonyeshwa vyema katika huduma na huduma sahihi ni "Kufanya jambo sahihi kwa sababu sahihi."

— Kitabu cha Kijivu (Our Symbol, Last Paragraph)

Msingi wa Alama yetu ni mpana vya kutosha kukumbatia maonyesho yote ya Mraibu anayepata Nafuu; hii ndiyo inayounda Ushirika wetu. Tunakuja pamoja kubeba Ujumbe wa N.A. kwa mraibu ambaye bado anateseka, hiyo ndiyo Nia yetu Njema, hiyo ndiyo Kusudi letu Kuu na Umoja wetu wa Kusudi. Huduma katika Narcotics Anonymous ni Umoja wetu katika Vitendo.

Tunahitaji Kutekeleza Kanuni zetu za Kiroho ili Ustawi wetu wa Pamoja, ambao ni Nafuu, uje kwanza kabla ya mahitaji ya mtu yeyote binafsi. Mwanzoni tunapokuja katika Narcotics Anonymous, tunatengeneza kahawa kwa mikutano yetu, tunapanga viti na kuwasalimu wanachama mlangoni. Tunaambiwa kwamba ahadi hizi za awali zinatufanya turudi na kusaidia kutuweka Safi. Tunapoanza Kupata Nafuu Kusudi letu Kuu la kufanya Huduma hubadilika kuwa Kuhudumia wengine na hilo linakuwa Nia yetu Kuu.

Upendo na Huduma vinakuwa Kusudi letu Kuu. Kwa kufanya Jambo Sahihi Kwa Sababu Sahihi pia tunapata kubaki Safi. Kufanya Huduma katika Narcotics Anonymous Husaidia wengine kupata Safi na Husaidia sisi kubaki Safi, lakini tunahitaji kuchukua Hatua ili Kupata Nafuu.

Tunahitaji kuwa na Huduma Inayotokana na Nafuu, sio nafuu inayotokana na huduma. Nafuu inayotokana na huduma ni kwa ajili ya mtu mwenyewe na haifanyi kazi kwa muda mrefu. Nafuu yetu Binafsi lazima ije kwanza.

Tabia zetu lazima zipitie mabadiliko. Hilo linatokea tu kwa Msaada wa Mungu wa Kuelewa Kwetu, Ushirika wa Narcotics Anonymous, na Kuishi Kanuni za Hatua na Mila.

Nia njema inaweza tu kuonyeshwa kupitia Mchakato huu.

KATIKA WAKATI HUU

Tutakagua kwamba Nia yetu ya Kweli ya Huduma ni kwa wale tunaowahudumia; Mraibu ambaye bado anateseka, na Narcotics Anonymous.

3 Februari

"Yeyote anaweza kujiunga nasi bila kujali umri, rangi, dini au kutokuwa na dini."

— Kitabu cha Kijivu, p. 15 (Chapter Two, Second Paragraph)

Desturi yetu ya Tatu inafanya iwezekane kwa maonyesho yote ya waathirika wa madawa ya kulevya kupona. Kukiri kwetu ni kukiri kwetu.

Msaada huanza tunapokubali kushindwa kabisa. Uraibu ni ugonjwa wa fursa sawa; hauchagui. Katika Narcotics Anonymous waathirika kutoka tamaduni zote, asili zote, hali za kifedha na viwango vya elimu, wana kitu kimoja kwa pamoja, ugonjwa wa uraibu. Kuteseka kutokana na hofu za uraibu ndicho kilichotuleta pamoja, na sasa shukrani kwa Narcotics Anonymous pia tuna Urejesho kwa pamoja.

Umoja wetu ndio unaofanya Urejesho wetu uwezekane. Kuwa kwenye kisiwa kimoja, hutuwezesha kuunda kifungo cha pamoja tunachokiita Ushirika wa Narcotics Anonymous. Sharti pekee la uanachama ni Tamaa ya kuacha kutumia.

Sharti hili rahisi linafanya iwezekane kwa wote wanaotafuta Uhuru kutoka kwa uraibu wa kazi, bila kujali umri, rangi, dini, rangi au upendeleo wa kijinsia, fursa ya Kupona. Umoja wetu wa Kusudi, kubeba Ujumbe kwa mwathirika anayeteseka, hutuweka Pamoja, na kurudi tena. Tunahimizana na kupendana kurudi kwenye Afya ya kimwili, kiakili, kihisia na Kiroho. Kila mmoja anafundisha mwingine, na tunasaidiana Kuokoa Maisha ya kila mmoja.

Nguvu yetu iko katika utofauti wetu. Ama tunashikamana pamoja, au tutashikamana mmoja mmoja.

KATIKA WAKATI HUU

Tutashukuru milele kujiunga na kundi maalum la watu, ambao kama sisi wanateseka kutokana na ugonjwa wa Kiroho na kupata Suluhisho la Kiroho la pamoja.

4 Februari

"Katika Hatua ya Kumi tunajitahidi kwa unyenyekevu wa kweli. Katika unyenyekevu huu tunaweza kuingiliana vizuri na wengine."

— Kitabu cha Kijivu, p. 56 (Step Ten, Lines 25-26)

Hatua ya Kumi inatufanya tuwe na Msingi wa Kiroho, hivyo tunaendelea kuchukua hesabu ya kibinafsi. Katika hesabu hii tunachukua hesabu ya mali zetu na madeni yetu, na tunakubali zote mbili. Kwa kutekeleza Kanuni za Narcotics Anonymous, hatuwezi kukanyaga vidole vya wenzetu. Kuchukua hesabu ya kila siku kunatuonyesha mahali tumekosea.

Tunafuata upungufu wetu kwa kufanya marekebisho. Hesabu yetu pia inaonyesha mahali tumekuwa sawa.

Kwa hivyo kwa sisi Kutekeleza Kanuni za Kiroho hatuwezi kutekeleza kasoro zetu. Kupitia utambuzi wetu na Kukubali kuwa binadamu na kuwa na kasoro kwa asili, tunaanza kukuza Uvumilivu na Ustahimilivu na sisi wenyewe. Wakati huo huo, tunakuza Uvumilivu na Ustahimilivu na wengine. Hatua zote na Desturi za Narcotics Anonymous zinahusiana na Kujisalimisha.

Kwa kiwango fulani hatua zote na desturi zinahusiana na kuchukua hesabu. Tunapitia kile kinachotufaa na kile kisichotufaa.

Tunatupa zana za zamani na kuchukua zana mpya. Uraibu huathiri kila eneo la Maisha yetu. Tunahitaji Kutekeleza Kanuni za Kiroho katika kila eneo la Maisha yetu, ili kuendelea katika Safari hii ya Kiroho.

KATIKA WAKATI HUU

Tutaendelea katika Safari hii ya Kiroho kwa kuendelea na Mchakato wa Hesabu ulio katika Hatua na Desturi.

5 Februari

"Wengi wetu hatungekuwa na mahali pengine pa kwenda kama tusingeweza kuamini vikundi na wanachama wa N.A."

— Kitabu cha Kijivu, p. 119 (Chapter Seven, Lines 11-12)

Kuja kwa Narcotics Anonymous kwa mara ya kwanza kumeelezewa na wengi; ilikuwa kama kurudi Nyumbani. Kwa muda mrefu wengi wetu tulikuwa tumepotea, tumejitenga, na tumewekwa mahali pabaya. Matumizi yetu ya dawa za kulevya na mtindo wa maisha uliendelea kututenga na wanadamu wengine, kwa kila matumizi ya dawa za kulevya. Kufika kwenye milango ya Narcotics Anonymous, tulikaribishwa.

Kwa mara ya kwanza kwa muda mrefu watu walionekana kufurahi kutuona. Walitusalimu kwa kukumbatiana, na tuliambiwa tuendeleo Kurudi.

Tulianza kuhisi tunahitajika.

Tulianza kuhisi tunastahili. Hatimaye, kwa muda mrefu tulihisi kama tunafaa. Hivi ndivyo nyumbani ilivyopaswa kuhisi, na wanachama wengine walikuwa kama Ndugu na Dada zetu. Polepole tulianza kuhisi vizuri karibu na wanadamu tena.

Tunapoendelea kujihusisha na Programu ya Narcotics Anonymous, tulianza kuhisi vizuri katika ngozi zetu wenyewe. Wanachama wa Narcotics Anonymous walitupenda hadi tulipojifunza kujipenda wenyewe. Tulichukua Mapendekezo, na Tukafanya Kazi na Kuishi Hatua.

Baada ya Matokeo ya Hatua hizo, tulitekeleza Kanuni hizi za Kiroho katika mfumo wa Desturi. Uhuru huu Mpya uliopatikana ulikuwa Zawadi ya Kimungu. Narcotics Anonymous haikuokoa tu Maisha yetu, lakini ilitupa Maisha yenye Thamani ya Kuishi.

Maisha mapya huru kutoka kwa magereza tuliyojijengea katika uraibu wetu wa kazi. Tulipewa moja ya Zawadi Kubwa zaidi katika mfumo wa Uhusiano na Nguvu ya Juu ya Uelewa Wetu Wenyewe. Tunapaswa kushiriki Zawadi hii ya Thamani, na wengine wanaoitafuta, ili kuendelea kuwa nayo.

KATIKA WAKATI HUU

Ni Wajibu wetu Kuwakaribisha wengine wanaofika N.A. wakiwa na matumaini kama sisi. Tunawapenda hadi wajifunze jinsi ya Kujipenda wenyewe. Tunafanya hivi kwa Upendo na Shukrani.

6 Februari

"mwishowe, kila mmoja wetu alilazimika kukubali kwamba kujitegemea kwetu ilikuwa uongo. hatungeweza pia kuendesha maisha yetu wenyewe."

— Kitabu cha Kijivu, p. 91 (Tradition One, Lines 18-21)

Kabla ya Kujisalimisha kwa Narcotics Anonymous, wengi wetu tuliteseka katika upweke. Ugonjwa ulituibia akili, miili na roho zetu utulivu na matumaini yoyote. Katika nyakati zetu za giza zaidi, tulijua kwamba Nuru yoyote ilikuwa ni udhihirisho wa Mungu, lakini tuliiruhusu izime kupitia matumizi yetu ya dawa za kulevya.

Roho zetu zilifunikwa na kulala. Tulipofika kwenye Ushirika wa Narcotics Anonymous, tulikaribishwa kwa kukumbatiwa na kuambiwa tuendeleo kurudi.

Roho zetu zilianza kuamshwa. Kupata na kudumisha Kujizuia Kamili na Kabisa, kuhudhuria Mikutano, kufanya kazi na Mdhamini. Kutumia Kanuni rahisi za Kiroho, kwa Msaada kutoka kwa Nguvu ya Juu, Roho zetu zilianza kuamka zaidi. Tunapokubali kutokuwa na uwezo na kutoweza kuendesha Maisha yetu wenyewe, tunafungua mlango kwa Nguvu Kubwa kuliko sisi wenyewe kutusaidia katika Urejesho wetu.

Tunapoendelea Kukua Kiroho, tunaanza kuwasalimu na kuwakumbatia Wapya na Kushiriki Nuru hii ya Thamani na Uponyaji nao. Tunaposaidia Kuamsha Roho zao, Roho zetu zinaamka zaidi. Hatuhitaji tena kutetemeka katika hofu ya baridi ya uraibu wa kazi.

Ili kupata joto katika Maisha yetu, tulihitaji tu kuchochea mkaa ambao N.A. ilipanda. Kupitia Programu ya Narcotics Anonymous, tunajifunza jinsi ya Kuishi kwa Nuru na Joto la Uponyaji kutoka kwa Nuru hiyo.

Kwa Wakati Huu: Tulifuata kwa Vitendo baada ya Kukubali kwamba upweke wetu ulikuwa sehemu ya ugonjwa wetu. Tunaanza kwa kuwa sehemu ya kitu Kizima; Narcotics Anonymous.

7 Februari

*"Mapenzi yako na maisha yako sasa yako mikononi mwa Chanzo cha nguvu zote -
ungana na Chanzo!"*

— Kitabu cha Kijivu, p. 41 (Step Four, Lines 9-11)

Hatua ya Pili ya Narcotics Anonymous inasema kwamba Tulikuja Kuamini Kwamba Nguvu Kubwa Kuliko Sisi Wenyewe Inaweza Kuturudisha Katika Akili Timamu. Kwanza tulikuja, na polepole tukaja Kuamini kwamba Nguvu inaweza Kuondoa maumivu yetu na hamu ya kutumia dawa za kulevya. Katika Narcotics Anonymous, tunaungana na Nguvu hii kwa Chanzo chetu cha Nguvu.

Nguvu hii Kubwa Kuliko Sisi Wenyewe haikutufanya tu Kusafishwa, lakini pia inatufanya Kusafishwa na inafanya Urejesho wetu uwezekane. Kitabu chetu cha Kijivu kinasema, "Utukufu wote kwa Mungu kama tunavyomuelewa ni mtazamo wetu hapa." Utambulisho wa Kweli unatukumbusha kwamba sisi wenyewe hatuwezi kutembea njia hii. Nguvu yetu inatoka kwa Mungu wa Uelewa Wetu ambaye tulikutana naye katika Hatua ya Tatu.

Tulipofanya uamuzi huo, tuliamua Kuamini Nguvu hiyo na Maisha yetu. Kujisalimisha Kamili na Kabisa kwa Kanuni za Kiroho za Hatua ya Nne ni jinsi tunavyoendelea katika Safari hii ya Kiroho. Kubaki Tulivu katikati ya dhoruba, ni udhihirisho wa Uaminifu wetu.

Kuamini Chanzo cha Nguvu zetu kunapelekea Imani, na Imani inazalisha Matunda ambayo Hatua hizi zinatoa. Uamsho wa Kiroho unaendelea mradi tu tunaendelea katika Mchakato huu.

Kujisalimisha Kwetu kwa Kudumu na Kamili ni ushahidi wa Utayari wetu.

Kwa Wakati Huu: Tunaonyesha Ushahidi wa Uaminifu wetu kwa jinsi tunavyoishi. Tunaendelea Kuungana na Nguvu hii kwa Nguvu zetu za Kila Siku.

8 Februari

"Tulipokuwa na jukumu la urejesho wetu wenyewe, tulikuwa na jukumu la waathirika wenzetu. Tuligundua jukumu hili lilikuwa na pande mbili."

— Kitabu cha Kijivu, p. 79 (Chapter Five, Lines 32-34)

Kitabu chetu cha Msingi kinasema kwamba: "Moyo wa N.A. unapiga wakati waathirika wawili wanashiriki urejesho wao. Inaendelea kufafanua hii kama Mkutano, mradi tu wanafuata Hatua Kumi na Mbili na Mila Kumi na Mbili za N.A. Waathirika wawili wakikusanyika pamoja, kusaidiana kubaki Safi.

Kila kitu tunachofanya katika Narcotics Anonymous tunafanya pamoja, ni Programu ya Sisi. Kubeba Ujumbe ni Jukumu, sio chaguo.

Waathirika wanaopona ndio watu pekee wanaoweza kusaidia waathirika; hilo ni Jukumu Letu. Kushiriki na Kujali kwa ana kwa ana hakuna kifani; tunagundua kwamba Upendo na Huduma ni Kusudi la Msingi na Nia. Tunapofanya Huduma hii ya ana kwa ana, tunagundua kwamba mateso yote tuliyopitia katika uraibu wa kazi yalikuwa na thamani; ikiwa inasaidia mwathirika mwingine anayeteseka.

Urejesho wetu wenyewe unastawi, ni "pande mbili", ambayo Fasihi yetu inazungumzia. Moja ya njia tunazofanya Huduma hii ni kwa njia ya Udhhamini. Mdhamini anatafutwa kama ramani ya kibinadamu, wanaonyesha tulipo, tunakoenda, na jinsi tutakavyofika huko.

Wadhamini wetu wanajua kwa sababu wamekuwa huko wenyewe, na walionyeshwa njia na wengine kabla yao. Kila wakati Mdhamini anapowasha Nuru kwenye Njia hii kwa mwathirika mwingine anayeteseka, Safari ya Mdhamini Inafunua hata zaidi kwao wenyewe. Tunapozungusha Urejesho wetu, tunaona Suluhisho mpya kwa uzoefu mpya tunazokabiliana nazo Kuishi Safi.

Kila siku ni mpya katika Safari yetu; tunapewa Reprieve ya Kila Siku, tunapewa Matumaini Yasiyo na Masharti. Tunaweza kubaki kwenye Safari hii mradi tu kuna mtu mwingine na Mungu upande wetu.

Kwa Wakati Huu: Zawadi yetu ya Urejesho ni ya masharti, kwa kuwa, tunaweza tu kuiweka, mradi tu Tunashiriki na wengine.

9 Februari

"Tulikuwa na hofu kwamba ikiwa tungejifunua jinsi tulivyo kweli, tungekataliwa bila shaka."

— Kitabu cha Kijivu, p. 44 (Step Five, Lines 14-15)

Kinyume cha kukataliwa ni Kukubalika, kama watumiaji wa dawa za kulevya tulijikataa wenyewe, na tulikataa maisha. Katika hatua za awali za ugonjwa wa uraibu, hatungeweza kukubali hisia zetu. Tulumia dawa kubadilisha jinsi tulivyohisi.

Tulijua kabisa jinsi tulivyotaka kuhisi, na hiyo ilikuwa imefutwa. Sehemu ya ugonjwa inayojihusisha na ubinafsi ilipuuza kila mtu na kila kitu kilicho karibu nasi. Tulumia dawa kwa gharama yoyote; ubinafsi huo huo ulitufanya tuhisi kwamba tulikuwa peke yetu.

Ubinafsi wetu wa kipekee ulitufanya tuhisi kwamba hakuna mtu angeweza kutukubali, ikiwa wangetujua. Kufika katika Narcotics Anonymous, tulilazimika Kukubali kwamba tulikuwa tunaugua ugonjwa wa Kiroho na si tatizo la kimaadili. Tuligundua kwamba hatuko peke yetu, kulikuwa na watu kama sisi.

Tulianza kuhisi kwamba tunaweza Kukubalika. Kwanza, tulilazimika Kujikubali wenyewe kama watu wagonjwa wanaopata nafuu. Tulikubali Nguvu ya Juu inayotusamehe, na kutupa Nguvu ya Kujipenda wenyewe na wengine jinsi walivyo.

Hatua ya Tano ni Ufunguo wetu wa Uhuru kutoka kwa kujikataa. Kukiri kwa Mungu, sisi wenyewe na binadamu mwingine, kunageuza Ufunguo huo.

Kujikubali pia kunajumuisha kile tunachokosa na Utayari wa Kubadilika. Hatua, Mapokeo, Ufadhili, Huduma, na Mungu vilifanya mabadiliko haya yawezekane. Hii ni mabadiliko ya kila siku si ya kudumu, ni Kwa Siku Hiyo Tu.

Siku inayofuata tunapaswa kuendelea Kutumia Kanuni hizi za Kiroho ili Kuhifadhi Tulicho nacho. Katika Narcotics Anonymous, Kukubalika kupitia Kujisalimisha kunakuwa Njia ya Maisha kwetu.

Kwa Wakati Huu: Hofu yetu ya kujulikana na wengine itapungua, tunapojifunza Kujikubali.

10 Februari

*"Dhana yetu ya furaha imebadilika sana tangu tuliposalimu amri kwa N.A. kwa ujumla.
Tunaweza kufurahia mambo rahisi maishani"*

— Kitabu cha Kijivu, p. 157 (Chapter Ten, Lines 28-30)

Wakati fulani katika maisha yetu kama waraibu, maisha yalikuwa rahisi na ndivyo ilivyokuwa kwa kile tulichokiona kama furaha; hatukuhitaji kuibuni; tuliishi tu, Kitabu cha Gray kilitaja. Kadiri ugonjwa wetu ulivyokua furaha yetu ilipungua, tulitafuta njia mpya za kuhisi furaha. Dawa za kulevya zilikuwa suluhisho kwa muda mrefu, hadi dawa hizo zilipokoma kufanya kazi. Kitabu chetu cha Msingi kinasema kwamba tulianza kupata tabia za ajabu; tulisahau jinsi ya kucheza.

Dhana yetu ya furaha ilikuwa kutumia dawa hadi alfajiri. Dawa zetu zilipokwisha, tulihisi huzuni.

Bwana Hyde alikuwa akijitokeza siku nyingi; tulisahau jinsi ya kucheza, "tulisahau jinsi ya kuhisi." Kupitia N.A. na kufanya Hatua, tunaanza kufurahia mambo rahisi maishani, na yanaanza kutupa Raha.

Kujumuika kabla na baada ya Mikutano kunatupa nafasi ya kufurahia uwepo wa wengine. Tunaanza kusikia na kuhisi wenyewe tukicheka, tunaanza kufurahia. Tunapoanza Kupona, baadhi yetu tunarudisha furaha tuliyopata kabla ya Roho zetu kulala.

Tunajifunza jinsi ya kuwa na furaha Safi kupitia matukio na mikusanyiko na wengine ambao hawatumii. Tunaanza kufurahia kuwa karibu na wanadamu wengine. Kwetu, furaha ilianza kujumuisha mambo rahisi, kwa mfano; kutembea katika asili, kusikiliza muziki, au kucheza michezo na marafiki na familia.

Tunafurahia Kubeba Ujumbe tunapofuatana na wengine na wapya kwenda kwenye mgahawa baada ya Mkutano. Tunataniana na wakati mwingine tunacheka wenyewe, tunashiriki Furaha na Tumaini Lisilo na Masharti. Tunagundua kwamba Furaha haitokani na nje, bali kutoka ndani.

Tunajifunza Kuishi na Kanuni za Kiroho Rahisi za Narcotics Anonymous. Kwa kila siku tunaona kwamba ni kwa sababu ya mambo rahisi maishani kwamba tunapata furaha halisi.

Kwa Wakati Huu: Baada ya kuja N.A. mitazamo na maoni yetu ya furaha ilibidi ibadilike, kwa sababu njia yetu ya zamani ya furaha ingeweza kutuua.

11 Februari

"Sisi waraibu, tunaopona katika N.A., tumehakikishiwa kwamba kuna njia moja tu kwetu kuishi, na hiyo ni Njia ya N.A."

— Kitabu cha Kijivu, p. 14 (Chapter One, Lines 14-16)

Kwa wengi wetu, Narcotics Anonymous ilikuwa nyumba ya mwisho kwenye mtaa. Tulijaribu kila kitu kabla ya kuja N.A. kuacha kutumia na kuumiza. Hatua yetu ya Kwanza inatuambia kwamba tulijaribu tiba nyingine, wanaoikolajia, nyumba za kupona, wapenzi, kazi, nk; na zote zilitufeli.

Mpango wa Narcotics Anonymous ulikuwa kitu cha mwisho tulichojaribu, na cha kwanza kilichofanya kazi. Tunaugua ugonjwa ambao ni wa Kiroho zaidi, lakini unatuathiri kimwili, kiakili na kihisia. Ugonjwa wetu wa Kiroho unahitaji Suluhisho la Kiroho, si la kimatibabu.

Narcotics Anonymous inawapa waraibu, si tu Kuacha kabisa na Kikamilifu, bali pia inatoa Uamsho wa Kiroho kupitia kufanya na Kuishi Hatua na Kutekeleza Mapokeo. Inatoa si tu Njia Mpya ya Maisha, bali Maisha ambayo hatungeweza kufikiria. Kupona katika Narcotics Anonymous ni Suluhisho pekee kwa ugonjwa unaomwacha mtu katika hali bora kuliko alivyokuwa, kabla ya kuambukizwa ugonjwa huo. Yetu ni Suluhisho la Kijuu, inachukua Nguvu ya Kijuu kujidhihirisha kupitia waraibu wengine wanaopona, kuweka ugonjwa huu mbali. Hakuna ugonjwa mwingine unaoweza kutibiwa kwa njia hii, mraibu mmoja akisaidia mwingine.

Narcotics Anonymous imejithibitisha kufanya kazi katika Maisha ya waraibu wengi tangu 1953. Kusudi letu Kuu na pekee ni Kupona na kusaidia wengine kupata Suluhisho hili. Tunapaswa kuhifadhi Ujumbe huu kwa kuubeba kwa wote wanaoutafuta.

N.A. si kwa watu wanaohitaji. N.A. si hata kwa watu wanaotaka.

N.A. ni kwa watu wanaoifanya. Njia yetu ya Maisha inatoa zaidi ya Kuacha kutumia dawa.

Uamsho wetu wa Kiroho unatufundisha si tu mtindo wa maisha usio na dawa, bali pia jinsi ya kujenga Mahusiano Mazuri na wengine na Nguvu yetu ya Juu.

Kwa Wakati Huu: Kila siku tunapewa nafasi nyingine ya Kuishi kweli, si tu kuwepo. Tumehakikishiwa kwamba kuna njia moja tu kwetu Kuishi, na hiyo ni Njia ya N.A.

12 Februari

"Tulijutia yaliyopita; tuliogopa yajayo. Tulikuwa tukitafuta kila mara "jibu"

— Kitabu cha Kijivu, p. 2 (Chapter One, Lines 15-16)

Kuishi Katika Wakati huu hutusaidia kuondoa majuto ya zamani zetu, hutuzuia kuunda wasiwasi kuhusu kesho. Tunaishi Katika Wakati huu: hatukopi tena kutoka kesho kwa sababu sasa ndipo Ukweli upo. Kama watumiaji wa dawa za kulevya, tulikuwa tunajaribu kutoroka Maisha yetu, yaliyopita, ya sasa na yoyote ya baadaye ambayo tungekuwa nayo. Wakati wa kutumia dawa za kulevya tulikuwa tunajiua kwa mpango wa malipo ya muda.

Baadhi yetu tulijuta kuamka asubuhi inayofuata, tu kuanza mzunguko tena. Baada ya kufika katika Narcotics Anonymous, yaliyopita yalionekana kutufikia. Hatukuwa tena malengo yanayohama na hali hii ya kutokuwepo kwa mwendo ilitushinda na kututisha.

Wanachama waliowasili kabla yetu, walituambia Tubaki Katika Siku. Walituambia kwamba ndoto ni mahali ambapo vichwa vyetu vipo, na Ukweli ni mahali ambapo miguu yetu ipo. Tunajifunza kufanya kazi na Kuishi Kanuni za Kiroho zilizomo katika Hatua na Mapokeo.

Tunajifunza kugeuza Mapenzi yetu na Maisha yetu kwa Uangalizi wa Mungu wa Kuelewa Kwetu Wenyewe. Ndiyo, N.A. ni Programu ya kujifunza. Tunapata kutembelea tena yaliyopita, na kupitia Hatua tunaanza Mchakato wa kurekebisha uharibifu wa yaliyopita.

Tunabadilika kidogo kila siku kwa msaada wa Nguvu ya Juu, Wadhamini na Ushirika. Tunapoendelea katika Safari hii ya Kiroho, ya sasa yetu inakuwa ya kuishi, na tunakoma kuunda machafuko. Tunafanya kazi juu yetu wenyewe, na yajayo yetu yanakuwa ya Tumaini. Ya sasa yetu inakuwa yaliyopita yetu, na tunahakikisha yajayo yetu.

Tunaishi Maisha ya Upendo na Huduma kwa wapendwa wetu na jamii katika Narcotics Anonymous na jamii kwa ujumla. Hatimaye tunapata kuishi Maisha, Furaha, Raha na Uhuru.

Kwa Wakati huu tu.

Katika Wakati huu: Hatutajuta tena yaliyopita yetu. Tunaishi Katika Wakati huu, kwani tuna Tumaini kwa yajayo.

13 Februari

"Kitu pekee tunachotaka kusesitiza ni kwamba unapaswa kujisikia vizuri na Nguvu yako ya Juu na uweze kutoa kauli kwamba Nguvu yako ya Juu inakujali."

— Kitabu cha Kijivu, p. 35 (Chapter Two, Lines 12-15)

Wengi wetu tuliowasili katika Narcotics Anonymous hatukuwa na uhusiano wa kufanya kazi na Nguvu ya Juu. Wengi wetu hatukuwa hata na uhusiano na ukweli. Hatua yetu ya Pili iliruhusu ushahidi kuwasilishwa katika Maisha yetu na Maisha ya wengine.

Tulipoingia katika Nguvu hii, iliondoa hamu yetu ya kutumia. Fasihi yetu inasema kwamba ishara iliyo wazi zaidi ya wazimu wa uraibu ni hamu ya kutumia. Kuondolewa kwa hamu hii ilikuwa ushahidi wetu wenye nguvu zaidi wa kitu kinachofanya kazi katika Maisha yetu kwa bora.

Hatua ya Tatu inatupa Uhuru wa kuchagua Nguvu ya Juu ya Kuelewa Kwetu Wenyewe. Haiji bila vikwazo ingawa, Hatua yetu ya Tatu inaomba tuwe Wakweli kuhusu Imani yetu. Sehemu ya kuwa Mkweli ni kwamba Nguvu yetu ya Juu iwe ya Kujali, ya Upendo, na tunaweza kuongeza ya Kusamehe.

Kwa sifa hizi tunaweza kujaribu kuiga sifa hizo na kuonyesha Huruma kwa wengine, kama inavyoonyeshwa kwetu. Kujali, Kuamini, na Uvumilivu tunavyoonyeshwa kupitia uhusiano wetu na Nguvu hii ya Juu vinaweza kuonyeshwa kwa wengine. Fasihi yetu inatuambia kwamba ni bora kuelewa badala ya kueleweka.

Ikiwa tunaomba Nguvu yetu ya Juu kuondoa mapungufu yetu, tunaomba Msamaha wakati huo huo. Kwa upande mwingine, tutaonyesha Roho hii ya Msamaha kwa wengine.

Katika Wakati huu: Tutachagua Nguvu ya Juu ya Kuelewa Kwetu Wenyewe. Tutachagua Nguvu itakayoakisi jinsi tunavyotaka kutendewa, na jinsi tutakavyowatendea wengine kupitia Kanuni za Kiroho.

14 Februari

"Ikiwa neno Mungu linakusumbua, kama lilivyowasumbua wengi wetu mwanzoni, badilisha na Urejesho, Wema, Upendo, N.A., Amani au chochote chanya, mradi tu unamaanisha."

— Kitabu cha Kijivu, p. 38 (Step Three, Lines 7-9)

Kama watumiaji wa dawa za kulevya wengi wetu tulilia kwa Mungu, na maombi ya shimo la mbweha. Tulimwita Mungu wakati tulikuwa tunamaliza dawa za kulevya au kukamatwa na polisi. Baadhi yetu hatukuamini Mungu kabisa.

Wakati baadhi yetu tulipokuja N.A., tulikuwa na shida kukubali Mungu kama kiumbe. Baadhi yetu tuliteseka na hatia kutokana na mambo tuliyoifanya katika uraibu wa kazi. Kutajwa kwa Mungu kulitutisha au kutuaibisha, kwa hivyo tulimkataa Mungu.

Baadhi yetu tulilazimishwa Mungu kama watoto, kwa hivyo tulikuwa na akili iliyofungwa mwanzoni. Hatua ya Kwanza inatuhakikishia kwamba sisi si Mungu. Ili kubaki Safi na Kupona, tungehitaji Nguvu Kubwa kuliko sisi wenyewe, na haikuwa sisi. Nguvu hii tuliyoingia katika Hatua yetu ya Pili iliondoa hamu yetu ya kutumia.

Nguvu hii haikuhitaji kuwa Mungu ambaye dini inazungumzia. Mungu anaweza kumaanisha Nguvu yoyote ya Upendo Kubwa Kuliko Sisi wenyewe au Kundi, kwa pamoja. Tunaweza pia kuchagua Kanuni za Kiroho za Narcotics Anonymous.

Tunaweza kuchagua Nguvu yoyote tunayotaka, mradi tu ni ya Upendo, ya Kujali, ya Kusamehe, na nje yetu wenyewe. Hatua ya Pili ilitukumbusha kwamba Mchakato wa Kuja Kuamini, ndio unaoturejesha kwenye Akili. Kwa hivyo ni Vitendo tunavyofanya vinavyoturejesha. Kwenda kwenye Mikutano, kufanya Huduma katika Kundi letu la Nyumbani, kusoma na kusoma Fasihi, na kuchukua Mapendekezo kutoka kwa Wadhamini wetu.

Vitendo hivi ni Nguvu Kubwa kuliko sisi wenyewe na vinaweza Kuondoa hamu yetu ya kutumia na Kutusaidia na mawazo yetu. Tunapaswa kuwa Wakweli na Imani yetu ili ifanye kazi. G-ood, O-rderly, D-irection inaonekana kufanya kazi kwa baadhi yetu. Kwa wengine, ilikuwa G-ift O-f D-esperation.

Chochote kilicho lazima tukimaanishe.

Katika Wakati huu: Tutachagua Mungu wa Kuelewa Kwetu Wenyewe. Tutakuwa Wakweli na Imani hiyo, kwa kufanya Kitendo.

15 Februari

"kuacha Nguvu Yetu ya Juu kutupata, badala ya kutafuta Mungu kwa akili zetu pekee."

— Kitabu cha Kijivu, p. 64 (Step Twelve, Lines 25-26)

Usitafute Mungu; Mungu hajapotea, sisi ndio tumepotea. Tulipofika kwanza katika Narcotics Anonymous, wengi wetu tulikuwa mbali sana na aina yoyote ya Uroho wa Afya.

Baadhi ya mazoea yetu kwa kutumia dawa za kulevya, kutafuta Mungu au kitu kingine, yalitupeleka mbali zaidi. Roho zetu zilikuwa katika koma ya Kiroho, akili na miili yetu ilikuwa imejaa dawa za kulevya, tulikuwa wagonjwa. Baada ya kufika Narcotics Anonymous na kubaki bila kutumia, akili zetu zilituandama; fikra za kutaka kutumia zingeweza tu kuondolewa na Nguvu Kubwa kuliko sisi wenyewe.

Akili mgonjwa haiwezi kujitibu yenyewe, kwa hivyo tulihitaji Hatua na wengine ili Kuamsha Roho zetu. Hatua ya Pili inatuambia kwamba maumivu ya Kuishi bila dawa za kulevya au kitu chochote cha kuzibadilisha, yanatulazimisha kutafuta Nguvu Kubwa kuliko sisi wenyewe ili kuondoa fikra za kutaka kutumia. Hatua ya Pili inasema kwamba Mchakato wa Kuja Kuamini ndio Unaturejesha kwenye Akili Timamu, kwa hivyo ni Kitendo tunachofanya kinachoturejesha. Hatuwezi kufikiri njia yetu ya kuishi vizuri; tunapaswa Kuishi Njia Yetu Kuelekea Kufikiri Vizuri.

Uamuzi wa kutumia vitendo hivi unatoka zaidi kutoka Moyo wetu kuliko akili zetu, tunahisi Uwepo wa Mungu, sio kufikiri Uwepo wa Mungu. Kwa Vitendo hivi Mungu wa Kuelewa Kwetu anatupata. Tunatenda Kanuni ya Kiroho ya Uaminifu kwa kuoanisha Vitendo vyetu na Ukweli.

KATIKA WAKATI HUU

Tutatumia GPS (mfumo wa kuweka Mungu) ili Mungu atupate, tutawaonyesha wengine jinsi ya kusimama na kupatikana.

16 Februari

*"Katika kufanya Hatua tunahitaji kutegemea Nguvu kubwa kuliko sisi wenyewe.
Tunaendelea na uhusiano huu na kuutumia kwa madhumuni ya Kikundi chetu."*

— Kitabu cha Kijivu, p. 93 (Tradition Two, Lines 14-16)

Tulihitaji Nguvu Kubwa kuliko sisi wenyewe ili Kusafishwa na kubaki Safi. Tuliendelea kukuza Uhusiano na Nguvu hii ambayo Imeturejesha kwenye Akili Timamu na kuondoa fikra za kutaka kutumia. Tuligeuza Kufikiri na Kuishi kwetu kwa Uangalizi wa Nguvu Yetu ya Juu ili kuendelea katika Mchakato huu tunaouita Urejesho.

Mchakato huu hutokea au unapaswa kutokea kwa kila mraibu anayetafuta Urejesho na Kuishi Programu ya N.A. Mawasiliano ya Kudumu ya Ufahamu huu huwa ni Ufahamu wetu wa Mungu, ambao tunauendeleza, unatufundisha jinsi ya Kuishi na Kutuelekeza katika Urejesho wetu.

Tuliendelea na Uhusiano huu na kuutumia kwa madhumuni ya Kikundi chetu. Mamlaka hii ya Juu hujidhihirisha kupitia kila mmoja wetu, na uamuzi unafanywa kupitia Ufahamu wa Mungu wa Kikundi. Ufahamu wa kweli wa Kikundi unategemea kila mtu kuwa na Mawasiliano ya Ufahamu na Mungu wa kuelewa kwake. Ikiwa wengi wa wanachama wa Kikundi hawana Uhusiano huu na Nguvu Yao ya Juu, basi unachopata ni maoni ya Kikundi.

Maamuzi yanayotokana na maoni ya mtu binafsi sio kwa Faida Kubwa ya Kikundi na/au N.A.; yanatupeleka mbali na Kusudi letu la Msingi. Tunapopotea kutoka Kusudi letu la Msingi, waraibu hufa, na baadhi hawatawahi kupata Ujumbe huu wa Kuokoa Maisha wa Narcotics Anonymous. Kutokujulikana katika Hatua yetu ya Pili kunatukumbusha kwamba hakuna mwanachama mmoja aliye muhimu zaidi kuliko Kikundi. Maamuzi ya Kikundi chetu yanapaswa kuja mbele ya mahitaji ya mtu yeyote binafsi.

Uamuzi huu unaongozwa na Mungu Mwenye Upendo kama unavyojidhihirisha kupitia Ufahamu wa Kikundi chetu. Watumishi Wetu Wenye Kuaminika hawatawala.

KATIKA WAKATI HUU

*Tutaendelea Kutegemea Mungu wa Kuelewa Kwetu katika maamuzi yetu yote, ikiwa ni pamoja
na sehemu yetu katika Ufahamu wa Kikundi.*

17 Februari

"Mraibu ambaye hataki kuacha kutumia hatakoma kutumia. Anaweza kupigwa, kufungwa au chochote; lakini hatakoma kutumia mpaka atake."

— Kitabu cha Kijivu, p. 97 (Tradition Three, Lines 18-22)

Hatua yetu ya Tatu inatuambia kwamba Tamaa ndio msingi wa Urejesho wetu. Bila Tamaa ya kuacha kutumia, tumehukumiwa.

Tulipofika kwanza katika Narcotics Anonymous, tulitaka tu kuacha kuumia. Wengi wetu tulikuwa wagonjwa na kuchoka kwa kuwa wagonjwa na kuchoka. Baadhi yetu tulikuja kupitia maagizo ya utekelezaji wa sheria, na baadhi yetu tulielekezwa na familia zetu au kazi. Vyovyote vile, baada ya muda, ikiwa hatukuwa hapa kwa ajili yetu wenyewe hatukubaki.

Maumivu, kwetu, yalipaswa kufikia kiwango ambacho tulikuwa Tayari Kujisalimisha. Tulijisalimisha kwanza kwa ugonjwa ambao unamaanisha tulipaswa kukubali kwamba tuna ugonjwa. Kisha tulijisalimisha kwa Suluhisho, Kanuni za Kiroho za Narcotics Anonymous.

Hapo awali waraibu waliwekwa gerezeni wakitumaini kwamba wangeacha kutumia; haikufanya kazi, mara tu mraibu alipoachiliwa, walirudi kutumia tena. Waraibu walipewa dawa wakitumaini kwamba mraibu angepoteza tamaa ya kutumia dawa za kulevya. Baadhi ya waraibu waliambiwa kujaribu dini, kwa matumaini kwamba wangepata Mungu na kuacha kutumia dawa za kulevya. Hakuna kati ya mbinu hizi tulizojaribu zilizofanya kazi kwetu.

Kilichofanya kazi kwetu ilikuwa Tamaa ya Kweli, inayotokana na Moyo wetu, sio akili zetu kuacha kutumia. Kukata tamaa kwetu ndiko kunatuletea Narcotics Anonymous. Tumaini ndilo linalotuweka hapa.

Narcotics Anonymous, kwa wengi wetu, ilikuwa nyumba ya mwisho kwenye mtaa. Tamaa hiyo ilipaswa kugeuka kuwa kukata tamaa kwetu kuja hapa kwanza, na kisha kubaki.

Tulipaswa kushindwa kabisa na ugonjwa wa uraibu, ili tuweze kujisalimisha. Tulipokubali hatimaye, tulikuwa Tayari kujaribu njia tofauti. Hatimaye, tulipata Njia Mpya ya Kuishi, Maisha ambayo hatungeweza kamwe kufikiria.

Karibu katika Narcotics Anonymous.

KATIKA WAKATI HUU

Tutafungua milango yetu, Leo Tu tutawasha moto wa Tamaa kwa mraibu anayeteseka anayekuja.

18 Februari

"Mara nyingi sana, madaktari ambao walikuwa na nia njema, lakini hawakujua ugonjwa wetu, walituwezesha kuendelea na uraibu wetu."

— Kitabu cha Kijivu, p. 10 (Chapter One, Lines 13-14)

Wengine wanasema kwamba mahali hatari zaidi kwa mraibu kuwa, si kwenye klabu au baa. Mahali hatari zaidi kwa mraibu kuwa, ni kwenye ofisi ya daktari. Ingawa hiyo inasikika kama kejeli, imeonekana mara kwa mara kwamba baadhi ya wanachama wetu walirudi kwenye uraibu baada ya kupokea dawa kutoka kwa madaktari.

Uraibu ni ugonjwa wa Kimwili, Kihisia, Kiroho na Kiakili. Wataalamu waliofunzwa walijifunza kuhusu dawa na magonjwa, lakini uraibu ni ugonjwa wa Kiroho ambao unatuathiri Kimwili na Kiakili. Madaktari wa leo bado wana ujuzi mdogo sana kuhusu uraibu, kozi ya saa kumi haiwezi kumfanya mtu kuwa mtaalamu. Sisi katika Narcotics Anonymous ambao tumepona kutoka hali hii ya kukata tamaa, ni wataalamu katika Urejeshaji wetu.

Tulitumia miaka na miaka katika uraibu hai, kwa hivyo tuna uzoefu mwingi katika ugonjwa pia. Historia zetu kama waraibu katika Urejeshaji zinaonyesha kwamba waraibu wanaweza kusaidia waraibu. Uzoefu wetu unaonyesha kwamba ugonjwa wa Kiroho unahitaji Suluhisho la Kiroho.

Hatuwezi kutibu ugonjwa wa Kiroho kwa kemikali. Ingawa madaktari wana nia njema, kwa kweli wanachangia zaidi kwenye tatizo kuliko Suluhisho.

Vituo vinavyohusiana na vituo vya matibabu mara nyingi hutibu tu dalili ya ugonjwa, ambayo ni matumizi ya dawa za kulevya. Tiba yao si kuacha kabisa; ni kuacha kwa sehemu au kupunguza madhara. Hatuwezi kutumia dawa za kulevya kuacha dawa za kulevya, na hatuwezi kutibu Roho zetu ikiwa miili na akili zetu bado zimejaa dawa za kulevya.

Narcotics Anonymous imekuwa ikijithibitisha kwa miongo kadhaa, kama tiba bora zaidi kwa ugonjwa wa uraibu. Programu yetu inatoa zaidi ya kuacha kabisa, inatoa Uamsho wa Kiroho kwa kila Hatua. Mmoja wa waanzilishi wetu aliandika kwamba ni waraibu tu wanaoweza kusaidia waraibu.

Hiyo ni Wajibu wetu, hiyo ni Kusudi letu Kuu. Uhusiano na wengine na Nguvu ya Juu, Programu ya Narcotics Anonymous, inathibitisha kuwa Baraka zetu Kubwa zaidi.

Kwa Wakati Huu: Tunaheshimu na kuamini uwanja wa matibabu na masuala yetu ya afya, lakini kwa ugonjwa wetu wa uraibu, Tunamwamini Mraibu Anayepata Nafuu na Programu ya Narcotics Anonymous.

19 Februari

"Hatujawahi kulazimishwa kurudi kwenye uraibu. Tunapewa chaguo. Kurudi kwenye uraibu si ajali. Ujuzi wetu wa uraibu haukutosha kutuzuia kutumia."

— Kitabu cha Kijivu, p. 124 (Chapter Seven, Lines 33-35)

Kurudi kwenye uraibu si sehemu ya Urejeshaji; ni ukosefu wake. Mchakato wa kurudi kwenye uraibu una mwanzo wake mwishoni mwa mchakato wa Urejeshaji.

Fasihi yetu inaelezea kurudi kwenye uraibu kwa Kiroho, Kihisia na Kiakili kabla ya kurudi kwenye uraibu wa Kimwili. Matumizi ya dawa za kulevya hutokea mwishoni mwa kurudi kwenye uraibu.

Mchakato wa Urejeshaji unahitaji Kujisalimisha kwa Kanuni za Kiroho kila siku. Hatua tunazochukua ili Kupata Nafuu ni Mchakato wetu wa Kujisalimisha. Kitendo chetu cha Kimwili cha Kujisalimisha hutokea tunapohudhuria Mikutano.

Kitendo chetu cha Kiakili cha Kujisalimisha hutokea tunapoungana na Nguvu yetu ya Juu kwa Nguvu na Mwongozo. Kutekeleza Programu ya Kuishi, Kufanya kazi na wengine na kufanya Huduma kwa Narcotics Anonymous ni Kitendo chetu cha Kiroho cha Kujisalimisha. Mmoja wa watangulizi wetu mara nyingi alitaja kwamba Ujuzi si mbadala wa Kujisalimisha, tunapaswa kutumia taarifa hiyo katika Maisha yetu ya Kila Siku. Kila siku, tunapewa Nafuu ya Kila Siku kutoka kurudi kwenye uraibu hai, na hiyo inategemea Hali yetu ya Kiroho.

Narcotics Anonymous ni Programu ya saa 24, tunapona kutoka hali ya kukata tamaa tuliyowahi kuteseka, Kwa Leo Tu. Tunajiepusha na kurudi kwenye uraibu wa Kihisia kwa Kumshukuru Mungu wa Uelewa Wetu kwa kutuweka Safi siku hiyo. Tunakutana na siku mpya; tunaanza upya kwa kuonyesha Shukrani yetu kwa Matendo yetu siku nzima.

Tunajumuisha Misingi na Kanuni za Kiroho katika ratiba yetu ya kila siku. Tunashiriki Urejeshaji wetu kwa kubeba Ujumbe kwa mraibu ambaye bado anateseka. Matendo haya yanadumisha Urejeshaji wetu ukikua, na yanazuia mchakato wa kurudi kwenye uraibu kuanza. Kwa Leo Tu, tutaendelea kufanya kazi kwenye Urejeshaji wetu, tutaendelea na Safari hii ya Kupanda.

Kwa Wakati Huu: Tutaendelea Kuishi na Kushiriki na wengine Programu ya Narcotics Anonymous, ili tuendeleo Kuishi na Kufurahia Maisha yetu bila matumizi ya dawa za kulevya.

20 Februari

"Kupitia kutoweza kwetu kukubali majukumu binafsi tulikuwa tunajitengenezea matatizo yetu wenyewe."

— Kitabu cha Kijivu, p. 23 (Chapter Three, First Paragraph)

Kwanza tulitumia dawa za kulevya, kisha dawa za kulevya zilitutumia sisi. Kile kilichoanza kama furaha na burudani, tulifikiri, kilimalizika kuwa kitu pekee tulichoweza kufikiria. Kadiri ugonjwa wetu ulivyokuwa ukisonga mbele, ukawa kipaumbele katika Maisha yetu.

Maisha yetu yote yalijikita katika dawa za kulevya, kwa namna moja au nyingine. Tulivyotumia Kuishi na Kuishi kutumia, Majukumu yetu binafsi yalipuuzwa. Kutoweza kwetu kudhibiti hali ilikuwa dhahiri kwa wale waliotuzunguka.

Inaonekana kwamba sisi ndio tulikuwa wa mwisho kujua kwamba tunaweza kuwa na tatizo. Siku zetu zilijumuisha mabishano ya mara kwa mara na Wapendwa wetu, baadhi yetu tukawa hatuna ajira, na baadhi yetu tukafungwa. Matumizi ya dawa za kulevya yalitutenga na Familia zetu, Marafiki, kazi zetu, na hatimaye sisi wenyewe. Dawa za kulevya ambazo hapo awali zilikuwa suluhisho letu, zikawa tatizo kwetu.

Kile kilichokuwa kinajaza pengo katika roho zetu, kilikuwa kinapanua pengo hilo hata zaidi. Tulifikiri ikiwa tunaweza tu kuacha kutumia dawa za kulevya, Maisha yetu yangekuwa bora. Tulijaza pengo letu na kazi mpya, wapenzi wapya, dini na dawa zingine.

Tuliamia maeneo tofauti tukifikiri kwamba hisia na hisia zetu zingebadilika. Kutoweza kwetu kudhibiti hali ndani yetu kulionekana zaidi na zaidi, hakuna kitu tulichojaribu kilichofanya kazi. Mapema au baadaye tulirudi kwenye kitu pekee kilichowahi kufanya kazi kwetu, dawa zetu za kulevya.

Tukiwa tumeshindwa kabisa tulipata Narcotics Anonymous, hapa tukakutana na watu kama sisi. Watu tuliokutana nao katika Narcotics Anonymous kama sisi, waliteseka na hofu za uraibu. Walionekana kuwa Wenye Furaha, Wenye Shauku na Wenye Uhuru; walionekana kuwa na jibu la Uhuru kutoka uraibu hai.

Tulisikia ikiwa hatukuwa tatizo hakungekuwa na Suluhisho. Tulianza kuhisi Tumaini kwamba sisi pia tunaweza Kupata Nafuu.

Kwa Wakati Huu: Tunajua kwamba ingawa hatuwajibiki kwa ugonjwa wetu, tunawajibika kwa Urejeshaji wetu.

21 Februari

"Lazima tutumie kile tunachojifunza au tutakipoteza na pengine tutarudia kutumia, bila kujali tumekuwa safi kwa muda gani."

— Kitabu cha Kijivu, p. 123 (Chapter Seven, Lines 14-15)

Katika Narcotics Anonymous tunapewa Reprieve ya Kila Siku, na hiyo inategemea matengenezo yetu ya Kiroho. Kanuni za Kiroho zimeandikwa kwa urahisi ili tuweze kuzitumia katika Maisha yetu ya Kila Siku, jambo muhimu zaidi kuhusu hizo ni kwamba zinafanya kazi, Fasihi yetu inatuambia. Baada ya kufika Narcotics Anonymous tunaacha dawa za kulevya, kisha tunapewa seti ya zana zinazobadilisha matumizi yetu ya dawa za kulevya. Kanuni hizi za Kiroho zilizomo katika Hatua zinapaswa kutumika katika Maisha yetu ya Kila Siku ili zifanye kazi.

Kwa kuwa hakuna tiba ya ugonjwa huu unaoendelea, Urejesho wetu lazima uendelee. Tunajifunza Kujisalimisha kila siku, moja ya njia tunazoonyesha Kujisalimisha huku ni kwa kuhudhuria Mikutano yetu. Kuhudhuria Mikutano na Kujizuia kabisa na kwa jumla ni sehemu ya Kujisalimisha kwetu Kimwili katika Hatua ya Kwanza.

Kwa kuwa ugonjwa wetu pia ni wa Akili, Kiroho na Hisia, lazima tufanye zaidi. Tumaini bila hatua hugeuka kuwa kukata tamaa, kwa hivyo lazima tufanye kazi ya Hatua zilizobaki. Kuunganishwa na Nguvu Kubwa kuliko sisi wenyewe ili kuondoa mazoea yetu, hutupatia Utulivu, na hutupatia Nguvu ya kusonga mbele.

Tunajenga Uhusiano na Mungu wa Kuelewa Kwetu. Kwa Msaada wa Wafadhili wetu na wanachama wengine tunachukua Hatua. Kitabu chetu cha Kijivu kinasema, "Hii hutupatia uzoefu katika kutumia Kanuni za Kiroho.

Uzoefu uliopatikana kwa muda unahakikisha Urejesho wetu unaoendelea." Kwa hivyo basi kinyume chake lazima kiwe kweli, ikiwa hatutumii kile tulichojifunza tunakipoteza katika mchakato wa kurudia kutumia. Kiroho ni moja ya mambo ya mwisho tunayopata katika Programu yetu, lakini, ni jambo la kwanza linaloanza kupotea katika mchakato wa kurudia kutumia. Urejesho wetu unaoendelea unategemea vitendo vyetu Leo.

Ikiwa hatutumii, tutakipoteza. Vile vile hatuwezi kubaki safi kwa kuoga kwa jana, hatuwezi kubaki safi kwa Urejesho wa jana.

Tunapona, Kwa Leo Tu.

Kwa Wakati Huu: Tutahakikisha Urejesho wetu kwa kutumia kile tulichojifunza. Tunapoendelea Kutumia Kanuni zetu Kila Siku, Urejesho wetu unakuwa Mchakato unaoendelea.

22 Februari

"Tuliendelea kuchukua hesabu ya kibinafsi, na tulipokuwa na makosa tulikubali mara moja."

— Kitabu cha Kijivu, p. 54 (Step Ten, Header)

Urejesho ni mchakato unaoendelea, kupitia Hatua na Mila tunagundua ufunuo mpya kuhusu sisi wenyewe na wengine. Hakuna siku mbili zilizo sawa kabisa, na tunaonekana kuwa tofauti kila siku pia. Wakati mwingine Tunakua, wakati mwingine tunabaki vile vile na wakati mwingine tunarudi nyuma. Narcotics Anonymous ni Programu ya Saa Ishirini na Nne; ni Programu ya Kwa Leo Tu.

Kila siku tunapewa Reprieve ya Kila Siku kutoka kwa uraibu hai. Reprieve hii inategemea matengenezo yetu ya kila siku ya Roho yetu. Mchakato wa Urejesho si wa kiotomatiki kama mchakato wa kurudia kutumia, unahitaji juhudi na kazi yetu.

Kufanya kazi na Kuishi Hatua na Mila na Wafadhili wetu na Nguvu za Juu, hutupatia uwezo wa kubadilika. Hatua zote ni Hatua za Hesabu kwa sababu zinaturuhusu kujitazama sisi wenyewe. Hatua zinatubadilisha, ikiwa tunaziishi. Matumizi ya vitendo ndiyo yanayofungua Matunda yao.

Hatua ya Kumi inatukumbusha mchakato huu. Ukaguzi kutoka shingoni unakumbusha kwamba tutakuwa tukipona kila wakati.

Hatua ya Kumi ni kweli ni Mazoezi ya Hatua ya Kwanza hadi ya Tisa. Hesabu ya kila siku inatuwezesha kuona mahali tulipokosea. Kama waraibu wanaopona, tunapaswa kufanya kazi ya Hatua hii ili kugundua ikiwa tumekosea.

Sehemu ya kuzuia ya Hatua hii ndiyo inayotufanya Tukue. Tunapofanya Mazoezi ya Kanuni za Kiroho, kasoro zetu hupungua. Tunajifunza kusimama kabla ya kujibu.

Katika kusimama huko, tunaona kwamba wengine pia wanapitia mchakato wao wa Kukua. Kutafakari juu ya Mali na madeni yetu wenyewe, tunaweza Kufanya Mazoezi ya Uvumilivu, Uvumilivu na Msamaha, kwa wengine na sisi wenyewe. Kuchukua Hesabu lazima iwe mara kwa mara ili kuwa na ufanisi.

Ni moja ya mambo ya Upendo tunayoweza kufanya kwa wengine na sisi.

Kwa Wakati Huu: Tutaendelea na mchakato huu wa Upendo wa Kukua. Tutashiriki Kanuni hizi za Kiroho na wengine jinsi zinavyoathiri Maisha yetu.

23 Februari

"Kutokujulikana ni msingi wa kiroho wa Mila zetu zote, kila wakati kutukumbusha kuweka kanuni mbele ya utu."

— Kitabu cha Kijivu, p. 115 (Tradition Twelve, Header)

Kufufuka kwa Roho zetu ni matokeo ya kufanya kazi ya Hatua Kumi na Mbili. Kisha Tunafanya Mazoezi ya Kanuni hizi kupitia Mila zetu. Kutokujulikana ndiko kunafanya hili liwezekane, ni msingi mzima wa Programu yetu.

Hatua na Mila zimeundwa kutulinda sisi wenyewe na wengine. Kubaki bila majina na Kutokujulikana kunatufanya sote tuwe sawa, hakuna mimi mkubwa au wewe mdogo. Vile vile tulivyokubali kwamba hatuwezi kufanya peke yetu katika Hatua ya Kwanza.

Mila ya Kwanza inazungumzia Umoja wa Kusudi, kama sehemu ya jumla. Mila ya Pili inazungumzia Mamlaka ya Juu, si sisi.

Mila ya Tatu inaelezea Uhuru katika Usawa na Tofauti. Mila ya Nne inazungumzia Uhuru wa Kikundi; hakuna mtu mmoja aliye muhimu zaidi kuliko Kikundi, na hakuna Kikundi kinachoweza kuamuru au kudhibiti Kikundi kingine. Mila ya Tano inazungumzia Kusudi letu Kuu na si kusudi langu binafsi. Mila ya Sita hadi ya Tisa inaelezea mipaka kati ya Narcotics Anonymous na vyombo, biashara, mashirika na vifaa vinavyohusiana, ikiwa ni pamoja na kamati za huduma. Hatuazimi Jina letu kwa yeyote nje ya N.A.

KAMA HIVYO. Mila ya Kumi hadi ya Kumi na Mbili inazungumzia mipaka kati ya Narcotics Anonymous na Ulimwengu kwa Ujumla.

Kwa kubaki bila majina, hakuna mtu mmoja, au mwanachama anayeweza kuwakilisha Narcotics Anonymous. Hatujihusishi na Ulimwengu kwa Ujumla au mila za Ulimwengu kwa Ujumla. Kutokujulikana hutuzuia kufikiria kwamba tunafanya hivi peke yetu.

Kutokujulikana kunatoa sifa pale sifa inastahili, kwa Mamlaka ya Juu kama inavyojidhihirisha katika Dhamiri ya Makundi Yetu.

Kwa Wakati Huu: tutabaki Wanyenyekevu, kwa kubaki bila majina, tutatambua kwamba sisi ni sehemu ya jumla, na jumla ni kubwa kuliko jumla ya sehemu zake.

24 Februari

"Mabadiliko ya tabia ndiyo tuliyohitaji kweli. Mabadiliko kutoka kwa mtindo wa kujiangamiza hadi mtindo wa kujithibitisha yalikuwa muhimu."

— Kitabu cha Kijivu, p. 25 (Chapter Three, Lines 18-20)

Kuishi katika uraibu hai tulipotosha mawazo yetu. Tabia zetu zilipata mwelekeo wa ajabu.

Kasoro zetu ziliokoa maisha yetu kwa sababu zilituwezesha kutumia, na tulitumia kuishi. Mabadiliko haya ya kihisia yalituathiri kwa kiwango cha kina bila sisi kujua. Kwa kweli, wakati mwingine tulikuwa wa mwisho kujua kwamba tulikuwa na tatizo.

Kukataa na ubinafsi vilitulinda tusione ukweli wa kile maisha yetu yalivyokuwa. Kwa kuwa Uroho ni Uhusiano sahihi na ukweli, hatukuwa na huo.

Nakala yetu ya Msingi inasema, "Ujuzi wa kuishi ulipunguzwa hadi kiwango cha wanyama. Roho yetu ilivunjika. Uwezo wa kuhisi kuwa binadamu ulipotea.

Tabia yetu ikawa na kasoro, na tabia na mitazamo yetu ilithibitisha tu hilo. Tulikuwa katika hali ya kuishi, watu tuliokuwa zamani, walimezwa na ugonjwa wetu. Dhamiri yetu iliondoka mara tu baada ya kukataa kuisikiliza, na kukataa kukajitokeza. Tabia zilizoundwa zilitumikia kusudi moja tu, na hilo lilikuwa kuendelea kutumia, kwa gharama yoyote ile.

Narcotics Anonymous na kufanya Hatua zilitoa mabadiliko ya Moyo, Mwili, Akili na Roho. Tabia zetu zilihitaji kujengwa upya; tulihitaji Mungu kama tulivyomwelewa kuwa mbunifu. Hatua zetu na Mila ni Vifaa vya Kiroho vinavyohitajika kwa mpango wetu wa Kuishi.

Narcotics Anonymous inatoa mpango na muundo wa Kuishi. Lazima Tujisalimishe kwa Njia hii ya Maisha, ikiwa tunataka kuendelea Kuishi, sio tu kuwepo, kufa au kuteseka.

KATIKA WAKATI HUU

Tutajisalimisha kwa mabadiliko haya, ya Tabia, Akili na Roho. Kwa msaada wa Narcotics Anonymous, Wadhamini wetu, na Nguvu yetu ya Juu.

25 Februari

"Ingekuwa kosa la kusikitisha kuwa na yote yameandikwa na kisha kuyaficha kwenye droo."

— Kitabu cha Kijivu, p. 44 (Step Five, Lines 12-13)

Hatua ya Nne katika Narcotics Anonymous inatuomba kuweka kalamu kwenye karatasi na kuandika Mali na madeni yetu. Uchunguzi huu wa Kibinafsi usio na woga unafichua kinachotufanya tuwe hai. Kupitia maandishi yetu tunafungua hisia ambazo zilikuwa zimezikwa hai katika uraibu wetu hai.

Hatua ya Nne inafungua sehemu zetu ambazo hatukuwa na ufahamu nazo. Pia inaonyesha mitindo ya kuishi ambayo ilitengenezwa na kuhitajika kwa matumizi yetu ya dawa za kulevya. Madeni yetu hayakuhitajika tena katika Njia yetu Mpya ya Maisha; yalitumika katika uraibu hai, lakini hayahitajiki tena.

Orodha yetu pia ilifichua Sifa zetu Nzuri, Mali ambazo ni zana tunazoweza kutumia kwa Njia hii ya Maisha. Chuki na hasira zetu kwa watu, mahali na vitu hazitushikili tena mateka. Hatua tatu za kwanza tunapata sawa na Mungu, katika Hatua ya Nne tunaanza kupata sawa na nafsi. Tuko Huru Kukua na kufikia kiwango kingine cha Kujisalimisha.

Tulianza kupata Kukubali Nafsi, na tulianza kujipenda. Tulianza mchakato wa kuondoa na kubadilisha, kutoka kwa zamani kuingia mpya.

Tulimwalika Mungu wa Uelewa Wetu kutuongoza katika Mchakato wetu na Tuliomba Uaminifu. Kitendo hiki cha Imani hakitakamilika isipokuwa tukishiriki na Mungu, sisi wenyewe, na binadamu mwingine. Hii inatuleta kwenye Hatua ya Tano.

KATIKA WAKATI HUU

Tunamwalika Mungu Mwenye Upendo katika Mchakato wetu, tunaomba Nguvu na Ujasiri wa kuweza kujitazama na kwa msaada wa Mungu na Matendo yetu tunabadilika.

26 Februari

"Hatua ya Nane ni hatua kubwa kutoka kwa maisha yanayotawaliwa na hatia na majuto."

— Kitabu cha Kijivu, p. 51 (Step Eight, Lines 14-16)

Ikiwa Mungu anatufutia katika Hatua ya Saba, basi lazima tujifutie wenyewe kwa sababu hatuko juu ya Mungu. Hatua ya Nane inatoa Mchakato huu, kuangalia orodha yetu ya Hatua ya Nne ni mwanzo. Katika hatua hii orodha yetu kawaida huongezeka mara mbili kwa sababu baada ya kufanya hesabu ya kibinafsi tuliona asili halisi ya makosa yetu na mitindo. Hatukuwa tena wahanga, Hatua yetu ya Nane inafichua kwamba tulijiweka katika nafasi ya kuumizwa na wengine.

Tukijitetea, tuliwadhuru wengine; bado tulikuwa na makosa kwa kuwa pale. Mitindo ya maisha tuliyoishi katika uraibu hai ilituathiri kwa kiwango cha kina, tulipotosha tabia zetu. Haijalishi ni uharibifu kiasi gani tuliwasababishia wengine, tulijiumiza wenyewe zaidi kwa kiwango cha kina.

Hatia na majuto yalisababisha kujichukia, kwa hivyo tulitumia dawa zaidi ili tusihihi. Hatua ya Nane inatoa njia ya kutoka, lakini lazima tubadilishe njia zetu za zamani. Hatua Nne, Tano, na Sita zilitulazimisha kujitazama, matokeo yalikuwa kwamba tulipata Kukubali Nafsi.

Ambapo hapo awali hatukuwa na chaguo, sasa tunacho. Roho zetu zilifufuka kutokana na Hatua zilizopita, tulipewa zana za kujadili Hatua inayofuata. Katika Hatua ya Saba Mioyo yetu ilianza Kupona, na tulipokea Ujasiri kutoka kwa Nguvu yetu ya Juu pamoja na zana za Kiroho.

Mungu alitufutia, kwa hivyo tulilazimika kujifutia wenyewe na wengine. Hii ilikuwa Hatua kubwa kutoka kwa jinsi tulivyokuwa tukiishi. Tulikuza Huruma kama matokeo; tuliweza hatimaye kuona sehemu yetu na kutafuta kuirekebisha.

Tulitengeneza orodha na tukawa Tayari. Sasa tunajiandaa kuwa Tayari kutafuta watu tuliowadhuru.

Hii ni hatua kubwa kutoka kwa jinsi tulivyokuwa tukiishi, na hatuwezi kufanya hivyo peke yetu. Tunahitaji Mwongozo na Msaada wa Mdhamini wetu na Nguvu na Roho ya Mungu.

KATIKA WAKATI HUU

Tunaanza Mchakato wa Kusamehe kwa Mungu kutusamehe, kwa kujisamehe wenyewe, na kwa kuwasamehe watu wengine wanapokosa kutusamehe.

27 Februari

"Kupitia uhuru katika maisha yetu mapya, hatimaye tunaweza kuona sifa maalum ambazo tunazo kama watu binafsi"

— Kitabu cha Kijivu, p. 161 (Chapter Ten, Lines 2-4)

Katika Narcotics Anonymous, mmoja wa watu tutakaokutana nao ni sisi wenyewe. Baada ya kufikia chini kabisa, hatukufurahia sana kuona kile tumekuwa. Sasa bila kutumia dawa za kulevya, tunahisi hisia zetu zote, na nyingi zilikuwa ni hatia, aibu, na majuto.

Wengi wetu hatukujipenda, na sasa tunakabiliana nayo. Kuishi na sisi wenyewe bila kutumia dawa za kulevya ilikuwa hata chungu zaidi.

Hatukuwa na dawa za kulevya za kutufanya tusihisi. N.A. haitoi tu kujizuia kutumia dawa za kulevya, pia inatoa Uhuru kutoka kwa hamu ya kutumia. N.A. inatoa Njia Mpya ya Kuishi kupitia Uamsho wa Kiroho tunaopata kutokana na kufanya kazi na Kuishi kila Hatua na Mila. Uamsho huu wa Roho unaturuhusu kulea mtu ambaye tulikusudiwa kuwa tangu mwanzo.

Mchakato huu ni wa muda na si wa mara moja, wakati mwingine maumivu yetu yanahitaji Kujisalimisha Kikamilifu. Kuna Uhuru uliomo katika kila Kanuni ya Kiroho. Uhuru kutoka kwa uraibu wa kazi, Uhuru kutoka kwa nafsi, Uhuru kutoka kwa wengine, na Uhuru kutoka kwa dunia kwa ujumla.

Hatuhitaji tena vinyago; hatuhitaji tena kuwa watu wengine walivyotaka tuwe. Hatimaye tunaweza kuwa sisi wenyewe na kuwa sawa na hilo.

Sisi ni kazi inayoendelea. Bado hatuko watu ambao Mungu anajua tunaweza kuwa.

Bado hatuko mtu tunayetaka kuwa. Sisi ni mtu ambaye tunapaswa kuwa hapa, sasa hivi. Kwa msaada wa Mungu Tunaye Muelewa, Wadhamini wetu, Hatua, Mila na Ushirika wa N.A., mabadiliko haya yanawezekana, Kwa Leo Tu. Tunajiona kwa uhalisia, na mapungufu yetu na mali zetu.

Tunajisalimisha kwa mchakato huu na kupokea Kujikubali, na Kukubali wengine. Tunajifunza Kuishi katika ngozi zetu wenyewe; tunapata mwanga wa watu tunaoweza kuwa. Leo kuna Tumaini.

Kwa Wakati Huu: Hatuna tu Kujikubali, bali pia Tunakubali kile tunachokosa na kujaribu kuendeleza katika kipengele hicho. Pia tunakuza Huruma kwa sisi wenyewe na wengine.

28 Februari

"Kanuni hizi za kuishi zitatuelekeza katika kupona tunapojifunza jinsi ya kuzitumia."

— Kitabu cha Kijivu, p. 148 (Chapter Nine, Lines 22-23)

Sura ya Pili katika Kitabu chetu cha Msingi inasema kwamba, "Mpango wetu ni seti ya kanuni zilizoandikwa kwa urahisi kiasi kwamba tunaweza kuzifuata katika maisha yetu ya kila siku. Jambo muhimu zaidi kuhusu hizo ni kwamba zinafanya kazi." Kile tulichojua wakati wengi wetu tulipofika Narcotics Anonymous, karibu kilituua. Zana tulizokuwa nazo, zilikuwa ni zana za ugonjwa.

Ingawa zilitusaidia katika uraibu wetu wa kazi, hazikuwa na manufaa tena katika Kupona kwetu. Narcotics Anonymous ilitupatia seti mpya ya zana.

Kanuni hizi za Kiroho ambazo zilifungwa katika Hatua na Mila zinaweza tu kufikiwa kupitia mazoezi, Uaminifu, Uwazi wa Akili na Utayari wa kujaribu. Kujisalimisha Kwetu Bila Masharti katika Hatua ya Kwanza kilituacha katika hali ya kujisalimisha. Kuendeleza miguu yenye busara kwa kwenda kwenye mikutano ilikuwa ni Kitendo cha Kimwili cha Kujisalimisha.

Tulianzishwa kwa Uaminifu, kwa kuoanisha Matendo yetu na Ukweli. Tulionyesha Uwazi wa Akili kwa kuchukua mapendekezo kutoka kwa wanachama waliokuwepo kabla yetu. Kitendo hiki na tabia hii ilifanya Imani yetu katika Nguvu Kubwa Kuliko Sisi wenyewe kuwa Ukweli. Ilikuwa ni mchakato wa kuja kuamini ambao uliturejesha kwenye Akili, kwani hamu yetu ya kutumia iliondolewa.

Tumaini lililoonekana katika Maisha yetu na katika Maisha ya wengine, lilitusukuma katika Kitendo. Kitendo hiki, tulipochukua Hatua ya Pili, kiliongeza Imani yetu.

Tulikuza Uaminifu katika Nguvu hii na tukamua kuiacha ituongoze, katika maeneo yote ya Maisha yetu, si tu sehemu ya kuacha kutumia. Tulipokuwa Tukipona, ndivyo tulivyofunua na ndivyo tulivyogundua. Ingawa Kanuni za Kiroho ni rahisi kwa asili, hatuwezi kufanya hivyo peke yetu.

Tunahitaji Mdhamini, Ushirika wa Narcotics Anonymous na Mungu Tunaye Muelewa.

Kwa Wakati Huu: Tutachukua zana za Kiroho zilizowekwa miguuni mwetu. Tutabadilisha mpango wetu wa zamani unaokufa, na Mpango Mpya wa Kuishi.

29 Februari

"Ni muhimu sana kuendelea kushiriki na watu wengine ili kwamba tunapokuja na sababu ya tabia mbaya, tuambiwe kuhusu hilo. Hii inaangazia sehemu ya kuzuia ya Hatua ya Kumi."

— Kitabu cha Kijivu, p. 57 (Step Ten, Lines 19-22)

Wakati mwingine hata Tukiwa Safi tunaweza kupotea katika uraibu wetu. Hatua 12 za Narcotics Anonymous mara nyingi hurejelewa kama ramani ya kuelekea kwa Mungu Tunaye Muelewa. Lazima tubaki Macho katika njia hii, ili Mungu aweze kutufikisha pale anapotaka tuende. Kitabu chetu cha Grey kinatukumbusha Hatua ya Kumi ni chanjo dhidi ya wazimu kwa msingi unaoendelea.

Hatua hizi zina faida zaidi tunapozishiriki na mwanachama mwingine anayepata nafuu wa N.A. na Mungu Tunaye Muelewa. Vivyo hivyo kwa Hatua yetu ya Kumi. Tunazingatia kama tunafanya bora yetu? Je, tunabaki waaminifu?

Je, bado tunakua? Je, tulitenda kwa hisia mbaya? Je, tunateleza katika hofu na chuki za zamani? Pia hatuwezi kusahau kutathmini kwa Uaminifu mafanikio yetu. Ni Kanuni gani za Kiroho tumezifanya? Wapi tumefanikiwa?

Kwa kushiriki mambo haya na Mwanachama mwingine, tunaruhusu Nguvu Kubwa kufanya kazi kupitia Wengine kutusaidia kuona kupitia udanganyifu wetu wenyewe. Tunakuwa waaminifu na sisi wenyewe na kuleta Unyenyekevu huu kwa Mungu Tunaye Muelewa. Mungu ndiye anayewajibika hatimaye kwa kutubadilisha, lakini sisi tunawajibika kwa kufanya Mpango wa Kuishi wa Narcotics Anonymous.

Kwa Wakati Huu: Tunashiriki mawazo yetu, matendo na majibu yetu na wengine ili kumruhusu Mungu kutuonyesha Ukweli kwa kutumia Mwanachama mwingine kama chombo chake.

1 Machi

"Bei pekee ni kuacha kupigana, kujisalimisha kimya kimya na kumruhusu Mungu wa ufahamu wetu kututunza."

— Kitabu cha Kijivu, p. 40 (Step Three, Lines 4-6)

Hatua yetu ya Tatu inatuomba tufanye Uamuzi, tofauti na Hatua ya Kwanza ambapo tulishindwa kimwili, kiakili na kiroho, na wengine au dawa zenyewe. Uamuzi huu unafanywa na tamaa yetu ya kutaka Njia hii ya Maisha. Uamuzi huu unafanywa zaidi kutoka Moyo wetu kuliko akili zetu. Tuliacha kupigana na kila mtu na kila kitu; tulitambua kuwa vita vilikuwa vimepangwa.

Kwanza tulijisalimisha kwa ugonjwa, kisha tukajisalimisha kwa Programu ya Narcotics Anonymous. Tunajisalimisha ili Kushinda; tunatembea kuelekea upande wa ushindi. Kujisalimisha kwa awali katika Hatua ya Kwanza ndiko kunafanya Urejesho wetu uwezekane.

Kujisalimisha kwetu ni endelevu na kunafanywa upya kila siku; hakuna mbadala wa Kujisalimisha kwetu. Maarifa na Utayari haviwezi kuchukua nafasi ya Kitendo. Lazima tufanye kazi Hatua au tuteseke na ghadhabu ya ugonjwa wetu.

Matumaini yanachukua nafasi ya kukata tamaa na Imani inachukua nafasi ya hofu. Imani inajidhihirisha katika Kanuni zingine za Kiroho.

Tunapooni Programu ikifanya kazi katika Maisha ya wengine, tunaanza kuona ikidhihirika katika Maisha yetu pia. Roho zetu zinapoamka, Zaidi zinafunuliwa, Njia yetu inaendelea kuangazwa, na tunaweza kwenda mbali zaidi. Kwa wanachama pande zote mbili, tunaweza kubaki katikati ya mduara wa Programu yetu na tusitoke nje. Mungu wa Ufahamu Wetu atajidhihirisha kupitia kwa wengine.

Mungu anafanya kazi na nambari, mwanachama mmoja akimsaidia mwingine kuunda kiungo ambacho kinatenda kama uhai wetu. Tumelipa vya kutosha kwa kiingilio chetu kubaki.

Bei yetu pekee ni Kujisalimisha.

Kwa Wakati Huu: Tunajisalimisha ili Kushinda, tunapoacha kupinga, mchakato wa Kujisalimisha unaanza. Usiogope; Nguvu Yetu ya Juu itatutunza.

2 Machi

"Mafanikio yalikuwa ya kutisha na yasiyo ya kawaida."

— Kitabu cha Kijivu, p. 25 (Chapter Three, Line 2)

Kadiri ugonjwa wetu ulivyoendelea, lengo letu lilikuwa ni kutafuta njia na njia za kuendelea kutumia. Familia zetu zilichukua nafasi ya nyuma; tulishindwa katika kazi zetu na matarajio yetu. Ndoto na matarajio yetu yalitoa nafasi kwa dawa zetu na mtindo huo wa maisha.

Tuliendelea kutumia licha ya uharibifu; kukana kwetu kulikua, na tukakubali maangamizi yetu. Hatukuwa na mafanikio maishani, na dawa zilitugeuka, hatukuweza hata kutumia kwa mafanikio. Tulitafuta msaada, au tulilazimishwa kupata msaada katika maeneo ya magereza, saikolojia, dini na dawa. Njia hizi zote zilishindwa kwetu; yetu ilikuwa ni tatizo la Kiroho, si la kimatibabu au la kimaadili.

Tulifika Narcotics Anonymous, tukaambiwa kwamba kila siku hatukutumia ilikuwa ni siku ya Mafanikio. Hatimaye, kwa Msaada wa N.A. na Ushirika, tulihisi kwamba sisi pia tunaweza kuwa na siku ya Mafanikio. Hofu zetu bado zilikuwa zikidhibiti mawazo na hisia zetu.

Tulikuwa tukisubiri kiatu kingine kuanguka. Hisia zetu za siku ya mwisho zilianza kubadilika, tulipopata Nguvu Kubwa kuliko sisi wenyewe katika Hatua ya Pili. Tulikuwa na chaguo; hatukuhitaji kutumia, ikiwa tungegeuza Mapenzi na Maisha yetu kwa Utunzaji wa Nguvu ya Juu katika Hatua ya Tatu.

Kwa kila Hatua Roho yetu iliamka, tulishiriki katika Maisha yetu wenyewe. Tuliboresha na vitu vilivyo karibu nasi, na tukaanza Kukua. Tulibadilika kutoka kesi zisizo na matumaini, kuwa Wanachama wenye Matumaini wa N.A. na jamii kwa ujumla.

Kwa kila siku inayokuja matumaini yetu yanahuishwa. Mafanikio kwetu, yanamaanisha kwamba hatuhitaji kutumia, Leo Tu.

Inamaanisha kwamba tuna Uhusiano na marafiki wetu wapya katika N.A. Tunashukuru kwamba inawezekana kuwa na Uhusiano wa Upendo na Mungu wa Ufahamu Wetu, marafiki na familia. Hatuoni tena ulimwengu kama mazingira ya uhasama.

Tunakuwa na uwezo wa kuajiriwa na/au kujitegemea. Tunaanza Kujali na Kushiriki Zawadi hii na wengine. Tunapona na Kujisalimisha kwa Kanuni za Narcotics Anonymous na Mungu wa Ufahamu Wetu.

Kwa Wakati Huu: Sisi ni Mafanikio kwa haki yetu wenyewe. Kila siku ambayo hatutumii, sisi ni Mafanikio.

3 Machi

"Kutakuwa na nyakati, hata hivyo, ambapo tunahisi kweli kama kuacha. Hapo ndipo tunapohitaji Ushirika zaidi."

— Kitabu cha Kijivu, p. 126 (Chapter Seven, Lines 3-6)

Hatua zetu za kwanza Kumi na Moja zinaanza na neno "Sisi". Ni Programu ya Sisi, kwa sababu hatuwezi kuifanya peke yetu.

Tunateseka kutokana na ugonjwa ambao msingi wake ni kutengwa. Mwisho wa barabara yetu, tuliteseka kutokana na hofu za uraibu, na tukafikia chini kabisa. Kwa kuwa Silaha ya Mwisho dhidi ya ugonjwa ni mraibu anayepata nafuu, tunahitaji kila mmoja.

Sisi (s) tunabaki safi, na Mimi (s) tunapata juu. Kuhudhuria mikutano na Ushirika ni dawa ya kutengwa. Mraibu peke yake ni kampuni mbaya, kwa hivyo tunahitaji kila mmoja.

Tunajifunza kutegemeana ili kuokoa Maisha yetu; Pamoja Tunaweza. Tunaanzisha Uhusiano na Nguvu Yetu ya Juu na Kujifunza kuwa na Mawasiliano ya Ufahamu na Nguvu hiyo. Wakati wa haja wakati kila mtu mwingine hafikiki, Nguvu Yetu ya Juu inaweza kupatikana.

Tunaunda kikundi cha msaada na kutumia simu kama Chombo. Tunapohisi kama kutumia, kuchukua simu na kumpigia mraibu mwingine anayepata nafuu itakuwa Chombo kikubwa. Tunapaswa kutambua wakati kurudi nyuma kiroho kunapoanza.

Tunatumia Vyombo tunavyojifunza katika Narcotics Anonymous na mchakato wa Urejesho unaanza tena. Tunaita Wadhamini wetu, Tunasoma Fasihi, Tunaomba kwa Mungu wa Ufahamu Wetu, na Tunahudhuria Mikutano. Hivi ndivyo Vyombo tunavyotumia kila siku ili kuzuia kutengwa kuingia. Tunahuisa Ahadi yetu kwa Urejesho wetu, na inafanya kazi, Leo Tu.

Kwa Wakati Huu: Tunaweza Kupona Pamoja, Tutatumia Ushirika na Nguvu Yetu ya Juu na sio kujitenga.

4 Machi

"Tunapochukua hatua zilizoonyeshwa katika hatua, matokeo ni uponyaji wa tabia zetu zilizopotoka."

— Kitabu cha Kijivu, p. 142 (Chapter Eight, Lines 16-18)

Kwa wengi wetu, dawa za kulevya zilikuwa suluhisho; tulitumia dawa za kulevya kuficha hisia zetu. Dawa za kulevya zilitusaidia kuishi na hisia zetu. Tulipoendelea katika uraibu wetu, hatukutumia tena dawa za kulevya; dawa za kulevya zilikuwa zinatutumia.

Kadri tulivyotumia zaidi, ndivyo tulivyohitaji kutumia zaidi, haikuwa tena chaguo, dawa za kulevya zilikuwa zinadhibiti. Tulipoteza Uhusiano wetu na Uhalisia, Roho zetu zililala kila tulipotumia. Tulilazimika kutumia kwa gharama yoyote, licha ya ushahidi wa uharibifu tuliokuwa tunaunda.

Tulishindwa kuona madhara tuliyokuwa tunasababisha kwa wengine, zaidi ya hayo, tulishindwa kuona madhara tuliyokuwa tunajisababishia wenyewe. Fasihi yetu inasema, "Tulifanya madhara makubwa kwa watu wengi lakini zaidi ya yote tulijidhuru wenyewe. Kasoro zetu za tabia ambazo zilihitajika ili kuendelea kutumia zilikuwa zinatuletea madhara kwa kiwango cha kina. Hatukuwa tena watu tulioumbwa kuwa.

Kadri ugonjwa ulivyokuwa ukisonga mbele, ulipata eneo zaidi na zaidi. Sisi tulivyokuwa kweli tulianza kutoweka.

Tulifika kwenye mlango wa Narcotics Anonymous, tukakutana na kundi maalum la watu ambao, kama sisi, walitembelea hofu sawa za uraibu. Leo walikuwa Huru na walishiriki nasi Suluhisho ambalo lilikuwa la Kiroho. Kupitia Uhuru wao tulipata Tumaini.

Tulihisi kama wanaweza kufanya hivyo, nasi tunaweza kufanya hivyo. Kwanza, kunahitaji kuwa na mchakato wa kubomoa, kutoka na la zamani, kuingia na Jipya.

Hatukuhitaji tena ujuzi wetu wa zamani wa kuishi. Tuligundua kuwa hawakuwa na maana katika Njia hii Mpya ya Maisha. Tukifanya kazi na Mdhamini na Nguvu Kubwa Kuliko Sisi Wenyewe, tunatumia Hatua kufanya mabadiliko haya kuwa halisi.

Kila Hatua ilisababisha Kuamka kwa Roho zetu. Tunapona kutoka hali isiyo na matumaini. Pamoja tunajenga tabia zetu mpya na Kanuni za Kiroho za N.A.

Kwa Wakati Huu: Tunaweza kupona kutoka ndani kwenda nje, tunapojisalimisha kwa uwezekano mwingi, tunakuwa Huru.

5 Machi

"Wakati wowote hali inapotokea kwetu kukubali kutokuwa na nguvu, kwanza tunatafuta njia za kutumia nguvu dhidi yake. Tukichoka na njia hizi, tunaanza kushiriki na wengine na kupata tumaini."

— Kitabu cha Kijivu, p. 128 (Chapter Seven, Lines 12-15)

Fasihi yetu inasema kwamba, "Hatujawahi kuona mtu akirudia kutumia ambaye anaishi programu ya Narcotics Anonymous. Hata hivyo, vikwazo vyetu vikubwa zaidi vinatoka kwetu wenyewe. Tunapokubali kutokuwa na nguvu juu ya uraibu wetu katika Hatua ya Kwanza, tunapaswa kuzingatia kwamba wengine walio karibu nasi huenda hawajakubali. Matarajio yetu wenyewe na ya wengine yanaweza kuwa na athari kwa Utulivu wetu.

Tutajaribu mara nyingi kudhibiti wengine, au matokeo ya hali fulani. Baada ya kupiga vichwa vyetu ukutani, tunajisalimisha. Ukweli ni kwamba ingawa sisi katika Narcotics Anonymous tunaugua ugonjwa huo huo, tunaugua katika viwango tofauti vya ugonjwa na kupona katika viwango tofauti.

Watu nje ya Programu huenda hawajui Kanuni zozote kabisa. Katika jambo hili, hatuna nguvu, lakini Nguvu Yetu ya Juu ina Nguvu, ikiwa tutaomba. Tunaomba Uvumilivu, Uvumilivu na Huruma, kwa ajili yetu wenyewe na kwa wengine. Pia tunashiriki matarajio yetu na kuvunjika moyo na wengine.

Tunagundua kwamba huenda tulikuwa na mawazo yasiyo ya kweli. Tunajitahidi kwa Ustadi na sio ukamilifu. Kuwa na makosa hutufanya kuwa Wanyenyekevu, kwa sababu tunapaswa kuomba Msaada.

Tunakumbushwa kwamba hatufanyi kweli hii peke yetu. Kutokujulikana kunamaanisha kwamba hatuchukui sifa kwa Kupona kwetu.

Tuko kwenye Safari hii na Mungu wa Kuelewa Kwetu na wengine ndani na nje ya Ushirika. Tunapata Tumaini wakati wengine wanaposhiriki nasi uzoefu wao. Mara nyingine tena tunathibitisha kwamba hatuko wa kipekee, na hatuko peke yetu.

Mara nyingine tena tunahisi kamili, na sehemu ya kamili. "S" katika H.A.L.T.S. usijichukulie kwa Uzito sana inakuwa Ukweli.

Kwa Wakati Huu: Tunajisalimisha kwanza, kisha tunafanya Mapenzi ya Mungu kwetu, kisha tunakabidhi matokeo.

6 Machi

"Kwa muda ilikuwa ya kufurahisha, angalau katika hatua za mwanzo za uraibu."

— Kitabu cha Kijivu, p. 37 (Step Three, Lines 17-18)

Mwanzoni dawa za kulevya zilikuwa za kufurahisha, vinginevyo kwa nini tungetumia? Tatizo lilikuwa kwamba baada ya muda furaha ambayo dawa za kulevya zilitupa, hisia kwamba kila kitu kiko sawa, ilipotea. Dawa za kulevya zilikuwa zinatuletea maumivu zaidi, lakini wakati huu, hatungeweza kuacha. Dawa za kulevya sasa zilikuwa zinatutumia, zilituchukua mahali ambapo hatujawahi kuwa hapo awali, na kutufanya tufanye mambo ambayo hatungefanya kamwe.

Tulikuwa hatuna nguvu juu ya kile dawa za kulevya zilifanya kwetu. Maisha yetu na hisia zetu pia zilikuwa hazidhibitiwi. Kadri ugonjwa wetu ulivyokuwa ukisonga mbele, tulilazimika kutumia zaidi.

Hakuna kitu au mtu yeyote angeweza kujaza pengo letu, tulikuwa katika mtego wa ugonjwa wetu. Hakukuwa na njia ya kutoka, hadi tulipofika Narcotics Anonymous.

Hapa, kupitia Kutumia Kanuni za Kiroho za Hatua, tulipata furaha mpya. Hii ilikuwa ya Kiroho. Kujifunza Kutumia Kanuni za Kiroho, tulipata kile tulichotaka kila wakati, Amani ya Akili.

Tulianza kujisikia vizuri katika ngozi yetu wenyewe. Tunapoishi Hatua na Mapokeo, tunapata Uhuru kutoka kwa nafsi, wengine, na Ulimwengu kwa Ujumla. Tunajenga Uhusiano na Mungu wa Kuelewa Kwetu, tunakua Kiroho, kwa mara ya kwanza tunahisi Kamili. Kwa kuwa kurudia kutumia pia ni mchakato, lazima tuendeleo kufanya kazi kwenye Programu ya Kuishi.

Lazima tuendeleo kutoa kile kilichotolewa kwa Urahisi, kwetu.

Kwa Wakati Huu: Tutapata furaha tuliyoipata katika dawa za kulevya, hapa katika Narcotics Anonymous, kupitia Kiroho chetu kipya.

7 Machi

"Mara nyingi tunaangukia hali ya kuwa shujaa, na hali hii ikitokea, ubinafsi wetu hutula hai na tunaweza kufa."

— Kitabu cha Kijivu, p. 56 (Step Ten, Lines 22-24)

Kutokujulikana ni moja ya Kanuni za Kiroho muhimu zaidi katika Narcotics Anonymous. Ni muhimu sana kiasi kwamba ni Msingi wa Kiroho wa Mila zetu zote. Pia ni moja ya Kanuni za kwanza tunazopitia tunapofika kwa mara ya kwanza katika Narcotics Anonymous na tunapoanza kufanya Hatua.

Tangu mwanzo tunajifunza kwamba hakuna mabosi, hakuna mimi mkubwa au wewe mdogo. Sharti letu pekee la uanachama ni tamaa ya kuacha kutumia.

Hatua zote zina sisi ndani yake, zikikumbusha kwamba hatufanyi peke yetu. Kufanya Tathmini ya Kila Siku hutufunulia mali na madeni yetu. Hatua zinatufanya tuwe katika hali ya unyenyekevu kwa sababu tunajitahidi kila mara kuomba msaada kutoka kwa Wadhamini wetu, Ushirika, na Nguvu ya Juu.

Kupona katika Narcotics Anonymous si kuhusu kujisikia vizuri, wakati fulani dawa zilifanya hivyo kwetu. Mmoja wa wanachama wetu aliandika, "Ninachofikiria na jinsi ninavyohisi haifafanui Kupona kwangu, mara nyingi hiyo hufafanua ugonjwa wangu. Ninachofanya, kuchukua Hatua Chanya, Kutekeleza Kanuni za Kiroho kwa uwezo wangu bora ndicho kinachofafanua Kupona kwangu." Ego inatuambia hatuna ego, kwa hivyo tunapaswa kuwa waangalifu kuhusu kuangukia mitego na mashimo ambayo hayafai kwa Kupona kwetu. Kuzingatia ubinafsi baada ya muda, lazima kubadilishwe na kutoka nje ya ubinafsi, kwa kufanya kazi na wengine.

Huduma Isiyo na Ubinafsi inamaanisha hivyo hivyo, tunahudumu bila kutambuliwa au kupata malipo ya mali. Tunachohifadhi ni kwa kutoa.

Tunatoa kile kilichotolewa kwa Uhuru na Upendo kwetu. Kitabu chetu cha Kijivu kinasema, "Utukufu wote kwa Mungu kama tunavyomuelewa ni mtazamo wetu hapa." "Kumbuka kwamba Mungu, si sisi, ndiye anayehusika na mabadiliko yetu."

Kwa Wakati Huu: Tunakumbuka kutoa sifa pale panapostahili, hatuwezi kusahau kwamba tuko hai leo, ni kwa Neema ya Mungu tu.

8 Machi

"Zimetuepusha na hali ambazo hatungeweza kushughulikia kabla ya kupata programu na chanzo cha nguvu."

— Kitabu cha Kijivu, p. 46 (Step Six, Lines 29-31)

Kasoro zimeitwa zana za ugonjwa. Kutoka kwa hofu yetu ya ubinafsi kulizaliwa kasoro nyingi za tabia zetu.

Tulihitaji kasoro hizi ili kuendelea kutumia. Kila mara tulikuwa na hofu ya kupoteza kitu tulichokuwa nacho, au hofu ya kutopata kitu tulichotaka.

Hofu ilionekana kila mara kutawala maisha yetu. Kuja katika Narcotics Anonymous, tulipewa Njia Mpya ya Kuishi. Njia hii ya Maisha inatoa Ukomu, inatoa Uhuru kutoka kwa fikra za kupindukia na Njia Mpya ya Kuishi.

Hatua zinatuweka huru kutoka kwa dawa, kisha zinatuweka huru kutoka kwa magereza tuliyojitengenezea wenyewe. Tumaini tulilopokea, lilisababisha Imani katika Nguvu Kubwa Kuliko Sisi Wenyewe. Hofu zetu zilipungua tulipoamini fikra na Matendo yetu kwa Nguvu hii.

Kadiri Imani yetu ilivyoongezeka, tulianza kuamini Kanuni za Kiroho. Kutekeleza Kanuni kulisababisha Ukuaji. Kutekeleza kasoro kulisababisha maumivu na hakuna Ukuaji.

Zana hizi za zamani hazihitajiki tena katika Kupona. Leo tuna Ushirika, Programu, na Mungu wa Kuelewa Kwetu, kutuongoza na kutulinda kutoka kwetu. Baadhi ya kasoro ni tabia za kibinadamu zilizopotoka, kuwa binadamu tutatenda kasoro, hapo ndipo inakuwa upungufu. Hapo ndipo tunahitaji Nguvu yetu ya Juu kutupa Nguvu ya kutenda kulingana na Mapenzi Yake.

Tunatumia Kifaa cha Kiroho tulichopewa, na kasoro zetu hupunguzwa. Kupata Mwanga wa kile tunachoweza kuwa bila kasoro zetu, hutupa Tumaini. Tunaendelea na kumwomba Mungu atusaidie na upungufu wetu.

Kwa Wakati Huu: Tutajitahidi kwa Ustahiki na si ukamilifu, tutaamini Mchakato na kuuruhusu ufanye kazi.

9 Machi

"Kila mtu ana hali; tumekuwa na tabia ya kuzifanya kuwa matatizo, kama kufanya mlima kutoka kwenye kilima cha mchwa."

— Kitabu cha Kijivu, p. 138 (Chapter Eight, Lines 12-14)

Wanasema kwamba waraibu wanaweza kupanda milima, lakini kujikwaa kwenye kokoto. Katika maisha yetu ya kutumia tulitawaliwa na hofu, kwa sehemu kwa sababu ya matokeo ya matendo yetu. Tuliishi maisha ya kupindukia, na hatungeweza kuishi maisha bila kutoroka kiakili.

Ujuzi wetu wa kukabiliana haukuendelezwa baada ya kuanza kutumia, kwa hivyo kila kitu kilikuwa jambo kubwa. Katika uraibu wetu wa kazi tulikamilisha kazi ngumu ili tu kuendelea kutumia. Ilikuwa ni maisha ya kila siku rahisi ambayo tulikuwa na shida nayo, kwa hivyo tulitumia dawa zaidi.

Katika Kupona kwetu tulijifunza kuhusu kutokuwa na uwezo. Tuliambiwa tusitafakari na tubaki Katika Wakati. Tulijifunza kuamini Nguvu yetu ya Juu kutotupa zaidi ya tunavyoweza kushughulikia.

Kama waraibu wanaopona, ni mambo madogo ambayo tunahisi tunaweza kudhibiti ambayo yanatuletea hofu na kutokuwa na uhakika. Ni mambo makubwa katika Maisha yetu ambayo tunajua hatuwezi kuyashinda ambayo hatujali, kwa hivyo tunayaachilia. Ni mambo madogo, kokoto katika Maisha yetu, ambapo Imani yetu inakosekana. Hiyo ni kwa sababu tulifikiri tulikuwa na udhibiti mwanzoni.

Katika Narcotics Anonymous tunajisalimisha kila kitu kwa Mungu, si sehemu fulani tu za Maisha yetu. Tunaishi Kwa Leo Tu.

Kitabu cha Msingi kinasema, "Tunapoacha kuishi katika hapa na sasa, matatizo yetu yanakuwa makubwa bila sababu." Ndiyo maana tunahitaji kila mmoja. Tunajifunza kufanya jambo linalofuata sahihi.

Tunawaachia matokeo kwa Mungu wa Kuelewa Kwetu.

Kwa Wakati Huu: Tutamwamini Nguvu yetu ya Juu na mambo makubwa, pamoja na mambo madogo katika Maisha yetu.

10 Machi

"Hizi ni suluhisho zetu. Zimekuwa kifaa chetu cha kuishi, kwa sababu uraibu ni ugonjwa hatari."

— Kitabu cha Kijivu, p. 30 (Chapter Four, Lines 15-16)

Fasihi yetu inasema, "kufanya kazi na hatua ni dhamana yetu bora dhidi ya kurudia matumizi." Kujizuia kwetu ni kuokoa maisha, lakini njia pekee kwetu kutibu ugonjwa wa uraibu ni kupitia kufanya kazi na Hatua. Urejesho katika Narcotics Anonymous lazima uwe wa maendeleo kwa sababu ugonjwa wa uraibu ni wa maendeleo. Tunapewa msamaha wa kila siku wa kutotumia dawa za kulevya.

Ugonjwa wetu haupaswi tu kukamatwa, lakini pia lazima utibiwe, vinginevyo tutarudi kwenye matumizi ya moja kwa moja. Hatua zetu ni Suluhisho.

Hatua ya Kwanza katika Narcotics Anonymous haizingatii tu dalili, ambayo kwetu ni dawa za kulevya. Inazingatia ugonjwa halisi.

Sisi si waraibu kwa sababu tunatumia dawa za kulevya, tunatumia dawa za kulevya kwa sababu sisi ni waraibu. Tunakamatisha ugonjwa katika Hatua ya Kwanza, kisha tunapunguza hamu ya kutumia, ambayo ni sehemu ya kiakili ya ugonjwa katika Hatua ya Pili. Tunapata Mungu wa Kuelewa Kwetu katika Hatua ya Tatu, ambayo inafanya iwezekane kwetu kubadilika na kuanza Kupona. Hatua zingine zinatubadilisha kutoka kwa watu wasio na matumaini na wanaoteseka, kuwa watu wenye Matumaini na Wenye Manufaa.

Hatua za Narcotics Anonymous ni Suluhisho letu kwa hali iliyotuacha katika hali ya kuharibu na hatari. Hatimaye tunaweza Kuishi kwa Furaha, Furaha na Uhuru, na sisi wenyewe na wengine. Tunaweza kuendeleza Uhusiano na wengine na Mungu wa Kuelewa Kwetu.

Kupitia Hatua tunaweza kusafisha mabaki ya zamani yetu, tunaweza kupata Njia Mpya ya Kuishi, na maisha yetu ya baadaye yanaweza kuwa tofauti. Tunashiriki Hatua hizi na waraibu wengine wanaoteseka na Ulimwengu kwa Ujumla.

Kwa Wakati Huu: Tutatumia zana zilizowekwa mbele yetu. Hatutasahau kwamba ugonjwa wetu ni wa maendeleo na hatari. Hatua zetu ni Suluhisho letu pekee.

11 Machi

"Haitatufanya kuwa watu bora kwa kuhukumu makosa ya wengine."

— Kitabu cha Kijivu, p. 51 (Step Eight, Lines 12-13)

Mara nyingi tunasikia kwamba tunahitaji kusafisha upande wetu wa barabara na tusihukumu wengine. Orodha yetu tunayoifanya, ni ya sisi wenyewe.

Tunaona wapi tumekosea, sio wapi wengine walitudhuru. Tunagundua kwamba mara nyingi sisi ndio wenye makosa, hata wakati tuliumizwa na wengine. Uraibu wetu ulituweka katika hali ambazo tulikuwa katika nafasi ya kuumizwa na wengine.

Tulikuwa na makosa kwa kuwa pale, na pengine tulikuwa pale kwa sababu ya uraibu/dawa za kulevya. Ikiwa sisi sio tatizo, hakuna Suluhisho.

Inaanza na kuishia na sisi, huu ni Urejesho wetu na Safari yetu. Ingawa hatuwajibiki kwa ugonjwa wetu, tunawajibika. Lazima tuwe tayari kufanya Marekebisho popote tulipokosa.

Hatua ya Nane inatuondolea hatia, na inatuwezesha kuwa na Huruma na Msamaha kwa wengine; kama sisi na Mungu wetu wa Kuelewa Kwetu tunavyokuwa na sisi. Fasihi yetu inatuambia kwamba, "Hatua hii ni mtihani mzuri wa unyenyekevu wetu mpya uliopatikana" Lazima tubaki Wanyenyekevu ili kuendelea na Safari hii. Kutafuta watu tuliowadhuru ni kazi ngumu, na lazima tuombe Msaada kutoka kwa Wadhamini wetu na kutoka kwa Mungu wa Kuelewa Kwetu. Kitabu chetu cha Kijivu kinatuambia, "Tulihitaji kujisikia vizuri ndani kabla ya kuweza hata kuvumilia kufikiria kuhusu nani tuliowadhuru na jinsi tulivyowadhuru, na hasa jinsi tulivyojiona wenyewe." Tabia zetu zinapona, kwa sababu tunaona uharibifu halisi tulioufanya kwa sisi wenyewe.

Kwa Kujisamehe sisi wenyewe, pia tunawasamehe wengine.

Kwa Wakati Huu: Tutakuwa na Huruma na Uvumilivu sawa na tulionao kwa sisi wenyewe, kwa wengine.

12 Machi

"Mara nyingi katika urejesho wetu, mambo ya zamani yatatufuata. Maisha yanaweza tena kuwa bila maana, ya kurudia na kuchosha."

— Kitabu cha Kijivu, p. 119 (Chapter Seven, Header 2nd Line)

Tunasikia tena na tena kwamba ni Mpango wa kurudia. Wakati mwingine inaweza kuonekana kama ibada, kufanya kitu kilekile kila siku kupata siku nyingine Safi. Kuishi kwa wakati hadi wakati, tunaweza kuona kwamba kila siku ni tofauti, imejaa changamoto zake, Ukuaji na Baraka.

Ni Safari na sio hatima tunayoangazia. Kama waraibu, tunapewa nafasi ya pili ya Maisha.

Kwa Shukrani ndio jinsi tunavyoendelea mbele. Kitabu chetu cha Kijivu kinasema, "Ikiwa tunajiruhusu kusimama na kushikilia njia zetu za zamani za kukata tamaa na hofu, nafasi zetu za urejesho wa kweli na wa kudumu hupungua" Kwa hivyo, tunachukulia kila siku mpya, na tunahuisa Ahadi yetu kwa Urejesho wetu Kila Siku. Tunajihusisha na Nguvu ya Juu kila siku. Tunaomba Nguvu hii ituongoze katika Mitazamo na Vitendo vyetu.

Kwa kila Kanuni tunayoitumia, Roho zetu zinaburudishwa. Mawasiliano haya ya Kifahamu hutupa Nguvu ya kutekeleza Mapenzi ya Mungu kwetu Maisha yanapata maana mpya, na tunaona kusudi letu. Tunakuwa sehemu ya jumla, na hatuhisi tena kutengwa na peke yetu.

Mioyo yetu inafunguka kama ua kwenye jua, na tunaendelea katika Mchakato wa Urejesho.

Kwa Leo Tu, sisi ni wapya tena.

Kwa Wakati Huu: Tutashukuru kwa Urejesho wetu. Tunamshukuru Mungu wa Kuelewa Kwetu kwa Nguvu tunazohitaji kuendelea na Safari hii.

13 Machi

"Tumegundua kwamba kujaribu kumsaidia mraibu mwingine ni vizuri kwetu, iwe mraibu tunayemsaidia anatumia kile tunachotoa au la."

— Kitabu cha Kijivu, p. 19 (Chapter Two, Lines 27-29)

Hatua yetu ya Kumi na Mbili na Mapokeo yetu ya Tano yanatuambia kwamba Tunabeba Ujumbe kwa mraibu ambaye bado anateseka. Mraibu ambaye bado anatumia, mara nyingi, hatataka kile tunachotoa. Kitabu chetu cha Msingi kinatuambia, "Wanaweza kuchambuliwa, kushauriwa, kuzungumziwa nao, kuombewa, kutishiwa, kupigwa, kufungwa, au chochote, lakini hawataacha mpaka watake kuacha." Tunachofanya ni Kubeba Ujumbe uliotuokoa Maisha, na Tunatumaini kwamba utachochea tamaa kwa mraibu huyo anayeteseka. Kubeba Ujumbe wetu na Kuwasaidia wengine, kunaimarisha Mpango wetu, na tunapata kubaki Safi siku nyingine.

Hatuwezi kuchagua tunampelekea nani Ujumbe, tunabeba Ujumbe na Mungu anaupeleka. Sisi ni wapandaji wa mbegu, mmoja wa Waanzilishi wetu alikuwa akisema. Hatujui msimu ambao mbegu itakua.

Tunabeba Ujumbe bila malipo au matarajio yoyote. Wakati mwingine Mungu ataweka watu katika Maisha yetu bila sisi kuchagua au ruhusa yetu; huenda hata hatutaki kufanya kazi na mtu huyo, lakini wanaendelea kutupigia simu na wanataka kitu kutoka kwetu.

Sio kila wakati ni rahisi au hata kufurahisha kwetu kufanya kazi na watu fulani. Fikiria nini, labda ilikuwa Mapenzi ya Mungu kwao, kwetu kuwa pale. Sio kuhusu sisi; ni kuhusu Mapenzi ya Mungu kwetu au Mapenzi ya Mungu kwa mtu huyo. Sisi ni vyombo na vyombo ambavyo Nguvu ya Juu hutumia Kuwasaidia wengine.

Hilo ndilo kusudi letu kuu, kubaki Safi na Kubeba Ujumbe wa N.A. wa Urejesho. Kufanya kazi na wengine pia kunaonekana kufanya kazi kama kinga dhidi ya mawazo ya ugonjwa.

Kwa kila Uamsho wa Kiroho tunazuia ugonjwa kudai nafasi katika Maisha yetu. Ni Mpango wa SISI.

Kwa Wakati Huu: Tunabeba Ujumbe na Mungu anaupeleka. Hatuchagui unapelekwa kwa nani. Tunaupeleka tu.

14 Machi

"Tunachunguza kwa kina mahusiano yetu na watu, maeneo na hali tukijiuliza ni nini tumedai kutoka kwa mahusiano haya."

— Kitabu cha Kijivu, p. 42 (Step Four, Lines 26-28)

Mara nyingi tunapofikiria kuhusu Hatua ya Nne, tunafikiria mahusiano yetu na watu. Watu ni sehemu muhimu ya Hatua yetu ya Nne. Pia tunapaswa kufanya hesabu ya mahusiano yetu na maeneo na vitu.

Baadhi ya maeneo ambayo tunaweza kutaka kujumuisha ni, makanisa, shule, jeshi, hospitali, na miundo mingine yoyote ya jamii na huduma. Je, tumetenda vibaya kwa maeneo haya? Je, tulighushi nyaraka kupata huduma ambazo hatukuhitaji au kustahili? Je, tumeiba mali kutoka kwa mojawapo ya maeneo haya, au kusababisha uharibifu wa miundo au aina nyingine yoyote ya uharibifu? Vitu ambavyo tunaweza kuwa tunadaiwa marekebisho vinaweza pia kuwa katika aina ya mawazo. Je, tumeunda chuki na imani za kidini? Je, tumepinga jamii na hivyo kuwa tishio? Ingawa baadhi ya madhara haya yanaonekana kuwa hayana macho kwa vitu hivyo, yalikuwa na athari kwenye mawazo yetu, mitazamo na tabia.

Fasihi yetu inatuambia kwamba zaidi ya yote tulijidhuru wenyewe. Katika uraibu wetu wa kazi tulidai kuhudumiwa au kutunzwa, na huduma ambazo kwa kweli ni haki, badala ya haki ya kuwa nazo. Kuwa na haki ya kupata leseni ya udereva inaonekana kuwa mfano wa kawaida wa haki hii ya kustahili, wakati kwa kweli ni Haki. Kuchukia maeneo kwa sababu hatukuajiriwa au kufukuzwa na taasisi.

Wengi wetu tulikuwa na chuki dhidi ya vyyo na jeshi, na tulizungumza dhidi ya maeneo haya, tulipoulizwa tulifikiria nini kuhusu hayo. Moja ya chuki zetu kubwa inaonekana kuwa na Mungu; hili lilituathiri zaidi. Tunahitaji Nguvu ya Juu ili Kupona, na ikiwa hatutaunda uhusiano na moja, hakika tumehukumiwa.

Lazima tuende kwa kina katika utafutaji wetu.

Kwa Wakati Huu: Tutafanya, kwa Msaada wa Wadhamini wetu, N.A. na Mungu, kwenda kwa kina katika hesabu zetu.

15 Machi

"Ushirika, baada ya mkutano, ni fursa nzuri ya kushiriki mambo ambayo hatukupata kujadili kwenye mkutano."

— Kitabu cha Kijivu, p. 148 (Chapter Nine, Lines 14-15)

"Njoo mapema, kaa hadi kuchelewa" ilikuwa moja ya misemo tuliyosikia kwanza. Ilipendekezwa kwamba tujiunge na klabu ya 20/20. Hiyo ilimaanisha kuja dakika ishirini kabla ya mkutano kuanza na kukaa dakika ishirini baada ya mkutano kumalizika. Vipi kuhusu mikutano ya usiku wa manane kwenye mgahawa, hadi saa za asubuhi.

Tunapofikiria nyuma kwenye mwanzo wetu, tunaweza kukumbuka kwamba zilikuwa baadhi ya nyakati za kufichua zaidi katika Urejesho wetu. Tulipata kujadili baadhi ya mambo muhimu ya mkutano, wakati mwingine tuliuliza maswali kuhusu mambo ambayo hatukuelewa. Baadhi yetu hata tulipata fursa ya kuchagua Mdhadini, tulipoona jinsi baadhi ya wanachama walivyoshirikiana hadharani. Baadhi yetu tuliona aibu kwa sababu mwanachama mwingine alijitolea kutununulia chakula.

Hatukutaka kukubali hatukuwa na pesa. Tulishiriki vichekesho na tuliweza kucheka wenyewe.

Wakati mwingine kulikuwa na shughuli na matukio ya N.A. ambayo yalitulazimisha kushirikiana na kila mmoja, bila usalama na muundo wa mkutano. Hizi zilikuwa fursa kwetu kutoka kwenye upweke na kujifunza jinsi ya kushirikiana na kila mmoja bila matumizi ya dawa za kulevya. Tulikubaliwa na wale ambao, kama sisi, walipitia kitu kimoja walipokuwa wapya. Tulihisi kukaribishwa, labda, kwa mara ya kwanza tulihisi upendo usio na masharti.

Wanachama ambao walikuwa karibu kabla yetu, hawakutaka chochote kutoka kwetu, na hilo lilihisi kuwa la ajabu. Tulianza kuhisi SISI wa Mpango, sehemu ya Ushirika. Kuta zetu zilianza kuanguka, tulianza kuhisi Kukubaliwa, tulianza kuhisi Kupendwa.

Katika Narcotics Anonymous tutakupenda, hadi ujifunze Kujipenda mwenyewe. Tofauti yetu inatupa Fursa ya kuwasiliana na watu ambao hatungeweza kupata juu nao.

Kwa mara ya kwanza kwa muda mrefu, hatukuhisi peke yetu.

Kwa Wakati Huu: Tufatika dakika 20 kabla ya mkutano na kukaa dakika 20 baada ya mkutano na kuwa sehemu ya klabu ya 20/20.

16 Machi

"Tunachukua Hatua ya Nne ili kupata nguvu na ufahamu unaohitajika kutuwezesha kukua katika njia hii mpya ya maisha."

— Kitabu cha Kijivu, p. 40-41 (Step Four, Lines 29-1)

Kwa wengi wetu kuchukua Hatua ya Nne ilikuwa ya kutisha, tuliogopa kile tunachoweza kugundua kuhusu sisi wenyewe. Hatua hii inataja hesabu isiyo na woga, si yenye woga. Hiyo ilikuwa kusudi la Hatua tatu za kwanza; kupata Imani kwamba Nguvu ya Juu tuliyokutana nayo katika Hatua hizo itakuwa nasi sasa, na kutuongoza katika jitihada hii. Neno maadili lilituchanganya wengi wetu.

Tulifikiri hakika hakutakuwa na kitu cha kimaadili kuhusu tabia zetu katika matumizi yetu ya zamani. Hili si swali la sisi kuwa wazuri au wabaya; ni swali la mifumo ya tabia ambayo haitumiki tena katika Njia hii ya Maisha. Pia kuna sifa tunazotaka kuboresha kwa sababu hakuna mmoja wetu aliye mzuri kabisa au mbaya kabisa.

Kama mfanyabiashara wa mboga mboga anavyotajwa katika Fasihi yetu, akitenganisha matunda mabovu na matunda mazuri na kutupa matunda mabovu. Matunda yetu mabovu yalikuwa matokeo ya kanuni zisizo za kiroho tulizohitaji kwa uraibu hai. Zilikuwa ni ujuzi wetu wa kuishi, na nyingi zetu ziliokoa Maisha yetu, kwa wakati huo. Katika Narcotics Anonymous tunafanya zaidi ya kuishi na kuendelea kuishi.

Hatimaye tunaishi maisha zaidi ya ndoto zetu za mwituni. Sehemu ya mchakato huu ni sisi kujiangalia wenyewe kwa kioo cha Urejesho. Tunajiangalia wenyewe kwa Huruma na Uelewa.

Tunajifunza jinsi ya kujitenganisha na sisi wenyewe wenye ugonjwa. Tunaanza kuwa Wajibikaji katika Hatua hii; tunaangalia upande wetu wa barabara na kuchukua ufagio.

Tunaandika chuki zetu, hofu zetu na tabia mbaya. Tunaandika jinsi kasoro hizi zilivyotuathiri; na wale walio karibu nasi. Tunaandika kuhusu wakati kabla hatujatumia dawa za kulevya, na kuhusu watu tulikuwa; na tungekuwa, kama si kwa maendeleo ya ugonjwa.

Taarifa zinazofunuliwa kwetu katika Hatua hii zinatandaa kwa Hatua zinazofuata. Tunaanza Kuamka kwa Maisha yaliyojaa Uwezekano Mpya.

Kwa Wakati Huu: Tutachukulia Hatua ya Nne kama Kitendo cha Upendo, si kitendo cha woga.

17 Machi

"Sio aibu kurudia kutumia. Aibu halisi ni kutorudi tena."

— Kitabu cha Kijivu, p. 130 (Chapter Seven, Lines 32-33)

Kurudia kutumia sio sehemu ya Urejesho; ni ukosefu wake. Fasihi yetu inatuambia kwamba kurudia kutumia kamwe si ajali, lakini ni ukweli, na hutokea. Kurudia kutumia ni matokeo ya kutofanya kazi Programu yetu, au kuwa na kuridhika baada ya vipindi virefu vya Kujizuia.

Nakala yetu ya Msingi inasema, "Ikiwa tutabaki na kuridhika kwa muda mrefu, mchakato wa urejesho unakoma." Kwa kutofanya kazi Programu, tunahifadhi nafasi kwa mchakato wa kurudia kutumia kuanza. Katika siku yoyote ile tunatembea kuelekea dawa za kulevya au mbali nazo. Ni vitendo vyetu vinavyoamua kama tunakomesha ugonjwa wetu, au tunakomesha Urejesho wetu.

Tunateseka kutokana na ugonjwa mbaya, unaoendelea, ambao hakuna tiba inayojulikana. Fasihi yetu pia inasema kwamba, "Hatujawahi kuona mtu anayeishi Programu ya Narcotics Anonymous akirudia kutumia." Jambo la mwisho tunalofanya katika mchakato wa kurudia kutumia ni kutumia dawa za kulevya. Tunaweza kweli kujilinda dhidi ya mchakato wa kurudia kutumia kwa kutambua mwanzo wake.

Kiroho tunakoma kumwomba Nguvu yetu ya Juu kwa Mwongozo na Nguvu. Tunakoma Kuomba na Kutafakari kwa kiasi.

Tunaanza kuchukia wanadamu wengine walio karibu nasi. Tunaanza kupoteza Uvumilivu na Ustahimilivu katika shughuli zetu za kila siku.

Kisha tunaanza kujibu badala ya kutenda. Wakati huo huo, mahudhurio yetu ya mikutano yanapungua. Tunaanza kujichukia wenyewe na kufanya kazi kwa mapenzi yetu wenyewe, Tumaini letu linaanza kutuacha, na tunahoji kutokuwa na nguvu kwetu.

Baadhi yetu ni wenye bahati ya kurudi; baadhi yetu hufa katika uraibu hai. Fasihi yetu inasema kwamba tunapaswa kurudi haraka iwezekanavyo, vinginevyo tunaweza kupotea zaidi ya kukumbukwa. Egos zetu zinatuaambia tunapaswa kuaibika, na tungekosolewa au kuhukumiwa ikiwa tutarudi.

Wale wetu ambao ni wenye bahati ya kurudi, wanaonyesha Ujasiri ambao si wa kwetu wenyewe.

Kwa Wakati Huu: Tutaendelea katika mchakato wa Urejesho; tutabaki, ili tusilazimike kurudi tena.

18 Machi

"Tulipoenda kwenye mikutano mara kwa mara, tulijifunza pia thamani ya msingi ya kuzungumza na waraibu wengine ambao walishiriki matatizo na malengo yetu."

— Kitabu cha Kijivu, p. 79 (Chapter Five, Lines 30-32)

Fasihi yetu inasema kwamba Silaha ya Mwisho kwa Urejesho ni mraibu anayepata nafuu. Kuna thamani ya tiba katika mraibu mmoja Kumsaidia mwingine, wote wanapata manufaa kutokana na Kushirikiana. Kwenda kwenye mikutano kweli kunafanya kazi, hapo ndipo Urejesho hutokea.

Tunabeba Ujumbe Wetu, tunaposhiriki matatizo yetu na Suluhisho. Kuhudhuria mikutano ni kitendo chetu cha Kimwili cha Kujisalimisha. Kushiriki Urejesho wetu na wanachama wengine, kunaimarisha wetu hata zaidi.

Nguvu yetu ya Juu inajidhihirisha tunapogusa Nguvu hii kwenye mikutano. Watengenezaji wa Mikutano Hufanikiwa, ikiwa tu wanatumia kile wanachosikia kwenye mikutano. Tunapaswa kuendelea kuchukua mapendekezo, bila kujali muda gani tumekuwa tukija.

Mambo mawili hutokea kwenye mikutano, mtu hubeba Ujumbe na mtu husikiliza Ujumbe. Hatutajua kamwe Ujumbe huo utatoka wapi. Tunapaswa kuwa Wapo Kimwili, Kiroho na Kiroho ili Urejesho utokee.

Kwa kuwa mraibu mmoja Kumsaidia mwingine ni bila kifani, hakuna nia za nje tunaposhiriki au kuomba Msaada. Linapokuja suala la hadithi zetu, hakuna kitu kipya chini ya jua. Mahali fulani, kwa namna fulani, mtu amepitia kile tunachopitia, na wanaweza kushiriki jinsi walivyobaki Safi na walihisi Tumaini. Kwa upande mwingine, tunawasaidia wengine tunapokuwa tumepitia kile wanachopitia.

Tunatoa kile kilichotufanyia kazi na tunashiriki Tumaini. Kwanza tunapaswa kukumbuka, ikiwa sisi si tatizo, hakuna Suluhisho.

Kuhudhuria mikutano ni Hatua yetu ya Kwanza.

Kwa Wakati Huu: Tutajisalimisha Kimwili kwa kwenda kwenye mikutano. Hatutashiriki tu matatizo yetu, bali pia Suluhisho zetu.

19 Machi

"Uzoefu wetu ni kwamba wale wanaoanza kushiriki hisia za ndani, hisia na mawazo na waraibu wengine wanaopona, badala ya kutoa historia ya dawa za kulevya, huwa wanakua haraka zaidi."

— Kitabu cha Kijivu, p. 68 (Step Twelve, Lines 18-21)

Jifunze Kusikiliza, Sikiliza Kujifunza, hiyo ilikuwa kauli tuliyokuwa tukisikia, tulipoingia mara ya kwanza. Hiyo kimsingi ilimaanisha kukaa kimya na kusikiliza, au tuliambiwa kutoa pamba masikioni mwetu na kuiweka mdomoni mwetu. Hiyo ilikuwa njia nyingine ya kusema kusikiliza ujumbe wa Urejesho katika Narcotics Anonymous. Ilipendekezwa kutambua na sio kulinganisha na hadithi za watu.

Narcotics Anonymous ni Mpango wa Urejesho, sio mpango wa dawa za kulevya. Tatizo letu kuu ni ugonjwa wa uraibu.

Dawa za kulevya zilikuwa tu dalili; ilikuwa ni asilimia kumi tu ya tatizo halisi. Sehemu ya juu ya barafu kama wengine wangesema. Kwa hivyo Suluhisho letu lazima liwe Azimio la Kiroho la kina, ondoa dawa za kulevya na bado una uraibu usiotibiwa.

Tunashirikiana na kila mmoja wetu nafsi zetu za ndani kabisa. Tunashiriki kuhusu hisia zetu, hisia, mawazo, hofu, na Matumaini yetu. Tunazingatia Suluhisho, ambalo ni Urejesho na sio hadithi zetu za vita, ambalo ni tatizo.

Tunashiriki ujumbe wa Matumaini na ahadi ya Uhuru. Hii inaruhusu Mchakato wa Utambulisho na Huruma kuanza kwa wengine. Hii ina thamani ya tiba, tunapoona nyuso za wanachama wengine zikitikisa juu na chini, na haikuwa dawa za kulevya, LOL.

Hii ishara ya idhini na Utambulisho ni aina ya Kukubalika; hatimaye tulihisi tuko nyumbani. Kwa mara ya kwanza kwa muda mrefu, sisi ni sehemu ya kitu Kizima. Roho zetu zinaguswa na kuanza Kuamka; hii hutokea katika kiwango cha fahamu.

Tunagusa Nguvu Kubwa Kuliko Sisi Wenyewe, na tamaa zetu za kutumia zinaondolewa au angalau zinapungua. Vyovyote vile, tunapoteza tamaa ya kutumia na kupata Njia Mpya ya Maisha bila matumizi ya dawa za kulevya. Tunapitia Ujumbe wetu, na hii ndio tunachoshiriki.

Tunashiriki Ujumbe, sio machafuko. Hiyo ni moja ya paradoksi za ajabu katika Mpango wetu; tunapaswa kutoa kile kilichotolewa Kwetu Bure, ili tuweze kukihifadhi. Sasa tunajua kwamba maumivu yetu ya kutumia yanatumika kama Jiwe la Kupanda kwa Kiroho chetu.

Kwa Wakati Huu: Tunashiriki asilimia kumi, kwa madhumuni ya Utambulisho. Tunashiriki Matumaini, kwa madhumuni ya Urejesho.

20 Machi

"Hatukuwa na shida kukubali kwamba uraibu ulikuwa umekuwa nguvu ya uharibifu kubwa kuliko sisi wenyewe."

— Kitabu cha Kijivu, p. 35 (Step Two, Lines 34-35)

Wakati wengi wetu tulipofika Narcotics Anonymous, tulikuwa hatuna msaada na hatuna matumaini; kulikuwa na kidogo sana ambacho tuliadini. Kile tulichoamini kilisababisha tu kukosa matumaini zaidi. Hatukuwa na shida kuamini kwamba nguvu fulani ya uharibifu ilikuwa inatawala maisha yetu.

Tukianza kufunguka kidogo, tuliona njia ya uharibifu tuliyokuwa tukiiacha nyuma, wakati wa kutumia dawa za kulevya. Ndani kabisa tulihisi hatukuwa watu tuliokuwa zamani, au tuliofundishwa kuwa, na wazazi wetu au walezi. Hatimaye tuliona upande mbaya wa uraibu, na tulitaka kutoka.

Jambo la kwanza tulilopaswa kufanya lilikuwa kuacha kutumia dawa za kulevya. Katika hatua hii tuliachwa na maumivu ya kuishi bila dawa za kulevya. Hatua yetu ya Pili inatuambia kwamba maumivu haya yanatulazimisha kutafuta Nguvu Kubwa Kuliko Sisi Wenyewe, kutusaidia na tamaa yetu ya kutumia.

Baadhi yetu tulijua kwamba ikiwa kulikuwa na nguvu ya uharibifu, lazima kuwe na moja ya ujenzi. Kwa Akili Iliyofunguka tulikuwa Tayari kufanya chochote kilichohitajika kutafuta faraja hii. Ilikuwa ni Mchakato wa Kuja Kuamini, ambao uliturejesha kwenye Akili kutoka kwa tamaa ya kutumia dawa za kulevya.

Ilikuwa ni hatua tulizochukua; kuhudhuria mikutano, kuzungumza na wanachama wengine baada ya mkutano, kusoma Fasihi, kujiunga na Kikundi cha Nyumbani, na kumwomba mtu awe Mdhamini wetu kutuongoza kupitia Hatua. Tulichukua Ahadi kwa njia ya huduma. Mchakato huu unatuongoza kugusa Nguvu hii Kubwa Kuliko Sisi Wenyewe. Huu ndio mchakato tunaotumia kujaza pengo lililoachwa na dawa za kulevya.

Tutahitaji Nguvu hii kuanza kwenye Njia hii ya Urejesho. Tunaweza kuita Nguvu hii kwa Nguvu na Matumaini.

Hatua zetu zinazalisha Imani na Imani inakuwa sehemu ya mabadiliko ya Maisha yetu.

Kwa Wakati Huu: Tutabaki wazi kwa Nguvu ya Upendo, Utunzaji na Ujenzi, ambayo inafanya Urejesho wetu uwezekane.

21 Machi

"Uraibu wetu ulijumuisha zaidi ya matumizi ya dawa za kulevya. Uliharibu kasoro zetu za tabia na kuimarisha matatizo ya utu."

— Kitabu cha Kijivu, p. 5 (Chapter One, Lines 3-4)

Nakala yetu ya Msingi inatuambia kwamba ugonjwa wetu unahusisha zaidi ya kutumia. Matumizi ya dawa za kulevya yalikuwa tu dalili ya tatizo kubwa zaidi. Ugonjwa wa uraibu ni ugonjwa wa Nafsi na Kiroho ambao unaunda na kupotosha tabia zetu, mitazamo na tabia.

Tulitumia Kuishi na Kuishi kutumia. Akili yetu yote, nafsi na uwepo wetu ulikuwa umejikita katika dawa za kulevya, kwa namna moja au nyingine.

Mtindo huu wa maisha ulilazimisha silika zetu za asili kupotoka. Mali zetu zikawa kasoro. Kasoro zetu zikawa zana za ugonjwa wetu, ziliokoa maisha yetu, na tulizihitaji ili kuendelea kutumia.

Sasa katika Njia hii ya Maisha, katika Narcotics Anonymous, zana hizi hazina maana, hazifanyi kazi katika Njia hii Mpya ya Maisha. Kasoro zetu za tabia zinatuletea maumivu zaidi katika Urejesho, na hatuna tena dawa za kulevya za kutuliza. Tunafikia hatua ambapo hatungeweza kuishi bila matumizi ya dawa za kulevya pia.

Hatua zimeundwa kwa ajili ya mabadiliko muhimu ili kuendelea Kuishi Safi na Utulivu. Mabadiliko haya ya Utu wetu, Akili na Roho yatakuwa na jukumu la Kuamka Kiroho kwetu. Tunahitaji kuendelea kufanya kazi ya Mpango muda mrefu baada ya Kuacha, ikiwa tunataka kuendelea Kupona na kubaki bila dawa za kulevya.

Tuna Ushirika mzima wa Kutusaidia katika Safari hii. Tuna Nguvu ya Juu, ambayo inafanya yote haya yawezekane.

Kwa Wakati Huu: Tutafanya zaidi ya kuacha tu dawa za kulevya, tutafanya kazi kwenye Kuamka Kiroho kunakotokana na kufanya kazi na Kuishi Hatua.

22 Machi

"Katika uraibu wetu, tulitegemea watu, maeneo na vitu. Tulitegemea wao kutuunga mkono na kutupatia vitu ambavyo tulikosa ndani yetu."

— Kitabu cha Kijivu, p. 106 (Tradition Seven, Lines 16-18)

Kama watumiaji wa dawa za kulevya wengi wetu tulikuwa wabinafsi sana na wenye kujifikiria wenyewe, tulitafuta njia za kuendelea kutumia. Hatukuwa tunajitegemea tulipotumia, tuliiba kutoka kwa wengine ili kuunga mkono tabia zetu, tuliwanyang'anya watu muda wao na mahitaji yao. Baadhi ya vitu vilikuwa haviwezi kubadilishwa. Tulifanya madhara makubwa kwa watu wengi; daima tulikuwa tunatafuta msaada.

Hata ingawa tulikuwa tumejitenga, ugonjwa uliwaathiri wale waliotuzunguka. Katika Narcotics Anonymous tunajifunza kusimama kwa miguu yetu miwili, kwanza kama Kikundi, kama Ushirika, na hatimaye peke yetu. Hatua zetu na Mila zinatufundisha kuchangia na kusaidia wengine, na kwa kufanya hivyo tunajisaidia wenyewe.

Kama Ushirika, hatuko tena mzigo kwa jamii. Kama watu binafsi, tunakuwa Wanachama Wenye Tija wa jamii hiyo. Tunakuwa watoaji na si wachukuaji, vitendo vyetu ni Marekebisho yetu.

Hatufanyi tu azimio na kurejesha makosa yetu ya zamani, pia tunayatatua. Tunaishi kwa njia tofauti leo, tunawajali wengine kwanza, kisha tunajijali wenyewe. Hatimaye tunajitegemea kupitia michango yetu wenyewe.

Kama Ushirika kujitegemea inamaanisha hatutumii tena watu, maeneo na vitu. Hatuko chini ya udhibiti wa mtu yeyote kwa sababu hatuombi chochote kutoka kwao. Nia zetu zinatokana na Upendo na Huruma.

Sisi ni sehemu ya kitu kizima; kutojali kwetu kunakuwa Huruma tunapojitambulisha na wengine. Tunajitoa bila malipo au kutambuliwa. Muhimu zaidi hatuchukui sifa kwa hilo.

Msingi wetu wa Kiroho wa Kutokujulikana unakuwa lengo letu na Njia ya Maisha. Sasa tunatoa kile tulicho nacho ili kukihifadhi.

Uraibu ni kinyume na Kuishi. Katika Narcotics Anonymous tunajifunza Kuishi na Kuacha Kuishi.

Kwa Wakati Huu: Tutategemea Nguvu Yetu ya Juu kutupatia kila kitu tunachohitaji.

23 Machi

"Tunapaswa kujifunza kudumisha maisha yetu mapya kwa msingi wa kiroho ili kuhakikisha ukuaji wetu unaoendelea na kupona."

— Kitabu cha Kijivu, p. 58 (Step Eleven, Lines 28-30)

Mpango wetu ni Mpango wa saa ishirini na nne, hiyo inamaanisha tunapewa Msamaha wa Kila Siku kutoka kwa hukumu zetu za maisha tulizojitolea wenyewe, ikiwa tutafanya Hatua na kudumisha Kujizuia. Kitabu chetu cha Msingi kinasema kwamba, "Kupona ni mabadiliko ya kiutendaji ya mawazo na mitazamo yetu." Mchakato huu unahusisha hatua, na kujifunza upya mtindo wetu wa maisha wa zamani. Kwa kuwa hatuna nguvu juu ya uraibu wetu, tunahitaji Nguvu iliyo na nguvu zaidi kuliko ugonjwa wa uraibu.

Tunateseka kutokana na ugonjwa wa Kiroho, kwa hivyo Suluhisho letu lazima liwe la Kiroho pia. Katika Narcotics Anonymous tunapewa seti ya zana zinazotusaidia kujadili Njia ya Kupona. Tunapewa Ushirika, ili tusilazimike kuwa peke yetu.

Tunapewa mpango wa Kuishi, na Hatua na Mila kama Ramani na mwelekeo. Fasihi yetu inasema kwamba, "hakuna mtumiaji wa dawa za kulevya ambaye amejisalimisha kabisa kwa mpango huu amewahi kushindwa kupata kupona." Kiwango chetu cha Kujisalimisha kinapimwa na Utayari wetu wa kuchukua hatua, lakini Utayari bila hatua haitufikishi popote.

Matumaini bila hatua, hubadilika kuwa kukata tamaa na mchakato wa kurudi nyuma huanza. Tunawajibika kwa Kupona kwetu na Ukuaji unaoendelea.

Kupona ni Safari ya Kupanda, kwa hivyo tunapaswa kuendelea kusonga mbele. Hata kama tuko kwenye njia sahihi, bado tunaweza kugongwa kwa sababu kuna treni nyingine inakuja. Huu ni Mpango wa Sisi; hatufanyi hivi peke yetu, na tunapaswa kufanya tu kwa Leo. "Leo, tukiwa salama katika Upendo wa Ushirika, hatimaye tunaweza kumtazama binadamu mwingine machoni na kuwa na shukrani kwa sisi ni nani."

Kwa Wakati Huu: Tunapewa seti ya Kanuni za Kiroho, rahisi kiasi kwamba tunaweza Kuzitumia katika Maisha Yetu ya Kila Siku.

24 Machi

"kwamba sisi pia tunaweza kupata maana na kusudi katika maisha, na kwamba tunaweza kuokolewa kutoka kwa wazimu, upotovu na kifo."

— Kitabu cha Kijivu, p. 33 (Step One, Lines 31-33)

Ujumbe wetu wa Matumaini na Ahadi ya Uhuru unaweza tu kuelezewa kama Zawadi ya Kimungu. Wengi wetu tuliteseka kutokana na hofu za uraibu kabla ya kuja kwa Narcotics Anonymous. Kitabu chetu cha Msingi kinatuambia kwamba lazima tujisalimishe kwa ugonjwa wa uraibu kwa sababu, "vita vimepangwa." Kisha, tunajisalimisha kwa Kanuni za Narcotics Anonymous, hii ndiyo Suluhisho letu pekee.

Hapo awali baadhi yetu tulifikiri tunaweza kuacha wenyewe, licha ya ushahidi wote kinyume chake, kukataa, mbadala, uhalalishaji, uharibifu, unyonge na kujitenga. Hizi ni baadhi tu ya matokeo ya uraibu wetu; pia ni unaoendelea, usioweza kupona na hatari. Hata hivyo, kuna Matumaini, baada ya kufika N.A. Tunaungana na wengine, ambao kama sisi, waliteseka kutokana na hofu hizi ambazo Roho zetu zilitembelea.

N.A. inatupa Uhuru kutoka kwa uraibu wa kazi na Njia Mpya ya Kuishi, bila matumizi ya dawa yoyote. Badala yetu na Suluhisho kwa ugonjwa huu ni Hatua Kumi na Mbili na Mila za Kiroho za Narcotics Anonymous.

Kanuni hizi za Kiroho zinafanya mabadiliko ya Moyo, Mwili, Akili na Roho kuwa inawezekana. Ndiyo, Tunapona kila siku kutoka kwa hali hiyo isiyo na matumaini.

Tunashiriki Zawadi hii na wote wanaoitafuta, Safari yetu inaanza na Kujizuia Kabisa na Kujisalimisha Bila Masharti.

Kwa Wakati Huu: Tunajua kwamba sisi pia tunaweza Kupona, na Kuishi kwa Furaha, Furaha na Uhuru, kupitia Narcotics Anonymous.

25 Machi

"Ufahamu wa Mungu unajaza nafasi tupu ndani ambayo hakuna kitu kingine chochote kingeweza kabla."

— Kitabu cha Kijivu, p. 145 (Chapter Nine, Lines 19-20)

Hatua yetu ya Pili inatukumbusha kwamba ni Nguvu Kubwa Kuliko Sisi wenyewe pekee, inaweza kujaza pengo lililoachwa na dawa za kulevya. Dawa za kulevya zilikuwa suluhisho letu kwa muda, baada ya dawa hizo kuacha kufanya kazi, tuliachwa na pengo kubwa zaidi. Tulijaribu kwa bidii kujaza pengo hilo na watu, mahali, vitu na hata dawa zaidi.

Kila kitu tulichojaribu kilitushinda, vingine vilitumika kama afueni ya muda, lakini hivi karibuni hali yetu ya kukata tamaa ilirudi. Katika Narcotics Anonymous tulijifunza kwamba tulikuwa na pengo lililoumbwa na Mungu. Kitu pekee ambacho kingeweza kujaza pengo hili lililoumbwa na Mungu, ni Mungu wa Ufahamu Wetu.

Kujisalimisha kwetu kikamilifu lazima kufuatiwe na kutegemea Nguvu hii. Kadiri Imani yetu inavyoongezeka tunaanza kuhisi Uwepo wa Nguvu yetu ya Juu katika Maisha yetu na Tunatumaini katika kila kitu tunachofanya. Ufahamu wetu unageuka kuwa Ufahamu wa Mungu tunapokuwa na Mawasiliano ya Moja kwa Moja na Nguvu hii.

Tunaendeleza Uaminifu kupitia Utayari wetu tunapofanya kazi Hatua na Wadhamini wetu. Kwa kila Uamsho kama matokeo ya Hatua na Mapokeo, Tunashiriki Zawadi hii na wengine, ili tuweze kuendelea kuwa nayo.

KATIKA WAKATI HUU

Tutakuza Ufahamu wa Mungu, kwa kufanya Mawasiliano ya Moja kwa Moja na Nguvu hiyo ya Juu.

26 Machi

"Mara nyingi sana, madaktari ambao walikuwa na nia njema, lakini hawakujua ugonjwa wetu, waliwezesha uraibu wetu."

— Kitabu cha Kijivu, p. 10 (Chapter One, Lines 13-14)

Hatua ya Kwanza inatukumbusha kwamba, "tumejaribu tiba nyingine nyingi--washauri, wanasaikolojia, hospitali, wapenzi, miji mipya, kazi mpya--kila kitu tulichojaribu, kilishindwa." Ugonjwa wetu ni wa Kiroho na kwa kuwa huwezi kutibu ugonjwa wa Kiroho kwa dawa, madaktari hawawezi kutusaidia katika Urejesho wetu. Kwa kweli, moja ya sehemu hatari zaidi kwa mraibu kutembelea, ni ofisi ya daktari. Madaktari wa leo huchukua kozi ya saa kumi juu ya ugonjwa wa uraibu. Kwa upande mwingine, tuna uzoefu wa miaka katika ugonjwa huo, na sasa pia tuna uzoefu wa miaka katika Suluhisho.

Sisi ni wataalamu katika Urejesho wetu wenyewe. Hatua Kumi na Mbili za Narcotics Anonymous zimejengwa Kiroho; ni Suluhisho letu kwa maisha ya mateso katika uraibu hai.

Kwa baadhi yetu, Narcotics Anonymous ilikuwa kitu cha mwisho tulichojaribu, na kitu cha kwanza kilichofanya kazi. Hii ilikuwa nyumba ya mwisho kwenye mtaa kwa wengi wetu. Kujiepusha na dawa zote ili Kupona ni Jiwe la Msingi la Kanuni ya Programu yetu; ni sehemu ya Ujumbe wetu.

Muda wa Usafi ndio tunasherehekea katika Sherehe za Siku za Kuzaliwa za N.A., Urejesho kwa upande mwingine hauwezi kupimwa kwa urahisi. Tunakamatisha ugonjwa na Urejesho unakuwa inawezekana.

Yetu ni Reprieve ya Kila Siku, na hiyo inategemea Matengenezo yetu ya Kiroho. Fasihi yetu inatuambia kwamba "lazima tujiepushe na dawa zote ili Kupona." Hatuwezi Kupona ikiwa akili na miili yetu imejaa dawa.

Kubadilisha dawa moja kwa nyingine, huachilia uraibu wetu tena. Urejesho wetu ni Wajibu wetu, sio wa madaktari.

Ingawa hatuna maoni juu ya masuala ya nje, Muda wa Usafi katika Narcotics Anonymous ni suala la ndani. Tunawaheshimu wataalamu na wanachofanya, na Mapokeo yetu yanatulinda katika kile tunachofanya.

KATIKA WAKATI HUU

Tunawajibika kwa Urejesho wetu wenyewe; tunawaachia madaktari dawa na Urejesho kwa Narcotics Anonymous.

27 Machi

"Hakuna anayehukumu, kuweka maoni ya kijumla, au kutuadhibu kimaadili."

— Kitabu cha Kijivu, p. 20 (Chapter Two, Line 23)

Ni Baraka gani kwamba tunaweza kuingia kwenye mkutano wa Narcotics Anonymous na hakuna atakayehukumu. Kulingana na Mapokeo yetu ya Tatu, "Uchaguzi wa uanachama uko mikononi mwa mtu binafsi." Tuko huru kuja na kwenda tunavyotaka.

Baadhi yetu tulikuja kwenye mkutano wetu wa kwanza, tukiwa tumevunjika, kutoka chini hadi juu. Tulikubaliwa jinsi tulivyokuwa, tuliombwa kuendelea kurudi.

Kwa mapokezi haya wengi wetu tuliendelea kurudi. Kurudi kuliokoa Maisha yetu, hatukujihisi peke yetu tena, kutengwa kwetu kulikuwa kunafikia mwisho. Baada ya muda wa kuwa na Kujiepusha na kufanya kazi Hatua, tuligundua kwamba huenda hatuhisi kukaribishwa kama tulivyokuwa hapo awali; watu walitujua na labda hesabu yetu ilikuwa inachukuliwa. Watu wale wale waliopiga makofi na kutuambia tuendeleo kurudi, sasa walikuwa wanatuhukumu na kutuadhibu kimaadili.

Haijalishi tumekuwa tukija kwa muda gani, sote tunahitaji Kusherehekeka, sio kuvumiliwa. Mapokeo yetu yanatulinda kutoka kwa kila mmoja, lakini baadhi huenda wasishi kwa Kanuni za Kiroho. Ingawa hatuwezi kudhibiti matendo ya wengine, hatuwezi kudhibiti yetu.

Tunaweza kuendelea Kusalimiana kama ni mara ya kwanza tunakutana. Tunaweza kuonyesha Huruma hata kama hatuisi. Tunaweza kufanya sehemu yetu, tunaweza kuendelea ikiwa tunachagua, kukumbatia wanachama ambao tunahisi hawatupendi.

Kuhukumu kasoro za mtu ni kasoro, inaitwa kujiona mwenye haki. Moja ya Kanuni za Mapokeo yetu ya Tatu inaweza kuwa Usawa; sote tuna haki ya Kupona. Kutenda Kanuni kabla ya Mienendo kunazuia hukumu kutokea.

Kuishi Hatua na kuingiza Kanuni za Mapokeo yetu kutatumika kama Azimio. Tunapaswa kuanza na sisi wenyewe, ikiwa hatuko tatizo, hakuna Suluhisho.

KATIKA WAKATI HUU

Tunaweza kufanya sehemu yetu katika Kuwakaribisha na kuendelea Kuwakaribisha wanachama. Kila tunapowaona, tutatenda kama ni mara ya kwanza tunakutana nao.

28 Machi

"Hatua ya Nne inatusaidia kuona hasa matatizo yetu ni nini na inatuonyesha nguvu zetu."

— Kitabu cha Kijivu, p. 40 (Step Four, Lines 12-13)

Sisi waraibu ni hasi kwa asili; hii ni matokeo ya mapenzi yetu ya kujiharibu katika vitendo. Tuliishi katika ugonjwa; vitendo vyetu vilikuwa ni hatari kubwa, bila mtandao wa usalama. Tulipoanguka, tulianguka vibaya.

Kuishi katika wazimu huu hakukuacha Tumaini la Suluhisho. Tulitengwa na kudhalilishwa.

Tulipochukua Hatua ya Nne, tuliombwa kuchukua Tathmini ya Kimaadili na Bila Hofu. Wengi wetu tulifikiri "Hakuna kitu cha kimaadili kuhusu Tathmini yangu!" Tulipitia Hatua zetu za Kwanza Tatu na Wadhamini wetu. Tuliomba na Kutafakari kwa Nguvu Zetu za Juu.

Matokeo yalikuwa kwamba Imani yetu ilitusaidia kujitenga na ugonjwa. Tulikuwa na maadili na thamani ambazo zilipandikizwa ndani yetu, tulipokuwa watoto. Tulizaliwa na Usafi wa Roho; safari yetu sasa ni kuona jinsi na kwa nini Roho zetu zilifungwa na hatimaye kulala. Tunakabili, Kufuatilia, Kufuta, Kubadilisha na Kukumbatia katika Mchakato wetu wa Kupona.

Tathmini ya kibinafsi katika Hatua ya Nne ni Mchakato wa Kufuta. Katika Hatua ya Kwanza tunakabiliana nayo.

Hatua ya Pili na ya Tatu tunafuatilia. Hatua ya Nne tunafuta. Hatua ya Tano hadi ya Saba tunabadilisha na Hatua ya Nane hadi ya Kumi na Mbili tunakumbatia.

Kila Hatua haiwezi kufanya kazi bila nyingine, na hakuna inayoweza kufanya kazi bila Mungu wa Kuelewa Kwetu na Ushirika wa Narcotics Anonymous. Kasoro zilikuwa ni ujuzi wetu wa kuishi katika uraibu hai; hazifanyi kazi tena katika Njia Yetu Mpya ya Maisha. Kama vile mfanyabiashara wa mboga anavyotenganisha matunda mabovu na matunda mazuri, sisi pia tunatenganisha kile kisichofaa katika Maisha Yetu Mapya. Hatua ya Nne inatuonyesha Mali zetu, ili tuweze kuzikuza na kuzitumia kuboresha Ubora wa Mahusiano yetu na Mungu, Sisi wenyewe na Wengine. Kuondoa na Kubadilisha ni kazi zetu.

Tunapata Ujasiri na Imani kutoka kwa kuchukua Hatua zilizopita.

Kwa Wakati Huu: Tutatazama Matunda ya Hatua hii, kisha tutatumia Vifaa kupata Matunda.

29 Machi

"Mitazamo yetu ni midogo sana tunaweza kuona tu mahitaji na matakwa yetu ya haraka kupitia Mungu mwenye upendo."

— Kitabu cha Kijivu, p. 58 (Step Eleven, Lines 20-21)

Tunapofika kwanza katika Narcotics Anonymous ndiyo zetu zilipaswa kuwa hapana na hapana zetu zilipaswa kuwa ndiyo. Mapenzi yetu kwetu kawaida ni kinyume kabisa na Mapenzi ya Mungu kwetu. Tunaogopa ikiwa tutakabidhi Mapenzi na Maisha Yetu kwa Uangalizi wa Mungu wa Kuelewa Kwetu, tutakosa kitu.

Baadhi yetu hatutaki kuacha baadhi ya tabia na kasoro; kama vile kuvuta sigara, tamaa, kuiba na kutumia vibaya nguvu zetu za ngono. Tunapoishi Programu tunaanza Kubadilika, tunaanza Kujitunza. Tunataka Kuongozwa na Kanuni za Kiroho; tunataka kuwa na Afya.

Tunataka kuwa na kazi, kulipa bili, kuwa Wajibikaji, na hatutaki kutumia Maisha Yetu peke yetu bila mwenzi. Baadhi yetu tunataka kuanzisha familia. Tunapokua katika Programu hii, tunagundua haraka kwamba mambo yale yale tunayoyataka sisi wenyewe, Mungu pia anataka kwetu.

Hatimaye, tunaona kwamba Mapenzi ya Mungu kwetu, yanakuwa mapenzi yetu sisi wenyewe. Ukuaji huu hutokea tunapofanya kazi kwa ajili yake, kuna maumivu na Kujitolea katika Kujisalimisha kwetu. Zawadi ya Kuishi kwa Kanuni za Kiroho ni yenye thawabu sana haiwezi kupimika, tunapata Mwangaza wa Maisha Huru kutokana na baadhi ya kasoro hizi.

Hii inatupa Tumaini, na tunajifunza Kuachilia na Kumwachia Mungu. Tunakuwa Maono ya Tumaini kwa wengine.

Kwa Wakati Huu: Tunaachilia mtazamo wetu mdogo wa Maisha yetu, tunajifunza Kumwamini Mungu wa Kuelewa Kwetu kututunza.

30 Machi

"Polepole, tunapokuwa na mwelekeo zaidi kwa Mungu kuliko kujielekeza wenyewe, kukata tamaa kwetu kunageuka kuwa tumaini."

— Kitabu cha Kijivu, p. 147 (Chapter Nine, Lines 4-5)

Kujielekeza wenyewe kunaonekana kuwa katikati ya ugonjwa wetu, na hofu ya kujielekeza wenyewe iko katika msingi wake. Kwa wengi wetu hofu ni kichocheo kikuu cha kasoro zote, na inajificha katika aina nyingi. Kutoka kwake hutoka aina zote na maonyesho ya ugonjwa.

Maisha yetu yote katika uraibu hai yalikuwa yamejengwa katika hofu, na matokeo yalikuwa hasi na yenye maumivu kila wakati, kwetu na kwa wengine. Hatua yetu ya Tatu inatibu kujielekeza wenyewe, ambayo ni sehemu ya tatu ya Kiroho ya ugonjwa wetu. Tatizo la Kiroho linahitaji Suluhisho la Kiroho.

Tunapofanya kazi Programu na Hatua za Narcotics Anonymous Roho zetu zinaamka. Tunakuwa na Ufahamu zaidi wa mazingira yetu na Ulimwengu unaotuzunguka. Tunagundua kwamba sisi siyo kitovu cha ulimwengu, na vitendo vyetu vinaathiri wengine, na Ulimwengu unaotuzunguka.

Kukata tamaa kwetu kunageuka kuwa Tumaini, hatupo tena ganzi kutokana na dawa. Tunaanza kuhisi kila kitu, hiyo ni habari njema na habari mbaya. Ufahamu wetu unafungua mlango kwa Nguvu Kubwa Kuliko Sisi Wenyewe, ambayo inaweza Kutusaidia katika Kupona kwetu.

Tunakuwa sehemu ya Kitu Kizima; "Mimi" inakuwa "SISI", na ni mwisho wa kutengwa kwetu. Tunatembea Safari hii na wengine bega kwa bega. Mungu wa Kuelewa Kwetu anakuwa mwongozaji wetu; hatupo peke yetu tena.

Tumekabidhi kwa ugonjwa, sasa tunajisalimisha kwa Narcotics Anonymous na Kanuni zake. Mmoja wa watangulizi wetu alisema, Kiroho ni Uhusiano sahihi na Uhalisia. Tunapoendelea kuwa na mwelekeo zaidi kwa Mungu, tunakuwa na mwelekeo mdogo kwa kujielekeza wenyewe.

Kufufuka kwetu Kiroho kunakuwa kwa maendeleo. Tunafanya Mazoezi ya Kanuni hizi katika mambo yetu yote, katika shughuli zetu za kila siku, na watu wote.

Kwa Wakati Huu: Tutatoka katika kujielekeza wenyewe kwa kufanya kazi na wengine, Zawadi zetu zitakuwa za Asili ya Kiroho.

31 Machi

*"Kupitia uhuru katika maisha yetu mapya, hatimaye tunaweza kuona sifa maalum
tunazomiliki kama watu binafsi"*

— Kitabu cha Kijivu, p. 161 (Chapter Ten, Lines 2-4)

Hatua yetu ya Tano inatuambia, "Barakoa lazima ziende." Kuishi katika uraibu hai, tulikuwa tunajaribu kila mara kuficha watu tulio kuwa. Hatukujipenda, hiyo ni sababu kubwa tuliyotumia. Kila wakati tulipoleweshwa, ilikuwa ni kujitoka wenyewe.

Dawa za kulevya zilifanya iwezekane kuishi katika ngozi zetu wenyewe. Hata hivyo, wakati furaha ya kutumia ilipokwisha, hatukupenda vile tulivyokuwa pia, kwa hivyo tulitumia zaidi. Mwishowe, tulihisi kwamba hatuwezi kuishi tena na dawa za kulevya.

Baada ya kufika katika Narcotics Anonymous na kusafisha, jambo kubwa zaidi lilikuwa kwamba hatuwezi kuishi bila dawa za kulevya pia. Baadhi yetu walirudi kutumia, hadi mwisho mchungu, magereza, taasisi, na kifo. Baadhi yetu walisimama na kupata Njia Mpya ya Kuishi.

Katika Narcotics Anonymous, kitu pekee tunachopaswa kubadilisha ni kila kitu. Kufanya Hatua kumeelezewa kama kumenya kitunguu, safu kwa safu.

Ingawa kuna machozi mengi, pia kuna ukuaji mwingi. Katika msingi wa kitunguu ndipo Roho zetu za kweli zinapokaa. Safari yetu katika Urejesho ni kurudi, kupitia hesabu zetu na kujikamata tena kabla Roho zetu hazijalala.

Kwa msaada wa Mungu, Hatua, Mila na Ushirika, Roho zetu zinaamka, na tunatunzwa. Tunapendwa, hadi tujifunze kujipenda wenyewe. Kwanza, tunapaswa kujifunza upya sisi ni nani tunavyofikiri, na kuwa sisi ni nani kweli.

Tunagundua kwamba thamani ya kweli iko katika kuwa sisi wenyewe. Kukubali Nafsi ni mchakato, na sehemu ya mchakato huo pia ni Kukubali kile tunachokosa.

Tunatumia Mali zetu na Kushiriki hizi na wengine. Pia tunatambua madeni yetu na Kushiriki hayo na Mungu. Tunapojifunza Kukubali na Kujipenda wenyewe, tunajifunza Kukubali na Kupenda wengine.

Kwa Wakati Huu: Kwa Msaada wa Nguvu Yetu ya Juu na N.A., Tutakuwa bora zaidi tunaweza kuwa. Tutajifunza Kushiriki nafsi zetu za Kweli na wengine.

1 Aprili

"Tulitegemea sana watu kutubeba kihisia katika maisha. Tuliachwa kila mara tukiwa na tamaa na maumivu walipokuwa na maslahi mengine, marafiki wengine na wapendwa."

— Kitabu cha Kijivu, p. 2 (Chapter One, Lines 12-15)

Wengi wa waraibu hawakuweza kufikia chini kabisa ilimradi wale wanaowawezesha waliendelea kuwawezesha kutumia. Kama vile Mharamia ambaye kwa uangalifu na kwa subira anajenga mfano wa meli ndani ya chupa, sisi waraibu kwa uangalifu na kwa muda tulijenga maisha yetu ndani ya uraibu. Mwishowe, tulikwama, hatukuweza kutoka. Wale wanaotuwezesha zaidi, familia, marafiki, waajiri, na wapangaji, walianza kuathiriwa na uraibu wetu.

Familia zetu zilitupenda, lakini zilianza kuonyesha Upendo mgumu. Wapenzi wetu wa kimapenzi walitaka mtu tofauti kama mwenzi, kwa hivyo walituacha. Kazi ambazo tulikuwa waaminifu sana, wakati wote wa ajira yetu, sasa zilikuwa zinapata wafanyakazi wengine kutubadilisha.

Hatungeweza kusaidia kuhisi kusalitiwa, hasa wakati wetu mkubwa wa haja. Tulikuwa tumefilisika Kihisia na Kiroho na kukana kwetu kulikuwa nene sana kwamba hatukuweza kuelewa kwa nini walikuwa wakitufanyia hivi. Hatukugundua kwamba tulikuwa wagonjwa, na tulikuwa tukijifanyia wenyewe. Mawazo yetu kama hiyo chupa yalipaswa kuvunjwa ili kuanza ujenzi upya.

Tulikuwa na matumaini na kwa kukata tamaa tulitafuta msaada kutoka kwa kila mmoja katika Narcotics Anonymous. Baada ya kufika N.A. tuliambiwa kwamba tunaugua ugonjwa na sio tatizo la kimaadili. Tuliambiwa kwamba ingawa hatukuwa na jukumu la kuwa na ugonjwa huu, tulikuwa na Wajibu kwa Matendo yetu na Wajibu kwa Urejesho wetu.

Kujifunza Kuishi na Kanuni za Kiroho sasa tunaweza kuona uharibifu na uharibifu tuliouleta wakati tulikuwa tunatumia. Chuki zetu dhidi ya wale wanaotuwezesha zilibadilika kuwa Shukrani. Tuliona thamani katika Matendo yao.

Kuishi Hatua, tunabadilishwa kuwa watu tofauti.

Tunanza Kujenga meli zetu nje ya uraibu wetu.

Kwa Wakati Huu: Tutashukuru kwa watu ambao hawatuwezeshi tena na kuanza kufanya Marekebisho kwao wote.

2 Aprili

"Hatupaswi kamwe kupotosha kile tunachotoa hata kama kwa kufanya hivyo tunaweza kupata waraibu wachache zaidi kuhudhuria mikutano yetu."

— Kitabu cha Kijivu, p. 114 (Tradition Eleven, Lines 7-9)

Narcotics Anonymous inatoa ahadi moja tu, Uhuru kutoka kwa uraibu hai. Neno muhimu hapa ni "inatoa", tunapaswa kufanya kazi ili Ahadi hiyo itimizwe.

Tuna Imani katika Ujumbe wetu jinsi ulivyo. Hatuhitaji kutoa ahadi za uongo ili kukuza Narcotics Anonymous. N.A. sio kwa kila mtu, na Ujumbe wetu ni wazi. Mraibu, mraibu yeyote anaweza kuacha kutumia dawa za kulevya, dawa yoyote; kupoteza hamu ya kutumia dawa za kulevya, bila kutumia dawa nyingine kama mbadala na kupata Njia Mpya ya Maisha, kupitia matumizi ya Hatua 12 za Kiroho na Mila za Narcotics Anonymous.

Kupitia kufanya kazi na Kuishi Kanuni za Kiroho zilizomo katika Hatua na Mila, tunapata Nguvu Kubwa Kuliko Sisi wenyewe inayofanya Urejesho wetu uwezekane. Kinachofanya haya yote kuwa Uhalisia, ni usafi wetu. Kujizuia kutoka kwa dawa zote ni msingi wa Programu yetu; ni Uhuru wetu kutoka kwa uraibu hai.

N.A. haitoi kurudisha familia zetu au kazi zetu; kama ingetoa yoyote ya vitu hivi, wanachama wetu wangeondoka mara tu walipopata vitu hivi tena. Au wanachama wetu wangeondoka ikiwa hawakupata vitu hivi tena. Zawadi zetu ni za Kiroho kwa asili na Huonekana katika maisha yetu yote.

Uvutio wetu ni mtindo wa maisha usio na dawa za kulevya, uliochanganywa na Kuishi kwa Kanuni za Kiroho. Programu yetu ya Urejesho inaacha mtu mgonjwa katika hali bora kuliko walivyokuwa, kabla ya kuugua. Ujumbe wetu ni Matumaini na Ahadi ya Uhuru.

Kwa Wakati Huu: Hatutapotoshwa kutoka kwa Kusudi letu la Msingi, kwa kutoa chochote isipokuwa Ujumbe wetu Safi, usiokatwa wa Narcotics Anonymous.

3 Aprili

"Wazo la mwamko wa kiroho linachukua aina nyingi tofauti katika haiba nyingi tofauti tunazopata katika Ushirika."

— Kitabu cha Kijivu, p. 59 (Step Twelve, Lines 1-3)

Uraibu hai ulizima Roho tuliypewa wakati wa kuzaliwa, kutumia dawa mara kwa mara kulilazimisha Roho zetu kulala. Tulichohitaji ni Mwamko wa Roho. Hatua ya Kumi na Mbili katika Narcotics Anonymous inasema kwamba Mwamko huu hutokea kama matokeo ya "hizo" Hatua.

Jambo la kwanza tulilohitaji kufanya lilikuwa ni kuacha kuweka dawa mwilini na akilini mwetu. Uchungu wa kuishi bila dawa, unatulazimisha kutafuta Nguvu Kubwa Kuliko Sisi wenyewe, inayoweza kuondoa hamu yetu ya kutumia. Hii ilikuwa ni utangulizi wa kwanza wa Kiroho kwa ugonjwa wetu.

Ilikuwa ni mshtuko wa kwanza uliotolewa kwa Roho zetu zilizolala. Ilikuwa ni mwanzo wa Mwamko wetu wa Kiroho.

Mchakato huu unaanza kutoka Hatua ya Kwanza; hatuhitaji kusubiri hadi Hatua ya Kumi na Mbili kwa uzoefu huu. Tunaamka kidogo zaidi kila tunapochukua na Kuishi Hatua nyingine.

Inaweza kuwa tofauti kwa kila mmoja wetu. Kwa baadhi, Uhuru kutoka kwa uraibu hai ni Mwamko yenyewe. Kwa baadhi, Mwamko wetu ulianza wakati hamu yetu ya kutumia dawa iliondolewa. Baadhi yetu tulipata uzoefu wa Kiroho tulipogusa Nguvu Kubwa Kuliko Sisi wenyewe kwa mara ya kwanza.

Baadhi yetu tulianza kuona mwisho wa kutengwa na kuhisi kwamba huu ulikuwa ni Mwamko pia. Tulianza kurejesha Uaminifu kutoka kwa wale tuliowajua, ikiwa ni pamoja na familia zetu au waajiri. Aina yoyote ya Mwamko huu, mada ya kawaida ni kwamba, "Maisha yanapata maana mpya, furaha mpya, na ubora wa kuwa na kuhisi thamani. Tunafanywa upya Kiroho na tunafurahi kuwa hai." Mwamko wa Kiroho unaweza kuwa wa maendeleo, lakini tunapaswa kuendelea kusonga mbele.

Bila kuwa mwanachama hai katika N.A. Roho zetu zinaweza kurudi kulala. Tunapaswa Kutekeleza "hizi" Kanuni kupitia Mapokeo, katika mambo yetu yote.

Kwa Wakati Huu: Tutashukuru kwa kila Mwamko tunaopewa kutoka kwa kila Hatua. Tutaendelea Kushiriki Ujumbe wa N.A. tunaouishi, na wengine.

4 Aprili

"Ilikuwa inawezekana katika fikra zetu za uraibu kwamba kitu kingetufanyia kazi bila kazi yoyote kutoka kwetu. Hivyo ndivyo dawa zilivyofanya kazi."

— Kitabu cha Kijivu, p. 10 (Chapter One, Lines 29-32)

Kwa waathirika wengi, mwanzoni mwa uraibu wao, dawa zilikuwa Suluhisho. Athari za dawa zilitutoa nje ya nafsi zetu.

Dawa zilizuia sisi kuangalia ukweli, na zilituleta ganzi. Hatungeweza kuhimili hisia zetu, kwa hivyo tulizika hisia zetu wakati tulikuwa juu. Wakati furaha ilipokwisha, hatukuwa na chaguo; tulilazimika kutumia.

Kadri tulivyotumia zaidi, ndivyo tulivyojisikia vibaya zaidi. Kadri uharibifu wetu ulivyokuwa ukiendelea, tulilazimika kutafuta msaada. Wengi wetu tulitafuta msaada kupitia saikolojia, dini na tiba; njia hizi zote zilikosa kutusaidia.

Madaktari walitupa dawa, lakini hiyo ilifanya matatizo yetu kuwa mabaya zaidi. Baadhi yetu tulikuwa tunatafuta dawa ya kichawi ambayo ingetutengeneza. Haikuwahi kutokea kwetu kwamba tatizo letu lilikuwa la Kiroho kiasili, na kwamba lilihitaji Suluhisho la Kiroho, si suluhisho la kemikali. Katika Narcotics Anonymous, Urejesho unawezekana tu baada ya kufikia Kujizuia Kamili na Kabisa.

Hakuna njia rahisi ya kutoka. Hata hivyo, kuna njia Rahisi.

Kanuni za Kiroho za Narcotics Anonymous ni Suluhisho letu, lakini zinahitaji Hatua kutoka kwetu. Katika uraibu hai tulitegemea dawa kutufikisha pale tulipotaka kwenda. Dawa zilifanya kazi nyingi.

Baada ya kuja N.A., baadhi yetu bado tulifikiri tunaweza kutegemea dawa kufanya kazi. Uchungu wa Kuishi bila dawa unatulazimisha kutafuta Nguvu ya Juu. Bila uchungu huu, hakungekuwa na haja ya kutafuta Nguvu ya Juu.

Waathirika leo wanapewa matumaini ya uongo kutoka kwa uwanja wa matibabu. Wanapewa suluhisho la kemikali kwa tatizo la Kiroho, njia rahisi ya kutoka, njia rahisi na laini zaidi. Tatizo ni kwamba dawa hazikuwahi kutufanyia kazi, zinaendelea tu kuruhusu ugonjwa wetu kuendelea. Narcotics Anonymous inatoa mtindo wa maisha usio na dawa, na Ukuaji Usio na Kikomo.

Kwa Wakati Huu: Tutatumia Hatua, si dawa, kufikia Uhuru kutoka kwa uraibu hai.

5 Aprili

"Mpango huu umetupa imani kwa Mungu mwenye upendo anayefanya kazi kupitia watu."

— Kitabu cha Kijivu, p. 18 (Chapter Two, Lines 1-2)

Tulipoingia kwa mara ya kwanza katika Narcotics Anonymous wengi wetu tulipokelewa kwa kukumbatiwa, tulikaribishwa na tuliambiwa "Endelea Kurudi." Imekuwa muda mrefu tangu mtu yeyote atuambie tuendeleo kurudi mahali popote, hasa mwishoni mwa matumizi yetu. Tuliposikia wanachama wakishiriki hadithi zao, hatungeweza kujizuia kuhisi kwamba hatuko peke yetu. Walikuwa wakisimulia hadithi zetu. Mioyo yetu ilianza kuhisi Kanuni ya Huruma, lugha isiyo na maneno ya Utambulisho. Tuliendelea kurudi, na tukaanza kuhisi nyumbani.

Wanachama walikuwa na wasiwasi wa kweli juu yetu; tulihisi Upendo ambao hatujahisi kwa muda mrefu, au kwa baadhi yetu, hatujawahi kuhisi kabisa. Kile ambacho hatukujua wakati huo ni kwamba tulikuwa tunahisi Uwepo wa Mungu ukijidhihirisha kupitia kila mwanachama.

Tulichukua mapendekezo na kufuata maelekezo; tulipata Ahadi, tukajiunga na Kikundi cha Nyumbani, na tukapata Mdamini; tulikuwa njiani vizuri. Hivi karibuni tuligundua kuwa ilikuwa ni Mpango wa SISI, na kwamba tulihitajiana katika Safari hii. Tulipofanya na Kuishi Hatua na Wadamini wetu, tulianza kukuza Uhusiano na Mungu wa Kuelewa Kwetu. Tulianza kujali wengine.

Tulipokea wageni mlangoni na kuwatendea jinsi tulivyotendewa tulipokuja kwa mara ya kwanza. Tulikuwa tukianza kuona Nguvu ya SISI ya Mpango.

Muhimu zaidi tulijua Chanzo cha Nguvu hii. Tunajua sasa kwamba Mungu anafanya kazi kupitia watu.

Tulikuwa tumekuwa vyombo ambapo Nguvu hii inaweza kujidhihirisha kusaidia wengine.

Kwa Wakati Huu: Tutaendelea kugusa Nguvu hii, ili tuweze kuendelea kuwa Chombo cha Kusaidia wengine.

6 Aprili

"Katika kiwango cha vitendo, marekebisho hutokea kwa sababu kile kinachofaa kwa awamu moja ya ukuaji wetu kinaweza kisifae nyingine."

— Kitabu cha Kijivu, p. 157 (Chapter Ten, Lines 6-7)

Ingawa Ukweli wa Kiroho wa Programu yetu haujabadilika, mipaka ya Ukweli hubadilika. Tunapokuja kwa mara ya kwanza katika Narcotics Anonymous, tatizo letu dhahiri ni dawa za kulevya. Mara tu tunapojisalimisha kwa ugonjwa na kuacha kutumia, tunagundua kwamba tunapaswa kujisalimisha kwa Kanuni za Kiroho za Programu.

Baada ya kuchukua Hatua ya Kwanza, tulijifunza kwamba dawa za kulevya zilikuwa tu dalili ya ugonjwa. Tunagundua kwamba kujizuia ingawa ni muhimu, haitoshi.

Marekebisho mengine kwa Ukweli yalipaswa kufanywa. Tuliambiwa kwamba hatukuwa waraibu kwa sababu tulitumia dawa za kulevya, tulitumia dawa za kulevya kwa sababu sisi ni waraibu. Haikuwa dawa za kulevya au tabia zilizotufanya kuwa waraibu, ilikuwa ni ugonjwa wa uraibu.

Tuliambiwa na Wadhamini wetu kwamba kitu pekee tulichohitaji kubadilisha, kilikuwa kila kitu. Wakati ilikuwa inafaa tu kubaki Safi na kutotumia, Ukweli pia ulipanuka kwa kutibu ugonjwa kwa Kanuni za Kiroho. Baada ya kuchukua Hatua, sasa tulipaswa Kuishi nazo.

Baada ya kufanya kazi Hatua na kuzingatia sisi wenyewe, tulipaswa kuanza kutoka nje ya sisi wenyewe kwa Kuwasaidia wengine. Kitabu chetu cha Msingi kinasema kwamba, "Kila kitu tunachojua kiko chini ya marekebisho, hasa kile tunachojua kuhusu ukweli." Uvivu wa Kiroho unaweza kusababisha kurudi nyuma kiroho, na hiyo inaweza kusababisha kurudi nyuma kimwili. Katika Narcotics Anonymous, ikiwa hatukui, tunaenda.

Uamsho wetu wa Kiroho lazima ubaki kuwa wa Maendeleo, ikiwa tunataka kuendelea katika Safari hii ya Kiroho.

Kwa Wakati Huu: Tutaendelea kufanya marekebisho kwa Ukuaji wetu wa Kiroho. Tutabaki Wazi kwa Mabadiliko.

7 Aprili

"Mkusanyiko huu wa uzoefu wa moja kwa moja na watumiaji wa dawa za kulevya wa aina zote, katika awamu zote za ugonjwa na kupona, hauna kifani katika thamani ya tiba."

— Kitabu cha Kijivu, p. 16 (Chapter Two, Lines 31-33)

Utambulisho wetu kama waraibu ni moja ya zana zenye nguvu zaidi tulizonazo katika Ushirika. Inatupa uwezo wa kumwonyesha mgeni wetu Kukubali juu ya ugonjwa wetu. Inaonyesha Kujisalimisha kwetu kwa Kanuni za Kiroho za Narcotics Anonymous.

Kujisalimisha huku, kwa upande wake, kunampa mgeni wetu Tumaini kwamba siku moja pia wanaweza kukubaliana na ugonjwa wao wenyewe. Utambulisho wetu kama waraibu unawezekana tu ikiwa tutaacha kulinganisha hadithi zetu au dawa tulizotumia. Sura ya Pili katika Kitabu chetu cha Msingi inatuambia kwamba hatuvutiwi na dawa ulizotumia, au nani waliokuwa mawasiliano yako. Hatujali kweli ilikuwa nini uliyofanya katika uraibu wako wa kazi.

Hatuvutiwi kama ulikuwa na pesa au la, au ni mali ngapi za kimwili unazo au huna. Thamani yetu ya tiba ya mraibu mmoja kumsaidia mwingine huanza na Huruma. Hii inamaanisha kwamba tunahisi maumivu moyoni mwako.

Ni kuhusu kukutana nawe katika hali yako ya kukata tamaa na kukuletea Tumaini. Uzoefu wetu wa moja kwa moja unafanya iwezekane kwetu Kuwasaidia waraibu.

Wala madaktari, dini, saikolojia, dawa, taasisi au washauri hawawezi kutusaidia. Sisi ni wataalamu katika Urejesho wetu wenyewe, ni sisi tu kama waraibu tunaweza kufikia na Kuwasaidia waraibu. Pamoja tunaweza kufanya kwa kila mmoja, ambayo tunapata haiwezekani kufanya kwa ajili yetu wenyewe.

Ugonjwa wetu wa kawaida ulituleta pamoja, Suluhisho letu la kawaida Linatuunganisha. Kusudi letu Kuu, kubaki Safi na Kubeba Ujumbe Huu kwa mraibu ambaye bado anateseka, hutuweka pamoja. Moyo wa N.A. unapiga wakati waraibu wawili wanashiriki Urejesho wao.

Kwa Wakati Huu: Tutashiriki Ujumbe rahisi, wa Ukweli wa Urejesho kutoka kwa uraibu, na kutoa Bure kile kilichotolewa kwetu kwa Bure.

8 Aprili

"Tutajua furaha, shangwe, na uhuru. Maisha siyo tu hali ya huzuni."

— Kitabu cha Kijivu, p. 141 (Chapter Eight, Lines 19-20)

Wakati baadhi yetu tulipofika Narcotics Anonymous na kuweka chini dawa za kulevya, tulifikiri maisha yetu sasa yatakuwa ya kuchosha. Tulihusisha kutumia na furaha, kukataa kwetu kulikuwa nene sana kwamba hatukuona uharibifu ambao uraibu ulikuwa umesababisha. Tuliweza tu kukumbuka nyakati chache nzuri, katika maendeleo ya awali.

Tulisahau furaha halisi na kicheko kilikuwa nini, sembuse Amani na Uhuru ambao ulikuwa nje ya swali. Sasa kwamba kupitia maumivu tulilazimishwa kuacha dawa zetu, hatungeweza kusaidia kufikiria, nini kingetokea kwetu. Ndiyo, kuwa na huzuni ilikuwa hali yetu tulifikiri.

Wakati Roho zetu Zinaamka, kama matokeo ya kuchukua Hatua, tulianza kucheka tena. Kicheko chetu sasa kilitoka tumboni mwetu, na tukaanza kutokujichukulia kwa uzito sana. Furaha na Shangwe yetu ilitoka ndani kwenda nje.

Tulipata Uhuru, kwanza kutoka kwa dawa za kulevya, kisha kutoka kwetu wenyewe, tunapopiga hatua katika Kazi ya Hatua. Tulijifunza kwamba kulikuwa na maisha baada ya dawa za kulevya. Tulipaswa kubadilisha mitazamo yetu, na mitazamo yetu ikafuata hivi karibuni.

Narcotics Anonymous ni zaidi kuhusu kujifunza upya kuliko kujifunza. Wakati Roho zetu Zinaamka na kila Hatua, tunagundua kwamba kile ambacho tumekuwa tukitafuta kila wakati, kilikuwa kimefichwa wazi. Furaha ni kile kinachotokea nje, Shangwe iko ndani, na Uhuru unaziunganisha zote mbili.

Kitabu chetu cha Msingi kinasema kwamba tunapopoteza kujishughulisha, tunaweza kuelewa maana ya kuwa na Furaha, Shangwe, na Uhuru.

Kwa Wakati Huu: Tutafurahia mambo rahisi maishani, na kuishi maisha kwa ukamilifu. Kila siku Zaidi Itafunuliwa.

9 Aprili

"Baada ya kuhangaika na mzigo wa kila siku na tumbili mgongoni mwetu, tulifikia kukata tamaa."

— Kitabu cha Kijivu, p. 32 (Step One, Lines 3-4)

Baadhi yetu tulikuja katika Narcotics Anonymous ili kuondoa tumbili mgongoni mwetu. Baadhi yetu tulikuja ili kuondoa watu mgongoni mwetu.

Matatizo ya mgongo hayatatuweka safi. Mraibu hatakoma kutumia, isipokuwa wanataka. Kitabu chetu cha Msingi kinasema kwamba; tunaweza kuchambuliwa, kushauriwa, kuzungumziwa, kuombewa, kutishwa, kupigwa, au kufungwa.

Mraibu hatakoma hadi watakapokuwa wamechoka. Tuliposhindwa na uraibu wetu, tukawa na Utayari. Wakati maumivu ya kubadilika yalipokuwa chini ya maumivu ya kubaki vilevile, tulijisalimisha.

Kauli hii imekuwa mada ya kawaida kwa wengi wetu. Kujisalimisha kwetu, lazima kuwe kwa Maendeleo, na kila safu ya kitunguu tunachovua. Tunapoishi Programu yetu, kukata tamaa kwetu hubadilika kuwa Tumaini. Kwa kila Kuamka kama matokeo ya Hatua, tunapata Uhuru, kwanza kutoka kwa uraibu, sisi wenyewe, wengine, na kisha kutoka kwa dunia kwa ujumla.

Mabadiliko haya hutokea tu kupitia Tamaa yetu ya Kubadilika, na Hatua tunazochukua. Utayari bila Hatua, hata hivyo, hubadilika kuwa kukata tamaa na mchakato wa Kupona hukoma. Kujisalimisha kwetu huzidi kina na kila Hatua na Utamaduni tunaishi.

Mabadiliko ya tabia zetu hayachochewi tena na maumivu. "Maadili yaliyolazimishwa hayana nguvu inayokuja kwetu tunapochagua kuishi maisha yanayoelekezwa kiroho." Ama tunachagua Unyenyekevu au tunapata aibu. Ingawa mikutano ni uzio kuzunguka Muda wetu wa Usafi, lazima kuwe na Ukuaji ndani ya uzio huo. Kupona ni Chaguo ambalo lazima tulitekeleze kila siku. Tunapewa Muda wa Kila Siku ambao unategemea Matengenezo yetu ya Kiroho.

Tunapona ili kuishi Maisha Safi na yenye Furaha.

Kwa Wakati Huu: Uamuzi wetu wa kuendelea na Safari hii ya Kiroho, lazima utoke Moyo wetu, na si akili zetu.

10 Aprili

"Lazima tutumie kile tunachojifunza au tutakipoteza na pengine tutarudia, bila kujali tumekuwa safi kwa muda gani."

— Kitabu cha Kijivu, p. 123 (Chapter Seven, Lines 14-15)

Mmoja wa watangulizi wetu aliandika kwamba, "Maarifa si mbadala wa Kujisalimisha. Hii inamaanisha kwamba tunaugua ugonjwa wa Kimwili, Kihisia, Kiroho na Kiakili. Matumizi ya dawa za kulevya yalikuwa tu dalili ya ugonjwa huu.

Tulihitaji Suluhisho la kina zaidi. Kwa kuwa uraibu unaathiri kila eneo la Maisha yetu, lazima tuishi kwa Kanuni za Kiroho katika kila eneo la Maisha yetu. Kukiri kwetu lazima kufuatiwe na Kujizuia Kamili na Kabisa ili kufanya Kupona kuwezekane.

Tulilazimika kujifunza upya njia zetu za zamani. Tulilazimika kuelimishwa upya baada ya kupotoshwa maisha yetu yote. Kitabu chetu cha Msingi kinasema kwamba, "Programu yetu ni seti ya kanuni zilizoandikwa kwa urahisi ili tuweze kuzifuata katika maisha yetu ya kila siku.

Jambo muhimu zaidi kuhusu hizo ni kwamba zinafanya kazi. Ndiyo maana tunasikia katika mikutano, "inafanya kazi, ikiwa utaifanyia kazi," si ikiwa unajua. Kama vile daktari anavyofanya mazoezi ya tiba, na wakili anavyofanya mazoezi ya sheria, kama waraibu katika Kupona lazima tufanye Mazoezi ya Kanuni za Kiroho.

Tunaugua ugonjwa mbaya, unaoendelea ambao hakuna tiba inayojulikana. Tunakomesha tu ugonjwa wetu na Kufanya Mazoezi ya Kanuni za Kiroho kila Siku. Ni Programu ya Leo Tu, Muda wa Kila Siku ambao unategemea Matengenezo yetu ya Kila Siku.

Mchakato wetu wa Kupona hukoma tunapoacha kufanya Programu ya Kuishi. Mchakato wa kurudia hauhitaji kazi yoyote. Mwanachama mwingine aliandika, "Kama Programu ilikuwa kuhusu Kujizuia tu, N.A. ingekuwa na kidogo cha kutoa.

Hatua huleta Njia Mpya ya Kuishi - Furaha, Sherehe na Uhuru. Ahadi ya Hatua ni zaidi ya Uhuru wa kawaida kutoka kwa uraibu wa kazi; ni Ahadi ya Kuamka Kiroho Kamili na Kabisa."

Kwa Wakati Huu: Ikiwa tunataka kuhifadhi kile tulicho nacho, lazima tufanye Juhudi ya kukihifadhi. Hatuwezi kukihifadhi isipokuwa tukikitoa.

11 Aprili

"Mabadiliko yanahusisha mambo yasiyojulikana, chanzo kikuu cha hofu."

— Kitabu cha Kijivu, p. 148 (Chapter Nine, Line 8)

Wanasema watu wengi wanaogopa mambo yasiyojulikana. Kwa sisi waraibu, maisha yetu yote yamejikita katika hofu. Maisha yanayotokana na hofu hayana nafasi ya Imani, hakuna nafasi ya Ukuaji.

Tulitumia kwa sababu tulijua jinsi tutakavyohisi baada ya dawa kuingia kwenye mfumo wetu. Tulidhibiti hisia zetu kwa kutumia dawa. Hatukutaka kuhisi Uhalisia. Baada ya kufika katika Narcotics Anonymous, tuliambiwa kwamba F.E.A.R. ilikuwa ni U.shahidi U.lionekana K.weli.

Wengi wetu tulitambua hilo kwa sababu mara nyingi kile tulichokihofia, hakikutokea. Hofu zetu ziliishi kwa sababu ya ukosefu wa Imani katika Maisha yetu. Hofu huja tunapoishi katika siku zijazo.

Katika Narcotics Anonymous tunaambiwa Kuishi Leo Tu. Tunapoishi kwa wakati huu, wasiwasi wetu hupungua, na tunaanza kuhisi Tumaini. Kushiriki na Kujali na wengine kwa Njia ya N.A.

Tunapata hisia kwamba yote yatakuwa sawa. Kwa kila Hatua tunayoichukua, tunajenga Imani; tunaanza kujenga Mahusiano na sisi wenyewe, wengine, na Mungu wa Kuelewa Kwetu. Tunaanza kupata hisia na Mtazamo wa jinsi Maisha yetu yanaweza kuwa katika Njia hii Mpya ya Maisha. Hatuhofii tena mambo yasiyojulikana kwa sababu tunajua kwamba kinachotusubiri, ni bora kuliko kile tulicho nacho sasa, au kile kilichowahi kuwa. Tunaanza na kumaliza siku zetu kwa Shukrani kwa kile tulichopewa.

Tunafanya kila siku kuwa na maana, na tunaishi kwa ukamilifu. Hofu leo inasimama kwa K.abiliana na K.ila Kitu na R.udi. Hatuhitaji tena kupitia chochote peke yetu.

Leo tuna Ushirika wa Narcotics Anonymous na Imani katika Nguvu ya Juu.

Kwa Wakati Huu: Tutamwachia Mungu, hatuhofii tena au kuogopa siku zijazo. Leo tunaishi kwa Imani, si kwa hofu.

12 Aprili

"Kufufuka huku kuna mambo kadhaa yanayofanana katika Jumuiya. Maisha yanapata maana mpya, furaha mpya, na ubora wa kuwa na kuhisi thamani."

— Kitabu cha Kijivu, p. 59 (Step Twelve, Lines 3-5)

Narcotics Anonymous ni Programu ya "SISI", lakini Njia zetu za Kiroho ni tofauti, kama ilivyo kwa Wanachama. Tukianza na Kujisalimisha kwetu, tunateseka katika viwango tofauti vya magonjwa. Tunapona katika viwango tofauti pia.

Nguvu zetu za Juu ni tofauti kutoka kwa kila mmoja, Mungu tunayemchagua ni wa Kuelewa Kwetu wenyewe. Narcotics Anonymous haina Njia ya Kiroho iliyowekwa, kibinafsi tunaomba na kutafakari tofauti kutoka kwa kila mmoja. Hata hivyo, jinsi tunavyofanya, ni sawa; tunatumia Kanuni za Kiroho za Hatua na Mapokeo katika Safari yetu. Tunashiriki seti hii ya Kanuni zinazofanya Njia zetu za Kiroho na Urejesho uwezekane.

Tunasaidiana, tunashirikisha Uzoefu wetu, Nguvu zetu na Matumaini yetu kwa kila mmoja. Tunapofufuka, tunawafufua wengine, tunawaonyesha kile kilichotufanyia kazi. Kwa Uzoefu wetu, tunatoa mwanga kwenye njia tuliyochukua kwanza, tulipofika hapa.

Wengine walituonyesha njia, sasa tunashiriki njia hiyo na wengine. Wadhamini wetu wanapaswa kutuongoza kwa Mungu.

Tunatembea pamoja, bega kwa bega, bila sambamba. Tunashirikisha Ufufuo wetu kwa kila mmoja, tunashirikisha Uzoefu wetu kwa kila mmoja.

Tunashirikisha Uhuru wetu kutoka kwa uraibu wa kazi na mwisho wa kutengwa. Kuishi kwa Furaha, Furaha na Uhuru sio tena nadharia, tunaona ushahidi wa waraibu Safi, waliopumzika Kiroho na kufurahia Njia Mpya ya Maisha. Ufufuo wetu wa Kiroho lazima uendelee Kuendelea; Kushirikiana na wengine, kunafanya iwezekane.

Kwa Wakati Huu: Tunaendelea Kushirikisha Urejesho wetu na Ujumbe wa Narcotics Anonymous na wote wanaoutafuta.

13 Aprili

"Kutafuta idhini hii kulitrudisha mahali tulipoanzia, au mbaya zaidi."

— Kitabu cha Kijivu, pg. 24 (Chapter Three, Lines 30-31)

Kuwafurahisha watu ni kasoro ya tabia; tulitumia chombo hiki katika uraibu wetu wa kazi ili kupata kile tulichotaka, dawa zaidi. Tabia ya kutafuta idhini ni aina ya udanganyifu na udhibiti. Wakati mwingine inajificha kama Ukarimu, lakini yote ni msingi wa ubinafsi. Kama waraibu wa kutumia tulivaa vinyago vingi, na kila kinyago kilichovaliwa, nafsi zetu halisi ziliendelea kutoweka.

Kuelekea mwisho wa matumizi yetu, hatukuwa tena, ilikuwa ni ugonjwa wetu. Moja ya dalili za ugonjwa ni kujidharau kwetu. Tangu tunavyoweza kukumbuka, hatujawahi kuhisi kama tulikuwa wa kutosha.

Tumekuwa tukijaribu kila wakati kutoshea, hata kama ilimaanisha kujitolea sisi wenyewe na maadili yetu. Ilipokuja kwa dawa, dau zote zilikuwa zimezimwa. Tulitumia kasoro hii ya tabia kama chombo cha kuwezesha matumizi yetu, na ilifanya kazi.

Katika Narcotics Anonymous, thamani halisi ni kuwa sisi wenyewe wa kweli. Tunapopiga hatua katika Urejesho wetu, tunajirejesha wenyewe. Safari hii, kwa msaada wa Hatua, inaturudisha kwa watu ambao tulipaswa kuwa tangu mwanzo.

Mchakato wa Kujikubali unapelekea Kujikubali na hatimaye tunajisikia vizuri katika ngozi zetu wenyewe. Hatutafuti tena vitu nje yetu, ili kutufanya tujisikie vizuri kuhusu sisi wenyewe. Hatuhitaji tena watu, mahali, au vitu kututhibitisha. Imani yetu iko kwa Nguvu yetu ya Juu, sio kwa watu.

Kila siku tunamwomba Mungu aondoe mapungufu yetu. Tunaomba tuwe watu bora tunaoweza kuwa.

Kwa Leo Tu.

Kwa Wakati Huu: "Chukua mapenzi yangu na maisha yangu. Niongoze katika urejesho wangu. Nionyeshe jinsi ya kuishi."

14 Aprili

"Je, tunataka kweli kuondokana na chuki zetu, hasira zetu, hofu zetu?"

— Kitabu cha Kijivu, p. 46 (Step Six, Lines 20-21)

Maandishi Yetu ya Msingi yanatuambia kwamba kuna usalama fulani uliopotoka katika maumivu yanayojulikana. Wakati mwingine tunashikilia kasoro hizi kwa sababu wakati mmoja ndizo pekee tulizozijua. Kasoro hizi hata ziliokoa maisha yetu au kuwezesha matumizi yetu kwa kiwango bora.

Kuachilia kunaweza kuwa na maumivu, ni kama kuachana na rafiki wa zamani. Hatua ya Nne, Tano, Sita, na Saba hutusaidia kutambua na kubadilisha ujuzi huu wa zamani wa kuishi. Vifaa hivi vya kuishi havihitajiki tena katika Njia hii Mpya ya Maisha.

Katika Narcotics Anonymous tunapewa Sanduku la Vifaa vya Kiroho. Tunafanya Vifaa hivi viwe na ufanisi kwa kuvitumia katika Maisha yetu ya kila siku. Kanuni za Kiroho zilizomo katika Hatua na Mapokeo zinatufanya kuwa watu bora.

Pia zinawapa waraibu wengine Matumaini, kwamba nao pia wanaweza kupata Njia Mpya ya Kuishi. Tunagundua kwamba tunapozitegemea kasoro, tunajikuta katika maumivu na kuwaumiza wengine. Tunapozitegemea Kanuni za Kiroho maisha yetu na maisha ya wale walio karibu nasi yanapata manufaa.

Tunaweza kubeba Ujumbe wenye ufanisi, kwa sababu tunaishi. Kwa Msaada wa Nguvu yetu ya Juu, Wadhamini wetu na Jumuiya ya Narcotics Anonymous, tunaishi maisha safi na yenye tija. Hatupigani tena na hasira au unyogovu.

Tunajisalimisha kwa Mchakato na Maisha yetu ni Mapya. Tunaweza tu kuweka Zawadi hii ya Thamani, ikiwa tutaitoa.

Kwa Wakati Huu: Tutachilia na Kumwacha Mungu afanye kile ambacho hatuwezi kufanya wenyewe.

15 Aprili

*"Tumefurahia kuishi bila kutumia dawa na tunataka zaidi ya mambo mazuri ambayo
Ushirika wa N.A. unatuwekea."*

— Kitabu cha Kijivu, p. 40 (Step Three, Lines 7-8)

Ahadi ya Uhuru ni moja ya Zawadi ambazo Narcotics Anonymous inatoa. Safari yetu inaanza na Kujiipusha Kabisa na dawa zote. Uhuru kutoka kwa uraibu unaoendelea huanza na Hatua yetu ya Kwanza.

Hatimaye tuko Huru kutoka kwenye magereza tuliyojitengenezea wenyewe. Tumekuwa sehemu ya Kikundi cha watu, ambao kama sisi, walikuwa wamekufa Kiroho. Narcotics Anonymous inawarudisha wafu kwenye Uhai; tunapewa Msamaha wa Kila Siku kutoka kwa hukumu zetu za kifo.

Hatua yetu ya Pili inafungua akili zetu kutoka kwa hamu ya kutumia dawa, urejesho wa Akili huanza hapa. Kugundua kwamba kipengele kikubwa cha Urejesho ni kujifunza Kuishi bila dawa, tunalazimika kutafuta Nguvu Kubwa Kuliko Sisi Wenyewe. Katika Hatua ya Kwanza, tunaacha kutumia, katika Hatua ya Pili tunapoteza hamu ya kutumia. Katika Hatua ya Tatu tunapata Njia Mpya ya Kuishi.

Hii ilisababisha Amani ya Akili. Tumekuja kujua Uhuru mpya, na tunataka zaidi.

Kuishi kupitia Kanuni za Kiroho, tunaboresha ubora wa Maisha yetu, na wakati huo huo, Maisha ya wengine. Ahadi moja, Zawadi nyingi, tunashiriki Zawadi hizi ili tuziweke. Kutafuta na Kujisalimisha kwa Nguvu Kubwa Kuliko Sisi Wenyewe, ni tendo la Imani.

Tunaweka Tumaini letu hai kwa Kujisalimisha Kwetu Kila Siku. Tunaimarisha Programu yetu kwa Kushiriki nayo na wageni. Tunapopiga hatua katika Hatua, Uhusiano na Mungu wa Uelewa Wetu unakuwa Chanzo chetu Kikubwa cha Nguvu.

Programu ya Narcotics Anonymous inatoa Ukuaji wa Kiroho usio na kikomo. Kwa kila siku inayopita na Kiroho Kimefanywa Upya, tunaonyesha Shukrani yetu, kwa Kushiriki Urejesho wetu na wengine.

Kwa Wakati Huu: Tutatumia Mgodi huu wa Dhahabu usio na kikomo, na Kushiriki utajiri huu mkubwa na wote wanaoutafuta.

16 Aprili

"Uko tayari kwetu kujaribu mawazo mapya na suluhisho zinazowezezekana kwa matatizo itasaidia kufungua mlango ya urejesho."

— Kitabu cha Kijivu, p. 83 (Chapter Five, Lines 6-8)

Ikiwa kauli hapo juu ni Kweli, basi kinyume chake pia lazima kiwe Kweli. Kuwa na akili iliyofungwa kutafunga mlango wa Urejesho.

Mfereji uliofungwa hautaruhusu chochote kushuka, kwa hivyo, utaharibika kwa kuwa umesimama. Katika uraibu wetu wa kazi nyingi wengi wetu tulipitia mchakato huu wa kuharibika. Kile tulichokuwa tukifanya hakikufanya kazi, lakini hatukuwa na uwezo wa kujaribu kitu kipya.

Ukataa wetu ulikuwa umefunga akili zetu, na dawa ziliweka kufuli juu yake. Kwa kuwa huwezi kupandikiza wazo jipya kwenye akili iliyofungwa, lazima ufungue kwa namna fulani. Kufikia chini hadi kufikia hatua ya kukata tamaa ilikuwa ni ufunguzi tuliouhitaji Kujisalimisha kwa Narcotics Anonymous. Hatua ya Kwanza inatuambia kwamba tunapokubali kutokuwa na nguvu na kutoweza kusimamia maisha yetu wenyewe, tunafungua mlango huo wa Urejesho.

Kushindwa kwa kujisalimisha katika Hatua ya Kwanza, ilikuwa Kujisalimisha kwa masharti. Hatua yetu ya Pili ilibidi iwe Kujisalimisha kunakosababishwa na Tumaini, na Akili ya wazi ilikuwa ufunguo huo. Maandishi yetu ya Msingi yanasema kwamba, "Akili ya wazi inatupeleka kwenye maarifa ambayo yamekuwa yakitukwepa katika maisha yetu." Bila Uko tayari akili zetu zinaanza kufungwa, na tunafunga mlango huo tena. Narcotics Anonymous ni Programu ya Vitendo; inajumuisha Hatua Kumi na Mbili na Mila Kumi na Mbili.

Hatua ni JINSI na Mila ni KWA NINI. Tunagundua kwamba ukosefu wa mojawapo ya Kanuni kuu tatu, Uaminifu, Akili ya wazi, au Uko tayari, unaweza kusimamisha Mchakato wa Urejesho. Kurudia tena kuna mwanzo wake mwishoni mwa Mchakato huo.

Urejesho wetu na Ukweli wetu kuhusu sisi wenyewe, wengine na dunia, unategemea marekebisho. Lazima tutumie Urejesho kama kichujio, kwa mfereji huo sasa ulio wazi.

Tunapokwama, tunaweza kumwita Mungu wa Uelewa Wetu, 24/7.

Kwa Wakati Huu: Tutabaki wazi kutambua kwamba ikiwa sisi si tatizo, hakuna Suluhisho.

17 Aprili

"Wengi wamegundua kuwa michakato yetu ya akili iliyogua hubadilika polepole sana kupitia mazoezi ya mara kwa mara ya kanuni mpya zisizojulikana."

— Kitabu cha Kijivu, p. 121 (Chapter Seven, Lines 19-23)

Inachukua muda mwingi kujifunza tena jinsi ya Kuishi Maisha kama sehemu ya jamii baada ya kuacha kutumia. Tunaingia kwenye Programu baada ya miezi, miaka, au miongo ya kuishi katika kiwango ambacho hakifai kwa mtu mwenye afya. Baada ya kugundua kwamba sio tu kwamba hatuna nguvu juu ya uraibu wetu, lakini pia hatuwezi kukabiliana na Maisha vizuri. Tuna uzoefu mdogo au hatuna kabisa wa Kuishi Maisha kwa masharti ya maisha.

Tabia zetu za zamani zitakufa kwa ugumu, na ni kupitia juhudi za mara kwa mara kwa upande wetu. Tunaambiwa kuhudhuria Mikutano ya kila siku, kupiga simu za kila siku, kuandika kila siku, na Kuomba kila siku. Vitendo hivi rahisi tunavyofanya katika siku moja vitatusaidia kujifunza tena tabia mpya za afya na kubadilisha zile za zamani kama kujitenga na kutenda nje. Baada ya kufanya mazoezi ya tabia hizi mpya kwa muda, tutaona mifumo yetu ya kufikiri inaanza kubadilika. Hatuhisi tena kwamba tunahitaji kuwa na udhibiti wa kila kitu na kila mtu. Baadhi ya vitendo vyetu ni kwamba tunaanza Kuishi Kanuni za Kiroho zinazopatikana katika Hatua na Mila. Kuzungumza na kufanya kazi na Wadhamini wetu pia ni sehemu muhimu ya kutuweka kwenye njia sahihi.

Hapo ndipo Urejesho wa Akili unaotajwa katika Hatua ya Pili utakuwa Ukweli kwetu. Lazima tuwe tayari kufanya kazi ya Programu kwa uwezo wetu wote. Tunakubali kwamba njia yetu ya kufikiri inahitaji kubadilika ili kubaki Safi.

Huu ni Mchakato wa Maisha Yote. Tunaweza kubadilika kuwa wanachama wenye afya na wenye tija wa jamii, mradi tu tunafanya kazi kwa ajili yake. Kwa Wakati Huu: Tutabadilisha tabia za zamani na mpya ambazo zinapendekezwa kwetu. Tutaifikia na kumjulisha mtu kile tunachofikiria. Kumbuka, tunapona Siku Moja Kwa Wakati.

18 Aprili

"Tunaomba kwa unyenyekevu Yeye aondoe mapungufu yetu."

— Kitabu cha Kijivu, p. 48 (Chapter Seven, Header)

Sisi kama waraibu tuna shida ya kuwa wanyenyekevu. Hapo awali, mara nyingi tulilazimika kuaibishwa ili kutambua kuwa tumeshindwa na tunahitaji msaada. Tuliweka matakwa yetu mbele ya mahitaji yetu na mahitaji ya wengine.

Tulihisi tunahitaji kusimamia na kudhibiti kila kipengele cha Maisha yetu. Tulikataa kuomba Msaada, hasa wakati tunauhitaji. Egos zetu zilituzuia kuona mapungufu yetu na ubinadamu wetu.

Katika Hatua ya Tano na ya Sita, tunajifunza kuwa sehemu ya kuwa binadamu ni kuomba Msaada. Mungu wa Kuelewa Kwetu ambaye alituokoa Maisha katika Hatua zilizopita bado yuko hapa nasi. Maandishi Yetu ya Msingi yanatukumbusha kuwa, Unyenyekevu ni muhimu kwetu kama chakula na maji.

Kama binadamu tutapotea, na wakati wa msongo mapungufu yetu hakika yatachochewa. Mapungufu yanapokuwa katika hatua yanakuwa mapungufu; hapa ndipo tunapomwomba Nguvu ya Juu msaada. Hatuombi kwa nguvu au kwa hasira tunapoomba, hii sio maana ya Hatua inavyosema kwa Unyenyekevu.

Tunapoomba Msaada, Mungu atakutana nasi nusu ya njia. Baadhi yetu hufanya hivi kwa kukata miili yetu nusu, kwa kupiga magoti. Baadhi yetu wanaweza kuanza kutumia Kanuni ya Kiroho ambayo ni kinyume na mapungufu hayo.

Baadhi yetu wanaweza kuomba msaada kutoka kwa Wadhamini wetu au wengine. Haya yote ni ishara za Unyenyekevu kwa upande wetu. Mapungufu yetu yatabaki yamelala, na mapungufu yetu yatapunguzwa kwa Kutumia baadhi ya Kanuni za Kiroho ambazo ziko kwenye Sanduku letu la Zana kila siku.

Tunamwomba Mungu Msamaha, huku tukiomba kuondolewa kwa mapungufu yetu. Kwa kujiozea Uvumilivu na sisi wenyewe, tunajifunza Uvumilivu na Kuvumiliana na wengine. Tunaposamehewa, tunajisamehe wenyewe, na kwa upande wetu tunajifunza kuwasamehe wengine.

Kwa Wakati Huu: Tutakubali kuwa binadamu. Unyenyekevu ni matokeo tunapomwomba Mungu Msaada.

19 Aprili

"Hatua ya Tisa inatusaidia na hatia yetu na wengine na hasira yao."

— Kitabu cha Kijivu, p. 53 (Step Nine, Lines 20-21)

Maandishi Yetu yanatuambia kuwa muda ni muhimu katika Hatua ya Tisa. Baada ya kukamilisha orodha yetu ya Hatua ya Nane, tunapitia orodha hii na Wadhamini wetu. Tunavuka, popote inapowezekana kwenye orodha hiyo, ambapo tungeweza kuwadhuru wao au wengine.

Pia tunahakikisha kuwa sio mapema sana kufanya Marekebisho hayo. Maandishi Yetu yanatuambia kuwa inaweza kufanya madhara zaidi kuliko mema ikiwa watu hao bado wana hasira nasi.

Mara tu tunapoweka Marekebisho halisi tunayotaka kufanya, tunaanza kutafuta watu hawa, maeneo na vitu. Tunaendelea bila matarajio yoyote juu ya matokeo. Hatutabiri matokeo.

Tunasafisha upande wetu wa barabara kwa sababu tunapaswa. Kusafisha mabaki ya matumizi yetu na kubadilika, ni sehemu kubwa ya Urejesho wetu. Mchakato ulianza na Nguvu ya Juu kutusamehe katika Hatua ya Saba.

Kwa kuwa hatuko juu ya Nguvu yetu ya Juu, tunawasamehe wengine na sisi wenyewe katika Hatua ya Nane. Hatua hizi za awali zinatundaa kwa chochote kinachotokea katika mchakato wetu wa Marekebisho. Kutabiri kinachoweza kutokea kunaweza kuwa kikwazo.

Hofu ni ukosefu wa Imani. Tunapaswa kukumbuka kuwa Nguvu ya Juu iliyotufanya Tu Safi katika Hatua ya Kwanza bado iko nasi. Tunachukua hatua kwa sababu tunapaswa na tunawaachia matokeo kwa Mungu wa Kuelewa Kwetu.

Tunapata kwa kiwango cha kina zaidi Ahadi ya Uhuru. Tunapata Njia Mpya ya Kuishi na hii inatupa sisi na wengine Tumaini. Kwa kuwa Marekebisho yanamaanisha kubadilika, tunakuwa waangalifu tuisababisha madhara zaidi.

Pia tunakoma kufanya mazoea ya mapungufu yaliyosababisha madhara haya mwanzoni. Hatuko sawa, kuna wale ambao hawatawahi kupata Marekebisho yetu. Mabadiliko katika mitazamo na tabia zetu yatakuwa Marekebisho yetu yasiyo ya moja kwa moja.

Safari hii ya Urejesho wetu ni Mchakato wa Maisha Yote.

Kwa Wakati Huu: Tutafanya Marekebisho na kuwaachia matokeo kwa Mungu wa Kuelewa Kwetu.

20 Aprili

"Tulitegemea sana watu kutubeba kihisia katika maisha."

— Kitabu cha Kijivu, p. 2 (Chapter One, Lines 12-13)

Kwa wengi wetu katika Narcotics Anonymous, ugonjwa wetu uliathiri kila eneo la Maisha yetu. Uliathiri sisi wenyewe kwa kiwango cha kina sana. Mwisho wa matumizi yetu, ilikuwa dhahiri kwamba Kazi zetu, Marafiki, Familia na karibu kila mtu tuliyehusiana naye aliathiriwa na uraibu wetu.

Maandishi Yetu yanatukumbusha kuwa, "Tulikuwa tukitafuta kila wakati "jibu" - mtu huyo, mahali au kitu ambacho kingefanya kila kitu kiwe sawa. " Kadri uraibu wetu ulivyokuwa ukikua, ulimwengu wetu ulizidi kuwa mdogo. Ugonjwa ulitutenga na watu isipokuwa ilihusiana na kupata, kutumia au rasilimali za baadaye. Tulikuwa tumezoea watu pamoja na dawa, tulitumia pia.

Watu waliotupenda kweli walikuwa wa mwisho kuachilia. Kisha, na hapo tu ndipo tulipoweza kuanza kufikia chini yetu.

Watu, maeneo na vitu vilivyowezesha matumizi yetu vilikuwa havipatikani. Kutengwa kulikuwa mwanzo na mwisho wa chini yetu.

Kwa kukata tamaa, tulitafuta Msaada kutoka kwa kila mmoja katika Narcotics Anonymous. Hapa, tulisikia kuwa tunapaswa kubadilisha utegemezi wetu kwa Nguvu ya Upendo na Huruma ambayo inaweza kuondoa hamu yetu ya kutumia. Huu ulikuwa utegemezi wenye afya na matokeo yake yalikuwa Uhuru na Tumaini kutoka kwa uraibu wa kazi.

Urejesho katika Narcotics Anonymous ulitufundisha kuhusu kujitunza, sio kujisaidia. Tulijifunza kuhusu utegemezi wenye afya ambao ulijumuisha Nguvu yetu ya Juu na wengine. Kwa mara ya kwanza kwa muda mrefu, tulikuwepo katika Maisha yetu wenyewe.

Tunaweza kuwapo kwa wengine pia. Ikiwa Mahusiano yetu ya zamani yalikuwa ya kweli, yataendelea. Tunapopiga hatua na Kanuni za Kiroho, Marekebisho yetu husababisha mabadiliko ndani yetu na wakati mwingine kwa wengine. Tunawaruhusu watu kuwa nasi kwa njia yenye afya. Maandishi ya Msingi yanasema, "Hali yetu ya kiroho ni msingi wa urejesho wenye mafanikio unaotoa ukuaji usio na kikomo."

Kwa Wakati Huu: Tutajifunza kuhusu utegemezi wenye afya; utegemezi huu hupimwa na Kanuni za Kiroho za Narcotics Anonymous.

21 Aprili

*"Matunda kamili ya kazi ya upendo huishi katika mavuno, na hayo huja kila wakati
katika msimu wake sahihi"*

— Kitabu cha Kijivu, p. 1 (Forward)

Tunavuna kile tunachopanda. Katika uraibu wa kutumia dawa za kulevya, tulifanya kazi bila kuchoka kutumia na kutafuta njia na njia za kuendelea kutumia, na kile tulichopata hakikuwa cha kuridhisha. Matokeo yalikuwa mabaya kwetu na kwa wengine.

Tulikuwa tunavuna matunda mabovu kwa sababu hayakuundwa na Upendo. Katika Narcotics Anonymous tunajifunza kwamba Mchakato wa Kuanza wa Kupona unahitaji kazi nyingi, kuchimba sana, na kugeuza udongo wa zamani. Tunapanda mbegu mpya, mbegu za Upendo, Huruma na Uvumilivu.

Kazi ngumu nyingi mbele yetu, kurekebisha uharibifu wa zamani wetu. Tunaanza kuona matunda ya kazi yetu ngumu; tunaanza kupata hisia mpya za kujithamini. Tunaanza kuonyesha Huruma kwa wengine, na tunaanza kukua Kiroho.

Tulifanya kazi hiyo; tulifanya kwa Upendo. Hatimaye tulichukua Jukumu kwa Maisha yetu, sasa tunavuna thawabu.

Msimu sahihi sasa uko juu yetu. Tunafanya kazi na Kushiriki na wengine Zawadi hii ya Thamani. Tunawaonyesha wengine jinsi ya KUPANDA na kuvuna faida tunapofanya Mapenzi ya Mungu.

Kwa Wakati Huu: Tutavuna Matunda ya kazi yetu ya Upendo; tutatoa muda, muda. Mavuno kamili huja katika msimu sahihi.

22 Aprili

"Hii ni njia yetu ya ukuaji wa kiroho, kubadilisha tabia yetu, siku baada ya siku"

— Kitabu cha Kijivu, p. 49 (Step Seven, Lines 31-32)

Baada ya kuchukua hesabu ya Mali na madeni yetu, tunakuwa tayari kabisa kumruhusu Mungu kuondoa vizuizi vyovyote vinavyosimama katika njia ya Mapenzi ya Nguvu Yetu ya Juu kwa ajili yetu. Tabia yetu yenye kasoro ilichukua muda mrefu kuibuka. Kasoro zetu zikawa sehemu ya utu wetu na zilikuwa Suluhisho letu kwa muda mrefu. Mabadiliko hufanyika kwa muda, si mara moja, lakini tunawajibika kuchukua Hatua.

Mungu wa Uelewa Wetu siyo tena sanamu isiyofanya kazi; tunamfanya Mungu kuwa kielelezo cha Hatua katika Maisha yetu. Tunatumia nguvu hii kutupa Nguvu ya kujadili Kupona kwetu. Tunatembea kwa maneno tunapojitoa polepole na kwa uangalifu kutoka kwenye upweke hadi kwenye mkondo wa Maisha.

Tunachukua Vifaa vya Kiroho vilivyowekwa mbele yetu, na Wadhamini wetu na Nguvu Yetu ya Juu. Tunatumia na si kuchambua; tunatumia Kutegemea badala ya kufuata au kupinga.

Tunaweka Kujisalimisha kwetu kwa awali hai, kwa kuendelea Kujisalimisha kwa kiwango cha kina zaidi. Hatuchochewi tena na maumivu.

Tunapata nguvu zaidi, tunapochagua kufanya Mapenzi ya Mungu kwa ajili yetu. Mabadiliko ya tabia yetu ni tukio la kila siku; tunaimarisha Kupona kwetu kwa Matengenezo ya Kila Siku ya Hali yetu ya Kiroho. Kadiri tunavyofanya Mazoezi ya Kanuni za Kiroho za Mpango wa Narcotics Anonymous, ndivyo kasoro zetu zinavyolala, au angalau zinapunguzwa. Kwa kila Hatua Tunayoishi tunapata Uamsho.

Uzoefu huu wa Kiroho unatupa Mtazamo wa jinsi Maisha yetu yangekuwa, Bila kasoro. Hii inatupa Tumaini, Tunapona kila siku, kutoka hali yetu isiyo na matumaini.

Kwa Wakati Huu: Tutashiriki katika Kupona kwetu; tutachukua hatua zinazohitajika kufanya Kupona kwetu kuwezekana.

23 Aprili

"Ikiwa unaelewa Mungu kuwa ni chochote kinachotuweka sisi wengine safi, hiyo ni sawa."

— Kitabu cha Kijivu, p. 38 (Step Three, Lines 24-25)

Wengi wetu tulipokuja kwa mara ya kwanza katika Narcotics Anonymous, tulikuwa tumefilisika Kiroho, kusema kidogo. Nguvu ya ugonjwa ilitumia dawa za kulevya kudhibiti Mapenzi yetu na Maisha yetu. Karibu kila kitu tulichofanya kilichochewa na kupata na kutumia dawa za kulevya.

Katika hatua hii, hatukutumia tena dawa za kulevya; zilikuwa zinatutumia sisi. Tuliishi kutumia na tulitumia kuishi. Tulipoteza mawasiliano na wema wowote tuliokuwa nao katika Maisha yetu. Tulikuwa kwenye misheni ya uharibifu; tulikuwa nje ya udhibiti.

Wengi wetu tulikata tamaa katika Mungu yeyote tuliyemjua, baadhi yetu hatukuwahi kumjua Mungu kabisa. Katika Narcotics Anonymous tuliambiwa kwamba hatuhitaji kuamini chochote. Imani ilikuwa KWAMBA (na si KATIKA) Nguvu ya Upendo na Huruma, inaweza kutuondolea hamu ya kutumia. Tunapata Njia Mpya ya Kuishi, bila kutumia dawa zozote za kubadilisha akili au hisia. Kwa wengi wetu, tulikuwa na Mungu wa kutokuelewa kwetu, na haikufanya kazi kwetu.

Tuliambiwa kwamba ikiwa hatukuamini, tuamini kwamba sisi wengine tunaamini. Ushahidi wa waraibu kama sisi, Waliokombolewa kutoka kwenye uraibu wa kutumia wanaoishi Maisha ya Furaha, Furaha na Uhuru, ulikuwa ushahidi wote tuliouhitaji kuona. Mchakato wetu ulipaswa kuanza na Kujizuia kabisa na kabisa; na kwa kuwa uraibu ulikuwa umeenea katika kila eneo la Maisha yetu, tulilazimika kuzoea Kanuni za Kiroho katika maeneo yote pia. Mwanzoni, tulihitaji tu ufunguzi mdogo katika akili zetu zilizofungwa, ikifuatiwa na Kujisalimisha kabisa kwa Njia ya N.A.

Baada ya kutambulishwa kwa Nguvu Yetu ya Juu katika Hatua ya Pili, tunaanza kuomba nguvu katika Hatua ya Tatu kuendelea na Safari hii. Hatua kwetu ni zaidi ya Kujizuia tu. Hatua zinatupa Uamsho wa Kiroho Kamili na Kamili, kwa kila Hatua inayochukuliwa.

Tunaendelea Kupona na Kushiriki Zawadi hii ya Thamani na wengine ili kuendelea kuwa nayo.

Kwa Wakati Huu: Tunaomba tu kwamba Nguvu hii iwe ya Upendo, Huruma na Msamaha. Ikiwa hiyo ni ngumu, tuamini kwamba Sisi Tunaamini.

24 Aprili

"Sisi, kama Wanaopona kutokana na uraibu katika Ushirika wa N.A., tunajifunza kuishi na kufurahia maisha kila siku kwa kuishi Hatua Kumi na Mbili."

— Kitabu cha Kijivu, p. 14 (Chapter One, Lines 10-12)

Katika Narcotics Anonymous kuna Maisha baada ya dawa za kulevya. Tunafika N.A. tukiwa hatuna matumaini na msaada, na tukiwa kwenye ukingo wa maisha yaliyoharibika. Kwa wengi, N.A. ilikuwa nyumba ya mwisho kwenye mtaa; ilikuwa kitu cha mwisho tulichojaribu, lakini ndicho kitu pekee kilichofanya kazi.

Tuliambiwa na wanachama wengine kubaki bila kutumia dawa, na Muujiza utatokea. Tulisubiri na kusubiri, lakini kitu pekee kilichotokea ni kwamba tulihisi vibaya zaidi. Tulikuwa tunaishi bila kutumia dawa na hakuna kitu cha kututuliza, kwa hivyo tulihisi kila kitu.

Kwa kuwa uraibu uliathiri kila eneo la maisha yetu, tulihitaji Kuishi kwa Kanuni za Kiroho. Suluhisho pekee kwa Maisha yanayoongozwa na utashi binafsi, ilikuwa Maisha Yanayoongozwa na Kanuni za Kiroho. Suluhisho letu pekee lilikuwa limefungwa katika Hatua na Mapokeo.

Kwanza, tunafanya kazi Hatua, kisha Hatua zinatufanyia kazi, na kisha tunaishi nazo. Ni kupitia Ufahamu na Matumizi tu ndipo Kanuni hizi zinafanya kazi.

Kufanya mazoezi ya Kanuni ndiko jinsi Hatua zinavyofanya kazi. Kusoma Fasihi yetu ni vizuri, lakini kama mmoja wa watangulizi wetu alivyosema, "Maarifa si mbadala wa Kujisalimisha." Kujisalimisha kunahitaji Hatua, kunahitaji sisi kuonisha matendo yetu, na nia zetu, na Mapenzi ya Nguvu Zetu za Juu. Hatua zinafanya Urejesho uwezekane, lakini kwanza lazima tuondoe vizuizi vyote vinavyosimama kati ya Mungu wa Ufahamu Wetu na sisi wenyewe. Katika Hatua Tatu za kwanza, tunakuwa sawa na Mungu. Hatua Tatu zinazofuata tunakuwa sawa na nafsi.

Hatua Tatu zinazofuata tunakuwa sawa na wengine, na Hatua Tatu za mwisho tunakuwa sawa na dunia kwa ujumla. Mchakato huu si wa mara moja, ni wa muda, na hatufanyi hivi peke yetu. Tuna Mungu, Wafadhili wetu wa N.A., na Ushirika wa Narcotics Anonymous.

Kwa Wakati Huu: Tumepata Nafuu ya Kila Siku. Tutaendelea kwenye Njia hii ya Kiroho iliyowekwa na wengine.

25 Aprili

"Mambo yanayotokea kwa bahati ni miujiza ambayo Mungu anachagua kubaki bila kujulikana."

— Kitabu cha Kijivu, p. 151-152 (Chapter Ten, Lines 34-1)

Wengine husema hakuna kinachotokea katika ulimwengu wa Mungu kwa bahati mbaya. Wengine husema kila kitu kinatokea kwa sababu.

Hizi zote ni njia Chanya za kuangalia mambo hasi katika Maisha yetu. Tunapopiga hatua katika Urejesho wetu, tunapata mambo mengi yanayotokea kwa bahati katika Maisha yetu. Tunaanza kuona Mapenzi ya Mungu yakifanya kazi katika Maisha yetu. Tunapobaki safi na Kuishi Hatua, matukio ambayo hayawezi kuelezewa kwa urahisi yanaanza kufunguka katika Maisha yetu.

Watu wanaanza kuja katika Maisha yetu, ambao labda hatungekutana nao katika uraibu wetu wa kazi. Fursa ambazo hazikuonekana hapo awali, zinaonekana kuanguka kwenye mapaja yetu, sasa kwamba tuko safi. Wakati mwingine watu kutoka zamani zetu, wanaanza kuonekana katika Narcotics Anonymous, na tuko hapo kuwakaribisha. Familia zetu zinaanza kutuhitaji na kututegemea kuwa hapo wakati wa shida.

Shukrani kwa Mungu tuko safi na tunaweza kuwa hapo kwa ajili yao. Bahati? Sisi hatufikiri hivyo, ni njia ya Mungu ya kubaki bila kujulikana.

Hata wakati wa nyakati ngumu katika Urejesho, au kupoteza Wapendwa, au Marafiki, tunaweza kutafuta hifadhi katika Uwepo wa Mungu. Si bahati kwamba tuko safi katika hali ambapo tunapaswa kuwa safi. Mchakato wetu unaoendelea katika Urejesho ni muhimu kwa Mungu kuendelea kufanya kazi katika Maisha yetu. GPS yetu au Mfumo wetu wa Kuweka Msimamo wa G. OD lazima uwe katika athari kwa haya yanayoitwa Mambo ya Bahati kuendelea katika Maisha yetu.

Kwa Wakati Huu: Tutajiweka tayari kwa Matunda ya Mpango, na tutaendelea Kushiriki Matunda haya na kila mtu tunayekutana naye.

26 Aprili

"Hatimaye tulikuwa huru kuwa sisi wenyewe, kwa sababu hatukuwa tunajaribu kuficha chochote."

— Kitabu cha Kijivu, p. 45 (Step Five, Lines 30-31)

Kwa kadiri wengine wetu tunavyoweza kukumbuka hatukupenda kuwa sisi wenyewe, hatukujipenda, kwa hivyo tulifikiri hakuna mtu mwingine angependa. Tuliposhindwa kujivumilia tena, tulitumia dawa. Dawa zilitutoa nje ya sisi wenyewe, na zilitupa hisia ya uongo ya ustawi.

Tulipokuwa tunatumia, hatukuwa watu tuliotaka kuwa. Tulikuwa kile wengine walitaka tuwe.

Tulivaa vinyago vingi, na baada ya muda hatukujua sisi ni nani hasa. Tulijipoteza katika mchakato. Wakati furaha ilipokwisha, na tuliona upande mbaa wa uraibu, hatukupenda kile tulichokuwa tumekuwa.

Uraibu wetu ulipokuwa ukizidi, tulikuwa na ubinadamu mdogo zaidi, wengine wetu tulifanya kazi katika kiwango cha wanyama. Wengine wetu chini ya kiwango hicho, wakati mahitaji yetu ya msingi hayakutimizwa. Kwa baadhi yetu, chini yetu ilionekana kuwa zaidi ya Akili na Kiroho kuliko Kimwili.

Tulipokuwa bila matumaini, tulitafuta Msaada, moja kwa moja au kwa njia isiyo ya moja kwa moja. Hata hivyo, hakuna kitu kilichofanya kazi, hadi tulipofika Narcotics Anonymous. Hapa, tulikutana na watu kama sisi, lakini bado tulikuwa tunaficha mtu mwenye wasiwasi, asiye na uhakika ambaye tulikuwa kweli. Tulipochukua Hatua na Mlezi, tuligundua sisi si nani, kabla ya kugundua sisi ni nani kweli na tulikusudiwa kuwa.

Hatua zinaturudisha kwenye Safari ya mtu tuliyekuwa, kabla ya kuchukua dawa. Tunajifunza kumpenda mtu huyo leo. Tunajitunza kwa msaada wa Walezi wetu, Ushirika na Mungu wa Ufahamu Wetu.

Hatimaye tunapata Kukubali Nafsi na kugundua kwamba Thamani ya Kweli, iko katika kuwa sisi wenyewe.

Kwa Wakati Huu: Kupitia Kuishi Kanuni za Kiroho za Hatua, tunakutana na sisi wenyewe katika Mchakato.

27 Aprili

"Tunataka kuangalia nyuma yetu na kuona ilivyokuwa - kisha kuiachia ili tuweze kuishi leo."

— Kitabu cha Kijivu, p. 41 (Step Four, Lines 4-6)

Rekodi ngumu zaidi kuvunja duniani ni rekodi yetu wenyewe. Tulipochukua Hatua ya Nne, tuliona mifumo ya tabia zetu na jinsi ilivyoathiri Maisha yetu, na Maisha ya wengine. Zamani zetu zilikuwa za kutisha kwa sababu zilitawaliwa na hofu.

Hatua yetu ya Nne inatuomba tufanye hesabu ya maadili ya kina na bila woga ya nafsi zetu. Ili kuwa bila woga, tulihitaji Imani, ili kupata Kanuni ya Kiroho ya Imani tulihitaji kuchukua Hatua katika Hatua ya Tatu. Baada ya kufanya Uamuzi wa kuikabidhi, pamoja na Mungu wa Kuelewa Kwetu na Wadhamini wetu, tunaanza Mchakato wa Kujitathmini. Tunaangalia nyuma yetu, lakini hatukwama huko. Tunaomba Nguvu ya Juu kwa Ujasiri, na kuweka kalamu kwenye karatasi.

Tulitafuta hisia zetu, hisia na chuki. Tunaandika kuhusu majibu na tabia zetu kuelekea watu, mahali na vitu.

Tunaandika jinsi hali hizi zilivyoathiri sisi. Tunakumbuka zamani zetu na Kukubali kwamba tulikuwa tukitenda na kujibu kupitia uraibu hai. Tunakuwa tayari kuwajibika kwa sehemu tuliyocheza.

Pia tunaona mahali tulipotenda kwa njia sahihi katikati ya machafuko. Tunaandika kuhusu Mali zetu mpya pia.

Katika Narcotics Anonymous tunapata kuunda zamani mpya, moja ya Imani, Matumaini na Kiroho. Tunaendelea kuchukua hesabu ya kibinafsi, ili tusirudie makosa yetu. Tunajifunza kutoka kwa zamani zetu, na Tunashiriki uzoefu wetu na wengine.

Tunafanya kila siku kuwa na maana kwa kutekeleza Kanuni za Kiroho tulizopewa. Tunaanza kupata Uhuru kutoka kwa nafsi na Kukubali wengine. Hatutajuta tena zamani, na hatutaogopa tena siku zijazo.

Tuko huru kuishi Kwa Leo Tu.

Kwa Wakati Huu: Hatutaogopa tena zamani, wala kutamani kufunga mlango wake. Tutajifunza kutoka kwa makosa yetu na Kushiriki Suluhisho na wengine.

28 Aprili

"Kufanya Hatua kulituondoa katika mitazamo yetu ya zamani. Tulipokubali kwamba maisha yetu yalikuwa hayadhibitiwi, hatukuhitaji kubishana mtazamo wetu."

— Kitabu cha Kijivu, p. 79 (Chapter Five, Lines 7-10)

Kiburi daima huja kabla ya kuanguka; kuelekea mwisho wa matumizi yetu, hatukutaka kukubali kushindwa. Tuliiona matumizi yetu kama upungufu wa maadili; hatukuwa na dhana ya kipengele cha ugonjwa. Egos zetu zilituzuia kukubali kushindwa au Kujisalimisha.

Tulikuwa na majibu yote, tulifikiri. Tulilaumu watu, mahali, na vitu kwa hali yetu.

Hatungeweza kukubaliana na chochote ambacho mtu mwingine alisema kuhusu maisha yetu. Daima tulikuwa na visingizio na tunaweza kuhalalisha vitendo vyetu. Si mpaka tuweke mbali lawama zetu na kukubali kushindwa kabisa ndipo tunapofungua mlango wa Urejesho.

Hatua ya Kwanza inatuongoza Kujisalimisha kwa ugonjwa kwanza, kisha Kujisalimisha kwa Mpango wa Narcotics Anonymous. Tunakubali kwamba tunateseka kutokana na ugonjwa ambao ulikuwa wa asili ya Kiroho na kwamba dalili yake ilikuwa matumizi ya dawa za kulevya. Tuliambiwa kwamba hatuwajibiki kwa ugonjwa, lakini tunawajibika, na tunawajibika kwa Urejesho wetu. Kwa kila Hatua inayochukuliwa tunaanza mabadiliko ya kila siku yanayohitajika kwa mabadiliko ya tabia, na Kuamka Kiroho.

Hatuhitaji tena kusimama kwa maadili yasiyokuwepo, na tunaanza kusimama kwa kitu. Tunatumia Kanuni za Kiroho zilizomo katika Hatua. Kanuni ya Uwazi inatufanya tuendeleo Kukua na ugonjwa kuwa mbali.

Mitazamo yetu inabadilika, na mitazamo yetu inabadilika. Tunaanza kuvutia mahusiano yenye afya zaidi katika Maisha yetu. Hatimaye tunajua maana ya Kiroho, ambayo ni Uhusiano sahihi na Uhalisia.

Kwa Wakati Huu: Kupitia Kuishi Kanuni za Kiroho za Hatua na Mila tunaweza Kukubali Uhalisia jinsi ulivyo kweli.

29 Aprili

*"Tunapoanza kuishi katika sasa, mizigo ya zamani na wasiwasi wa siku zijazo hupotea.
Tunapewa utulivu wa kukubali mambo ambayo hatuwezi kubadilisha ="*

— Kitabu cha Kijivu, p. 147 (Chapter Nine, Lines 26-29)

Kwetu sisi kukaa kwenye zamani ni kuishi katika zamani, ambayo husababisha unyogovu. Kuishi katika siku zijazo pia huunda kutokuwa na uhakika, ambayo husababisha hofu. Tulipokuwa katika uraibu hai, hatukuwa na uwezo wa Kuishi katika siku.

Daima tulikuwa tukitafuta njia na njia za kuendelea kutumia. Moja ya hofu zetu kubwa ilikuwa kwamba tungeishiwa na dawa za kulevya.

Daima tulikuwa na wasiwasi kuhusu ile inayofuata. Tulikuwa na hofu kwamba hatungeweza kuhimili hisia zetu.

Tulitoka Kuishi hadi tu kuishi na kuwepo. Kwa Zawadi ya Kukata Tamaa, tuliongozwa kwa Narcotics Anonymous. Hapa, tulikuta watu kama sisi ambao Roho zao zilitembelea hofu sawa za uraibu.

Kwa kutekeleza Kanuni hizi chache za Kiroho tulipewa Matumaini kwa siku hiyo. Kitabu chetu cha Msingi kinasema, "Hatuogopi tena hofu, hasira, hatia, kujihurumia au unyogovu." Tulipoona ushahidi wa waraibu wengine katika Narcotics Anonymous wakibaki Safi na Kuishi Furaha, Furaha na Uhuru, tulipata Matumaini. Kujisalimisha Bila Masharti ni Suluhisho letu; hii ni Imani katika Vitendo. Imani katika Nguvu yetu ya Juu sasa inakuwa Chanzo chetu Kikubwa cha Nguvu.

Kumwamini Mungu wa Kuelewa Kwetu kunatuwezesha Kuishi Katika Wakati. Kubaki mtulivu katikati ya dhoruba ni; Imani katika Vitendo. Kupitia Hatua na Wadhamini wetu, tunaanza Kupona, Kufunua na Kugundua sisi ni nani kweli.

Hofu zetu hupungua tunapoanza Imani Kukua. Tunaanza Kushiriki Safari yetu na wengine tunapotembea bega kwa bega bila mistari sambamba. Tunaimarisha Urejesho wetu tunaposhiriki Uzoefu, Nguvu na Matumaini yetu.

Kwa Wakati Huu: Kupitia Sala na Kutafakari tutapewa Utulivu na Kukubali. Tutaishi Kwa Leo Tu.

30 Aprili

"Urejesho wetu unategemea imani yetu kwa Mungu mwenye upendo ambaye anatumia, na atatufanyia yale ambayo tuliona hayawezekani kuyafanya sisi wenyewe."

— Kitabu cha Kijivu, p. 147-148 (Chapter Nine, Lines 33-1)

Ugonjwa wa uraibu ni wa kuendelea, hauponi, na ni hatari. Kwa wale kati yetu ambao tuna ugonjwa huu, kuna tumaini tu la kuuzuia na kuutibu ugonjwa huu.

Katika Narcotics Anonymous, tunaangalia ugonjwa huu kama tatizo la kiroho. Tunatibu ugonjwa huu kwa Suluhisho la Kiroho, si kwa kemikali. Kwanza tunapaswa kuwa na Ukomo kamili kutoka kwa dawa zote zinazobadilisha akili/hisia, ili Urejesho ufanye kazi. Ugonjwa wa Kiroho unahitaji Suluhisho la Kiroho, hivyo jibu letu ni Nguvu ya Juu yenye Upendo na Utunzaji, kwa Ufahamu wetu wenyewe.

Nguvu hii ni yenye nguvu sawa; ikiwa si yenye nguvu zaidi kuliko ugonjwa wa uraibu. Katika Narcotics Anonymous hatutibu tu dalili za ugonjwa, bali pia tunatibu chanzo chake. Ugonjwa huu ukiwa wa asili ya kiroho, unahitaji Nguvu ya kiroho kujidhihirisha katika Kundi la watu, kutibu na kuweka ugonjwa huu mbali.

Kile ambacho hatuwezi kufanya peke yetu, tunakifanya pamoja na Ushirika wa Narcotics Anonymous. Hapa, tulijikuta na Kundi maalum la watu, ambao kama sisi waliteseka na hofu za uraibu. Watu hawa tuliokutana nao kwanza, wanaonekana kuwa na Furaha, Furaha na muhimu zaidi Wako Huru.

Tulipochukua Hatua kwa Mwongozo wa Mdhamini wa Narcotics Anonymous; tulianza kuona kwamba Nguvu hii ya Juu ilikuwa inatufanyia yale ambayo hatungeweza kuyafanya sisi wenyewe. Tuligusa Nguvu hii kwa Nguvu ya kupata na kubaki kwenye Njia ya Urejesho. Ushahidi wa Akili ulikuwa kote kwenye mikutano.

Wanachama walikuwa wakibaki safi na kiasi kikubwa cha muda wa usafi. Tuliona wanachama wakipata Njia Mpya ya Maisha, bila matumizi ya dawa za kulevya. Tuna Tumaini kwamba sisi pia tunaweza kujiunga na wengine kwenye Safari hii ya Kiroho.

Kwa Wakati Huu: Tutabaki bila majina katika Urejesho wetu. Tutashiriki Matunda kutoka kwa Nguvu yetu ya Juu yenye Upendo na wengine.

1 Mei

"Huduma itatutoa nje ya sisi wenyewe"

— Kitabu cha Kijivu, p. 85 (Chapter Five, Lines 3-4)

Huduma ni kwa wale tunaowahudumia, lakini pia Inatusaidia kubaki safi. Tunafanya Hatua, ili tuweze kubadilika. Mbali na kufanya kazi juu yetu wenyewe, tunajitoa nje ya sisi wenyewe kwa Kuwasaidia wengine.

Katika Narcotics Anonymous, Huduma ni jinsi tunavyorudisha, kile kilichotolewa kwetu kwa Urahisi. Hiyo ndiyo Kusudi letu Kuu. Tunaonyesha Shukrani yetu kwa kwenda kwenye Mikutano na kuchukua Ahadi za Huduma.

Tunarejea kufanya Huduma, hatufanyi Huduma ili kurejea. Hatuko katika Huduma; tuko katika Huduma. Tulipokuja kwanza kwenye Narcotics Anonymous, tuliambiwa kuchukua Ahadi, kwa sababu ingetupeleka kurudi.

Baada ya kuwa hapa kwa muda, tunarudi Kurudisha. Nia zetu sasa ni Upendo na Huduma.

Wakati mwingine kuweka mtazamo juu yetu wenyewe kunakuwa kuzidi. Tunapata mraibu mwingine anayeteseka tunaweza kufanya kazi naye. Kuwapa wapya usafiri kwenda kwenye Mikutano, kuja mapema na kukaa kuchelewa.

Kuwadhamini wapya na kuchukua Ahadi za kuzungumza, ni mifano yote ya Huduma. Pia tunatenga muda kwa kazi ya Hatua, hapa tunaweza kuweka Mchakato wa Urejesho ukiendelea. Tunapoishi Kanuni za Kiroho za Hatua na kukua, tunapanua Urejesho wetu kwa kusoma na Kutumia Mapokeo ya Narcotics Anonymous. Hii Inatusaidia kuweka Huduma yetu, Iliyotegemea Usiri.

Urejesho ni wa kuendelea tu ikiwa tunaendelea kusonga. Uamsho wa Kiroho ni wa kuendelea ikiwa tunaendelea kulisha Roho zetu. Urejesho ni Safari ya kupanda, na ikiwa tutasimama, tutaanza kuteleza nyuma.

Shukrani yetu lazima ibaki katika Mwendo, vinginevyo Mchakato wa Urejesho unakoma.

Kwa Wakati Huu: Shukrani yangu itaonekana katika Huduma yangu kwa Narcotics Anonymous. Huduma yangu itakuwa Iliyotegemea Urejesho.

2 Mei

"Kuna jambo moja zaidi ya yote litakalotushinda katika urejesho wetu, hii ni mtazamo wa kutojali au kutovumilia kanuni za kiroho."

— Kitabu cha Kijivu, p. 29 (How It Works, 2nd paragraph)

Jambo la kwanza tunalofanya katika Narcotics Anonymous ni kuacha kutumia dawa za kulevya. Ukomo ni Jiwe la Msingi la Programu yetu.

Programu yetu ya Urejesho inategemea Ukomo Kamili. Urejesho hauwezi kutokea isipokuwa tukubali Kanuni hii muhimu. Tunajizuia kutumia dawa zote, ikiwa ni pamoja na dawa zinazotumika kwa matibabu ya uraibu.

Tunatumia Programu ya Hatua Kumi na Mbili yenye Msingi wa Kiroho kutibu uraibu na Kurejea. Ikiwa tunakataa kufuata hii, au tunakosa kujali au kutovumilia Kanuni hii, hatutarejea. Uaminifu katika Hatua ya Kwanza kwa kusafisha na Kukubali kutokuwa na nguvu na kutoweza kudhibiti, ndiyo jinsi tunavyofungua mlango wa Urejesho. Uwazi katika Hatua ya Pili ni muhimu kufikia Mawasiliano ya Ufahamu na Nguvu ya Juu.

Tunahitaji Nguvu hii ya Juu kuondoa hamu yetu ya kutumia. Tunahitaji Nguvu hii kutuongoza katika Maisha yetu na Urejesho wetu. Utayari wetu unapimwa na kiwango chetu cha Kujisalimisha, katika Hatua ya Tatu.

Kujisalimisha kwetu kunaweza kupimwa na Matendo yetu. Kanuni hizi Tatu za Msingi za Kiroho ni Msingi wa Programu yetu. Kanuni hizi za Kiroho zitaunga mkono kanuni nyingine nyingi za Kiroho zilizomo katika Hatua na Mapokeo yetu.

Tunahitaji Vifaa hivi kufanya Programu yote ifanye kazi. Katika Narcotics Anonymous lazima tuendeleo kuwa wazi kwa mabadiliko na kuendelea Kukua katika Mchakato huu.

Kwa Wakati Huu: Kanuni hizi katika Narcotics Anonymous zimeandikwa kwa urahisi kiasi kwamba tunaweza kuzifuata katika Maisha yetu ya Kila Siku.

3 Mei

"Uraibu ni ugonjwa na Narcotics Anonymous ni njia iliyothibitishwa ya kuendelea na kupona."

— Kitabu cha Kijivu, p. 9 (Chapter One, Lines 27-28)

Tangu mwaka wa 1953, Narcotics Anonymous imekuwa njia iliyothibitishwa kwa waraibu kupata Usafi na Kupona. Kuna mbinu nyingi ambazo jamii imejaribu kushughulikia tatizo la uraibu kwa miaka mingi. Narcotics Anonymous haidai kuwa na jibu pekee kwa tatizo la uraibu katika jamii.

Kwa miaka mingi; mbinu nyingi zimejaribiwa, lakini hakuna inayotoa matokeo kama Narcotics Anonymous. Hakuna tiba inayojulikana kwa ugonjwa huu, lakini inaweza kutibiwa. Dawa, magereza, dini na saikolojia hazikutoa majibu kwa mraibu anayeteseka.

Waraibu waliendelea kutumia na waliendelea kufa. Jamii ilianza kutibu uraibu kama tatizo la kimaadili, na kuwaweka waraibu gerezani. Baada ya miaka ya matokeo yasiyothibitishwa na yasiyofanikiwa, walitibu uraibu kama tatizo la kimatibabu.

Kutibu uraibu kwa dawa imeonekana kuwa hatari kwa waraibu; huwezi kuacha kutumia dawa kwa kutumia dawa. Katika Narcotics Anonymous tunafanua uraibu kama ugonjwa wa Kiroho. Tatizo la Kiroho haliwezi kutibiwa kwa suluhisho la kemikali.

Kwa hivyo katika Narcotics Anonymous tunatumia Mpango wa Hatua Kumi na Mbili unaotegemea Kiroho, kukamata na kutibu ugonjwa, kwa siku moja tu. Mpango wa saa ishirini na nne ambao unaweza kufanywa kila siku, kwa maisha yetu yote. Narcotics Anonymous imekuwa ikijithibitisha katika Maisha ya waraibu wengi kwa miongo kadhaa.

Wanachama wetu wamekuwa wakijizuia na Kupona kuishi Maisha marefu na yenye Furaha bila dawa. Tunaishi kwa Kanuni za Kiroho na tunasaidiana.

Waraibu ndio pekee wanaoweza kusaidia waraibu. Hakuna tiba kwa ugonjwa huu unaoendelea na hatari, lakini Sisi katika Narcotics Anonymous tumepata njia yenye Mafanikio zaidi, si dini, lakini ni Kiroho. Ugonjwa wa Kiroho unahitaji Suluhisho la Kiroho, Tunashiriki Kupona kwetu Bure, kwa wale wanaotaka.

Kwa Wakati Huu: Tutashikilia kile kilichotufanyia kazi, Mpango wa Narcotics Anonymous.

4 Mei

"Kusudi letu kuu ni kufikisha ujumbe kwa mraibu ambaye bado anateseka."

— Kitabu cha Kijivu, p. 102 (Chapter Six, Tradition Five)

Kusudi pekee la Narcotics Anonymous ni kufikisha Ujumbe wetu wa Kupona kwa mraibu ambaye bado anateseka. Tunabaki Safi na Kupona katika Mchakato.

Kusudi la Mapokeo ni kuhakikisha kwamba Kusudi hili Kuu linahifadhiwa na kudumishwa. Ikiwa Narcotics Anonymous itapoteza Kusudi lake Kuu, itakoma kuwepo.

Kupona ndicho kinachotokea katika Mikutano yetu. Ili Narcotics Anonymous iendeleo kuwepo na kuokoa Maisha, lazima tuwe na Wajibu wa kuweka Mikutano yetu yenye Mwelekeo wa Kupona. Njia nyingine ya kufikisha Ujumbe wetu katika Mikutano yetu, ni kuweka Ujumbe wetu usio na ukungu. Kikundi na wanachama wake hawashirikiani na mashirika ya nje kwa kupitisha mawazo na kuyashiriki katika Mikutano yetu.

Kikundi kinapaswa kuhakikisha kwamba watumishi wao waaminifu au wazungumzaji wowote ni Safi kutokana na dawa zote, ikiwa ni pamoja na aina yoyote ya dawa za Matibabu ya Kusaidiwa (MATs). Majadiliano yetu pia yanapaswa kuwa huru kutokana na masuala ya nje, yanayohusu mashirika mengine, dawa, siasa au dini. Miundo ya Kikundi inapaswa kutoa Ujumbe Wazi na kumpa mgeni, Urafiki, Fasihi, Kitabu chetu cha Msingi, na Udhamini. Kikundi chetu pia kinaweza kuunda kamati ya huduma kufikisha Ujumbe kwa taasisi na kuunda Taarifa za Umma.

Kikundi chetu pia kinaweza kuunda Mstari wa Msaada na Programu za Kuwafikia. Lazima tubaki Tukijitegemea na Tusio na Ushirika. Ili kuweka Mikutano yetu na Uadilifu, kila mwanachama anabeba Wajibu wa kuweka Ujumbe wetu Wazi wakati wa Sehemu ya Kushiriki ya Mikutano yetu.

Ikiwa Ujumbe wetu utapotea, ni Wajibu wa mwanachama kuurudisha kwenye Ujumbe wa Narcotics Anonymous.

Kwa Wakati Huu: Kusudi la Kikundi ni zaidi ya kushikilia Mikutano, Kusudi Kuu la Kikundi ni kufikisha Ujumbe Wazi wa N.A.

5 Mei

"Tuliumia vya kutosha na vibaya vya kutosha kwamba tulikuwa tayari kufanya lolote ili kubaki safi."

— Kitabu cha Kijivu, p. 29 (Chapter Four, Lines 11-12)

Mapokeo yetu ya Tatu yanatuambia kwamba waraibu wanaweza kuombewa, kupigwa, kufungwa na kutishwa, lakini mraibu hatakoma kutumia hadi mraibu atake. Gharama ya kuingia Narcotics Anonymous ni maumivu, bila hiyo wengi wetu tusingefika hapa. Hata baada ya kuja N.A., wengi wetu hatukubaki. Inaonekana kwamba maumivu yanaweza kuwa kiingilio, lakini haitoshi kutufanya tubaki hapa, mara maumivu yanapopungua.

Kujisalimisha kwetu kwa awali lazima kufuatiwe na Utayari, na Utayari lazima kufuatiwe na Hatua. Tamaa inapimwa kwa kiwango chetu cha Kujisalimisha, na kiwango chetu cha Kujisalimisha kinapimwa kwa juhudi yetu ya Kupona. Kwa hivyo ingawa tamaa si kitu kinachoweza kupimika, inaweza kuonekana kwa Utayari wetu wa kufanya lolote.

Kitabu chetu cha Msingi kinasema kwamba; "Ikiwa unataka kile tunachotoa, na uko tayari kufanya juhudi kupata, basi uko tayari kuchukua Hatua fulani. Hatua ya Kwanza ni kupata na kubaki safi. Kupona hakutafanya kazi ikiwa hatuko safi kutokana na dawa zote zinazobadilisha hali ya akili/akili, ikiwa ni pamoja na aina yoyote ya dawa za Matibabu ya Kusaidiwa.

Kisha tunabaki na Akili Wazi kwa Nguvu Kubwa Kuliko Sisi Wenyewe, ambayo inaweza kuondoa hamu yetu ya kutumia. Hatua tunazofanya, kama kuhudhuria Mikutano, kusoma Fasihi, na kupata na kutumia Mdhamini, ni Mchakato unaoturudisha kwenye akili timamu. Tunakabidhi Mapenzi yetu na Maisha yetu kwa Utunzaji wa Mungu wa Kuelewa Kwetu. Hii inaonekana wakati hamu yetu ya kutumia imeondolewa.

Urefu wowote unamaanisha kwamba hatuweki chochote mbele ya Mpango wetu wa Kupona. Inamaanisha kwamba hatutoi visingizio vya kutohudhuria mikutano. Pia inamaanisha kwamba hatufanyi peke yetu, na tuna Kikundi cha Nyumbani, ambacho sisi ni sehemu yake.

Hatuweki masharti ya kubaki safi. Tunabaki safi bila kujali kinachotokea katika Maisha yetu.

Tunawajibika kwa wengine, kwa kubaki wa kufikiwa.

Kwa Wakati Huu: Urefu wowote unamaanisha kwamba tutafanya lolote ili kubaki Safi na Kupona.

6 Mei

"Misemo ni maneno ambayo yalionekana kutusaidia zaidi tulipojiunga na Ushirika kwa mara ya kwanza."

— Kitabu cha Kijivu, p. 81 (Chapter Five, Lines 5-7)

Tulipokuwa wapya katika Narcotics Anonymous, tulichanganyikiwa na baadhi ya lugha tuliyosikia. Tulisikia misemo mingi ya mstari mmoja kama vile, Kwa Leo Tu, Chukua Rahisi, Vipaumbele, Achia na Mwachie Mungu.

Misemo hii ilikuwa ni zana za kwanza tulizojifunza kutumia katika Maisha yetu mapya ya Usafi. Tulihitaji kukuza mtazamo tofauti juu ya jinsi tulivyojiona na dunia inayotuzunguka.

Misemo ilikuwa njia rahisi zaidi ya kutusaidia kubadilisha njia yetu ya kufanya mambo. Misemo imeitwa Ngazi za Hatua.

Tunaweza kutumia misemo wakati wa misukosuko ya Kiroho au Hisia. Inaweza kututoa kwenye mitego ambayo ugonjwa unajaribu kutuvuruga nayo.

Ni rahisi kukumbuka na rahisi kutumia katika shughuli zetu za kila siku. Misemo inaweza pia kuwa kitufe cha kusitisha tunachohitaji tunapokabiliana na watu, mahali au vitu vigumu.

Tunaweza kufanya mazoezi ya Matendo ya misemo ili kutuweka tukikua katika Urejesho. Wakati akili zetu zinaanza kuzingatia jana au kesho, tunaweza kusema wenyewe, "Kwa Leo Tu." Tunapoanza kuchukua Maisha au sisi wenyewe kwa uzito sana, tunaweza kusema, "Chukua Rahisi." Tunapozidiwa na Maisha, tunaweza kupunguza kasi na kusema wenyewe, "Vipaumbele." Tunapohisi kana kwamba tunahitaji kudhibiti matokeo, au kudhibiti watu, tunaweza "Achia na Mwachie Mungu." Wakati tunakaa kwenye mkutano na akili zetu zinakimbia, au tuko busy sana kufikiria tutasema nini wakati ni zamu yetu Kushiriki, tunaweza kusema wenyewe, "Fikia Ufanisi Sio Ukamilifu." Kuna misemo mingine mingi tunaweza kutumia kuturudisha kwenye njia sahihi, au kubaki kwenye njia sahihi. Tunatumia Hatua kuendelea kwa sababu kuna treni nyingine inakuja kila wakati.

Misemo sio tu kwa wapya; inaendelea kutusaidia bila kujali tumekuwa Safi kwa muda gani katika N.A.

Kwa Wakati Huu: Tutatumia misemo hii rahisi, kila Siku.

7 Mei

"Tukichukua Hatua ya Tano, lakini hatuwezi kuwa waaminifu, tutapata matokeo hasi sawa na yale ambayo uongo ulituletea zamani."

— Kitabu cha Kijivu, p. 43 (Step Five, Lines 26-28)

Hatua yetu ya Tano inahitaji kiwango cha juu cha Uaminifu. Uaminifu wa Hatua ya Kwanza ulifanywa na Matendo yetu.

Kuhudhuria Mikutano, kusoma Fasihi ya N.A., na kupata Mdhamini ni jinsi tulivyofanya Uaminifu. Sasa Hatua yetu ya Tano inatuomba tufanye Uaminifu kwa midomo yetu; midomo ile ile iliyotusaidia kuugua, kama njia ya kuingiza baadhi ya dawa na uongo tuliouambia nayo. Sasa katika Hatua yetu ya Tano tunaombwa kutumia midomo yetu kutusaidia Kupona.

Kukiri kwa Mungu, sisi wenyewe na mwanadamu mwingine asili halisi ya makosa yetu, kunahitaji aina ya juu ya Uaminifu. Kama Hatua zilizopita, inahitaji kiwango cha juu cha Kujisalimisha.

Imani tunayofanya inasaidia kushinda hofu yetu. Tunaanza kutambua kwamba hofu inayojikita katika ubinafsi ni mzizi wa kasoro zetu zote. Tunaposhiriki hofu zetu na Mungu, sisi wenyewe na wasikilizaji wetu kasoro zinaonekana kuondoka.

Tunafikia asili halisi ya tabia yetu yenye kasoro. Pia, kupitia Kukiri huku, tunafichua baadhi ya Mali ambazo zilikuwa zimezikwa, na baadhi zilizoundwa upya tangu kuja katika Narcotics Anonymous. Tukikosa kuwa waaminifu katika Hatua hii, hatutajijua wenyewe, na vipengele hasi na chanya vya utu wetu. Mwanga wa Kufichua unatusaidia kuondoa vinyago tulivyovaa ambavyo vilikuwa muhimu sana katika uraibu wetu wa kazi.

Zana hizi za ugonjwa hazihitajiki tena katika Njia hii Mpya ya Maisha. Kanuni ya Kiroho ya Uaminifu inachukua maana ya kina zaidi tunapofichua siri zetu kwa mwanadamu mwingine na Mungu wa Kuelewa Kwetu. Tunasema Ukweli wazi na wazi.

Haturationalize matendo yetu au tabia zetu. Kupitia Uaminifu, tunachukua Jukumu na kuwa Wajibikaji kwa sehemu tuliyocheza.

Kwa Wakati Huu: Hatuna Jukumu la kuwa na ugonjwa huu, lakini tunawajibika kwa Urejesho wetu.

8 Mei

*"Ufahamu wa Mungu unajaza nafasi tupu ndani ambayo hakuna kitu kingine chochote
kilichoweza hapo awali."*

— Kitabu cha Kijivu, p. 145 (Chapter Nine, Lines 19-20)

Kama waraibu, tulitumia Maisha yetu yote kujaribu kujaza pengo letu, na watu, mahali na vitu. Mwanzoni, baadhi ya haya yalionekana kufanya kazi, kwa muda mfupi angalau.

Dawa zilikuwa za mwisho kuondoka. Baadhi yetu tulipoteza kazi, familia, na mali, lakini tuliendelea kutumia dawa. Baada ya muda hata dawa ziliacha kufanya kazi; ziliunda tu pengo kubwa zaidi na matatizo zaidi kama matokeo.

Baada ya kufika katika Narcotics Anonymous, tulilazimika kwanza kuacha kutumia dawa. Hatua yetu ya Pili inachukua nafasi ya pengo lililoachwa na dawa. Tuligundua hivi karibuni kwamba haijalishi tulitumia nini kujaribu kujaza pengo lililoachwa na dawa, linafanya tu pengo kuwa kubwa zaidi.

Kidogo tulijua kwamba suluhisho la Kiroho pekee ndilo lingekuwa na athari yoyote. Baadhi yetu tulijaribu mbinu nyingine, tulijaribu kujaza kwa ngono, tuligundua kwamba tuliachwa tukihisi vibaya zaidi kuliko hapo awali. Baadhi yetu tulijaribu dawa nyingine kama mbadala na tukajikuta bado tunatumia dawa.

Tulijaribu kufanya kazi masaa ya ziada tukifikiri ikiwa tutapata pesa za ziada yote itakuwa sawa. Kama pengo letu lilivyokuwa kubwa, wengi wetu tulikuwa katika maumivu zaidi kuliko tulipokuwa katika uraibu wa kazi. Kutokuwa na dawa za kujitibu wenyewe, tulikuwa tunahisi vibaya zaidi kuliko hapo awali. Suluhisho pekee kwetu lingekuwa la Kiroho, na ni kwa Kuishi kwa Kanuni za Kiroho tu tulikuwa na nafasi ya Urejesho.

Hatua ya Pili ni mwanzo wa Mchakato huu baada ya kuacha kutumia. Hatua ya Pili ndiyo inayoondoa obsession yetu ya dawa na chochote kingine tunachojikuta tukiwaza sana. Mchakato wa kuja kuamini ndio unaturejesha kwenye akili timamu.

Nguvu hii ya Juu itakuwa Nguvu yetu. Kama Roho zetu zinavyoamka, kama matokeo ya kufanya Hatua, tunaanza kutegemea zaidi na zaidi Kanuni za Kiroho. Tunaanza kuhisi Tumaini na kuanza kupata Uhuru ambao hatukuwahi kupata katika Maisha yetu ya zamani ya kutumia.

Kwa Wakati Huu: Ufahamu wa njia hii ya maisha inayozingatia Mungu itakuwa Njia yetu Mpya ya Maisha.

9 Mei

"Kaa chini na daftari, omba, chukua kalamu yako na uanze kuandika!"

— Kitabu cha Kijivu, p. 41 (Chapter Four, Lines 33-34)

Kuandika Hatua yetu ya Nne ni moja ya mambo ya Upendo tunayoweza kujifanyia wenyewe. Sasa tuko tayari kwa Kujitathmini kwa Uaminifu, baada tu ya kuchukua Hatua Tatu za Kwanza. Hatua ya Tatu inatuandaa kwa Hatua hii muhimu; inatuondolea hofu.

Hesabu yetu lazima iwe Huru na hofu ili kuwa na athari ya kudumu. Kuna maandalizi ya Kiroho kwa Hatua ya Nne. Kwa msaada wa Wadhamini wetu na Mungu wa Kuelewa Kwetu, tunakaa chini peke yetu, na kalamu na karatasi, na tunaanza kuandika.

Tunaweza kuandika kidogo sana, lakini kamwe hatuandiki sana, tunaomba Nguvu na Mwongozo kutoka kwa Nguvu ya Juu. Tunaomba Nguvu ya Juu kwamba tuweze kuwa wa Uaminifu kadri tuwezavyo. Kumbuka ni hesabu ya SISI WENYEWE.

Tunapoandika, mchakato wa uponyaji unafanyika. Maandishi yetu ya Msingi yanatuambia kwamba kuandika; "itafungua sehemu za fahamu zetu ambazo zinabaki zimefichwa" ambazo vinginevyo zingefungwa, isipokuwa tuandike. Mifumo yetu, hasira, chuki, hofu na makosa yetu yanaandikwa chini, kutoka mbali tunavyoweza kukumbuka. Tunaandika kuhusu watu, mahali na vitu ambavyo tulishirikiana navyo. Tunaandika kuhusu hofu zetu, halisi au za kufikirika.

Tunaandika kuhusu tabia zetu za kingono na nia zetu kama tulivyoziona. Tunaandika jinsi tulivyoathiriwa na majibu au tabia za wengine kwetu.

Hatua ya Nne inatuomba tuandike Hesabu ya Maadili ya Kutafuta na Isiyo na Hofu. Kwa hivyo, tunaandika kuhusu Mali zetu pamoja na Madeni yetu, tunajifunza kutoka kwa zote mbili. Tunaona sifa tunazotaka kuhifadhi, na sifa ambazo hatuhitaji, katika Maisha yetu mapya.

Tunapoandika, tunaweza kutaka Kuomba Uvuvio. Hofu yetu inapopungua, Imani yetu inaongezeka, na tunapewa Ujasiri. Hatua ya Nne inahitaji kiwango cha juu cha Uaminifu na kiwango cha juu cha Kujisalimisha.

Nguvu ya Juu ambayo ilikuwa nasi katika Hatua zilizopita, bado iko nasi wakati huu.

Kwa Wakati Huu: Tunaomba Nguvu na Utambuzi kutoka kwa Nguvu ya Juu kufanya kazi hii muhimu ya Hatua.

10 Mei

"Tunapoona jinsi kasoro zetu zinavyokuwepo katika maisha yetu na kuzikubali, tunaweza kuziachia na kuendelea na maisha yetu mapya."

— Kitabu cha Kijivu, p. 47 (Step Six, Lines 2-3)

Ufahamu ni ufunguo. Kupitia Kujitathmini kwa Uaminifu wa sisi wenyewe na kushiriki kile tunachokipata na Mdhamini wetu, kasoro ambazo zimetusumbua kwa miaka zinafichuliwa. Hivi ndivyo ugonjwa wetu unavyotudhibiti.

Tunazama katika kina cha giza la Kiroho. Kutambua kasoro hizi ni nusu tu ya vita.

Kwa msaada wa Mdhamini wetu, tunaona ni sehemu gani tunayoigiza, katika mzunguko huu wa kushuka. Mapungufu ni njia ambayo kasoro zinachukua kuharibu Roho zetu kutoka ndani. Mdhamini wetu anatusaidia kuelewa kwamba hatuko peke yetu; wanashiriki jinsi walivyokuwa uchi mbele ya kioo uso kwa uso na ugonjwa wao. Walishiriki nasi jinsi walivyolia kwa Mungu wa Kuelewa Kwao, kuondoa kasoro hizi za tabia.

Kasoro ambazo zimetusumbua na kuleta uharibifu mwingi katika maisha yetu na katika maisha ya wengine. Kufanya kazi na Mdhamini wetu ni ufunguo wa Ufahamu. Tunatambua kasoro tunazozitenda, na jinsi tunavyojipaka rangi kwenye kona na mapungufu yetu.

Tunavua mikono ya Utayari na kuanza kazi. Wengi wetu tumegundua kwamba Hatua ya Kumi ya bidii inatusaidia kutambua mifumo, ikituruhusu kuchagua njia tofauti, kwa kutumia Kanuni za Kiroho. Tunakua tunapotumia Kanuni za Hatua na Mapokeo, katika Maisha yetu ya kila siku.

Nguvu yetu ya Juu itakuwa Chanzo chetu Kikuu cha Nguvu.

Kwa Wakati Huu: Kukubali kutaanza Mchakato wa Kuachilia na Kumwacha Mungu afanye kwa ajili yetu, kile ambacho hatuwezi kujifanyia wenyewe.

11 Mei

"Tunakumbuka sehemu yetu katika ushirikiano wa kimungu na Mungu na tunakuwa na uvumilivu na subira zaidi na watu wengine."

— Kitabu cha Kijivu, p. 56 (Step Eleven, Lines 28-29)

Urejesho wetu ni mkataba wetu na Mungu wa Kuelewa Kwetu, sio na mtu yeyote au kitu kingine chochote. Tulisih kupitia Kujiselimisha kwetu katika Hatua ya Kwanza ili kuwa safi.

Tuliomba kwa bidii kwa ajili ya kuondolewa kwa hamu ya kutumia katika Hatua ya Pili. Sasa katika Uamuzi wetu wa Hatua ya Tatu, tunaamua kuunda ushirikiano na Nguvu hii ya Upendo na Huruma tuliyokutana nayo katika Hatua iliyotangulia. Tunamwita Nguvu yetu ya Juu kwa Nguvu na Mwongozo tunapojiselimisha kwa Kanuni za Kiroho za Narcotics Anonymous.

Katika Urejesho wetu wote tunashindwa kwa sababu sisi ni binadamu. Tunashindwa kwa sababu tunaugua ugonjwa usioweza kupona unaoitwa uraibu. Kwa kuwa ugonjwa huu unajidhihirisha katika kila eneo la Maisha yetu, tunahitaji Kuishi kwa Kanuni za Kiroho, katika kila eneo la Maisha yetu.

Tunahitaji kudumisha Mawasiliano ya Kifahamu na Nguvu yetu ya Juu ili kupata Nguvu ya Kuishi kwa Kanuni za Kiroho. Tunaposhindwa, tunamwomba Mungu wa Kuelewa Kwetu kwanza Atusamehe na pili Atupe Nguvu na Ujasiri wa kutoshindwa. Ikiwa tunamwomba Mungu awe na Subira na Uvumilivu kwetu tunaposhindwa, lazima tutumie Kanuni hizo hizo kwetu na kwa wengine. Tunapaswa kukumbuka kwamba watu wengine, kama sisi, bado wanakua kihisia.

Itakuwa bure kuwa na hasira au kuwa na matarajio makubwa kutoka kwa watu ambao kama sisi, wanateseka kutokana na maumivu ya kukua. Subira na Uvumilivu ni vitu ambavyo havimo ndani yetu, tunavipata kutoka nje yetu. Tunavipata kutoka kwa Mungu wa Kuelewa Kwetu, ikiwa tunaviomba.

Kwa Wakati Huu: Subira na Uvumilivu huo huo tunaouomba kwa ajili yetu wenyewe, tunawaomba wengine pia.

12 Mei

"Tunapaswa kujifunza kudumisha maisha yetu mapya kwa msingi wa kiroho ili kuhakikisha ukuaji wetu unaoendelea na kupona."

— Kitabu cha Kijivu, p. 58 (Step Eleven, Lines 28-30)

Uroho ni moja ya Matunda ya mwisho tunayopokea katika Mpango huu. Hata hivyo, ni moja ya vitu vya kwanza tunavyopoteza katika mchakato wa kurudi nyuma.

Kwa hivyo Uroho wetu lazima udumishwe ili kuendelea Kukua katika Mchakato huu. Katika Narcotics Anonymous tunapewa Reprieve ya Kila Siku, hii inawezekana tu kwa Utayari wetu unaoendelea na Kujisalimisha kwa Kanuni za Kiroho. Katika N.A. ikiwa hatukui, tunaenda, ugonjwa wa uraibu ni wa kuendelea, hauponi na ni hatari. Mpango huu unatoa seti ya Kanuni zilizoandikwa kwa urahisi ili tuweze kuzifuata katika maisha yetu ya kila siku.

Ushahidi unaonekana kote kwetu, waraibu wanaoishi Safi, Wenye Furaha, Wenye Shangwe na Huru. Tunapofikiria sehemu ya kwanza ya Maisha yetu, ilikuwa imejaa kukata tamaa na huzuni. Baada ya kufika Narcotics Anonymous, tuliambiwa kwamba hatupaswi kuhisi hivyo tena.

Tuliambiwa kwamba hatupaswi kutumia, na kulikuwa na njia ya kutoka. Tunakutana na watu ambao walikuwa kama sisi, ambao waliteseka, na sasa wanaishi Maisha ya Kiroho. Tulitaka kile walichokuwa nacho, kwa hivyo tulilazimika kufanya kile walichofanya, na tulilazimika kuweka juhudi ili kukipata.

Mpango wa Narcotics Anonymous ni zaidi ya kuacha tu kutumia dawa za kulevya, ingawa hiyo ndiyo Jiwe letu la Msingi. Hatua zinatoa Uamsho wa Kiroho pamoja na fursa ya Kukua, na kuwa watu ambao tulikusudiwa kuwa tangu mwanzo. Narcotics Anonymous sio tu inaokoa Maisha yetu, lakini inatoa Maisha zaidi ya ndoto zetu za mwituni. Inatoa Uhuru kutoka kwa uraibu wa kazi, na inatutambulisha kwa Mungu wa Kuelewa Kwetu.

Ujumbe huu wa Tumaini, na Ahadi ya Uhuru, unaweza tu kuzidiwa na Uhusiano na Nguvu Kubwa Kuliko Sisi Wenyewe. Chanzo hiki cha Nguvu, mara tu kinapoguswa, kinatoa Ukuaji Usio na Kikomo.

Kwa Wakati Huu: Tutashiriki Zawadi hii ya Thamani na wale wanaotafuta Kupona.

13 Mei

*"Maendeleo ya kupona ni safari inayoendelea ya kupanda mlima kwa juhudi ya upendo.
Bila upendo au juhudi tunaanza kushuka mlima."*

— Grey Book, p. 128 (Chapter Seven, Lines 30-32)

Kupona ni safari ya kupanda mlima, tunaposimama katika mchakato wetu wa Kupona, tunaanza kurudi nyuma. Mchakato wa Kupona unakoma, tunapoacha kufanya kazi ya Mpango.

Ugonjwa wa uraibu ni wa kuendelea, bila kujali tumekuwa safi kwa muda gani. Kupona kunawezekana kila siku, reprieve yetu ya kila siku inajumuisha Kujizuia Kabisa, na Utumiaji wa Kanuni za Kiroho. Mpango wa saa ishirini na nne unamaanisha kwamba Mzunguko wa Kupona unaweza kuanza tena siku inayofuata, ikiwa tutaufanyia kazi. Hatuwezi kubaki safi kwa kuoga kwa jana, kwa hivyo hatuwezi kubaki safi kwa Kupona kwa jana.

Tunahuisha Ahadi yetu kwa Kupona kwetu, kwa Kujisalimisha kwa Kanuni za Narcotics Anonymous kila siku. Ugonjwa wa uraibu ni zaidi ya matumizi yetu ya dawa za kulevya, kwa hivyo Kupona kwetu lazima kuwe zaidi ya Kujizuia Kabisa. Kanuni zilizomo katika Hatua zetu na Mapokeo zinabadilisha Tabia zetu na Kuamsha Roho zetu. Mpango wa Narcotics Anonymous sio kwa wale wanaouhitaji, sio hata kwa wale wanaoutaka.

Narcotics Anonymous ni kwa wale wanaoufanyia kazi. Kuishi Mpango kunatuweka kwenye Njia ya Kiroho.

Upendo na Juhudi ni Imani katika Vitendo, Mungu wa Kuelewa Kwetu hufanya Kupona kuwezekana kwetu leo. Kushiriki Zawadi hii ya Upendo na Huduma na wengine ni njia pekee ya sisi kuhifadhi Zawadi hii ya Thamani. Mchakato wa Kupona unahitaji kazi, mchakato wa kurudi nyuma hauhitaji kazi, ni wa moja kwa moja.

Kupitia Sala na Tafakari tunapewa Nguvu ya kutumia Kanuni za Kiroho za Narcotics Anonymous katika Maisha yetu. Chanzo cha Nguvu hii ni Chanzo chetu Kikubwa cha Nguvu. Tunaanza kila siku kwa Kujisalimisha Mapenzi yetu na Maisha yetu kwa uangalizi wa Nguvu hii ya Upendo na Utunzaji.

Wengine wanasema kwamba Mapenzi yetu yanaanza mwishoni mwa Mapenzi ya Mungu.

Kwa Wakati Huu: Tutaendelea kupanda mlima katika safari hii, ili kuzuia kurudi nyuma mlima.

14 Mei

"Akili inaashiria dawa wakati mwili unaweza kuwa unahitaji vitamini, chakula, kupumzika au ushirika. Kwa hivyo tunahitaji matengenezo ya kila siku ya H.A.L.T.S."

— Kitabu cha Kijivu, p. 36-37 (Step Two, Lines 35-1)

Hatua yetu ya Kwanza inashughulikia kipengele cha Kimwili cha ugonjwa wetu. Jambo la kwanza tunalofanya katika Mpango huu ni kuacha kutumia dawa za kulevya. Kujizuia Kabisa na Kikamilifu kunahitajika kwa Kupona katika Narcotics Anonymous.

Wengi wetu tulipuuza mahitaji yetu ya msingi wakati wa kutumia. Kwa baadhi yetu, lishe yetu haikuwa na usawa, miili yetu haikupata mazoezi iliyohitaji, na wengi wetu hatukubadilisha virutubisho ambavyo dawa za kulevya ziliondoa. Afya yetu ya Akili na Kiroho pia iliathiriwa vibaya, kusema kidogo. Jibu letu kwa matatizo yetu yote lilikuwa kutumia dawa zaidi.

Miaka ya matumizi ya dawa za kulevya husababisha uharibifu mwingi, itachukua miaka ya Kujizuia, ili kuwa na afya tena. Tunapokuwa safi, tunapaswa kuwasiliana sio tu na Hisia zetu, bali pia na Nafsi zetu za Kimwili. Tunapojisikia katika hali nadra, jambo la kwanza tunalofanya ni kufanya H.A.L.T.S.

Usiwe na Njaa sana, Hasira, Upweke, Uchovu na usijichukulie kwa Uzito sana. Kwa ukaguzi huu wa haraka tunaweza kuepuka huzuni ya ziada tunayoweza kujiletea. Inaweza pia kutusaidia kufanya mazoezi ya Kanuni za Kiroho tulizojifunza hadi sasa, kutufanya kuwa watu bora.

Kupona ni kuhusu Kujitunza; ni kuhusu kuwa na usawa wa afya katika maisha yetu. Kupona pia ni kuhusu kujenga mahusiano yenye afya na watu, maeneo na vitu. Mmoja wa wanachama wetu aliandika kwamba; Uroho ni uhusiano sahihi na ukweli. Tulipokuwa tunatumia, hatukuwa tunafanya kazi katika ukweli.

Tunaweza kujenga mahusiano yenye afya na ukweli. Tunapochukua Hatua ya Kwanza, tunajifunza kuwa na uhusiano na Uaminifu.

Kisha tunaanza kujali mahitaji yetu ya kimwili. Tunapata mapumziko sahihi na kuanza kuwa na lishe yenye usawa.

Baadhi yetu hupata uchunguzi wa kimwili kutoka kwa madaktari wetu. Yote haya yanachangia Kupona na Afya yetu.

Kwa Wakati Huu: Kupitia N.A. tutamwomba Nguvu Yetu ya Juu msaada, ili mahitaji yetu ya msingi yatimizwe.

15 Mei

"Tumekuwa na hofu ya kufungua kabati hilo kwa hofu ya kile ambacho mzimu huo unaweza kutufanyia."

— Kitabu cha Kijivu, p. 41 (Step Four, Lines 7-8)

Hatua yetu ya Nne inatuomba tufanye tathmini ya kina na isiyo na woga ya maadili yetu. Imani na Nguvu tunazohitaji kukamilisha Kujitathmini kwetu hutolewa na Mungu wa Kuelewa Kwetu. Kuangalia nyuma katika maisha yetu na mambo tuliyofanya wakati na baada ya uraibu, hutufanya tuhisi aibu na hatia.

Ingawa sasa sisi ni watu tofauti na hatufanyi tena tabia hizo, baadhi yetu bado tunahisi kufuatwa na mzimu. Bado kunaweza kuwa na hofu ya kurudia baadhi ya uzoefu wetu. Nguvu Yetu ya Juu inaweza kutusaidia Kuongoza hisia zetu, wakati wa Mchakato huu, ikiwa tutairuhusu.

Ujasiri tutakaopata utakuwa baada ya kutembea kupitia hofu. Kabla ya kuanza Hatua ya Nne, tunapaswa kupitia hatua tatu za kwanza na Wadhamini wetu. Tunaweza kuchagua mazingira yoyote tunayohitaji kukaa chini na kuchukua kalamu na kuandika.

Tunamwomba Nguvu Yetu ya Juu kwa Nguvu na Uaminifu tunaohitaji kuanza tathmini yetu ya nafsi. Tunaandika kuhusu hofu zetu, chuki na tabia. Pia tunaandika kuhusu Mali zetu, nyingi zikiwa mpya tangu tulipokuwa safi.

Tunakwenda mbali kadri tunavyoweza kukumbuka na maandishi yetu. Kila kitu ambacho kimeathiri maisha yetu na maisha ya wengine, ni nyenzo kwa tathmini yetu. Tunaweza Kuomba wakati wote wa Mchakato, tunaweza kupiga simu kwa Wadhamini wetu ikiwa tutakwama.

Tunapoandika, baadhi yetu tulihisi uzito ukiondoka mabegani mwetu. Aibu na hatia zinaonekana kupungua, na tukaanza kujisikia vizuri kuhusu kile tunachofanya. Hatua ya Nne ni moja ya mambo ya Upendo zaidi tunayoweza kujifanyia.

Inatuachilia kutoka kwa mizigo ya zamani, na inatupa Tumaini kwa siku zijazo. Hatua yetu ya Nne inapaswa kufuatiwa na Hatua ya Tano haraka iwezekanavyo, ili kupata Manufaa ya juu zaidi.

Kwa Wakati Huu: Tutaomba Imani, tutaamini kwamba kilicho upande wa pili kitakuwa bora kuliko kile tulicho nacho sasa.

16 Mei

"Sasa tunajua ikiwa tunaomba kufanya mapenzi ya Mungu, tutapokea kilicho bora kwetu."

— Kitabu cha Kijivu, p. 58 (Step Eleven, Lines 14-15)

Tulipofika kwanza katika Narcotics Anonymous, tuliambiwa kwamba kitu pekee tunachohitaji kubadilisha ni kila kitu. Kauli hii ilitisha wengi wetu, baada ya yote, tulikuwa tumejenga maisha yetu yote kuzunguka uraibu. Mapenzi yetu yalikuwa yameambatana na kasoro zetu za tabia.

Kasoro zetu zilikuwa zana za ugonjwa, zilikuwa ni ujuzi wetu wa kuishi. Kasoro ya kwanza kuondoka, ilikuwa matumizi yetu ya dawa za kulevya.

Kupona hakukuwa kunawezekana isipokuwa tukawa Safi kwanza. Kujiepusha kabisa na kabisa kulikuwa kigeni kwetu, na hatukufikiri kuwa inawezekana.

Hatua yetu ya Pili ilikuwa Suluhisho kwa pengo lililoachwa na Hatua ya Kwanza. Wakati obsession yetu ilipoinuliwa tulipata Tumaini, kwamba chochote kinawezekana. Hata hivyo, kasoro hizi zilikuwa sehemu yetu, na tulijiuliza tutakuwa nini ikiwa tutaziacha.

Kusita huku kulituweka wagonjwa, bado tulikuwa tunatenda. Wengi walikuwa bado wanavuta sigara, ambayo hatimaye ilikuwa inatuumiza. Baadhi yetu walikuwa wanatenda kingono, wakijizuia sisi na wengine kupona.

Baadhi yetu walikuwa bado wanaiba na kuwa waaminifu katika maingiliano yetu na wengine. Tulilazimika kufikia chini na sehemu hizi za sisi wenyewe, kabla ya kuwa Tayari kuomba Msaada. Tunaomba Nguvu Yetu ya Juu, ambaye alitusaidia kuwa Safi, kutusaidia na mambo haya mengine.

Tunapopiga hatua katika Hatua, tunaona kwamba kila Hatua inahitaji kujisalimisha kwa kina zaidi. Uhuru ni lengo letu kuu, Uhuru kutoka kwa dawa za kulevya, Uhuru wa kuchagua Nguvu Yetu ya Juu. Uhuru kutoka kwa nafsi, wengine, na dunia kwa ujumla. Tunapofuta mabaki yaliyo katika njia ya Mungu wa Kuelewa Kwetu, Nguvu hiyo inaweza kufanya kazi katika Maisha yetu. Tunapoomba na kuomba Nguvu ya kutekeleza Mapenzi ya Mungu kwetu, tunaona Mapenzi ya Mungu ni kile tulichotaka kwa nafsi zetu tangu mwanzo. Nani asingetaka Afya, njia ya kujipatia Riziki, au Familia au Mwenza wa kushiriki Maisha yetu.

Kwa Wakati Huu: Tutalinganisha mapenzi yetu na Mapenzi ya Mungu na kila kitu kitakuwa sawa.

17 Mei

"Tulikuwa tayari kabisa kumruhusu Mungu kuondoa kasoro hizi za tabia."

— Kitabu cha Kijivu, p. 46 (Step Six, Header)

Tulikuwa tayari kabisa inamaanisha kwamba Hatua Tano za Kwanza zilitustahiki kwa Mchakato huu, hadi sasa. Kuwa tayari kabisa kujisalimisha katika kiwango hiki cha kina ni hadithi nyingine. Hadi sasa tunajua kasoro zetu za tabia ni nini.

Tunajua kwamba zana hizi za ugonjwa hazifanyi kazi katika Kuona kwa Narcotics Anonymous. Kasoro hizo zilitusaidia kuishi katika uraibu hai, lakini lazima tuwe Tayari kumruhusu Mungu wa Kuelewa Kwetu kuziondoa. Njia tunayomruhusu Nguvu Yetu ya Juu kuondoa kasoro zetu, ni kwa Kutumia Kanuni za Kiroho tulizojifunza hadi sasa. Tuna zana mpya za kuchukua nafasi ya zana zetu za zamani.

Kadri tunavyotumia Kanuni za Kiroho za Narcotics Anonymous, ndivyo tutakavyotumia kasoro kidogo, ambazo ni kasoro katika vitendo. Tunatengeneza orodha ya asili halisi ya makosa yetu tuliyojifunza katika Hatua yetu ya Tano. Kisha tunajifunza kuhusu kinyume cha kasoro hiyo, au kinachowasha kasoro hiyo, na kutumia Kanuni ya Kiroho badala yake.

Kadri tunavyotumia Kanuni, ndivyo tutakavyotumia kasoro kidogo. Tunaanza kujisikia vizuri zaidi kuhusu nafsi zetu tunapoishi Programu. Kuwa Tayari Kabisa ni mwanzo tu, Utayari wetu lazima ufuatiwe na kujisalimisha, na kisha na Kitendo.

Hatua ya Sita ni kama upasuaji wa Kiroho unaofanywa na Nguvu Yetu ya Juu. Kuachilia kasoro ni kama kusema kwaheri kwa rafiki wa zamani. Ufahamu wetu unaweza kufuatiwa na hisia ya huzuni.

Tunakaribia zaidi Nguvu Yetu ya Juu tunapoitumainia Nguvu yake. Imani yetu inakua tunapoweka Imani hii katika Kitendo.

Kwa Wakati Huu: Tutatumaini kwamba Nguvu Yetu ya Juu inajua kilicho bora kwetu, tutaachilia na kumruhusu Mungu.

18 Mei

"Tulifanya marekebisho ya moja kwa moja kwa watu hao popote pale inapowezekana, isipokuwa pale ambapo kufanya hivyo kungewaumiza wao au wengine."

— Kitabu cha Kijivu, p. 52 (Step Nine, Header)

Hatua zote za Narcotics Anonymous zinatoa Uhuru. Hatua ya Tisa sio ubaguzi.

Hatua ya Tisa inatusaidia kusafisha mabaki ya zamani zetu, na kutuweka Huru kuishi Leo. Hatua ya Nane ilituandaa kwa Mchakato huu kwa kutengeneza orodha ya watu, maeneo na vitu ambavyo tumewadhuru, au kuathiri vibaya. Tulikuwa Tayari kutafuta watu hawa, maeneo na vitu, ili kufanya Marekebisho. Tunapitia Orodha na Mdhamini wetu, na watatuonyesha popote pale kwenye Orodha, ambapo tunaweza kufanya Marekebisho.

Mdhamini wetu pia atatuonyesha wapi kwenye Orodha, ambapo Kufanya Marekebisho kungeleta madhara zaidi kwa hao na wengine. Kwa Msaada wa Wadhamini wetu na Mungu wa Kuelewa Kwetu, tunachukua Hatua hii muhimu. Baadhi ya Matunda ya Hatua hii ni, Uhuru, Uadilifu, Ujasiri, Unyenyekevu, Heshima, Amani ya Akili, na Kuamka Kiroho kusema machache. Baadhi ya Kanuni zinazofanya Mchakato huu uwezekane ni, Utayari, Uwajibikaji, Unyenyekevu, Kutokujulikana, Msamaha, Uwazi wa Akili, Haki, Uaminifu, Imani, Upendo, Uvumilivu na Ustahimilivu.

Tunamuomba Nguvu Zetu Juu kwa Nguvu ya kutumia Kanuni hizi. Tunamuomba Nguvu Zetu Juu, kutokuwa na matarajio na kuomba Kukubali matokeo. Marekebisho yetu hayana masharti, isipokuwa kwa kutaka kubadilika. Tunafanya Marekebisho kwa ajili ya wengine, lakini pia tunafanya kwa ajili yetu wenyewe.

Tunapita kwenye hofu na Nguvu Zetu Juu zitatupa Ujasiri. Pia kuna Marekebisho yasiyo ya moja kwa moja ambayo tunaweza kulazimika kufanya, katika hali ambapo hatuwezi kuwasiliana na baadhi ya watu, maeneo au vitu ambavyo tumewadhuru.

Kumbuka, hatufanyi yoyote ya Hatua hizi peke yetu. Tutakuwa katika Mawasiliano ya Kifahamu na Mungu wa Kuelewa Kwetu, Wadhamini wetu, na Ushirika wa Narcotics Anonymous.

Kwa hili tunashukuru Milele.

Kwa Wakati Huu: Roho zetu zitaendelea Kukua katika Mchakato huu.

19 Mei

"Hatua hii lazima ikate katika kasoro za tabia zetu na kufichua nia na vitendo vyetu kwa jinsi zilivyokuwa kweli. Hatuna haki ya kutarajia mambo haya kujifichua yenyewe."

— Kitabu cha Kijivu, p. 45 (Step Five, Lines 11-14)

Tunapojifichua kwa Mungu na mwanadamu mwingine, hakuna mahali pa ego kujificha. Tulilazimika kusema Ukweli wazi bila uhalalishaji au uhalisia.

Hata hivyo, bado kuna kazi ya kufanya. Kukubali, kama katika Hatua ya Kwanza ni hivyo tu, Hatua ya Kwanza. Vitendo vyetu kutoka hapo, lazima viendane na Mapenzi ya Nguvu Zetu Juu na Kanuni za Kiroho za Mpango wa Narcotics Anonymous.

Tunaanza Kutekeleza Mpango wa Kuishi, sio mpango wa kufa. Tunajumuisha na kutumia Zana za Kiroho tulizopewa, katika shughuli zetu za kila siku. Tunachukua fursa ya Kutekeleza kinyume cha kasoro zetu.

Tunatumia upinzani wa Kiroho kwa njia zetu za zamani. Tunapata njia za kuwa na Ufahamu zaidi wa mifumo yetu ya ulinzi ambayo ilituhudumia wakati tulikuwa katika uraibu wa kazi. Tunaanza kutambua kwamba ego daima itajaribu kujilinda kutoka kwetu. Tunaomba Nguvu, kutoka kwa Nguvu Zetu Juu, Kutekeleza Kanuni hizi za Kiroho katika kila eneo la Maisha yetu.

Tunaanza kujiuliza, "Je, tunazungumza tu kutembea, au tunatembea mazungumzo?"

Kwa Wakati Huu: Tutatekeleza Uaminifu ambao unamaanisha kuonisha vitendo vyetu na Ukweli, na sio tu kukubali makosa yetu.

20 Mei

"Katika N.A. tunayo hisia ambazo hatukuwahi kufikiria kuwa nazo. Tunaweza kujiburudisha leo. Tunafanya mambo zaidi ya mawazo yetu ya mwitu."

— Kitabu cha Kijivu, p. 155 (Chapter Ten, Lines 14-16)

Kama waraibu, tulitumia dawa za kulevya kujitoa wenyewe, hatukujisikia vizuri katika ngozi zetu wenyewe, katika Mchakato tulijitenga na wengine pia. Mwishoni mwa chini yetu, kutengwa na kukata tamaa kulionekana kuwa nyingi kwa mwanadamu yeyote kushughulikia. Kwa wengi wetu, hii ndiyo ilichukua kutaka kutafuta Suluhisho. Bado hatukuwa na uhakika kwamba N.A. ilikuwa kwa ajili yetu; tulitaka tu kuacha kuumia.

Tulifika katika Narcotics Anonymous, tulipewa mapendekezo. Tulipojifunza kufuata amri hizi za hila, Mitazamo yetu ilianza kubadilika. Tuligundua kwamba hatukuhitaji kutumia tena, na hiyo ilikuwa ufunuo mkubwa.

Tuliungana na wengine katika Safari zao, na walishiriki Urejesho wao nasi. Walituonyesha njia ambayo ilionyeshwa kwao, walipokuja mara ya kwanza. Mraibu mmoja Akisaidia mwingine ilithibitisha kuwa kile kilichokosekana katika Maisha yetu muda wote.

Wengine walipotusaidia, iliwasaidia pia. Tuliposaidia wengine, Urejesho wetu wenyewe ulitiwa nguvu.

Tulipoanzishwa kwa Mungu wa Kuelewa Kwetu na kuchukua Hatua na Mdhamini, pia tulianza kujisikia vizuri katika ngozi zetu wenyewe. Tulipata Huruma na Huruma kwa wengine. Tulijifunza kwa kufanya kazi na wengine; tulijitoa wenyewe.

Kadri tulivyojitoa wenyewe, ndivyo tulivyopokea zaidi ya sisi wenyewe. Kufanya kazi Hatua na Kutekeleza Kanuni za Kiroho katika Maisha yetu, tulianza Kubadilika. Tulianza kuwa mtu ambaye tulitaka kuwa.

Tulipenda Uhuru, na Maisha yetu yakaanza kuwa kitu ambacho tulitaka kuishi. Tulipata Upendo wa nafsi na wengine. Baadhi ya ndoto zetu zikawa uwezekano, sasa kwamba hatukufungwa katika ugonjwa wa uraibu.

Kwa Wakati Huu: Tunaweza kujenga Mahusiano Mazuri, na Mungu, Sisi wenyewe, Wengine na Ulimwengu kwa Ujumla. Kuishi kwa Furaha, Furaha na Uhuru kunakuwa Ukweli.

21 Mei

"Polepole, tunapokuwa na mwelekeo zaidi kwa Mungu kuliko kujielekeza sisi wenyewe, kukata tamaa kwetu hubadilika kuwa tumaini."

— Kitabu cha Kijivu, p. 147 (Chapter Nine, Lines 4-5)

Kwetu sisi, sehemu kubwa ya Kujisalimisha ni Kukubali kwamba sisi peke yetu hatuwezi na hatujaribu kufanya haya kwa hiari yetu wenyewe. Hii ni sehemu ya kile Anonymity inamaanisha kwamba Mungu anatufanyia kile ambacho hatuwezi kujifanyia sisi wenyewe, au kwa wengine kwa jambo hilo. Kwa hivyo, hatuchukui sifa kwa ajili ya Urejesho wetu; tunafanya juhudi kwa kila Hatua tunayoichukua. Tunawaachia matokeo kwa Mungu wa Kuelewa Kwetu.

Sura ya Tano katika Kitabu chetu cha Msingi inatuambia kwamba Programu haifanyi kazi ikiwa tutaibadilisha katika Maisha yetu, kwamba lazima tujifunze kubadilisha Maisha yetu katika Programu. Hii inamaanisha kwamba Narcotics Anonymous lazima iwe katikati ya Maisha yetu. Wazo hili hilo linaenda vizuri na Mungu wa Kuelewa Kwetu.

Kuweka Dhamiri ya Mungu mbele ya yetu wenyewe, kunatulinda sisi na wengine kutoka kwetu wenyewe. Tumaini linaweza kubadilika kuwa kukata tamaa ikiwa hatutafuata kwa vitendo. Mazoezi ya kila siku ya Kanuni za Kiroho, kuyakabidhi kwa Mapenzi ya Mungu hatimaye hufanya maisha, watu, na sisi wenyewe kuwa na Utulivu na kukubalika zaidi.

Inatuondoa kutoka kwa hofu ya kujielekeza kwa sababu inatupa Tumaini. Tumaini na Imani vinakuwa sehemu ya Njia yetu Mpya ya Maisha.

Mwisho wa yote yote yatakuwa sawa.

Kwa Wakati Huu: Hatutaweka Mungu katika Maisha yetu; Tutaweka Maisha yetu ndani ya Mungu.

22 Mei

"Maisha yanapata maana mpya, furaha mpya, na ubora wa kuwa na kuhisi kuwa na thamani. Tunafanywa upya kiroho na tunafurahi kuwa hai."

— Kitabu cha Kijivu, p. 59 (Step Twelve, Lines 4-5)

Imesemwa kwamba Narcotics Anonymous inawarudisha wafu kwenye Maisha. Uraibu wa kazi umelinganishwa na kujiua kwa mpango wa malipo ya muda.

Kwa kila matumizi ya dawa, Roho zetu ziliingia katika usingizi mzito zaidi. Hatua ya Kumi na Mbili inajadili Uamsho wa Kiroho kama matokeo ya Hatua hizo. Hatuhitaji kusubiri kuchukua Hatua ya Kumi na Mbili ili kupata Uamsho wa Kiroho.

Uhuru kutoka kwa uraibu wa kazi tunapopata tunapochukua Hatua ya Kwanza, hufungua hisia ya Tumaini. Uamsho huu ni mzuri tu ikiwa tunaufuata kwa kuchukua Hatua ya Pili. Maisha yanaanza kupata maana mpya tunapopoteza hamu ya kutumia dawa.

Roho zetu ambazo zilikuwa zimezibwa na uraibu wetu zinaanza Mchakato wa Uamsho. Kwa kutekeleza Programu ya Kuishi ya Narcotics Anonymous tunapata Njia Mpya ya Kuishi. Kwa kuwa ugonjwa wa uraibu ni wa kuendelea, Uamsho wetu wa Kiroho lazima uwe wa Kuendelea. Kutekeleza Kanuni za Kiroho za Narcotics Anonymous kila siku, hutupa msamaha wa kila siku, kutoka kwa hofu za uraibu.

Programu ya Narcotics Anonymous haikomboi tu Maisha yetu, bali pia hutupa Maisha ambayo tulikuwa tukiota yapo. Hatupo tu, bali tunaanza Kuishi. Zawadi hii ya Thamani ya Urejesho katika Narcotics Anonymous inaweza tu kuhifadhiwa kwa Kushiriki nayo na waraibu wengine wanaoteseka.

Tunaweza tu kuhifadhi kile tulicho nacho kwa kukitumia na Kukitoa. Moja ya Zawadi Kubwa tunazopokea katika Safari hii ya Kiroho ni Uhusiano na Nguvu ya Juu ya Kuelewa Kwetu.

Kwa Wakati Huu: Tunaonyesha Shukrani yetu kwa Kushiriki na Kujali Njia ya N.A.

23 Mei

"Mkutano mmoja kwa siku, kupata na kutumia namba za simu, na kusoma fasihi kila siku ni aina nzuri za bima ya usafi."

— Kitabu cha Kijivu, p. 82 (Chapter Five, Lines 29-31)

Tulipokuja kwa mara ya kwanza katika Narcotics Anonymous, tulisikia wanachama wakubwa wakitupa mapendekezo. Katika mikutano, katibu mara nyingi alisoma baadhi ya mapendekezo wakati wa muundo. Fanya mikutano 90 katika siku 90.

Programu inapendekeza kwamba tujiepushe na watu, maeneo, na vitu ambavyo tulikuwa tunatumia navyo. Njoo mapema kaa hadi kuchelewa, pata namba za simu, zipige, usizihifadhi. Pata na tumia Mlezi wa N.A.

Haya yalikuwa mapendekezo ambayo yalikuwa Bure, yale ambayo tuliyalipia, yalikuwa yale ambayo hatukuyachukua. Tulilipa gharama kwa kurudi kwenye uraibu wa kazi.

Baadhi yetu tulikuwa na bahati ya kutosha kurudi baada ya kurudia. Baadhi yetu hatukuwa na bahati hiyo, na baadhi yetu tulipata matatizo makubwa zaidi kuliko tulipokuja mara ya kwanza. Lolote lililokuwa, tulijifunza haraka kwamba kuchukua mapendekezo kulisaidia kubaki Safi. Tulijifunza pia kwamba kinyume chake pia ni Kweli.

Tuliambiwa kwamba tunateseka kutokana na ugonjwa usioweza kuponywa, unaoendelea, unaoweza kusababisha kifo. Tumaini pekee kwetu lilikuwa ni kukamata na kutibu ugonjwa huo, Kwa Siku Hiyo Tu. Ilikuwa ni Programu ya saa 24, na hiyo ilitegemea Matengenezo yetu ya Kila Siku.

Kila siku ilihitaji Kujisalimisha mpya, na Mazoezi ya Kanuni za Kiroho katika kila eneo la Maisha yetu. Haijalishi tumekuwa Safi kwa muda gani, tungehitaji kushikamana na Msingi kwa Msamaha wetu wa Kila Siku. Narcotics Anonymous inatoa ahadi moja tu, Uhuru kutoka kwa uraibu wa kazi, na tungehitaji kufanya kazi kwa ajili ya Ahadi hiyo. Ujumbe wetu ni Tumaini na Ahadi ya Uhuru, Kwa Leo Tu.

Kupitia kufanya kazi na Kuishi Hatua, Tabia zetu hubadilika. Ili kuhifadhi Zawadi hii ya Thamani na kuendelea kupata Uamsho wa Kiroho, lazima tutoe Ujumbe huu.

Tunaendelea Kufanya Msingi, na kufanya huduma kwa Narcotics Anonymous.

Kwa Wakati Huu: Tunaendelea kufanya kile tulichokuwa tukifanya tulipofika hapa mara ya kwanza, na hata zaidi.

24 Mei

"Katika N.A. tunapata hisia ambazo hatukuwahi kufikiria kuwa nazo. Tunaweza kujiburudisha leo. Tunafanya mambo zaidi ya mawazo yetu ya ajabu."

— Kitabu cha Kijivu, p. 155 (Chapter Ten, Lines 14-16)

Kama waraibu, tulitumia dawa za kulevya ili kujiondoa wenyewe. Hatukujisikia vizuri katika ngozi zetu wenyewe, katika mchakato huo tulijitenga na wengine pia. Mwishoni mwa hali yetu mbaya, upweke na kukata tamaa vilionekana kuwa vingi sana kwa mwanadamu yeyote kuvumilia.

Kwa wengi wetu, hii ndiyo ilihitajika ili kutaka kutafuta Suluhisho. Bado hatukuwa na uhakika kama N.A. ilikuwa kwa ajili yetu, tulitaka tu kuacha kuumia. Tulipofika Narcotics Anonymous, tulipewa Mapendekezo.

Tulipojifunza kufuata amri hizi za hila, mitazamo yetu ilianza kubadilika. Tuligundua kuwa hatuhitaji kutumia tena, na hiyo ilikuwa ufunuo mkubwa. Tuliungana na wengine katika Safari zao, na walishiriki Urejesho wao nasi.

Walituonyesha njia ambayo walionyeshwa, walipokuja mara ya kwanza. Mraibu mmoja akimsaidia mwingine ilithibitisha kuwa ndicho kilichokosekana, katika Maisha yetu siku zote. Wengine walipotusaidia, iliwasaidia pia.

Tulipowasaidia wengine, Urejesho wetu wenyewe ulitiwa nguvu. Tulipoanzishwa kwa Mungu wa Kuelewa Kwetu na kufanya Hatua na Mdhamini, pia tulianza kujisikia vizuri katika ngozi zetu wenyewe. Tulipata Huruma na Hisia kwa wengine. Tulijifunza kwa kufanya kazi na wengine; tulijiondoa wenyewe.

Kadri tulivyojitoa wenyewe, ndivyo tulivyopokea zaidi kutoka kwetu. Kufanya Hatua na Kutekeleza Kanuni za Kiroho katika maisha yetu, tulianza kubadilika. Tulianza kuwa mtu ambaye siku zote tulitaka kuwa.

Tulipenda Uhuru, na Maisha yetu yakaanza kuwa kitu ambacho tulitaka kukipitia. Tulipata Upendo wa nafsi na wengine.

Baadhi ya ndoto zetu zikawa uwezekano.

Kwa Wakati Huu: Tunaweza kujenga Mahusiano Mazuri, na Mungu, Nafsi Zetu, Wengine na Ulimwengu kwa Ujumla. Kuishi kwa Furaha, Furaha na Uhuru sasa ni Uhalisia.

25 Mei

"Kurudia kutumia si ajali kamwe. Maarifa yetu ya uraibu hayatoshi kutuzuia kutumia."

— Kitabu cha Kijivu, p. 124 (Chapter Seven, Lines 34-35)

Kurudia kutumia si ajali kamwe, na si sehemu ya Urejesho. Kurudia kutumia ni kufa, kwa hivyo ni sehemu ya ugonjwa.

Mchakato unaoendelea wa kurudia kutumia unaendelea hata kupitia Kujizuia. Kitabu chetu cha Msingi kinasema kwamba hatupati Urejesho kamili bila kujali tumekuwa Safi kwa muda gani. Uraibu unazidi na ni hatari na unaweza tu kuzuiliwa kila siku.

Ingawa maarifa ni muhimu katika Mchakato wa Urejesho, si mbadala wa Kujisalimisha. Kama vile madaktari wanavyofanya mazoezi ya tiba, na wanasheria wanavyofanya mazoezi ya sheria, sisi kama waraibu lazima Tufanye Mazoezi ya Kanuni za Kiroho. Fasihi yetu inasema kwamba kurudia kutumia si ajali kamwe, ni ishara kwamba tulikuwa na hifadhi katika Programu yetu ambayo iliacha mianya katika Maisha yetu ya kila siku. Programu yetu inakoma tunapokosa kuhudhuria Mikutano au kuacha kushiriki katika Narcotics Anonymous. Mchakato wa kurudia kutumia huanza kabla hatujatumia dawa za kulevya.

Tunapata ulevi mwishoni mwa kurudia kutumia, si mwanzoni mwake. Mchakato wa kurudia kutumia huanza na kuoza kwa Kiroho kwetu.

Kama vile chakula kinavyoza wakati friji imezimwa. Kila kitu kinaonekana sawa mwanzoni.

Hata hivyo, mchakato wa kuoza tayari umeanza. Wakati mwingine mchakato huu haujulikani kwetu. Kawaida, wanachama wenzetu hutukumbusha kwamba hatujahudhuria Mikutano kwa muda. Wadhamini wetu au wanachama wa Kikundi chetu cha Nyumbani wanaweza kutuita kwa mtazamo na tabia yetu.

Sisi ni macho na masikio ya kila mmoja, kwa hivyo ni muhimu kubaki wazi au angalau kuunganishwa. Kufanya kazi na wengine ni Suluhisho linalotuwezesha kuhifadhi kile tulicho nacho. Kujisalimisha kwa Kanuni ya Uaminifu katika Hatua ya Kwanza kunaweza kutuweka katika misingi.

Kama hatutumii kile tulichojifunza katika Narcotics Anonymous, tutakipoteza katika kurudia kutumia. Matengenezo ya Kiroho yanamaanisha Urejesho unaoendelea.

Kwa Wakati Huu: Dhamana yetu bora dhidi ya kurudia kutumia, ni Kuishi Kanuni za Kiroho za Narcotics Anonymous.

26 Mei

*"Unaweza kuiita upendo, au maelewano, au amani, au usafi, au wema, au unaweza
kuiita Mungu."*

— Kitabu cha Kijivu, p. 35 (Step Two, Lines 25-27)

Moja ya Zawadi za Thamani za Narcotics Anonymous ni kwamba tunapata kuchagua Mungu wa Kuelewa Kwetu, na kuendeleza Uhusiano na Nguvu hiyo ya Juu. Tulipokuja kwanza katika Narcotics Anonymous, baadhi yetu hatukuwa na Uhusiano wa kufanya kazi na Maisha, sembuse na Nguvu ya Juu ya Upendo na Utunzaji. Baadhi yetu tulikuwa na tatizo na neno Mungu, au dhana yoyote ya Mungu. Hatua yetu ya Kwanza inatuonyesha kwamba sisi si Mungu, na kwamba tulilazimika Kukubali kwamba hatukuwa na majibu yoyote, linapokuja suala la uraibu wetu.

Hatua ya Pili inatuambia kwamba pengo ambalo dawa za kulevya ziliacha, mara tu zilipoondolewa, lilipaswa kubadilishwa na Nguvu Kubwa Kuliko Sisi wenyewe na ambayo itaondoa hamu yetu ya kutumia. Nguvu hii ya Juu inaweza kuwa Kikundi, inaweza kuwa Kanuni za Narcotics Anonymous, inaweza kuwa Fasihi yetu, au inaweza kuwa Mungu. Kigezo pekee ni kwamba Nguvu hii iwe ya Upendo, Utunzaji, na kwa baadhi ya wanachama, Kusamehe, lakini haiwezi kuwa sisi. Baadhi ya dhana zinazotufaa ni, Mwelekeo Mzuri wa Kawaida, nyingine ni Zawadi ya Kukata Tamaa, au Kukua au Kufa.

Kutegemea huku lazima kuwe zaidi juu ya Kutegemea kuliko tu kufuata. Jambo muhimu ni kwamba ni Mchakato wa Kuja Kuamini ambao unaturejesha kwenye akili timamu. Mchakato ni Hatua tunayochukua, kwenda kwenye Mikutano, kusoma Fasihi, kuunganishwa na wengine, kupata Mdhamini, na kujiunga na Kikundi cha Nyumbani na kufanya Huduma katika Kikundi hicho.

Hamu yetu inaondolewa na inabadilishwa na Ufreshi wa Kiroho. Roho zetu Zinaamka, na hatimaye tunahisi Tumaini na Ahadi ya Uhuru tuliyosikia. Kwa Ufahamu huu unaokua tunaanza kuhisi furaha, tofauti na ile ambayo dawa za kulevya zilitupa mwanzoni.

Hii inamaanisha kweli kwamba Yote Yatakuwa Sawa.

Kwa Wakati Huu: Tutakuwa waaminifu tunapochagua Nguvu Kubwa Kuliko Sisi wenyewe, kwa hiyo tunawajibika.

27 Mei

"Katika nyakati hizi za Urejesho wetu, Hatua ya Tatu ni chanzo chetu kikuu cha nguvu na ujasiri."

— Kitabu cha Kijivu, p. 39 (Step Three, Lines 20-21)

Maisha baada ya dawa za kulevya yanaweza kuonekana kama machafuko. Kama hali ya kutokuwa na nguvu tuliyohisi tulipoacha kutumia dawa za kulevya.

Inaonekana kama kila kitu kinatufikia. Katika nyakati hizi za Urejesho wetu, dunia yetu inaonekana kama inapromoka. Hatuwezi kukata tamaa ya Tumaini, uamuzi wetu wa Hatua ya Tatu ulitokana na Imani. Imani kwamba Nguvu ya Juu iliyotuondolea hamu ya kutumia, bado iko nasi.

Narcotics Anonymous ni jicho la dhoruba. Kubaki Mtulivu ni Imani Katika Vitendo.

Katika Urejesho wetu, hii ni Chanzo chetu Kikuu cha Nguvu. Ujasiri huja baada ya kutembea kupitia hofu, au licha ya hofu. Imani yetu Inakua tunapofanya Mazoezi ya Kanuni za Kiroho za Narcotics Anonymous.

Ushahidi kwamba Yote Yatakuwa Sawa, Unarejesha Tumaini letu. Tunafanya kazi ya miguu, na tunawaachia matokeo kwa Mungu wa Kuelewa Kwetu. Tunategemea Nguvu hii kutuongoza sio tu kupitia nyakati ngumu, bali pia kupitia nyakati laini. Hatua ya Kumi katika Kitabu chetu cha Kijivu inasema, "Mstari kati ya pale Mungu anatusaidia au hatatusaidia hauna umuhimu wowote.

Hii inamaanisha kwamba Tunajiachilia na Kumwachia Mungu, bila masharti, hii ni Kujisalimisha Kweli. Sisi kama waraibu tumezoea matokeo ya haraka, kama vile tulivyokuwa tunatumia. Kwa muda siyo usiku mmoja inakuwa mantra yetu mpya. Imani na Uvumilivu ni Kanuni za Kiroho ambazo pia zinaweza kuwa tiba ya mawazo ya ugonjwa.

Kusimama kati ya kutenda au kujibu ni kitendo cha Imani. Wakati mwingine tunapokosa kujua la kufanya, jambo bora kufanya, ni kutofanya chochote. Tunaomba na tunaendelea kufanya jambo linalofuata sahihi.

Hatusimami kusubiri jibu. Tunasaidia wengine kutoka kwetu wenyewe.

Mapenzi ya Mungu yana mwanzo wake mwisho wa yetu.

Kwa Wakati Huu: Tutatambua kwamba Hatua ni njia ya mkato kwa Mungu, na Mungu ni njia ya mkato kwa Hatua.

28 Mei

"Sote tumetumia sehemu kubwa ya maisha yetu kuwa chochote isipokuwa wanyenyekevu. Tumekuwa tukidhalilishwa na mambo mengi yaliyotutokea wakati wa kutumia."

— Kitabu cha Kijivu, p. 48 (Step Seven, Lines 15-17)

Wengi wetu tuliepuka unyenyekevu wa kweli hadi tulipofanya Hatua ya Kwanza. Kujiisalimisha Kwetu Bila Masharti kulifanya iwezekane kutafuta Msaada kutoka kwa Nguvu Kubwa Kuliko Sisi wenyewe, katika Hatua ya Pili. Katika Hatua ya Tatu, kupitia Uamuzi wetu, Tuliomba kwa Unyenyekevu Mungu Aongoze Mapenzi yetu na Maisha yetu. Katika Hatua ya Nne hadi ya Sita, Tunakubali kuwa binadamu kwa kutambua na Kukiri kwa sauti makosa yetu.

Kwanza kwa Mungu, sisi wenyewe na kwa binadamu mwingine. Hatua ya Saba hadi ya Tisa tunaanza kuonyesha Unyenyekevu wetu mpya, kwa kufanya Mazoezi ya Kusamehe katika nyanja zote.

Fasihi yetu inasema kwamba, "Unyenyekevu ni sehemu ya kubaki safi, kama chakula na maji ni kwa kubaki hai." Fasihi yetu inasema, tulielekeza nguvu zetu katika kutosheleza mahitaji yetu ya kimwili. Hatukuwahi kufikiria ukuaji wa Kiroho au kumwomba Nguvu ya Juu kwa mwelekeo. Dawa za kulevyo zilikuwa Nguvu yetu ya Juu.

Tutajitolea kwa Unyenyekevu au tutateseka kwa kudhalilishwa.

Kwa Wakati Huu: Kwa Kukiri kutokuwa na nguvu na kutoweza kudhibiti tunapata mwangaza wetu wa kwanza wa Unyenyekevu.

29 Mei

"N.A. iliamsha kumbukumbu za zamani za jinsi ilivyohisi kuwa mwanachama wa familia ya binadamu."

— Kitabu cha Kijivu, p. 85 (Chapter Five, Lines 19-21)

Fasihi yetu inasema kwamba tulipokuwa tunatumia ujuzi wetu wa kuishi ulipunguzwa hadi kiwango cha wanyama. Wengi wetu tulikuwa tunapambana na kuishi tu, hatukuwa Tukiishi. Ilionekana kwamba kusudi letu lote lilikuwa kuhusu kutumia na kutafuta njia na njia za kuendelea kutumia. Uraibu ni kinyume na maisha.

Kadiri uraibu ulivyopata eneo zaidi na zaidi la Roho zetu, tulilala. Tulisahau jinsi ilivyokuwa kuwa binadamu.

Tulikuwa watumwa wa uraibu wetu, na dunia zetu zilipungua polepole. Narcotics Anonymous ilikuwa makaribisho yetu kurudi Maishani.

Ilikuwa ni kurudi nyumbani kwetu. Hapa, tulikutana na wengine waliotusaidia katika Kuamka kwetu. Jambo la kwanza tuliloambiwa ni kufikia na kudumisha Kujiepusha Kamili na Kamili kutoka kwa dawa zote zinazobadilisha akili na hisia. Ilipendekezwa kwamba mkutano mmoja kwa siku kwa siku 90 zijazo itakuwa wazo nzuri.

Tuliambiwa kuungana na wengine, kupata namba za simu, kuzipiga na sio kuzihifadhi. Mawasiliano ya karibu pamoja na kukumbatiana, kutoka kwa wanachama hawa wengine, yalituhimiza kuendelea kurudi. Ushirika wa Narcotics Anonymous Ulitupenda hadi tulipojifunza jinsi ya Kujipenda wenyewe. Tulijifunza kwamba Kuamka Kiroho kulitokea kama matokeo ya Kuishi Programu.

Hatua na Mila za Narcotics Anonymous zilitoa Maisha kwa Roho zetu. Zilitupa Njia ya Maisha ambayo hatukuwahi kujua ipo. Zawadi hii mpya inaweza tu kufanywa upya kila siku.

Tunadumisha Zawadi hii ya Thamani kwa Kushiriki nayo na wageni wapya.

Kwa Wakati Huu: "Kugusa, kushiriki, na kupenda ni zana halisi za urejesho kwetu."

30 Mei

*"Kupitia uhuru katika maisha yetu mapya, hatimaye tunaweza kuona sifa maalum
tunazomiliki kama watu binafsi"*

— Kitabu cha Kijivu, p. 161 (Chapter Ten, Lines 2-4)

Katika Narcotics Anonymous, mmoja wa watu tutakaokutana nao, ni sisi wenyewe. Baada ya kufikia chini kabisa, hatukufurahia kuona kile tumekuwa. Sasa tukiwa hatutumii dawa, tunahisi hisia zetu zote, na nyingi zilikuwa ni hatia, aibu, na majuto.

Wengi wetu hatukujipenda, na sasa tunakabiliana na hilo. Kuishi na sisi wenyewe bila kutumia dawa ilikuwa hata chungu zaidi, hatukuwa na dawa za kutufanya tusihisi. N.A. haitoi tu kuacha kutumia dawa, pia inatoa Uhuru kutoka kwa hamu ya kutumia, na inatoa Njia Mpya ya Kuishi kupitia Uamsho wa Kiroho tunaopata kwa Kuishi kila Hatua. Uamsho huu wa Roho unaturuhusu kulea mtu ambaye tulikusudiwa kuwa tangu mwanzo. Mchakato huu ni wa muda na si wa usiku mmoja, na wakati mwingine maumivu yetu yanahitaji Kujisalimisha Kikamilifu.

Kuna Uhuru uliomo katika kila Kanuni ya Kiroho. Uhuru kutoka kwa uraibu wa kazi, Uhuru kutoka kwa nafsi, Uhuru kutoka kwa wengine, na Uhuru kutoka kwa dunia kwa ujumla. Hatuhitaji tena vinyago; hatuhitaji tena kuwa watu wengine walivyotaka tuwe.

Hatimaye tunaweza kuwa sisi wenyewe na kuwa sawa na hilo. Sisi ni kazi inayoendelea. Bado hatujawa mtu ambaye Mungu anajua tunaweza kuwa.

Bado hatujawa mtu tunayetaka kuwa. Sisi ni mtu ambaye tunapaswa kuwa hapa, sasa hivi.

Kwa Msaada wa Mungu Tunaye Muelewa, Walezi wetu, Hatua, na Ushirika wa N.A., mabadiliko haya yanawezekana, Leo Tu. Tunajiona kwa uhalisia, na mapungufu yetu na Mali zetu. Tunajisalimisha kwa Mchakato huu na kupokea Kujikubali na Kukubali wengine.

Tunajifunza Kuishi katika ngozi zetu wenyewe; tunapata mwanga wa watu ambao siku moja tunaweza kuwa. Leo kuna Tumaini.

Kwa Wakati Huu: Hatuna tu Kujikubali, bali pia Tunakubali kile tunachokosa, pia tunajenga Huruma kwa sisi wenyewe na wengine.

31 Mei

"Kama hatutahifadhi hali yetu ya kiroho kila siku, baadhi yetu tunapata maumivu na kuchanganyikiwa kunakopelekea kurudi kwenye dawa na njia yetu ya zamani ya maisha."

— Kitabu cha Kijivu, p. 144 (Chapter Nine, Lines 27-29)

Tunatumia dawa mwishoni mwa kurudi nyuma. Uozo wa Kiroho huanza kutokea kwanza, kisha kasoro zetu zinachukua nafasi, na tunaweza kuchukua hivi karibuni, kisha tunatumia tu. Tunagundua kwamba kama hatufanyi kazi kwenye Urejesho wetu, tunafanya kazi kwenye kurudi nyuma.

Mchakato wa Urejesho unahitaji kazi; mchakato wa kurudi nyuma ni ukosefu wa kazi. Kwa kuwa Urejesho ni Safari ya kupanda mlima, kusimama tu, tunaanza kurudi nyuma.

Kusamehewa Kwetu Kila Siku kunategemea Hali yetu ya Kiroho siku hiyo. Urejesho wetu unajumuisha Kujisalimisha Kwetu Kila Siku kwa Kanuni za Narcotics Anonymous. Kanuni zinajumuisha Uaminifu, kuoanisha matendo yetu na Ukweli.

Kuhudhuria Mikutano mara kwa mara ni njia moja ya kuoanisha matendo yetu na Ukweli. Kuishi Programu siku nzima katika matendo yetu yote, ni njia nyingine ya kufanya mazoezi ya Uaminifu. Kupiga simu kwa Walezi wetu na kuwajibika kwao na wengine pia ni kufanya mazoezi ya Uaminifu.

Kuwahudumia wengine kupitia Huduma na Ulezi kunaimarisha Urejesho wetu na husaidia kutufanya tuwe Waminifu. Narcotics Anonymous ni Programu ya Vitendo, kufanya mazoezi ya Kanuni za Kiroho kila siku, hubadilisha mawazo yetu. Kwa kuwa akili mgonjwa haiwezi kujitibu yenyewe, tunapaswa Kuishi njia yetu hadi Kufikiria vizuri. Tunabadilika kila siku, tunapaswa kuendelea kuendelea katika Urejesho wetu, ili tusirudi kwenye tabia zetu za zamani.

Tunapoacha Kuishi Programu, mchakato wa Urejesho unakoma, na mchakato wa kurudi nyuma unaanza. Tunapaswa kuendelea kuwa na Mawasiliano ya Kifahamu na Nguvu Yetu ya Juu na kuendelea kuomba Nguvu ya kutembea njia hii. Pamoja na Mungu, Walezi wetu na Ushirika wa Narcotics Anonymous, tunaendelea kwenye Njia hii ya Kiroho.

Kwa Wakati Huu: Tutaendelea kusonga mbele kwenye Safari hii ya Kiroho. Pamoja na mraibu upande wetu wa kushoto na mraibu upande wetu wa kulia.

1 Juni

"Hatuhitaji kuwa safi tunapofika hapa, lakini baada ya mkutano wa kwanza, tunapendekeza uendelee kurudi kwenye mikutano na kuja ukiwa safi."

— Kitabu cha Kijivu, p. 20 (Chapter Two, Lines 6-8)

Uraibu ni ugonjwa unaoendelea, unaoua na usioweza kupona. Inaonekana haina matumaini, sivyo?

Kwa miaka mingi, na kwa wengi wetu, ilikuwa hivyo. Baada ya miongo ya kuteseka na kufa kwa matumizi ya dawa, waraibu hatimaye walipata Suluhisho. Narcotics Anonymous inatoa msamaha wa kila siku kutoka kwa hofu za uraibu.

Narcotics Anonymous ni kwa waraibu wanaotumia ambao wamejaribu bila mafanikio kila njia nyingine ya kuacha kutumia. Kwa wengi wetu Narcotics Anonymous ilikuwa nyumba ya mwisho kwenye mtaa. Kila kitu kingine tulichojaribu, dini, dawa, saikolojia, dawa, vituo vya kurekebisha na taasisi nyingine zilitushindwa.

Jiwe la msingi la Programu yetu ni Kuacha kutumia dawa zote ili Kupona. Hii inaonekana kuwa kazi isiyowezekana mwanzoni. Kwa bahati nzuri, sharti pekee la kuanza Safari yetu ni tamaa ya kuacha kutumia.

Mara tu Kuacha kabisa na kabisa kunapofikiwa, Urejesho basi unawezekana. Tunakutana kwa wakati na mahali fulani kwa madhumuni ya Urejesho. Tunasaidiana Kusafisha, Kukaa Safi na hatimaye Kupona, Siku Moja Kwa Wakati.

Tunaambiwa; "Endelea Kurudi", hata kama bado tunatumia. Inapendekezwa ingawa kwamba turudi tukiwa safi.

Ingawa sharti pekee ni tamaa ya kuacha kutumia, si sawa kuendelea kutumia. Tutakukaribisha na Kukupenda, lakini hatutakuruhusu. Wanachama wetu wanaopona wataweka njia wazi ya Kupona. Ni juu ya mgeni kuchukua Hatua zinazohitajika kufikia na kudumisha Kuacha wakati Urejesho unakuwa unawezekana.

Katika Narcotics Anonymous tunawasha Moto wa Tamaa kwa Kushiriki Furaha, tunapata Uhuru na Ukuaji. Tunapona kwa Kufanya mazoezi ya Kanuni za Kiroho zilizofungwa katika Hatua na Mila. Tunaposhiriki Vifaa hivi vya Kiroho na wengine, Matunda ya Kiroho yanaonekana katika Maisha yetu.

Ushahidi unakuwa wazi kwa wengine, na wanataka kile tulichopata. Hii ni Nguvu ya Kuvutia tunayo wakati tunabeba Ujumbe huu wa Kuokoa Maisha wa Urejesho katika Narcotics Anonymous.

Kwa Wakati Huu: Tutakaribisha wote wanaokuja N.A. Tutahimiza Kuacha kwa wale ambao bado wanatumia. Tutatoa Urejesho kwa wale ambao hawatumii.

2 Juni

"Ilikuwa inawezekana katika mawazo yetu ya uraibu kwamba kitu kingefanya kazi kwetu bila kazi yoyote kutoka kwetu."

— Kitabu cha Kijivu, p. 10 (Chapter One, Lines 29-31)

Moja ya misemo tunayosikia katika Narcotics Anonymous ni, "Inafanya kazi ikiwa unafanya kazi." Hii inamaanisha kwamba ikiwa tunataka Kupona lazima tuchukue Hatua. Katika uraibu hai, tulitegemea dawa za kulevya kutufanya tujisikie vizuri na kuondoa maumivu yoyote ya kimwili, kiakili au kihisia. Tulitumia dawa za kulevya ili tuweze kuishi siku hiyo.

Dawa za kulevya zilifanya kwa ajili yetu kile ambacho hatungeweza kufanya wenyewe. Kufika N.A., wanachama wengine walituambia kwamba hatuhitaji kutumia tena.

Tunasoma katika kitabu cha N.A. kwamba ikiwa Tutaishi Programu ya Narcotics Anonymous kila siku hatutatumia kwa siku hiyo tu. Kuishi Programu ilimaanisha kwamba tulihitaji kuwa na hamu ya kuacha kutumia. Iliamaanisha kwamba tulihitaji kukumbatia Kanuni za Kiroho za Narcotics Anonymous.

Kujisalimisha kwetu kwa Kujizuia kabisa na kabisa ilikuwa moja ya Kanuni za Kiroho ambazo tulihitaji Kujisalimisha. Tulihitaji kuacha kuruhusu dawa za kulevya kututumia. Tulihitaji kupata Nguvu iliyo na nguvu zaidi kuliko uraibu wetu ili kutusaidia kupata na kubaki Safi.

Kufuata mapendekezo kupitia Hatua ni kile kilichoondoa hamu yetu ya kutumia dawa za kulevya. Maumivu ya kutotumia dawa za kulevya yalitulazimisha kutafuta Nguvu hii Kubwa Kuliko Sisi Wenyewe. Kufanya Uamuzi wa kugeuza mawazo yetu na tabia zetu kwa Utunzaji wa Nguvu hii ya Juu kulihitaji Uwazi na Utayari wetu.

Tulitumia Zana za Kiroho tulizopewa kufungua Matunda ya Kiroho yaliyomo katika kila Hatua na Mila. Matokeo ya juhudi zetu hayakuwa tu Uhuru kutoka kwa uraibu hai. Kupitia matokeo ya Hatua hizo, tulipata Uamsho wa Kiroho.

Kupitia Uamsho wetu wa Kiroho tuliweza Kutumia Kanuni hizi za Kiroho katika mambo yetu yote.

Kwa Wakati Huu: Tutaishi Kanuni za Kiroho za Narcotics Anonymous kwa Kushiriki Ujumbe huu na wale ambao bado wanateseka.

3 Juni

"Tunaweza tu kufanya marekebisho yetu kwa uwezo wetu bora na wanaweza kuyakubali au kuyakataa."

— Kitabu cha Kijivu, p. 53 (Step Nine, Lines 16-18)

Uhuru wa Kweli unategemea Hatua hii muhimu. Hatua ya Tisa ya Narcotics Anonymous ni sehemu ya Ahadi ya Uhuru ambayo Ujumbe wetu unazungumzia. Katika Hatua tatu za kwanza, tunapata Uhuru kutoka kwa dawa za kulevya na uraibu hai.

Hatua tatu zinazofuata, tunaanza kupata Uhuru kutoka kwa utumwa wa nafsi. Hatua ya Saba, Nane na Tisa ni mwanzo wa Uhuru kutoka kwa watu, maeneo na vitu vilivyotufunga. Uraibu ulikuwa umenasa Akili zetu, Miili na Roho kwa kuridhika kwa haraka. Hatua ya Tisa inatuachilia kutoka kwa uharibifu wa zamani wetu.

Kwa kuwa muda ni sehemu muhimu ya Hatua hii, Tunahitaji Mwongozo kutoka kwa Mungu wa Kuelewa Kwetu na Wadhamini wetu. Tunarekebisha madhara tuliyosababisha kwa kubadilisha njia zetu. Pia tunafanya Marejesho kwa uwezo wetu bora.

Tunakaribia Hatua hii bila matarajio ya matokeo. Tunafanya Marekebisho kwa sababu tunapaswa.

Hofu ya ubinafsi inaweza kujaribu kuingia tena. Tunategemea Nguvu yetu ya Juu kwa Nguvu na Ujasiri na kuendelea.

Tunasafisha upande wetu wa barabara. Hatusafishi dhamiri yetu kwa gharama ya wengine. Vivyo hivyo, hatuwajibiki kwa majibu au matokeo ya Marekebisho hayo.

Tunafanya Marekebisho kwa uwezo wetu bora; waathirika wetu wanaweza kuyakubali au kuyakataa. Urejesho wetu unastawi tunapochilia ubinafsi wetu na hofu za ubinafsi. Mchakato huu wa maisha yote unatuwezesha kupata Njia Mpya ya Kuishi.

Kwa Wakati Huu: Kwa Kanuni za Narcotics Anonymous, tunapata fursa ya kurekebisha Mahusiano yetu ya zamani na kuanzisha mapya yenye Afya.

4 Juni

"Hisia zetu hasi za nafsi zilibadilishwa na kujali chanya kwa wengine."

— Kitabu cha Kijivu, p. 26 (Chapter Three, Lines 26-27)

Maandishi Yetu ya Msingi yanatuambia kwamba maisha yetu yote, kwa njia moja au nyingine, yalijikita katika dawa za kulevya. Ilionekana kwamba utu wetu na sisi ni nani tulipotea na kila mbio. Kama vimbunga, tulikuwa wabinafsi, tulipokuwa tukipita katika Maisha ya watu.

Tulikuwa tunajiumiza zaidi kwa kupuuza majukumu yetu wenyewe. Mmoja wa wanachama wetu alisema kwamba, "Uraibu ulibadilisha tabia yangu. Uhalisia ukawa usiovumilika, hatimaye usiovumilika.

Nilihitaji dawa zaidi na zaidi ili kuishi. Nilipokuwa chini ya ushawishi wa dawa za kulevya, Uaminifu na Uadilifu vilikuwa na umuhimu mdogo na mara nyingi havikufaa. Kati ya 'mbio', Uaminifu na Uadilifu vilikuwa mizigo ambayo ingezuia kupata dawa zaidi na faraja niliyohitaji." Tukiwa tumepotea na kuvunjika Kiroho tulijikuta katika Narcotics Anonymous. Hapa, tulikutana na wengine ambao walikuwa mahali tulipokuwa wakati mmoja.

Wanachama hawa wa Narcotics Anonymous walituonyesha Upendo usio na masharti. Walituambia hatuhitaji kuumiza tena. Walituambia kwamba walikuwa wamepata Uhuru, kutoka kwa hofu za uraibu hai.

Mikumbatio yao, pamoja na lugha isiyo na maneno ya Huruma, ikawa mwanzo wa mchakato wetu wa uponyaji. Njia hii Mpya ya Kuishi ikawa Njia yetu Mpya ya Maisha. Uhuru kutoka kwa uraibu hai ulitupa hisia ya nafsi.

Uhusiano wetu na uhalisia ulikuwa mwanzo wa Urejesho wetu. Kanuni za Kiroho za Narcotics Anonymous zilikuwa mwisho wa kutengwa kwetu.

Tulipewa Zawadi hii ya Thamani bure. Sharti pekee la kuweka Zawadi hii ya Thamani ilikuwa kuipatia bure bila malipo. Kupitia matokeo ya Uamsho wetu wa Kiroho tulikuza kujali kwa asili kwa wengine.

Tulianza kujisikia Inafaa na Thamani. Muhimu zaidi tulikuwa na uwezo wa Kuwasaidia wengine.

Kwa Wakati Huu: Paradox ya ajabu ya kuweka kile tulicho nacho kwa kukitoa, ikawa Njia ya Maisha ya kawaida kwetu.

5 Juni

"Uaminifu, kutafuta ukweli, ni lengo letu gumu zaidi na bado lenye changamoto zaidi."

— Kitabu cha Kijivu, p. 148 (Chapter Nine, Lines 26-27)

Moja ya Kanuni za Kiroho za kwanza tunazojifunza katika Narcotics Anonymous baada ya Kujizuia, ni Kanuni ya Uaminifu. Hatua ya Kwanza inatuhitaji Tukubali kutokuwa na nguvu na hali ya kutoweza kudhibiti. Uaminifu wetu unaweza kupimwa kwa kiwango cha Kujisalimisha kwetu.

Kujisalimisha kwetu kunaweza kupimwa kwa Matendo yetu. Kwanza tunahitaji kuunganisha matumizi yetu na matatizo yaliyosababisha Maisha yetu. Kwa kuwa uraibu uliathiri kila eneo la Maisha yetu, tunapaswa kutumia Kanuni za Kiroho katika kila eneo la Maisha yetu.

Kuhudhuria Mikutano, kujiunga na Kikundi cha Nyumbani, kusoma Fasihi, kupata Mlezi, yote ni sehemu ya Uaminifu. Kwa kila Hatua, kiwango cha kina zaidi cha Kujisalimisha na Uaminifu kinahitajika, ikiwa Maendeleo yoyote yanapaswa kufanywa katika Ukuaji wetu wa Kiroho. Fasihi yetu inatuambia kwamba Uaminifu ni dawa ya fikra za ugonjwa. Uaminifu ni moja ya Kanuni ambazo ni muhimu.

Uaminifu unamaanisha kwamba tunapaswa kulinganisha matendo yetu na Ukweli. Tunapokuwa Waminifu na sisi wenyewe, tunajifunza kuwa Waminifu na wengine.

Uaminifu lazima uwe wa kuendelea ikiwa tunataka kuendelea Kukua katika Urejesho wetu. Fasihi yetu inatuambia kwamba kila kitu tunachojua kinaweza kubadilishwa, hasa kile tunachojua kuhusu Ukweli. Tunapaswa kubaki Waminifu katika kutafuta Ukweli.

Kuweka Akili Wazi pia ni Kanuni inayokwenda sambamba na Kanuni za Uaminifu na Utayari, kwa hizi tuko njiani vizuri. Kuchukua Hesabu ya Kila Siku husaidia kutufanya Waminifu. Pamoja na Narcotics Anonymous, Tunapona.

KATIKA WAKATI HUU

Tutaendelea kufanya mazoezi ya Kanuni ya Kiroho ya Uaminifu katika kila eneo la Maisha yetu.

6 Juni

"Hatua Kumi na Mbili za Narcotics Anonymous ni mchakato wa urejesho unaoendelea uliowekwa katika maisha yetu ya kawaida."

— Kitabu cha Kijivu, p. 147 (Chapter Nine, Lines 31-33)

Hatua Kumi na Mbili na Mila Kumi na Mbili ndizo zinazounda Mpango wetu wa Kiroho. Uamsho wa Kiroho unaotokana na Hatua hizo na Mila hizi, ndizo zinazoweza Urejesho. Ugonjwa wa uraibu uliathiri kila eneo la maisha yetu.

Mpango wa N.A. unatoa Zana za Kiroho kama Suluhisho kwa maisha yaliyoathiriwa na ugonjwa wa uraibu. Fasihi yetu inasema kwamba hizi ni seti ya Kanuni zilizoandikwa kwa urahisi kiasi kwamba tunaweza kuzifuata katika maisha yetu ya kila siku. Pia inasema kwamba jambo muhimu zaidi kuhusu hizo ni kwamba zinafanya kazi. Narcotics Anonymous inawarudisha waliofariki kwenye uhai.

Sio tu kwamba inatoa Njia Mpya ya Maisha, inatupa maisha ambayo hatukuwahi kujua yanawezekana. Narcotics Anonymous ni Suluhisho pekee lililothibitishwa kwa ugonjwa ambao umekuwa ukiathiri dunia kwa miongo kadhaa. Ili Mpango ufanye kazi, tunapaswa Kujisalimisha kwa Kanuni zake za Kiroho.

Moja ya Kanuni za Kiroho za kwanza ni Kujizuia kabisa na kikamilifu kwa dutu yoyote inayobadilisha hali ya akili. Mpango hauwezi kufanya kazi ikiwa akili na miili yetu imejaa dawa za kulevya. Tunapofanya mazoezi ya Mpango huu wa Kuishi, Roho zetu zinaamka.

Tunapata Nguvu Kubwa Kuliko Sisi wenyewe na inakuwa Chanzo chetu Kikuu cha Nguvu. Ugonjwa wa uraibu ni hatari, hauponi na unaendelea.

Tunapewa Muda wa Kila Siku wa Kupona kulingana na Matengenezo yetu ya Kiroho na Kushiriki Mpango huu na wale wanaouhitaji. Kusudi letu Kuu katika Narcotics Anonymous ni Kupata Nafuu na kusaidia wengine kupata Njia hii ya Maisha.

KATIKA WAKATI HUU

Tutafanya mazoezi ya Kanuni hizi za Kiroho katika Njia yetu ya Kuishi. Tutashiriki Njia hii ya Maisha na wale wanaoitafuta.

7 Juni

"KWA LEO TU nitakuwa na imani na mtu katika N.A. ambaye anaamini mimi na anataka kunisaidia katika urejesho wangu."

— Kitabu cha Kijivu, p. 143 (Chapter Nine, 2nd Sentence)

Katika uraibu wa kazi nyingi wengi wetu tulipoteza Imani katika chochote au yeyote. Ugonjwa wa uraibu ulizilaza Roho zetu. Hatukuwa na Uhusiano na Uhalisia.

Mahusiano yetu ya Kibinafsi yalidhoofika polepole tunapozidi kupotea katika ugonjwa wetu. Hatukuwa tena tunashiriki katika Maisha yetu au katika Maisha ya wengine. Tulikuwa tumepoteza moja ya sababu kuu za kuwa Binadamu, ushirikiano wetu na mtu mwingine. Ugonjwa ulitutenga, hadi kwa kukata tamaa tukapata Narcotics Anonymous.

Hapa, tulikutana na waraibu wengine kama sisi ambao hawakuwa tena peke yao. Walikuwa na kila mmoja, lakini muhimu zaidi walikuwa na wao wenyewe. Walituambia kwamba wao pia waliteseka kutokana na hofu za uraibu.

Walionekana kuwa Wenye Furaha, Wenye Shauku na Huru. Walituonyesha Upendo usio na masharti na Kukubalika.

Hatimaye tulihisi nyumbani kwa kuwa Karibu sana. Waliamini katika sisi na walitaka kutusaidia kufikia kile walichofikia, Uhuru kutoka kwa uraibu wa kazi nyingi. Wanachama wa N.A. walituonyesha kwa kutumia Kanuni za Kiroho za Narcotics Anonymous; sisi pia tunaweza Kupona. Tuligundua kwamba ilikuwa ni Mpango wa saa ishirini na nne.

Ufanisi wake ulitegemea Kujizuia kabisa na kikamilifu kwa dawa zote zinazobadilisha akili na hisia. Pia ilikuwa inategemea matumizi endelevu ya Kanuni hizi za Kiroho kila siku. Jambo bora zaidi kuhusu hilo ni kwamba hatukuhitaji na hatungeweza kufanya peke yetu.

NA pia inamaanisha, Kamwe Peke Yako.

KATIKA WAKATI HUU

KWA LEO TU hatutaogopa, mawazo yetu yatakuwa kwenye mahusiano yetu mapya, watu ambao hawatumii na ambao wamepata Njia Mpya ya Maisha.

8 Juni

"Kitu pekee tunachowaomba wanachama wetu ni kuwa na tamaa hii. Bila hiyo, wamehukumiwa, lakini nayo miujiza imetokea."

— Kitabu cha Kijivu, p. 97 (Tradition Three, Lines 22-24)

Mapokeo yetu ya Tatu yanatuambia kwamba sharti pekee la uanachama wa Narcotics Anonymous ni tamaa ya kuacha kutumia dawa za kulevyo. Hatuhitaji kuwa Safi tunapokuja kwa mara ya kwanza katika Narcotics Anonymous. Tunaambiwa katika mkutano wetu wa kwanza, kuendelea kurudi, lakini kurudi tukiwa Safi.

Mpango wa Narcotics Anonymous unafanya kazi tu kupitia Kujizuia Kikamilifu na Kabisa kutoka kwa dawa zote zinazobadilisha akili na hisia. Kiwango chetu cha tamaa kwa ajili yetu wenyewe kinaweza kupimwa na Matendo yetu, Utayari ni mwanzo tu. Bila kujali Usafi wetu bado tunaweza kujita wanachama. Wanachama wengi wetu hurudi kwenye uraibu wa kazi.

Hii haimaanishi kwamba si wanachama tena. Wakati huo wanachama wetu wanahitaji kurudi haraka iwezekanavyo, na kuwa Safi.

Tamaa lazima iwe upatikanaji wetu wa kwanza, bila hiyo tumehukumiwa, Fasihi yetu inasema. Mara tu tunapokuwa Safi Kikamilifu na Kabisa tunaweza kuanza Kupona. Hatua yetu ya Kwanza inatukumbusha kwamba kukubalika kijamii, ambayo ni pamoja na muda wa Usafi, hailingani na Kupona.

Kupona kunaweza kuonekana kama mabadiliko ya mitazamo na tabia. Mabadiliko haya yanawezekana tu kupitia Kuishi Kanuni za Kiroho za Narcotics Anonymous. Kanuni hizi ni matokeo ya kufanya kazi na kutumia Hatua na kisha Mapokeo ya Mpango wetu.

Kila siku Kuishi lazima kujumuisha Mazoezi ya Kanuni hizi za Kiroho, ili Kupona kwetu kuwa na athari yoyote. Reprieve yetu ya Kila Siku inategemea Maendeleo yetu ya Kiroho. Muda wa Usafi ni Jiwe letu la Msingi.

Kwa Wakati Huu: Muda wa Usafi ni uzio kuzunguka Kupona kwetu. Bila hiyo hakuna kinachoweza Kumea. Yote huanza na Tamaa ya kuacha kutumia.

9 Juni

"Ndoto zilizopotea zinaamka na uwezekano mpya unachipuka."

— Kitabu cha Kijivu, p. 142 (Chapter Eight, Lines 3-4)

Ni mara ngapi tunasikia kauli hii na wazungumzaji au wanachama wengine? Ni nini kinaweza kuja akilini kwa wapya au wanachama wengine? Wengine wanaweza kufasiri hii kumaanisha kwamba tunaweza kuwa matajiri na maarufu.

Wanachama wetu matajiri na maarufu wanajua vyema. Baadhi ya waraibu walikuja na pesa, nyumba na elimu ya juu.

Wanaweza kukuambia kwamba pesa, mali na hadhi havikuwasaidia kujisikia vyema kuhusu wao wenyewe katika uraibu wa kazi. Kwa kweli, wengi watakuambia kwamba iliongeza mateso yao.

Kukana kuliwafanya wakae huko muda mrefu zaidi. Fasihi yetu ya Msingi inatuambia kwamba, "kupitia kupona, ndoto zetu zinatimia. Hatumaanishi kwamba lazima tuwe matajiri au maarufu. Hata hivyo, kwa kutambua mapenzi ya Nguvu Yetu ya Juu, ndoto zinatimia katika kupona kwetu." Kitabu chetu cha Kijivu kinaendelea kusema, "Ni mara ngapi tumesikia kitu tena na tena, hadi hatimaye kinachukua mizizi na kuchanua.

Kwa kila mkutano tunahudhuria, mbegu zilizopandwa katika mikutano ya awali zinamwagiliwa hadi tunaweza kuziona zikikua hadi mavuno. Mavuno haya ni aina ya ukuaji wa kiroho." Huu Mwisho wa Kiroho, uhusiano na Uhalisia, Uhuru wa kuabudu na kuendeleza uhusiano na Mungu wa Kuelewa Kwetu Wenyewe, hizo ndizo ndoto zetu zinazotimia. Uhusiano huo na Uhalisia ndio ambapo uwezekano wetu mpya unachipuka au kuibuka.

Hatuwezi kuchanganya Ujumbe wetu na faida za kimwili. Tuzo zetu zinapimwa na Matunda yetu ya Kiroho yanayotokana na Kuishi na Kushiriki Mpango huu wa Kuishi unaoitwa Narcotics Anonymous.

Kwa Wakati Huu: Tutabeba Ujumbe wetu wa Tumaini na Ahadi ya Uhuru. Hii ndiyo kitu pekee Narcotics Anonymous inatupa.

10 Juni

*"Tunapofanikiwa kuondoa nia zetu za ubinafsi, tunaanza kupata amani
isiyolinganishwa na ulevi wa dawa za kulevyu."*

— Kitabu cha Kijivu, p. 58 (Step Eleven, Lines 6-8)

Fasihi yetu inatuambia kwamba mara tu furaha ya kutumia ilipokwisha, tuliona upande mbaya wa uraibu. Kwa wengi wetu, tulipoteza hisia nzuri ya kulewa muda mrefu uliopita. Mwishoni mwa matumizi yetu, tulipata maumivu ya kujiondoa, au tulichukua dawa zaidi.

Wengi wetu tulichukua dawa zaidi. Hatukutumia tena dawa, dawa zilitutumia.

Kuja kwa Narcotics Anonymous na Kufikia na Kudumisha Kujizuia Kikamilifu na Kabisa, kilituacha na pengo. Fasihi yetu ya Msingi inatuambia kwamba madhumuni ya Hatua ya Pili ilikuwa kujaza pengo hilo. Kwa bahati mbaya wanachama wengi walijaribu kujaza pengo hilo na vitu vingine badala ya Nguvu Yetu ya Juu. Vitu hivi vingine vilivyotumika kujaza Pengo la Mungu, ikiwa ni pamoja na dawa za kulevyu haramu na dawa zilizopendekezwa, vilisababisha wengine na sisi maumivu zaidi.

Nia zetu zilikuwa za ubinafsi, nia zetu zilikuwa na nia. Hatimaye, wakati maumivu ya kubaki vilevile yalipokuwa makubwa kuliko maumivu ya kubadilika, tulichukua Hatua zinazohitajika kuondoa mazoea yetu. Kutumia Kanuni za Kiroho kilituacha tukijisikia vizuri kuhusu sisi wenyewe na wengine.

Kufanya Hatua na Mapokeo na Wadhamini wetu, kuwa katika Huduma kwa Narcotics Anonymous, tulipata aina tofauti ya furaha. Kushiriki Zawadi hii ya Thamani na wengine na kuwafikiria wengine kulisababisha amani isiyolinganishwa na ulevi wowote wa dawa za kulevyu tuliowahi kupata. Hatukuhitaji tena watu, mahali au vitu kujisikia vizuri kuhusu sisi wenyewe. Tulitafuta kibali cha kibinafsi na si kibali cha wengine.

Tunaanza Kusimama na Kuishi kwa Kanuni za Kiroho. Njia pekee ya kutoka kwa ubinafsi, ni kufanya kazi na wengine.

Kwa Wakati Huu: Tutafanya Mazoezi ya kutokuwa na ubinafsi. Kwa kweli tunafanya Mapenzi ya Mungu kwa kuondoa nia zetu za ubinafsi.

11 Juni

"Sasa kwa kuwa tuko katika N.A. tuna mtazamo mpya wa kuwa safi. Kufungua milango hii na kuingia ndani yake kunakuwa ni safari mpya ya kuishi."

— Kitabu cha Kijivu, p. 141 (Chapter Eight, Lines 12-17)

Katika Narcotics Anonymous, ufafanuzi wetu wa kuwa Safi ni zaidi ya kujizuia kimwili tu. Kupata Usafi kunahusu zaidi kujizuia na dawa zote zinazobadilisha akili na hisia. Kuishi Safi kunapendekeza kwamba tunajumuisha Kanuni za Kiroho katika kila eneo la Maisha yetu.

Kitabu chetu cha Msingi kinasema, "Kukubalika kijamii hailingani na kupona. Tumegundua kwamba hatukuwa na chaguo isipokuwa kubadilisha kabisa njia zetu za zamani za kufikiri au kurudi kutumia." Kwa hivyo kwetu kupata Usafi ni rahisi kuliko kubaki Safi. Tunahitaji tu kupata Usafi mara moja.

Kubaki Safi kunahitaji Mabadiliko mapya na Mazoezi ya Mitazamo na Tabia, tofauti na utegemezi wetu wa zamani. Wengi wetu tulirudi mara nyingi na kuchukua chipu nyeupe, au tagi ya ufunguo. Wengi walirudi kwenye matumizi ya zamani, waliendelea kurudi, na hatimaye walifanya kazi ya kubaki Safi na Kupona.

Baadhi yetu tulipotea bila kurejeshwa. Baadhi yetu walikufa.

Kwetu, kuwa Safi na Kuishi Safi lazima kumaanishe kitu zaidi, na tofauti. Tulianza kuona kwamba Uhuru ulikuwa zaidi ya mwisho wa utegemezi wa zamani. Tulianza kuzingatia na kufanya kazi kwa ajili ya Kuamshwa Kiroho kila Hatua na Utamaduni unavyotoa.

Kitabu chetu cha Kijivu kinatuambia kwamba Mkutano ni kama uzio kuzunguka muda wetu wa Usafi. Bila Kupona, hatuhitaji kweli uzio, siyo? Au ni uzio tu unaolinda udongo bila kitu kilichopandwa? Wale wetu wanaofanya Programu ya Kuishi wanafurahia Baraka za Matunda ya Kiroho.

Maisha yanaanza kuchukua maana mpya kadri mitazamo yetu inavyobadilika. Hatimaye tunaishi na siyo tu kuwepo.

Tunaishi katika wakati huu, lakini tuna Tumaini kwa ajili ya Baadaye. Kila siku imejaa Fursa ya Ukuaji Usio na Kikomo. Tunakuwa na Shukrani na inaonekana tunaposhiriki Zawadi hii ya Thamani na wote wanaotafuta Kupona katika Narcotics Anonymous.

KATIKA WAKATI HUU

Tutaheshimu Muda wetu wa Usafi kwa kupanda Mbegu za Kiroho katika udongo huu safi wenye rutuba.

12 Juni

"Hatua Kumi na Mbili zinatuoongoza kutoka hali ya fedheha na kukata tamaa hadi hali ambapo tunaweza kutenda kama vyombo vya mapenzi ya Mungu."

— Kitabu cha Kijivu, p. 60 (Step Twelve, Lines 7-9)

Mchakato wa Kupona katika Narcotics Anonymous, ni mchakato huo. Tofauti na mchakato wa utegemezi, unahitaji kazi. Tuliposhindwa na kufika katika Narcotics Anonymous tukiwa tumedhalilika na katika hali ya kukata tamaa, tulilazimika Kujisalimisha.

Kukubali kutokuwa na nguvu juu ya ugonjwa ilikuwa mojawapo ya mifano yetu mikubwa kwa mgeni. Wao pia wanaweza Kujisalimisha na kutafuta msaada kupitia Narcotics Anonymous. Kujisalimisha kwetu ni mojawapo ya Kanuni za Kiroho tunazokutana nazo katika N.A.

Ni Nguvu ya Mfano. Siku zetu za maumivu makali katika Kupona kwetu zinaweza kutumika kama msingi wa ukuaji.

Fasihi yetu inatukumbusha kwamba Unyenyekevu ni mahali pazuri kwa mraibu kuwa. Kanuni ya Kiroho ya Kutokujulikana inatukumbusha kwamba hatufanyi haya peke yetu. NENO katika Hatua zetu linaonyesha kwamba jumla ni kubwa kuliko sehemu zake zote.

Tunapopiga hatua kutokana na Hatua hizo, tunafanya Mazoezi ya Kanuni hizi katika mambo yote ya maisha yetu. Mchakato huu una matokeo yake tunapofanya Mazoezi ya Utamaduni wetu. Kwa hapa ndipo tunapochukua Kupona barabarani.

Mchakato wa Kuishi Hatua ni sawia na jinsi tunavyohusiana na kuingiliana na wengine, na ulimwengu kwa ujumla. Kujisalimisha na kutokuwa na nguvu siyo tena mambo hasi. Kitabu chetu cha Msingi kinasema kwamba, "Tunapokubali kutokuwa na nguvu na kutoweza kusimamia maisha yetu wenyewe, tunafungua mlango kwa Nguvu kubwa kuliko sisi wenyewe kutusaidia."

KATIKA WAKATI HUU

*Tutajisalimisha kwa Mapenzi ya Mungu kwetu, bila kujali jinsi gani inaweza kuwa chungu.
Tumaini ni kwamba tunaweza kusaidia mtu mwingine daima kwa uzoefu wetu.*

13 Juni

"Programu inafanya muujiza katika mioyo yetu. Tunakuwa huru kuzunguka bila kulazimishwa au hatia."

— Kitabu cha Kijivu, p. 18 (Chapter Two, Lines 23-26)

Mmoja wa wanachama wetu alisema, "Hatua ya Saba, Nane na Tisa ni mahali ambapo Mioyo yetu inaanza Kupona." Wanaendelea kueleza kwamba Upendo, Msamaha na Wema kwa wengine hutoka sehemu hii ya miili yetu. Nukuu ya mwanzo kutoka Kitabu chetu cha Kijivu inasema, "Tunakuwa watu wapya. Hatua na kujizuia hutupa msamaha wa kila siku kutoka kwa hukumu za maisha tulizojitwika wenyewe." Kwa mraibu anayepata nafuu katika Narcotics Anonymous, hizi ni Muujiza.

Kabla ya kuanza Kupenda na Kujali kwa dhati wengine, tunapaswa Kujijali wenyewe. Sehemu ya Kupona ni kuhusu kutekeleza Kujijali. Hatua ya Nne, Tano na Sita ni Hatua ambapo tunaanza kuwa sawa na nafsi.

Tunaanza na Mchakato wa Orodha na kuanza kuondoa hatia na aibu ya nafsi. Tunaanza mchakato wa Kujikubali na Kujijali, kabla ya Kukubali na Kujali wengine. Tumbo letu linaanza Kupona, kutoka hapa hutoka hisia za nafsi.

Kisha Mioyo yetu inaanza Kupona, kutoka hapa hutoka hisia kwa wengine. Hatia yetu, aibu na majuto yanabadilika kuwa Kukubali, Upendo, Uvumilivu na Uelewa. Tunaanza kutembea tukiwa na vichwa vyetu vimeinuka juu, na siyo kwa sababu ya kiburi.

Tuko Huru kuwa watu tuliokusudiwa kuwa kabla ya kuugua. Tunaweza kuangalia watu wengine machoni, kwa sababu tuko Huru kutokana na hatia, aibu na kulazimishwa.

Leo tuna uwezo wa kuhisi na kuonyesha Huruma kwa wengine. Mioyo yetu iko Huru Kupenda na Kusamehe, lakini muhimu zaidi, kuonyesha Huruma.

Tunapoendelea katika Hatua tunapona kutoka shingoni kwenda juu, hapo ndipo Kutafakari na Kiroho kunapokaa.

KATIKA WAKATI HUU

Kupitia Kuishi Kanuni za Kiroho za Narcotics Anonymous Mioyo yetu inabadilishwa. Tunakuwa Wapendwa na Wapendao.

14 Juni

"Ikiwa hatutahifadhi hali yetu ya kiroho kila siku, baadhi yetu tunapata maumivu na kuchanganyikiwa yanayosababisha kurudi kwenye dawa za kulevya na njia yetu ya zamani ya maisha."

— Kitabu cha Kijivu, p. 144 (Chapter Nine, Lines 27-29)

Kiroho ni moja ya Zawadi za mwisho tunazopokea katika Mpango huu. Kwa kushangaza ni moja ya mambo ya kwanza tunayopoteza katika mchakato wa kurudi nyuma. Hatua yetu ya Kumi na Moja inasema, "Tumegundua kuwa hali yetu ya kiroho ni msingi wa kupona kwa mafanikio ambayo hutoa ukuaji usio na kikomo." Inatoa, inamaanisha kuwa sio jambo lililopewa. Tunapaswa kufanya kazi ikiwa tunataka Kupona.

Sura ya Kumi inasema, "Narcotics Anonymous inatoa ahadi moja tu na hiyo ni uhuru kutoka kwa uraibu wa kazi." Ahadi ya Uhuru na Ujumbe wa Tumaini inahitaji sisi kutekeleza Mpango wa Kuishi. Uzembe wa kiroho unaweza kuanza mchakato wa kurudi nyuma.

Tunajaa mwishoni mwa kurudi nyuma, sio mwanzoni. Reprieve ya kila siku tunayopewa inategemea matengenezo haya ya kila siku.

Tunapopata Usafi kwa mara ya kwanza, tunafurahia Uhuru kutoka kwa uraibu wa kazi. Hatimaye tuko Huru kutoka gereza letu tulilojitengenezea wenyewe. Ili kubaki Huru, tunapaswa kuwa na mabadiliko ya kazi ya mitazamo na tabia zetu.

Hatuwezi kufikiri njia yetu katika Maisha mazuri. Hatua zinatuwzesha Kuishi njia yetu katika mawazo mazuri. Uamsho wetu wa Kiroho lazima uendelee kuwa wa maendeleo.

Kupona ni Safari ya kupanda, ikiwa tutasimama, tunaweza kurudi nyuma. Kwa bahati mbaya baadhi ya wanachama wetu husimama katika Kupona kwao na baadhi watarudi kwenye uraibu wa kazi. Fasihi yetu inatuambia kwamba, "maisha mapya kabisa yanafunguka.

Kwa njia hii, tunapona"

Kwa Wakati Huu: Tutaendelea na Mpango huu wa hatua. Tutaendelea kufanya kazi Mpango wa saa ishirini na nne.

15 Juni

"Wengi wetu tunashikilia hofu zetu, mashaka, na kujichukia au kuchukia wengine, kwa sababu kuna usalama fulani uliopotoka katika maumivu yanayojulikana. Inaonekana salama kushikilia maumivu ya zamani yanayojulikana kuliko kuachilia kwa yasiyojulikana."

— Kitabu cha Kijivu, p. 46 (Step Six, Lines 22-26)

Baadhi ya wanachama wanaelezea Hatua ya Sita kama mchakato wa kuomboleza. Dosari za tabia zilikuwa zana za ugonjwa.

Kama dawa za kulevya, zilikuwa suluhisho letu kwa muda mrefu. Mwishoni mwa chini yetu, waligeuka dhidi yetu. Dawa za kulevya na dosari ambazo zilikwenda sambamba na uraibu wetu wa kazi, hazikuhitajika tena katika Njia hii Mpya ya Maisha.

Tulilazimika kusema kwaheri kwa zile mbinu za zamani za kuishi. Kwa kuwa hiyo ndiyo yote tuliyokuwa tukifahamu, ilikuwa vigumu na chungu kuachilia. Lakini kama Kitabu chetu cha Kijivu kinavyosema, "Kuachilia dosari za tabia kunapaswa kufanywa kwa upendo.

Hofu na chuki haziwezi kutupa maisha mapya. Tunapaswa kukaribia dosari za zamani kwa uvumilivu na uelewa, kwani zimetutumikia vizuri katika siku zilizopita." Tunapaswa kuwa waangalifu tusijichukulie kwa uzito sana katika mchakato huu. Kanuni ya Kiroho ya Utayari inatuandaa hapa.

Tunapaswa kumruhusu Mungu wa Kuelewa Kwetu kuondoa dosari hizi au angalau kuziminya. Mungu huondoa tu kile tunachotaka kweli Aondoe. Hii ndiyo sababu kuachilia dosari hizi lazima kufanywe kwa ruhusa yetu.

Tunaamua zile zinazotusababishia sisi na wengine maumivu zaidi. Hizo ndizo tunazopaswa kuwa tayari kabisa kuondolewa.

Tunaweza kuanza na ubinafsi wetu. Kitabu chetu cha Msingi kinatuambia kwamba dosari hii lazima iwe isiyovumilika kwetu. Inaendelea kusema kwamba inakuwa mnyororo wa uharibifu unaotufunga kwa tabia zetu mbaya. Tunapotekeleza Kanuni hizi za Kiroho, tunaanza kuchukua nafasi ya zamani na mpya.

Zana hizi za zamani hazifanyi kazi katika Njia hii Mpya ya Kuishi. Tunaanza kuona mwangaza wa watu tunaoweza kuwa, bila baadhi ya dosari hizi. Hofu yetu ya yasiyojulikana inapungua ikiwa sio kutoweka.

Imani yetu inaongezeka zaidi tunapotekeleza Kanuni hizi za Kiroho.

Kwa Wakati Huu: Kwa muda mrefu maono yetu ya Maisha Yetu Mapya yanatupa Tumaini. Tumaini hili linaongeza Utayari wetu.

16 Juni

"Mabadiliko yanahusisha yasiyojulikana, chanzo kikuu cha hofu. Hekima ya kujua tofauti inahusisha ukuaji katika mpango."

— Kitabu cha Kijivu, p. 148 (Chapter Nine, Lines 8-12)

Katika uraibu wa kazi maisha yetu yalidhibitiwa na hofu. Hata kabla ya uraibu wa kazi, hofu ilikuwa ipo katika maisha yetu. Hofu inaweza kuchukua aina nyingi; chanya na hasi, yenye afya na isiyo na afya.

Kwa wengi wetu matumizi yetu ya dawa za kulevya yalipotosha hisia zetu. Hatukuwa na uwezo wa kuwa na uhusiano na uhalisia.

Tumaini lilibadilika kuwa kukata tamaa. Kupitia kukata tamaa, hofu chanya ilitoweka. Hofu ya ubinafsi ilidhibiti maisha yetu.

Baada ya kuja kwa Narcotics Anonymous tuliona ushahidi wa Tumaini kwa wanachama, ambao kama sisi, waliteseka kutokana na hofu za uraibu. Tuliona mwangaza machoni mwao na tulitaka kile walichokuwa nacho. Kuhudhuria mikutano ya N.A. tuliona ushahidi wa Nguvu Kubwa kuliko sisi wenyewe ikifanya kazi.

Wanachama walishiriki nasi jinsi walivyokuja Kuamini. Walijali vya kutosha kutuonyesha njia. Kuishi Kanuni za Kiroho za Narcotics Anonymous, baadhi ya hofu zetu zinaanza kubadilishwa na Imani. Kupitia msaada wa washauri wetu na Ushirika wa Narcotics Anonymous, tunatambulishwa kwa Mungu wa Kuelewa Kwetu.

Kupitia imani yetu katika Nguvu hii tunakuwa na hofu kidogo ya yasiyojulikana.

Kwa Wakati Huu: Tunaomba Mungu Atupe Utulivu wa Kukubali mambo tusiyoweza kubadilisha, Ujasiri wa kubadilisha mambo tunayoweza na Hekima ya kujua tofauti.

17 Juni

"Kufikia wengine ni mwanzo wa mapambano yatakayotufanya tuwe huru. Itavunja kuta zinazotufunga"

— Kitabu cha Kijivu, p. 130 (Chapter Seven, Lines 23-25)

Tunapotumia, tunajilinda kwa kuweka vizuizi kati yetu na ulimwengu wa nje. Tunaanguka katika udanganyifu wa kujitegemea, tukiamini kwamba tunaweza kujitunza na kufanya kila kitu peke yetu. Wengi wetu tuliamini kwamba tungekuwa bora bila msaada wa mtu mwingine yeyote katika maisha yetu.

Mara chache tunatambua kwamba hatujawahi kujitegemea tunapoendelea kunyonya rasilimali za wengine. Tulijitenga na chochote ambacho hakihusiani na kupata au kutumia dawa za kulevywa. Wengine wangesema kwamba asili halisi ya ugonjwa wa uraibu ni kutengwa.

Ushahidi wa kauli hii unaweza kuonyeshwa wakati waraibu wanapofikia chini kabisa, mara nyingi huwa peke yao. Matumizi yetu polepole yaliondoa watu, maeneo na vitu vyema kutoka katika maisha yetu.

Dunia zetu zilipungua tulipotumia kuishi na kuishi kutumia. Mwishoni mwa matumizi yetu, kukata tamaa kulitusukuma kutafuta msaada kutoka kwa wengine katika Narcotics Anonymous. Jinsi Inavyofanya Kazi katika Kitabu chetu cha Kijivu inatuambia kwamba, "Ikiwa unataka kile tunachotoa, na uko tayari kufanya juhudi ili kukipata, basi uko tayari kuchukua hatua fulani." Kanuni hizi zimeandikwa kwa urahisi kiasi kwamba tunaweza kuzitumia katika maisha yetu ya kila siku. Kanuni ya Kujisalimisha inaweza kupimwa kwa hatua tunazochukua.

Fasihi yetu inatuambia kwamba dawa ya fikra zetu zilizoathirika ni Uaminifu. Mwanachama mmoja alisema kwamba, "Uaminifu ni kulinganisha vitendo vyetu na Ukweli." Ulinganifu huu unatusaidia kuamini wanachama wenzetu na pia kujenga Uadilifu.

Kanuni hizi za Kiroho zote ni muhimu kwa Urejesho wetu unaoendelea. Ili kutusaidia kutekeleza Kanuni hizi za Kiroho, tunahitaji kuingia na kutegemea Nguvu yetu ya Juu.

Tumekuwa tukijenga uhusiano na Nguvu hii ambayo ilitusaidia kufikia Kujizuia Kamili na Kabisa.

Kwa Wakati Huu: Kwa Kujizuia Kamili na Kabisa na kutekeleza Kanuni za Kiroho za Hatua na Mila tunapewa Muda wa Kila Siku wa kuondokana na hukumu za maisha tulizojitwika. Tunakuwa Huru Kuishi.

18 Juni

"Kuna mambo mengine tunaweza kufanya marekebisho ya moja kwa moja; mengine tunaweza kufanya marekebisho ya sehemu tu; na mengine hatukumbuki chochote kuhusu."

— Kitabu cha Kijivu, p. 53 (Step Nine, Lines 29-31)

Katika uraibu wa kazi, waraibu walitengeneza njia ya uharibifu ambayo iliathiri maisha yetu na maisha ya wengine. Kama kimbunga, mwisho wake huleta faraja kubwa.

Kwa bahati mbaya, tuliachwa na mabaki. Madhara ya kimwili, kiakili, kiroho na kihisia yalikuwa baadhi ya matokeo ya uraibu wa kazi. Sura ya Tatu katika Kitabu chetu cha Msingi inasema, "Tulidhuru watu wengi sana, lakini zaidi ya yote tulijidhuru wenyewe." Moja ya Marekebisho ya kwanza tunayofanya ni kubaki Safi kwa sababu hatuko tena sehemu ya tatizo. Sasa sisi ni sehemu ya Suluhisho.

Marekebisho ya Moja kwa Moja yanahusisha kutafuta watu, maeneo na vitu tulivyovidhuru. Kisha tunafanya Marekebisho kwa kurekebisha na kutoa suluhisho.

Tunakaribia Marekebisho yetu bila matarajio yoyote ya matokeo. Katika Programu ya Narcotics Anonymous, tunafanya Marekebisho haya kwa sababu tunapaswa. Sio lazima kujisikia vizuri kuhusu sisi wenyewe au kusafisha dhamiri yetu.

Pia tunaweza kufanya Marekebisho yasiyo ya moja kwa moja wakati Marekebisho ya moja kwa moja yatasababisha madhara zaidi kuliko mema. Wadhamini wetu watatusaidia na orodha yetu kamili ya majina. Watatuonyesha wapi kwenye orodha inaweza kuwa na madhara zaidi au wapi hatuwezi kufanya Marekebisho ya moja kwa moja kabisa.

Kwetu, akili inaweza kumaanisha kuhusiana kwa ufanisi na wengine. Mchakato wa Marekebisho unaweza kuondoa hofu, hatia na majuto ya zamani.

Inaturuhusu Kuishi kwa Furaha, Furaha na Uhuru. Daima tutakuwa wazi kwa mchakato wa Marekebisho katika Safari yetu ya maisha.

Kwa Wakati Huu: Kwa mwongozo wa Mungu wa Kuelewa Kwetu na Ushirika wa N.A., tunaendelea kupata muujiza tunapogundua na Kukubali makosa yetu.

19 Juni

"Kufurahia na kuwa na furaha sio lazima kutafutwe; inatuzunguka. Yote iko hapo. Kwa hivyo fanya tu. Kuwa safi, furahia na uwe na furaha."

— Kitabu cha Kijivu, p. 156 (Chapter Ten, Lines 1-3)

Tunapofika katika Narcotics Anonymous, wengi wetu hatuwezi kukumbuka mara ya mwisho tulipochekea vizuri. Hatuwezi kukumbuka mara ya mwisho tulipokuwa na aina yoyote ya "furaha." Wengine wetu tulikuwa tumejaa sana kiasi kwamba tulikuwa tunashika ufahamu wowote au kwa wengine, fahamu. Tunachopaswa kukumbuka ni maumivu.

Kuwa Safi katika Urejesho wa mapema, maumivu ya kutotumia yalihisi halisi, halisi kiasi kwamba ilionekana kana kwamba hatutakuwa na wakati mzuri tena. Wengine wetu tuliuliza, "Je, kuna maisha baada ya dawa za kulevya?" Wengine wetu tulihisi kuchukizwa au kutokuwa na raha na tabasamu na kicheko cha wengine, tunapohudhuria mikutano. Furaha na Furaha yao ilitusababishia maumivu kwa sababu ilitukumbusha kile kilichokosekana katika maisha yetu. Uvutio wetu uliongezeka tulipoalikwa kwenye Ushirika baada ya mikutano.

Usiku wa manane kwenye mgahawa, au kwenda nyumbani kwa mwanachama kuendelea kuzungumza kuhusu Urejesho, kulitupa Tumaini. Tunaanza kupata uzoefu wa kile furaha kweli ni, bila matumizi ya dawa za kulevya. Ulimwengu wetu unakuwa angavu kidogo.

Kwa kuhudhuria mikutano na urafiki wa Ushirika, tunaanza kupata uzoefu wa Kuishi kwa Furaha, Furaha na Uhuru. Maisha sio tu kundi la huzuni.

Kuishi Hatua na kuwa na uhusiano unaokua na Nguvu yetu ya Juu, tunaanza kuona ushahidi mpya wa akili kote kwetu. Zaidi Itafunuliwa tunapoendelea Kurudi.

Kwa Wakati Huu: Kitabu chetu cha Kijivu kinasema, "Ni muhimu kwetu kuwa na furaha katika urejesho wetu bila kufa."

20 Juni

"Hatua ya Kumi na Moja inatusaidia, tunapokabiliwa na tatizo, kuwa na ufahamu wa Mungu. Kanuni ya msingi ya Hatua hii ni ufahamu wa Mungu."

— Kitabu cha Kijivu, p. 58 (Step Eleven, Lines 10-12)

Katika uraibu wa kutumia dawa za kulevya, baadhi yetu tulikuza njia za ajabu za kuomba. Maombi yetu yalionekana kuwa maombi ya dharura. Tuliomba wakati tulihitaji msaada kwa dharura katika uraibu wetu wa kutumia dawa za kulevya; "Mungu, tafadhali nisaidie kutoka katika hili.

Nikifanikiwa, naapa sitawahi tena " Baadhi yetu hatujawahi kuomba hadi tulipojiunga na N.A. Wengi wetu tulipokea pendekezo mapema la kuanza kuomba. Utangulizi huu wa mapema wa maombi ulikuwa kwa ajili ya kuondoa hamu yetu ya kutumia dawa za kulevya.

Maumivu ya kutotumia yalitulazimisha kutafuta Nguvu hii ili kuondoa hamu yetu. Rasilimali yoyote tuliyonayo ya kuwasiliana na Nguvu hii ya Juu ni muhimu. Inaturuhusu kuungana na Nguvu inayoweza kutusaidia kubaki safi, ambayo tunaihitaji sana.

Hatua ya Pili inaanza Mchakato huu. Nguvu hii Kubwa Kuliko Sisi wenyewe inakuwa dhahiri zaidi kwa sababu tunabaki safi.

Tunajifunza jinsi ya Kuomba, ambayo ni kuzungumza na Mungu wa Kuelewa Kwetu. Muhimu zaidi tunajifunza kusikiliza majibu, ambayo huitwa Tafakari. Tunaweza kutumia Nguvu hii hata wakati hatuko katika maumivu au hali mbaya.

Ili kuwa na ufahamu wa Mungu tunapaswa kufanya mazoezi ya Kanuni za Kiroho za Narcotics Anonymous katika kila tunalofanya. Fasihi yetu inatuambia kwamba usawa wa kihisia ni moja ya Matunda ya Tafakari tunayopata. Narcotics Anonymous inatuomba kukuza tabia mpya za afya ambazo zinaweza kuimarisha Urejesho wetu. Moja ya njia tunazofanya hivi ni kwa kuanzisha uhusiano na Mungu wa Kuelewa Kwetu.

Kwa Wakati Huu: Ufahamu wa Mungu ni kuwa na Ufahamu kwamba Mungu yupo katika maisha yetu.

21 Juni

"Onyo kuhusu uhalalishaji ni kwamba umetuua wengi wetu kuliko kitu kingine chochote. Wakati mwingine, nia zetu zitafichwa na mawazo yaliyofifia."

— Kitabu cha Kijivu, p. 57 (Step Ten, Lines 1-3)

Fasihi yetu inatuambia, "Kile tulichojua kuhusu kuishi tulipofika hapa kilikuwa karibu kutuua. " Kufika Narcotics Anonymous na kuona machafuko tuliyoyafanya katika maisha yetu kulisababisha tuhalalishe hata zaidi. Tulilaumu dawa za kulevya ili kuelewa yote. Katika uraibu wa kutumia dawa za kulevya, tulijikuta tukitetea matendo yetu, tukijieleza kila wakati.

Mara nyingi tulifikiri maelezo haya ndiyo yale ambayo mtu mwingine alitaka kusikia. Tulihalalisha tabia zetu ili kulinda matumizi yetu. Hii ilituharakisha kuingia katika mtindo wa uongo na kujidanganya.

Mtindo huu ukawa mtindo wetu wa maisha. Tulijikuta tumezama katika maisha ya udanganyifu na uhalalishaji.

Baada ya kufikia Kujizuia, tuliona jinsi tulivyokuwa wagonjwa kweli, hasa bila dawa za kulevya. Mbinu hizi za zamani za kujilinda zilikuwa zana za ugonjwa wa uraibu. Uhalalishaji huu ulitufaa vizuri katika uraibu wa kutumia dawa za kulevya.

Katika Urejesho wetu, tunajifunza kuwa Wakweli. Tunajifunza kukabiliana na Ukweli.

Kwa kila Hatua tunayoichukua na kuishi, kitunguu kinavuliwa safu nyingine. Tunasaidiana kwa kuwa macho na masikio ya kila mmoja. Fasihi yetu inasema, "Tulianza kuona kwamba tulihalalisha aina ya upuuzi wa ajabu " Hii inaweza kutufuata bado katika Urejesho wetu. Matunda ya Kuishi Kanuni za Kiroho hutuweka huru kutoka kwa kukana.

Tunajisalimisha Mapenzi yetu na Maisha yetu kwa Utunzaji wa Mungu wa Kuelewa Kwetu. Sisi si sehemu ya tatizo tena, kwa sababu sisi ni sehemu ya Suluhisho.

Kwa Wakati Huu: Tunapojikuta Tukikua katika ufahamu wa kiutu uzima, inakuwa vigumu zaidi kuhalalisha uongo.

22 Juni

"Tumegundua kuwa ni muhimu kukubali ukweli. Tangu wakati huo hatujapata haja ya kutumia."

— Kitabu cha Kijivu, p. 138 (Chapter Eight, Lines 1-2)

Uroho umeelezewa na mmoja wa watangulizi wetu kama uhusiano sahihi na Ukweli. Katika uraibu wa kutumia dawa za kulevya, uhusiano wetu ulikuwa zaidi na dawa za kulevya.

Fasihi yetu inataja kwamba tulitumia muda kupata, kutumia na kutafuta njia na njia za kupata dawa zaidi. Baada ya muda, ilikuwa uhusiano wa njia moja; dawa za kulevya zilitutumia. Ukweli wetu ukawa umevurugika.

Kwa akili na miili yetu iliyofunikwa na dawa za kulevya, ilikuwa vigumu kwetu kubaini Ukweli. Tulikuwa katika hali ya kukana ukweli wetu; Ufahamu na Kukubali vilikuwa vya kigeni kwetu. Uraibu wa kutumia dawa za kulevya ni kinyume na Kuishi.

Tulipotumia dawa za kulevya, tulikiuka Kanuni za Kiroho; baadhi ya hizi zilikuwa Sheria za Asili. Kuishi kwa ubinafsi kulisababisha kutengwa kwetu. Fasihi yetu inatuambia kwamba ujuzi wetu wa Kuishi ulipunguzwa hadi kiwango cha wanyama. Kujisalimisha bila masharti kunamaanisha kuwa na Utayari wa kwenda kwa urefu wowote.

Kuwekeza muda wetu katika kupata, kutumia na kutafuta njia na njia za Kuona. Mapendekezo mengine yanayotolewa kwetu ni kama, kuhudhuria mikutano, kuwasiliana na wanachama wengine na kusoma Fasihi yetu. Pendekezo jingine ni kupata Mlezi atakayetuelekeza kupitia Hatua na Mila zetu, ambazo hatimaye zitatielekeza kwa Mungu wa Kuelewa Kwetu.

Vitendo hivi vitatuunganisha tena na Ukweli na Kuamsha Roho zetu. Kwa kuwa Uamsho wetu wa Kiroho ni wa maendeleo, lazima tuendelee kufanya sehemu yetu katika kuwa sehemu ya.

Kwa Wakati Huu: Tunaendelea kukua katika Mchakato huu. Tutahakikisha uwepo wetu wenyewe kwa Vitendo chanya tunavyoendelea kuchukua.

23 Juni

"Hakuna hata mmoja wetu aliyeingia katika Ushirika huu akiwa amejaa upendo, uaminifu au utayari wa kufungua akili. Sote tumefikia hatua ambapo ilionekana hatuwezi kuendelea tena kwa sababu ya maumivu makali: kimwili, kiakili na kiroho."

— Kitabu cha Kijivu, p. 32 (Step One, Lines 18-21)

Wanachama wengi walisema kwamba kwao, Narcotics Anonymous ilikuwa nyumba ya mwisho kwenye mtaa. Wengine wanaendelea kusema kwamba walijaribu kila kitu kingine kwanza, lakini hakuna kilichofanya kazi, kwa hivyo waliendelea kutumia.

Baadhi ya wanachama walisema kwamba Narcotics Anonymous ilikuwa kitu cha mwisho walichojaribu, lakini ilikuwa kitu cha kwanza kilichofanya kazi. Fasihi yetu inasema katika Sura ya Tatu, "tulijaribu tiba nyingine nyingi--washauri, wanasaikolojia, hospitali, wapenzi, miji mipya, kazi mpya--kila kitu tulichojaribu, kilishindwa." Kitabu chetu cha Grey kinaendelea kusema, "Tulijisalimisha--tukaacha kupambana--tukasalimu amri, kabisa na bila masharti. Kisha, na hapo tu ndipo tulipoanza Kupona kutokana na ugonjwa wa uraibu.

Ni kwa Kujisalimisha Kikamilifu na Kabisa kwa Narcotics Anonymous na Kanuni zake za Kiroho ndipo tulipata nafasi. Baada ya kuingia katika Programu ya N.A.

Tuligundua kuwa tulikuwa watu wagonjwa. Kwa bahati mbaya, "Ukimwondolea dawa mtu aliyechanganyikiwa na dawa, bado unakuwa na mtu aliyechanganyikiwa." Kwa hivyo wengi wetu tunafika N.A. na kasoro zetu zote na tabia mbaya.

Ukosefu wetu wa Uaminifu kwa wengine ulifanya ulinzi wetu uwe juu, na akili zetu kufungwa. Wakati maumivu ya kubaki vilevile yalipokuwa makubwa kuliko maumivu ya kubadilika, tulijisalimisha tena. Hatimaye, ufunguzi katika akili zetu zilizofungwa ulifanyika, mawazo mapya yangeweza Kukubaliwa. Sura ya Nane, Tunapona inasema vizuri zaidi, "Lugha hiyo isiyo na maneno ya utambuzi, imani na imani, ambayo tunaita huruma, iliunda mazingira ambayo tunaweza kuhisi wakati, kugusa uhalisia na kutambua maadili ya kiroho yaliyopotea kwa wengi wetu."

Kwa Wakati Huu: Kutekeleza Kanuni za Kiroho za Narcotics Anonymous kunaweza kutufanya tuwe na Upendo, Uaminifu na Ufunguaji wa Akili.

24 Juni

"Usiri ni msingi wa kiroho wa mila zetu zote, ukitukumbusha kila mara kuweka kanuni mbele ya utu."

— Kitabu cha Kijivu p. 115 (Tradition Twelve, Header)

Sehemu ya Usiri inamaanisha kubaki bila jina, kutokujipatia sifa. Pia inamaanisha kuwa sawa na kutomtofausha mtu yeyote.

Kanuni ya Usiri ni kubwa sana ina Kanuni nyingi za Kiroho ndani yake. Usiri pia ni msingi wa Programu yetu yote, Kumi na Mbili na Kumi na Mbili yetu. Kuweka Kanuni za Kiroho za Narcotics Anonymous mbele ya utu wetu na wa kila mmoja wetu hufanya Urejesho wetu uwezekane.

Kanuni hii kuu pia inatulinda sisi wenyewe. Pia husaidia kulinda N.A. kutoka kwetu. Kanuni kabla ya utu huruhusu ustawi wa kawaida wa N.A. kuja kabla ya utu wetu na mahitaji yetu binafsi.

Kanuni kabla ya utu huruhusu Dhamiri ya Mungu kuundwa katika Kikundi na sio kwa mtu yeyote. Usiri hufanya iwezekane kwa mraibu yeyote wa dawa kuwa mwanachama wa N.A. Hatutofautishi kati ya wanaume na wanawake, imani, upendeleo wa kijinsia, umri, rangi na hali ya kijamii.

Uhuru na Kanuni ya Usiri inamaanisha kutolibandika Kikundi bora au chini kuliko Vikundi vingine vyovyote. Hii inaweza kuunda kutokuelewana.

Madhumuni ya Msingi ya Kikundi ni Usiri wake, pamoja tunabeba ujumbe mmoja. Tunapokopesha jina la Narcotics Anonymous kwa chochote nje ya N.A., Usiri wetu unaharibiwa. Utu ungechukua nafasi kupitia pesa, mali na hadhi.

Hii ingeamaliza Madhumuni yetu ya Msingi, na wengi wangekufa. Usiri huruhusu kila mwanachama kuchangia sehemu yao ya kibinafsi ya muda na pesa kwa Usiri. Kanuni kabla ya utu na taaluma huruhusu wanachama wetu kuwa na hadhi sawa na wanachama wengine.

Majukumu ya Moja kwa Moja kwa wale wanaowahudumia, kamati hazina Uhuru na lazima zifuate Dhamiri ya Kikundi. Huduma ni kwa wale tunaowahudumia, ni mfano mzuri wa Usiri. Kutokuchukua upande wa kibinafsi na maoni yetu binafsi kunazuia watu binafsi na Vikundi kutoka kwa maoni ya umma. Kuweka Usiri wetu wa kibinafsi katika mwangaza wa umma kunahakikisha wengine wasitumie utu wetu kuhukumu N.A. Usiri wa ndani wa Mila hii ya mwisho hutuwezesha kuweka Kanuni za Kiroho za Narcotics Anonymous mbele yetu na wengine, katika Mila zetu zote.

Kwa Wakati Huu: Kuweka Kanuni mbele ya utu kunalinda Usiri wetu na wa wengine na hatimaye Urejesho wetu na wao.

25 Juni

"Waraibu wengi wana hisia kali kuhusu Nguvu Yao ya Juu na wanatetea kwa nguvu haki yao ya kuelewa Nguvu Yao ya Juu. Nguvu ya kuingia katika hatua inatoka kwa Nguvu Yetu ya Juu."

— Kitabu cha Kijivu, p. 37 (Step Two, Lines 2-5)

Fasihi yetu inatuambia kwamba imani katika Nguvu ya Juu ni muhimu kufikia aina yoyote ya Urejesho unaoendelea. Tulilazimika kutafuta Nguvu hii ya Juu kama Suluhisho la hamu yetu ya kutumia. Baada ya kufikia Kujizuia Kikamilifu na Kabisa katika Hatua ya Kwanza, tulihitaji Nguvu Kubwa Kuliko Sisi wenyewe ili kubaki Safi na Kupona. Mchakato huu wa Urejesho hauwezi kufanya kazi tu kwa maarifa na imani.

Utayari lazima ubadilishwe kuwa Hatua ili Kujisalimisha kwetu kuwa na athari yoyote. Katika Narcotics Anonymous tuna Uhuru wa kuchagua Nguvu ya Juu ya Kuelewa Kwetu wenyewe. Inapendekezwa kwamba Nguvu hii iwe ya Upendo, ya Kujali na Kubwa kuliko sisi wenyewe.

Kwa sababu tunakuja kwanza na hatia na aibu nyingi, baadhi ya wanachama huongeza Kusamehe kwenye orodha hii. Hatua yetu ya Tatu inatuambia kwamba ikiwa tunataka Kukua Kiroho, ni muhimu kuwa Wazi kuhusu imani yetu. Hatua inayounda Imani inatokana na Tumaini ambalo linaonekana kote tunapohudhuria mikutano.

Akili yetu inasonga mbele tunapotafuta mawasiliano ya fahamu na Nguvu hii. Uhusiano huu na Nguvu Yetu ya Juu Unakua tunapotekeleza Kanuni za Kiroho za Narcotics Anonymous. Tunashiriki kuhusu uhusiano wetu na Nguvu Yetu ya Juu na wale walio karibu nasi.

Tunaweza kushiriki kuhusu Nguvu Yetu ya Juu katika mikutano, ndani ya Miongozo ya Mila zetu. Tunatetea haki yetu ya Mungu wa Kuelewa Kwetu wenyewe. Vivyo hivyo, hatuungi mkono au kuita Nguvu hii kwa jina katika mikutano.

Narcotics Anonymous ni Programu ya Kiroho, sio ya kidini. Tunaweza kushiriki kupitia Mchakato wa Hatua na Mila jinsi Nguvu hii ilivyojitokeza katika Maisha yetu. Tunaweza pia kuona ushahidi wa Nguvu ya Juu ya wengine ikifanya kazi katika Maisha yao.

Tunahitaji Nguvu hii kutekeleza Kanuni hizi za Kiroho katika Maisha yetu ya kila siku.

Kwa Wakati Huu: Tunaweza kushiriki Nguvu Yetu ya Juu na wanachama wapya hadi watakapopata yao wenyewe. Wapya wanaweza kutumia Kikundi kama Nguvu Kubwa kuliko wao wenyewe pia.

26 Juni

"Tumekubali. Hatupigani tena na hofu, hasira, hatia, majuto, kujihurumia, wasiwasi, huzuni na magonjwa mengine elfu moja."

— Kitabu cha Kijivu, p. 39 (Step Three, Lines 22-27)

Wengi wetu ambao tumekubali Mpango wa Narcotics Anonymous tulijaribu kila kitu kingine kwanza. Matumizi ya dawa za kulevya hayakuficha tu hisia zetu bali pia yaliathiri akili na miili yetu, kwa kiwango cha kina. Hisia zilizotajwa hapo juu ni baadhi ya athari za kutotumia dawa za kulevya na ukosefu wa Kiroho. Matumizi ya dawa za kulevya yalikuwa suluhisho letu kwa muda, hadi zilipoacha kufanya kazi na kutugeukia.

Kuishi bila dawa za kulevya kulionekana kuwa ngumu zaidi na yenye maumivu. Hatua yetu ya Pili inatoa Suluhisho kwa hali yetu ya kiakili. Jambo la kwanza tunalopaswa kufanya ni Kukubali kabisa na bila masharti.

Kuacha kupigana kunamaanisha tunaacha kupinga Mpango. Tayari tumeona Nguvu hii ikifanya kazi katika maisha yetu na katika Maisha ya wengine.

Tunaamini Nguvu hii na kugeuza mawazo na tabia zetu kwa uangalizi wa Nguvu hii. Tunapofanya Hatua hizo, mengi ya mazoea yetu yanapunguzwa. Tunajifunza kutambua hisia zetu kupitia hesabu ya kibinafsi.

Asili halisi ya makosa yetu inaleta mwangaza. Tunakubali Suluhisho linalotolewa na Narcotics Anonymous. Kwa kutekeleza na Kuishi Kanuni za Kiroho za Mpango mzima tunakombolewa kutoka kwa magonjwa haya mengine.

Kujihurumia, wasiwasi na huzuni havina nguvu juu yetu tunapoacha kupigana. Hatupigani kwa kuchukua dawa kwa ajili ya Dalili hizi. Tunakubali Kanuni za Kiroho za Narcotics Anonymous na kufanya Hatua.

Huu ni mchakato wa muda, sio wa usiku mmoja. Kwa kila Hatua tutapata Uamsho wa Kiroho ambao utawezesha kila Hatua inayofuata. Urejesho wetu unakuwa mgodi wa dhahabu tunaposhiriki na wengine.

Kwa Wakati Huu: Tunaendelea Kukubali kwa kiwango cha kina zaidi tunapopitia Hatua na Mila za Narcotics Anonymous.

27 Juni

"Wakati mtu anapoonyesha upungufu, majibu yetu ya kwanza ni ya kujihami. Ikiwa tunataka kweli kukua, tutachunguza vizuri kile kilichoonyeshwa."

— Kitabu cha Kijivu, p. 49 (Step Seven, Lines 24-26)

Fasihi yetu inatukumbusha kwamba sisi ni macho na masikio ya kila mmoja. Hii inamaanisha kwamba wanachama wa kikundi chetu cha msaada ikiwa ni pamoja na Wadhamini wetu wanaweza kuona au kusikia kitu ambacho si sawa na sisi. Katika Safari hii ya Urejesho lazima tubaki Wanyenyekevu.

Hii inamaanisha tunabaki kufundishika na kubaki wazi kwa mapendekezo ya marafiki wetu wa karibu wa NA. Kitabu chetu cha Gray kinasema, "Tulipokuwa tunatumia, ukuaji wetu wa kiroho na kihisia ulisimama. " Ugonjwa ulituacha tukiwa vilema kihisia. Ingawa wengi wetu tulikuja kama watu wazima bado tulikuwa kihisia kama watoto.

Ego zetu zinatuzuia kuuliza au kukubali Msaada. Tunapoishi Kanuni za Kiroho za Narcotics Anonymous tunakua katika Ufahamu wa kiutu uzima. Tunajifunza kuwa na ulinzi mdogo na kuwa na Akili wazi kuhusu Mali na Madeni yetu pia.

Tunapojifunza Kujikubali pia tunajifunza kile tunachokosa. Kisha tunakuwa wazi kupata mwelekeo kutoka kwa wengine wanaotujali. Katika Hatua ya Saba tunamwomba Mungu aondoe upungufu wetu.

Hii inamaanisha tayari tunajua hatuko kamili. Hii inafungua mlango wa Kukubali Msaada wa Mungu kupitia Marafiki zetu katika Ushirika.

Hii ni njia yetu ya Ukuaji wa Kiroho.

Kwa Wakati Huu: Tutaishi bila mipaka ya njia zetu za zamani. Tutakubali Msaada katika Njia hii Mpya ya Maisha.

28 Juni

"Wakati uamuzi unahitaji kufanywa kwa kikundi, kila mmoja wa wanachama anapaswa kuchukua muda kutafakari juu ya kile kinachofaa zaidi kwa ustawi wetu wa pamoja."

— Kitabu cha Kijivu, p. 93 (Tradition Two, Lines 18-21)

Wengi wa wanachama wa Narcotics Anonymous wanachanganya Dhamiri ya Kikundi na kura. Ingawa inaweza kuishia na wanachama kupiga kura au kuamua juu ya hoja au suala.

Dhamiri ya Kikundi ni mchakato. Wengine wanaelezea Dhamiri ya Kikundi kama Hatua ya Kumi na Moja ya pamoja. Kila mwanachama anapaswa kufikia Mawasiliano ya Ufahamu na Nguvu yao ya Juu kuhusu uamuzi unaofanywa.

Wanachama wanaweza kuzungumza na Wadhamini wao, Kuomba, Kutafakari na kuhakikisha kuwa hakuna Mila zinazokiukwa katika uamuzi huo. Maamuzi yetu yanapaswa kutegemea Ustawi wa Pamoja wa Kikundi na Narcotics Anonymous kwa ujumla. Mahitaji na matamano yetu binafsi hayapaswi kuwa sehemu ya mchakato huu.

Kitabu chetu cha Gray kinasema, "Katika kufanya Hatua tunahitaji kutegemea Nguvu kubwa kuliko sisi wenyewe. Tunaendeleza uhusiano huu na kuutumia kwa madhumuni ya Kikundi chetu. " Baada ya kufanya Hatua hizo masuala yetu ya udhibiti na ubinafsi yanapaswa kuwa yamezingatiwa, kwa sehemu kubwa. Hatua yetu ya Sita inatukumbusha kwamba ubinafsi unakuwa mnyororo wa uharibifu usiovumilika unaotufunga na tabia zetu mbaya.

Lazima tubaki Macho kwamba maamuzi yetu ni kweli ni maonyesho ya mapenzi ya Mungu kwa Kikundi. Maoni ya Kikundi hutokea wakati moja au mbili za utu zinatawala uamuzi. Watu wenye utu wenye nguvu au wanachama wenye muda mrefu wa Usafi wanaweza kujaribu kupindisha uamuzi wowote kwa sababu zao wenyewe.

Ni muhimu kwamba kila mwanachama wa Kikundi cha Nyumbani awe na Uhusiano wa Kufanya kazi na Mungu wa Ufahamu wao. Ufahamu wa Mungu hautakiuka kamwe Kanuni zozote za Kiroho za Mpango wetu. Wanachama wapya wanaweza kushauriana na Wadhamini wao na wanachama wengine wanaowaamini na kuwaheshimu; ikiwa wanakosa Hatua ya Pili na Mawasiliano ya Ufahamu na Nguvu ya Juu katika Maisha yao. Kabla ya kuanza Dhamiri ya Kikundi au mkutano wa Biashara, ni muhimu kuanza na Maombi.

Pia ni muhimu kusoma Kichwa cha Mila ya Pili. Tunamwomba Nguvu yetu ya Juu atuongoze kwenye Suluhisho litakalofaidisha Kikundi.

Kwa Wakati Huu: Tunachukua muda wetu kufanya maamuzi ambayo yanaweza kuathiri Kikundi, au Kusudi la Msingi la Kikundi. Hakuna kikomo cha muda linapokuja suala la kubeba ujumbe wetu.

29 Juni

"Hii ni njia yetu ya ukuaji wa kiroho. Hii haitokani na kutamani, bali kutoka kwa vitendo na maombi."

— Kitabu cha Kijivu, pg. 49 (Step Seven, Lines 31-36)

Matamania na ndoto zilikuwa baadhi ya mambo ambayo ugonjwa wa uraibu ulituibia kabla ya kutimizwa, au katika baadhi ya matukio, hata kabla ya kuendelezwa. Matumaini yetu yakawa matamania, na matamania yetu yakawa ndoto. Ugonjwa wa uraibu hata ulituondolea hayo, tukabaki na kukata tamaa na kutokuwa na uhakika.

Baada ya kufika katika Narcotics Anonymous tuliona Matumaini na ndoto zetu kwa wengine, lakini bado tulishindwa kuyaona katika Maisha yetu wenyewe. Tunapofanya Hatua, tulionekana kuamka na ukungu ukaondolewa. Miili na akili zetu hazikuwa tena zimejaa dawa za kulevya.

Wakati hamu ya kutumia ilipoondolewa katika Hatua ya Pili, tulianza kuhisi Matumaini. Tulifanya Hatua na Mungu na Wadhamini wetu.

Kitabu chetu cha Gray kinatuambia kwamba, "kwa uangalifu na urahisi tunajiondoa kutoka kwenye upweke wa uraibu hadi kwenye mkondo wa Ushirika wenye manufaa." Tunaanza kuona kwamba chochote kinawezekana, hata ndoto zetu zilizopotea. Tukiandika Hatua yetu ya Nne tunaona tulipokosea, tunaona vikwazo vyetu, ambavyo katika hali nyingi vilikuwa sisi wenyewe.

Tunaanza kuachiliwa kutoka kwenye magereza yetu tuliyojitengenezea wenyewe. Tunapoandika Tathmini yetu ya Uaminifu ndoto zetu zilizopotea zinaanza kuonekana tena polepole, matamania yetu na ndoto zetu yanakuwa Matumaini. Matumaini yetu yanakuwa Uhalisia tunapofanya kazi na Kuishi Kanuni za Kiroho za Hatua hizo. Tunashiriki Matumaini haya na wengine wanaposhuhudia yakidhihirika katika Maisha yetu.

KATIKA WAKATI HUU

Tutakoma kutamani na kuanza kufanya kazi, ndoto zetu zilizopotea zinaweza kuwa Uhalisia tunapobaki katika Safari hii ya Urejesho.

30 Juni

"Ukosefu wetu wa hofu na imani yetu mpya inatumika kama msingi thabiti wa ujasiri katika siku zijazo."

— Kitabu cha Kijivu, p. 65 (Step Twelve, Lines 14-15)

Kabla ya kufika katika Narcotics Anonymous, kwa wengi wetu, maisha yetu yalitawaliwa na hofu. Kila uamuzi tulioufanya ulifanywa na mawazo yetu ya kawaida. Ugonjwa wa uraibu uliathiri kila eneo la maisha yetu.

Akili na miili yetu yote ilikuwa imejaa dawa za kulevya. Tulikuwa tumenaswa na minyororo ya uraibu, na hatukuona njia ya kutoka. Narcotics Anonymous inatoa Programu rahisi inayoweza Kufanywa katika kila eneo la Maisha yetu.

Kanuni za Kiroho za N.A. zinatibu miili yetu, akili na Roho. Uaminifu, Uwazi wa mawazo na Utayari ni JINSI ya Suluhisho letu. Kupata Ukomo Kamili na Kabisa kutoka kwa dawa zote zinazobadilisha akili na hisia ni pale ambapo Uaminifu unaanza.

Fasihi yetu inasema kwamba Uaminifu ni dawa ya mawazo yetu ya ugonjwa. Uaminifu unaweza kupimwa kwa kulinganisha vitendo vyetu na ukweli. Kitabu chetu cha Gray kinasema kwamba kwa Kufanya Uaminifu, "Tunapoteza hofu ya kuzungukwa.

Tunapofanya Uaminifu wa kiwango cha chini kupitia Mchakato wetu wa Hatua imani yetu kwa Nguvu ya Juu inaongezeka. Imani inazaa Ujasiri tunapopita kwenye hofu zetu. Kama Kujisalimisha, Kanuni ya Kiroho ya Uaminifu inatuwezesha kufikia chini ya hisia zetu.

Katika Mchakato wetu wa Urejesho tunaimarisha Msingi wetu kila mara, kwa sababu tunajenga juu yake kila mara. Sura ya Tano inatuambia, "Hatia na wasiwasi hutuzuia kuishi katika hapa na sasa. " Ikiwa tunajali kwa nini tuombe na ikiwa tunaomba kwa nini tujali.

Tunajitahidi Kuishi Maisha kwa Masharti ya Mungu.

KATIKA WAKATI HUU

Tutaendelea Kufanya JINSI ya Programu kwa kuimarisha Msingi wetu wa Kiroho.

1 Julai

"Katika uraibu wetu, tuliogopa mabadiliko kwa sababu tulikuwa tumepoteza udhibiti wa maisha yetu na mabadiliko mengi yalikuwa mabaya zaidi."

— Kitabu cha Kijivu, p. 84 (Chapter Five, Lines 5-7)

Mabadiliko hayaepukiki, mbaya zaidi kama watumiaji wa dawa hii haikuwa jambo zuri. Ugonjwa wa uraibu ni wa kuendelea.

Katika wakati wowote tulikuwa tunazidi kuwa mbaya. Hiyo ilikuwa kiwango cha mabadiliko yetu.

Ugonjwa wa uraibu uliathiri kila eneo la maisha yetu. Matumizi yetu yalichukua kipaumbele juu ya chochote tulichokiona kuwa muhimu kwetu. Mwishowe tulijaribu kila kitu na chochote kupata suluhisho la tatizo letu, "sisi wenyewe." Kila kitu tulichojaribu kilishindwa, wengi wetu tulijaribu kubadilisha dawa, baadhi yetu tulijaribu dini na saikolojia, hakuna kati ya mbinu hizi zilizofanya kazi kwetu. Kufika katika Narcotics Anonymous kulionekana kama muujiza kwa wengi wetu. Ilikuwa kituo cha mwisho kwa wengi wetu.

Tukiwa na uraibu baadhi yetu bado hatukuwa na uhakika kwamba Narcotics Anonymous ingefanya kazi kwetu. Tulikutana na watumiaji wengine kama sisi, lakini sasa walikuwa Wenye Furaha, Wenye Furaha na Wako Huru. Mabadiliko yao yalikuwa bora zaidi.

Walishiriki Ujumbe wa Narcotics Anonymous na jinsi ulivyofanya kazi kwao. Tulipata Matumaini tunapojisimamia wenyewe.

Baadhi ya mabadiliko katika Maisha yetu yalikuwa ya asili chanya. Hatukuwa tena watumwa wa uraibu wetu.

Tulipata Nguvu ya Juu inayotuongoza katika Safari hii. Kufanya Kanuni za Kiroho za Narcotics Anonymous kulitupa Maisha ambayo tulifikiri hatuwezi kamwe kufikiria. Leo tunatarajia mabadiliko, kwa sababu sasa ni kwa manufaa zaidi.

KATIKA WAKATI HUU

Tunathamini Maisha yetu mapya yanayojumuisha Mungu wa Uelewa wetu wenyewe, na Ushirika wa Narcotics Anonymous.

2 Julai

*"Hadithi zetu binafsi zinaweza kutofautiana katika muundo wa kibinafsi lakini
mwishowe sote tuna kitu kimoja sawa."*

— Kitabu cha Kijivu, p. 132 (Chapter Eight, Header, Line 3)

"Tambua usilinganishe," sote tumesikia hili wakati mmoja au mwingine katika mikutano ya Narcotics Anonymous. Kulinganisha hadithi zetu za matumizi na dawa za kulevywa tulizotumia hututenganisha. Fasihi yetu inatuambia kwamba hatuvutiwi na kile au kiasi gani ulichotumia, nani alikuwa na uhusiano wako, au kiasi gani au kidogo gani unacho. Narcotics Anonymous inavutiwa tu na kile unachotaka kufanya kuhusu tatizo lako na jinsi tunavyoweza kusaidia.

Hii inasaidia kufikia mzizi wa tatizo, "ulevi." Hii pia inatusaidia kupata Suluhisho la pamoja, ambalo ni Urejesho katika Narcotics Anonymous. Utambulisho wetu kama waraibu uko katika kiwango cha kina zaidi, kuliko tu matumizi ya dawa za kulevywa. Hisia na hisia ni jinsi tunavyohurumia kila mmoja.

Uponyaji wetu unafanyika katika kiwango hiki cha kina na sio dalili, ambayo ilikuwa matumizi yetu ya dawa za kulevywa. Tunashiriki hadithi zetu tukizingatia hili. Tunabeba Ujumbe wa Tumaini na Ahadi ya Uhuru.

Utambulisho unafanyika tunaposhiriki kuhusu hali ya kukata tamaa na kutokuwa na msaada tuliyojikuta kutokana na uraibu. Tunashiriki jinsi tulivyofika Narcotics Anonymous. Tunashiriki kuhusu Ushirika tulioupata na watu kama sisi.

Tunahurumia kila mmoja kwa sababu kama wao, tulitembelea hofu sawa za uraibu. Leo Ustawi wetu wa Pamoja unakuja kwanza.

Tunaweza kusaidiana kwa sababu sisi ni sawa.

Kwa Wakati Huu: Tutazingatia Suluhisho sio Tatizo. Utambulisho wetu kama waraibu unatoa Suluhisho la Pamoja.

3 Julai

"Tunasahau tunapewa tu msamaha wa kila siku. Tunapaswa kuomba msaada kila asubuhi na kumshukuru Mungu usiku."

— Kitabu cha Kijivu, p. 144 (Chapter Nine, Lines 25-26)

Kitabu chetu cha Kijivu kinatukumbusha kwamba maisha yetu yanapokuwa ya starehe zaidi wengi wetu tunajisahau kiroho. Hii kurudi nyuma kiroho inaweza kusababisha kurudi nyuma kiakili na kimwili ikiwa hatuko makini. Kukosa kudumisha msamaha huu wa kila siku kunaweza kusababisha hisia za kutokuwa na maana na kukosa kusudi. Wengi wetu tunasahau mahali nguvu zetu za kweli zinapopatikana.

Tunavunja Anonymity yetu wenyewe kwa kujipatia sifa kwa ajili ya Urejesho wetu. Baadhi yetu tunajikuta katika matatizo ya kukabiliana na maisha ya kila siku.

Lazima tuendeleo kufanya mambo ambayo tumekuwa tukifanya na tusilegeze mpango wetu wa kiroho. Tunaanza kwa kumwomba Mungu msaada, tunawapigia simu Wadhamini wetu na kuwaambia tulipo. Tunatenda Shukrani yetu kwa Kutenda Kanuni za Kiroho.

Baadhi yetu tunatenda kuwa na Mawasiliano ya Kudumu ya Ufahamu, na Mungu wa Uelewa Wetu Wenyewe. Tunaomba Mwongozo asubuhi, tunaangalia siku nzima na kumshukuru Mungu usiku kwa Maisha yetu na Urejesho wetu. Kwa kuwa Mapenzi ya Mungu yanaisha pale yetu yanapoanza tunakuwa makini katika kufuatilia mitazamo na tabia zetu. Tunapaswa kuomba msaada wa Mungu hata kama tunadhani hatuhitaji.

Kitabu chetu cha Kijivu kinazungumzia kutopima njia ambazo Mungu anatusaidia au la. Shukrani zote zinakwenda kwa Mungu wetu.

Kwa Wakati Huu: Hatutaacha Misingi, ili Misingi isituache. Tutatoa Shukrani pale inapostahili.

4 Julai

*"Tunajifunza kwamba migogoro ni sehemu ya uhalisia na tunajifunza kuishukuru.
Tunajifunza njia mpya za kutatua migogoro badala ya kuikimbia."*

— Kitabu cha Kijivu, p. 138 (Chapter Eight, Lines 6-8)

Kukabiliana na maisha si jambo ambalo waraibu wanafanya vizuri, hiyo ni sehemu ya sababu tunatumia dawa za kulevya. Uraibu na matumizi ya dawa za kulevya vilitumika kama kisingizio cha maisha na masharti yake. Popote ambapo baadhi yetu tulihisi mzozo au mgogoro unakaribia kutokea; tulijitahidi kutoroka. Tulikuwa wasanii bora wa kutoroka, Houdini hakuwa na lolote juu yetu.

Wengi wetu hatungeweza kukabiliana na maisha na matukio yake isipokuwa tulikuwa tumelewa. Dawa za kulevya, anesthesia kubwa zaidi, zilikuwa chanzo chetu cha kukataa. Dawa za kulevya zilionekana kufanya maisha kuwa ya kuvumilika kwa wengi wetu.

Hatungeweza kuishi na hisia zetu bila hizo. Kwa hivyo kwa namna fulani dawa za kulevya zilikuwa suluhisho letu kwa muda. Kwa kuwa uraibu ni ugonjwa unaoendelea, dawa za kulevya ziliacha kufanya kazi.

Hofu ambayo awali iliendesha maisha yetu sasa ilikuwa sababu kuu katika maisha yetu. Katika hatua hii wengi wetu tulikuwa hatupo katika maisha yetu wenyewe. Baada ya kujaribu kila kitu kingine bila mafanikio, tulijikuta katika Narcotics Anonymous.

Hapa tulijifunza kuacha kukimbia. Tulijifunza kwamba hofu inaweza kumaanisha, kukabiliana na kila kitu na Kupona.

Tulipata Ushirika wa kutuunga mkono. Tulijifunza kuhusu Kujizuia Kikamilifu na Kikamilifu.

Kuishi bila dawa za kulevya kulitlazimisha kupata Mungu wa Uelewa Wetu Wenyewe. Kwa msaada wa Mdhamini wetu kutuongoza kupitia Hatua na Mapokeo hatimaye tunaacha Kuishi kwa hofu. Tunajifunza kwamba kwa kila mgogoro kuna fursa ya Kukua. Pia tunaimarisha Uhusiano wetu na Mungu, na Familia zetu na watu wanaotuzunguka.

Kwa Wakati Huu: Hofu sasa inamaanisha Kukabiliana na Kila Kitu na Kupona. Leo tutatumia chochote kinachotusumbua kama Mwalimu wetu mkuu.

5 Julai

"Hatua ya Kumi na Moja inatusaidia, tunapokabiliwa na tatizo, kuwa na ufahamu wa Mungu. Kanuni ya msingi ya Hatua hii ni ufahamu wa Mungu."

— Kitabu cha Kijivu, p. 58 (Step Eleven, Lines 10-12)

Kitabu chetu cha Msingi kinatuambia kwamba mojawapo ya matokeo ya Hatua ya Kumi na Moja ni utulivu wa kihisia. Ni mara ngapi hata baada ya kufanya Hatua na Mapokeo baadhi yetu bado tunapata mabadiliko ya kihisia. Hii inamaanisha kutokuwa na utulivu kabisa. Je, hili linatufanya kuwa wanachama wabaya wa NA? Je, ego zetu katika umbo la kiburi zinatuzuia kuomba Msaada?

Je, tunahisi au kufikiri tunapaswa kuwa katika nafasi bora zaidi katika safari yetu kwa wakati huu? Kisha Walezi wetu wanatuuliza kama tumekuwa Tukiomba, ghafla kengele inalia vichwani mwetu, DUH! Wakati wa uwazi LOL.

Wengi wetu kisha tunagundua kwamba Suluhisho daima liko katika Hatua na Mapokeo. Hatua ya Kumi na Moja inataka kutafuta kuboresha Mawasiliano ya Ufahamu na Mungu wa Kuelewa Kwetu. Hii inamaanisha hatuachi; ni uthabiti kupitia Sala na Tafakari kwamba tunadumisha uhusiano huu. Tukubali; Maisha ni mabadiliko ya hali yanayotokea kwetu na kote karibu nasi.

Baadhi yanaweza kuonekana kama matatizo ambayo yanaweza kutuzidi kama tutayachukua peke yetu. Leo tuna Chanzo cha Nguvu ambacho kinaweza kutusaidia.

Tunaomba kwa Mungu wetu kwa Mwongozo katika Urejeo wetu. Tumebarikiwa sasa kwamba tuko Safi kushiriki katika Maisha yetu wenyewe. Kitabu chetu cha Kijivu kinasema, "Polepole tunaanza kupata mpangilio fulani katika ulimwengu, na kukubali kwamba nguvu fulani ilikuwa ikitupatia dhamiri ambayo hatujawahi kuwa nayo hapo awali." Tunahitaji kuendelea Kutumia Nguvu hii kama Chanzo chetu cha Nguvu.

Kwa Wakati Huu: Tutatumia ufahamu wa Mungu kutuongoza katika Urejeo wetu na mambo yetu yote.

6 Julai

"Hatua ya Nane si rahisi; inahitaji aina mpya ya uaminifu kuhusu mahusiano yetu na watu wengine."

— Kitabu cha Kijivu, p 50 (Step Eight, Lines 27-28)

Tulitengeneza orodha ya watu, maeneo na vitu tulivyoharibu. Wengi wetu tulikuwa na mengi ya orodha yetu kutoka Hatua ya Nne. Tuligundua kwamba kufikia orodha yetu ya Hatua ya Nane; sisi ndio tulikuwa sababu kuu ya mahusiano yetu yasiyofanya kazi.

Kipengele cha kawaida kilikuwa sisi wenyewe katika hali ya kutumia. Ugonjwa wa uraibu ulionekana kuunda mawazo na mitazamo yetu mingi.

Kwa kuwa tunaishi kile tunachoamini, tulitenda na kujibu vibaya sana. Mahusiano yetu katika uraibu hai yakawa ya masharti na ya upande mmoja.

Aina hii ya udanganyifu iliathiri utu wetu kwa kiwango cha kina. Kama vile Fasihi yetu inavyosema, "zaidi ya yote tulijidhuru wenyewe." Fasihi yetu inasema kwa kuandika tunafungua sehemu za fahamu zetu ambazo hubaki zimefichwa tunapofikiria tu au kuzungumza kuhusu sisi ni nani. Uponyaji uko katika uandishi. Ndiyo maana tunapotengeneza orodha yetu na kuandika madhara tuliyosababisha kila mtu, mahali, au kitu, tunakuwa na Utayari. Utayari huja baada ya kutengeneza orodha yetu.

Baadhi yetu ilibidi Tuombe ili kuwa na Utayari wa kutengeneza orodha tu. Uaminifu tuliouonyesha kwa Mungu, sisi wenyewe na mtu mwingine katika Hatua ya Tano utatusaidia hapa.

Kiwango cha Uaminifu kitaongezeka kwa kila Kujisalimisha tunakofanya. Ahadi ya Uhuru inaendelea Kujitimiza yenyewe kwa kila Hatua inayochukuliwa na Kuishiwa.

Kwa Wakati Huu: Kwa Mwongozo na Dhamiri ya Mungu wetu tutakuwa waaminifu kadiri tuwezavyo katika hatua hii ya Urejeo wetu.

7 Julai

"Kutengwa na upweke ni dalili za sehemu ya kiakili ya ugonjwa wetu. Kwa mraibu anayefanya, maisha ni harakati tu kati ya miunganisho na kusahau."

— Kitabu cha Kijivu, p. 77 (Step Twelve, Lines 4-7)

Mmoja wa Watangulizi wetu alisema kwamba wakati wa uraibu wetu hai hali yetu ya kiakili na Kiroho iliathirika zaidi. Sehemu ya kiakili na Kiroho ya ugonjwa inakaa muda mrefu baada ya Kujizuia Kamili na Kabisa. Ingawa sehemu hizi za ugonjwa wetu zinaanza mchakato wa kurudi nyuma; pia ni mahali tunapokua katika mchakato wa Urejeo. Katika uraibu hai wengi wetu tulijitenga kwa kufanya mambo tuliyofanya kupata nyingine.

Ulimwengu wetu ulizidi kuwa mdogo kadiri tulivyotumia zaidi. Upweke ni asili halisi ya ugonjwa wa uraibu. Hii ndiyo sababu kawaida tunafikia chini peke yetu.

Uraibu hai ni kama treni inayokimbia, na lazima tusimamishwe, ili kuendelea kuishi. Kujisalimisha kimwili lazima kuje kwanza ili Kurejea.

Kujizuia Kamili na Kabisa kunaunda Msingi ambao Urejeo wetu unaweza kujengwa juu yake. Tunapopona ulimwengu wetu unaanza kupanuka. Kwa Mungu na Ushirika huu mzuri, tunaweza kutumia Ukuaji wa Kiroho usio na kikomo.

Urejeo katika Narcotics Anonymous unaturuhusu sisi wenyewe, pamoja na wengine, kushiriki katika Maisha yetu pamoja na Urejeo wetu. Alama yetu ya N.A. inatukumbusha kwamba Kadiri Msingi Unavyokuwa Mkubwa, Ndivyo Kilele cha Uhuru Kinavyokuwa Juu. Tunaongeza Msingi wetu kwa kukuza mahusiano yenye afya ndani ya Narcotics Anonymous na Jamii kwa ujumla.

Kwa Wakati Huu: Kwa Kutumia Kanuni za Kiroho katika kila eneo la Maisha yetu, Tunapona katika kila eneo la Maisha yetu.

8 Julai

"Wale kati yetu ambao wamejikwaa waligundua maendeleo ya kweli ya ugonjwa unaotusumbua. Kujua na kuelewa kwamba kuna Nguvu iliyo kuu kuliko sisi inayotaka kuwa na uhusiano nasi, licha ya makosa yetu, hutufariji sote."

— Kitabu cha Kijivu, p. 127 (Chapter Seven, Lines 10-14)

Fasihi yetu inatuambia kwamba kujikwaa si ajali kamwe. Sisi kama waraibu tunaugua ugonjwa ambao unaweza kujirudia.

Hii inamaanisha kwamba haipaswi kutokea; si hitaji. Kujikwaa si sehemu ya Urejesho; ni ukosefu wa Urejesho. Tunapopuuza Programu yetu, tunafungua mlango kwa mchakato wa kujikwaa kuanza. Kitabu cha Kijivu kinasema, "Kujikwaa kunaweza kuwa nguvu ya uharibifu inayotuuwa au kutupeleka kwenye utambuzi wa sisi ni nani na ni nini." Wale ambao walikuwa na bahati ya kuishi baada ya kujikwaa wanatuambia kwamba hali haibadiliki huko nje.

Wanatuambia kwamba N.A. iliharibu ulevi wao. Kujikwaa kwao kunathibitisha kila kitu ambacho Programu ya Narcotics Anonymous imekuwa ikiwaambia muda wote. Fasihi yetu inatukumbusha kwamba wale wanaorudi N.A. baada ya kujikwaa wanaonyesha Ujasiri ambao si wao wenyewe.

Mungu wa Kuelewa Kwetu yuko tayari kutuongoza ikiwa tutaruhusu. Baada ya yote Mungu hakuhama, sisi ndio tulihama. Wanachama wanaorudi sasa wako tayari kutumia Programu kali kwa ugonjwa.

Wanagundua kwamba mapendekezo yaliyotolewa, yalikuwa kweli madai ya hila. Mapendekezo ni bure, yale tunayolipia ni yale tusiyochukua. Kuna wale ambao hawajawahi kujikwaa tangu walipofika N.A.

Wanachama hawa wanajifunza kwa mfano wa wale wanaorudi nje. Wale waliotoka nje walijifunza kutoka kwa wale waliobaki.

Sote tunapata Reprieve ya Kila Siku Iliyotolewa na Nguvu Yetu ya Juu. Reprieve hii pia ni ya masharti, ikitegemea Matengenezo Yetu ya Kiroho.

Kwa Wakati Huu: Tunajifunza kwamba Upendo wa Mungu wetu hauna masharti na uko tayari kutufariji, ikiwa tutaruhusu.

9 Julai

*"kwamba wakati umefika ambapo uongo wa zamani, "Mara waraibu, daima waraibu",
hautavumiliwa tena na jamii au waraibu wenyewe. Tunapona."*

— Kitabu cha Kijivu, p. 133 (Chapter Eight, Header, Last Line)

Jamii hapo awali iliwachukulia waraibu kama hatari za kijamii. Ugonjwa wa uraibu hujidhihirisha katika tabia zisizopendeza. Fasihi yetu inatuambia kwamba ugonjwa wa uraibu uliongeza kasoro za tabia zetu na kuimarisha matatizo ya utu.

Kwa hivyo kwa muda mrefu ilizingatiwa kuwa ni tatizo la kimaadili. Jamii ikiwemo Marafiki na Familia zetu walifikiri kwamba waraibu walikuwa watu dhaifu wa nia.

Walifikiri kama waraibu tulikuwa na chaguo katika jambo hili. Kitabu chetu cha Kijivu kinasema, "Neno "mraibu wa dawa" lilileta maono ya uhalifu wa mitaani, hofu ya sheria, na sindano. Imani yetu ilikuwa kwamba mraibu wa dawa aliishi katika mazingira ya skid-row." Ugonjwa wa uraibu hujidhihirisha kwa njia ambazo ni za kupinga jamii na kufanya ugunduzi, utambuzi na matibabu kuwa magumu.

Mnamo 1953 Ushirika na Programu ziliundwa kutibu wale waliougua uraibu kwa njia ya matumizi ya dawa. Hatua Kumi na Mbili na Mila Kumi na Mbili za Narcotics Anonymous zinazotegemea Kiroho zinakomesha na kutibu ugonjwa wetu. Maelfu na Maelfu ya waraibu wamepona kuishi Maisha bila dawa.

Narcotics Anonymous pia inatoa mwongozo wa Kuishi Maisha ya Furaha, Furaha na Uhuru. Programu ya Narcotics Anonymous inapanuka kote Ulimwenguni ikitoa Ujumbe wa Tumaini na Ahadi ya Uhuru kwa wote wanaojitahidi kuipata. Mraibu anayepata nafuu ni Maono ya Tumaini.

Ulimwengu na mraibu mwenyewe hawatavumilia tena uongo huo wa zamani, "mara mraibu daima mraibu." Tunapona.

Kwa Wakati Huu: Pamoja na Mungu wa Kuelewa Kwetu na Ushirika wa Narcotics Anonymous Tutapona kuishi Maisha Safi na yenye Afya.

10 Julai

"Neno unyenyekevu linatumika kwa sababu tunakaribia Nguvu hii iliyo kuu kuliko sisi kuomba zawadi ya ajabu zaidi ya programu; uhuru wa kuishi bila vikwazo vya njia zetu za zamani."

— Kitabu cha Kijivu, p. 49 (Step Seven, Lines 7-10)

Wakati wowote tunapozungumza au kufikiria vyema kuhusu Mungu ni aina ya Maombi. Vitendo vyetu vyema kwa kutumia Kanuni za Kiroho ni aina ya Maombi. Tunapoandika katika majarida yetu ya kila siku au kuandika Hatua zetu, Hadhi yetu ni Mungu.

Uroho wetu umeunganishwa na Mungu. Narcotics Anonymous imeunganishwa na Mungu.

Kwa hivyo si ajabu kwamba Urejesho wetu unapaswa kuunganishwa na Mungu. Ukweli wa Kutokujulikana katika vitendo unafukuza wazo la kuchukua sifa yoyote kwa Urejesho wetu. Baadhi ya wanachama wanasema kwamba Unyenyekevu si kufikiria kidogo juu yako mwenyewe, ni kufikiria kidogo juu yako mwenyewe.

Matokeo ya kutumia Vifaa hivi vya Kiroho ni Unyenyekevu. Tunakuwa Wanyenyekevu; Unyenyekevu unatupata. Unyenyekevu ni Tunda la Kiroho la vitendo vyetu vyote visivyo na ubinafsi.

Hatua ya Saba inatukumbusha kumkaribia Mungu wa Kuelewa Kwetu na mtazamo huu na Kanuni. Kudai Mungu au kumwambia Mungu afanye nini si kumkaribia Mungu kwa Unyenyekevu. Kwa kweli, baadhi ya wanachama watapiga magoti kwa ajili ya Hatua hii. Baada ya yote, ni mara ngapi katika Maisha yetu tumepiga magoti kuomba kitu, vizuri, hii inapaswa kuwa moja ya nyakati hizo; angalau kwa maana ya Kiroho hata hivyo.

Shukrani yetu inawekwa katika Harakati tunapofanya Kanuni za Kiroho za Narcotics Anonymous katika Maisha yetu kila siku. Kinyume chake pia kinaweza kusemwa kuhusu kujitenga na Mungu na Programu tunapokosa Kufanya Kanuni za Kiroho. Sisi si wakamilifu, lakini tunaweza kujitahidi kwa Ustahiki. Tunaomba Msaada, ambayo ni aina ya Unyenyekevu.

Tunajifunza Kujikubali kupitia kutambua vikwazo vyetu. Hatimaye tunamfanya Mungu wetu kuwa kielelezo cha vitendo katika Maisha yetu.

Kwa Wakati Huu: Tutatambua wakati Mungu yupo na hayupo katika mawazo na vitendo vyetu. Tutaomba Msaada.

11 Julai

"Kutoa faraja na kutia moyo kwa wengine kunatupa faraja na kututia moyo sisi wenyewe."

— Kitabu cha Kijivu, p. 69 (Step Twelve, Lines 10-11)

Kanuni ya Kiroho ya Kushiriki ni moja ya zana zetu kubwa zaidi kwa Urejesho. Tunajifunza kwamba maumivu yanayoshirikiwa ni maumivu yanayopungua, kwa sababu wengine wanashiriki maumivu yetu. Tunaposhiriki furaha yetu, furaha yetu inakuwa mara mbili, kwa sababu wengine wanashiriki furaha yetu.

Tunaposhiriki Urejesho wetu, tunaimarisha Urejesho wetu wenyewe. Hebu tukubali, kama watumiaji wa madawa ya kulevya, dhana ya kushiriki ilikuwa ngeni kwetu. Ugonjwa wa uraibu unahusu tu kuridhisha uraibu wetu na mahitaji yetu ya msingi.

Hakukuwa na dawa za kutosha kwetu, achilia mbali kushiriki na wengine. Ugonjwa wa uraibu ulitukatisha kutoka kwa uzoefu huu wa Kiroho wa kibinadamu.

Tulitumia kuishi na kuishi kutumia ilikuwa kauli mbiu yetu. Kufika kwa Narcotics Anonymous, wanachama waliotutangulia walishiriki hadithi zao, Matumaini na Urejesho na sisi. Tuliposhiriki katika mikutano, wanachama walijibu kwa ishara ya Huruma.

Tulijifunza zaidi kuhusu uzoefu huu wa Kushiriki tulipochagua Mdhamini. Tulijifunza haraka kwamba kushiriki kwa karibu kwa mtu mmoja mmoja kulikuwa tiba ya mawazo yetu ya ugonjwa. Kushiriki na wengine kulifanya iwezekane kwa wengine kutujua, na sisi pia tukajijua wenyewe. Ubinafsi wetu ulianza kuyeyuka tulipofanya kazi na Kuishi Hatua na Mapokeo.

Tulikuwa wasio na ubinafsi katika Kushiriki kwetu na katika huduma yetu kwa Narcotics Anonymous. Tunapokea Zawadi hii ya Thamani ili tuishiriki na wengine. Tunashiriki Kanuni hizi za Kiroho tunaposhirikiana na wengine na katika mahusiano yetu binafsi.

Mungu wa Kuelewa Kwetu Mwenyewe hufanya tendo hili la kutokuwa na ubinafsi liwezekane katika Maisha yetu. Leo tunapokea ili Kutoa.

KATIKA WAKATI HUU

Tunatoa kwa Uhuru kile kilichotolewa kwetu kwa Uhuru. Tunapata Moyo tunapowatia moyo wengine.

12 Julai

"Tulikuwa tumenaswa na hitaji letu la uhusiano na pesa. Wakati huo, nafsi yetu yote, akili, mwili, na roho ilitawaliwa na dawa."

— Kitabu cha Kijivu, p. 37 (Step Three, Lines 12-16)

Fasihi yetu inatuambia kwamba kuna mambo mawili yanayounda ugonjwa wa uraibu, fikira na kulazimishwa. Wengi wetu hatuwezi kupinga kwamba hii inaelezea jinsi tulivyotumia dawa za kulevya. Kwa kweli, inaelezea jinsi sisi kama watumiaji wa dawa za kulevya tulivyoishi maisha yetu mengi, hata kabla ya matumizi ya dawa. Matumizi ya dawa za kulevya yaliongeza uraibu wetu, baada ya muda, kwa wengi wetu, ilikuwa yote tunayoweza kufikiria.

Dawa za kulevya na uraibu zikawa kitovu cha maisha yetu. Tulitumia kuishi na kuishi kutumia. Wengi wetu tuliweka matumizi mbele ya ustawi wa Familia zetu, Marafiki na sisi wenyewe.

Dawa za kulevya zilikuja kwanza, kisha kila kitu kingine, ikiwa kabisa. Wakati huu wengi wetu tulilazimika kutumia, hatukuwa na chaguo. Tulikuwa tumenaswa katika mtego wa uraibu wetu na hatukuona njia ya kutoka.

Hatungeweza kuacha wenyewe, tulihitaji kitu kutokea kilichotuzuia. Tunaita hii ni chini yetu.

Kufika kwa Narcotics Anonymous na Kujisalimisha kwa Kanuni zake za Kiroho kulifungua Suluhisho la tatizo letu. Hatua ya Kwanza ilitibu kulazimishwa kwetu, na Hatua ya Pili ilitibu fikira zetu. Tunatambua kwamba hatuwezi kufanya Programu peke yetu.

Tunahitaji Msaada wa Mungu wa Kuelewa Kwetu Mwenyewe na Ushirika wa Narcotics Anonymous. Katika Narcotics Anonymous tunatibu zaidi ya dalili za ugonjwa wetu. Kufanya kazi na Kuishi Programu kunasababisha Uamsho wa Kiroho kamili.

KATIKA WAKATI HUU

Tutafanya Mazoezi ya Kanuni za Kiroho katika kila eneo la Maisha yetu, kwa sababu uraibu unaathiri kila eneo la Maisha yetu.

13 Julai

"Ikiwa tunapata maumivu, na wengi wetu tunapata mara kwa mara, tunajifunza kuomba msaada."

— Kitabu cha Kijivu, p. 131 (Chapter Seven, Lines 21-23)

Urejesho katika Narcotics Anonymous hautufanyi tuwe sugu kwa maumivu. Kwa kweli, kuishi bila matumizi ya dawa za kulevya kunaweza kufanya Maisha kuwa na maumivu zaidi.

Baada ya yote, hatujitibu tena. Hatua yetu ya Pili inatukumbusha kwamba tunahitaji Nguvu Kubwa kuliko sisi wenyewe ili kutuliza maumivu yetu. Kwa kweli, maumivu ya Kuishi bila dawa za kulevya yatatulazimisha kutafuta Nguvu hii. Wengi wetu hatutafuti Hatua za Narcotics Anonymous kama Suluhisho; hata baada ya kuwa mwanachama kwa muda.

Wanachama hawa wasio na bahati huendelea kutafuta dawa kutoka kwa madaktari, na wengine huendelea kutumia dawa za mitaani tena. Hii ndiyo Fasihi yetu inaita kurudi nyuma, kurudi kutumia dawa za kulevya. Ikiwa tuna bahati ya kurudi baada ya kurudi nyuma, tunatafuta Msaada kutoka kwa Ushirika wetu. Kukaribishwa tena hutusaidia tusijilaumu sana.

Tunaanza Programu yetu tena; sisi ni wapya tena. Wakati huu tunajifunza Kuishi katika Wakati.

Wanachama wetu hufurahia kusaidia mtu aliyerudi nyuma kupona. Tunachukua Hatua ya Kwanza, wakati huu tunatumia Uaminifu na Kuunganisha vitendo vyetu na Ukweli. Tunajisalimisha kwa Kanuni za Kiroho za Narcotics Anonymous na Kuzifanya katika kila eneo la Maisha yetu. Wakati huu, tunafanya Mazoezi ya Programu ya Kuishi.

Tunajifunza kwamba hakuna kiwango cha Kiroho kitakachotuepusha na maumivu ya Maisha. Hata hivyo, tunayo HP yetu, Hatua, Udhamini na Ushirika wa Narcotics Anonymous kutusaidia wakati wa nyakati hizi za maumivu. Hakuna aliyesema Maisha kwa Masharti ya Mungu yatakuwa rahisi.

Ni Rahisi ingawa.

KATIKA WAKATI HUU

Maumivu yanayoshirikiwa ni maumivu yanayopungua. Tutakuwepo kwa ajili ya wengine wanapokuwa na maumivu. Pia tutaomba Msaada tunapokuwa na maumivu pia.

14 Julai

"Baada ya kuamua tunataka Mungu, kama tunavyomuelewa, atuondolee vipengele visivyo na maana au vya uharibifu vya utu wetu, tumefika kwenye Hatua ya Saba."

— Kitabu cha Kijivu, p. 48 (Step Seven, Line 12-14)

Utu wetu uliathiriwa sana na ugonjwa wetu. Tulivaa sura nyingi, na mara nyingi tulikubali kuacha imani na Kanuni zetu, ili tu kupata nyingine. Kadri tulivyotumia zaidi na kwa muda mrefu, ndivyo tulivyokuwa tukipotea kama mtu.

Mwisho wake ilikuwa ni ugonjwa wetu tu uliokuwepo. Katika Narcotics Anonymous, Hatua na Mapokeo yameundwa kurekebisha utu wetu uliovunjika. Roho zetu zimeamshwa, na tunapata Njia Mpya ya Kuishi, bila madawa.

Kasoro zetu, ingawa zilikuwa na manufaa kwetu katika ulevi wa madawa, hazina maana kwetu katika Njia yetu Mpya ya Maisha. Baada ya kuja Narcotics Anonymous, wengi wetu ingawa tuko safi, bado tunakataa kubadilika. Kuwa safi kimwili na mchafu kiroho ni kinyume na Urejesho.

Wakati maumivu ya kubaki vilevile yanapokuwa makubwa kuliko maumivu ya kubadilika, tunajisalimisha. Kiwango cha kina cha Kujisalimisha ndicho kinachohitajika tunapopitia kila Hatua. Mungu wa Kuelewa Kwetu atatupatia Nguvu tunazohitaji kuishi Kanuni hizi za Kiroho.

Kuachilia kasoro zetu na kumwomba Mungu wa Kuelewa Kwetu atuondolee mapungufu yetu pamoja na hatua, ndicho kinachoweza Urejesho wetu. Kuishi Kanuni za Hatua ndicho tunavyofanya na Kuishi Hatua. Tunajifunza Kuishi Programu na kuishiriki na wengine.

Kwa Wakati Huu: Tunamwomba Mungu atuondolee sifa hizi zisizo na maana ambazo hazihitajiki tena katika Njia hii ya Maisha.

15 Julai

"Tulitengeneza orodha ya watu wote tuliowadhuru, na tukawa tayari kufanya marekebisho kwao wote."

— Kitabu cha Kijivu, p. 50 (Chapter Eight, Header)

Kitabu chetu cha Gray kinasema kwamba lengo la Hatua ya Nane ni Utayari. Je, tuko Tayari kufanya Marekebisho kwa madhara yote tuliyosababisha. Baadhi yetu ilibidi tuwe Tayari kutengeneza orodha kwanza. Utayari wa Kujaribu ni Kanuni ya Kiroho tunayotaka Kufanya katika hatua hii.

Tunaomba na Kuomba Mwongozo. Hatua za awali zikifanywa kwa uwezo wetu bora zitatoa Imani na Ujasiri unaohitajika kwa kazi hii ya Kiroho. Kama ilivyo kwa Hatua zetu zozote, Uponyaji uko katika uandishi.

Sehemu za fahamu zetu zinafunguliwa tunapoandika. Kufichua kila mtu, mahali na kitu tulichokidhuru na jinsi tulivyowadhuru; kutaonyesha jinsi ugonjwa wa ulevi ulivyotuathiri. Tunapaswa pia kujumuisha sisi wenyewe kwenye orodha kwa sababu ya uharibifu wa Kiroho na kiakili tulioujiletea wakati wa kuumiza wengine. Lengo la Hatua hii ni Kufikia Uhuru kutoka kwa hatia inayotubebesha mzigo.

Kanuni ya Kiroho ya Msamaha itakuwa lengo letu hapa. Tayari tulisamehewa na Mungu wa Kuelewa Kwetu katika Hatua za awali. Kwa kuwa hatuko Juu ya Mungu, tunajisamehe sisi wenyewe pamoja na wengine.

Tunakuwa Tayari ingawa katika baadhi ya matukio Marekebisho kwao hayatawezekana au hayatawezekana. Sehemu ya Mchakato wa Marekebisho ni kwamba tuko Tayari Kubadilika. Tunajifunza kuhusu mipaka ya kibinafsi na jinsi ya Kuheshimu mipaka.

Tunajifunza kwamba mara nyingi tulikuwa wadhulumu na si waathirika. Tunaangalia upande wetu na kile tulichofanya.

Kwa sababu ya matumizi yetu, wengi wetu tulijiweka katika nafasi ya kuumizwa na wengine. Katika Hatua ya Saba Mungu anatufutia; katika Hatua ya Nane tunajisamehe; katika Hatua ya Tisa pengine tunasamehewa.

Kwa Wakati Huu: Inafunuliwa kwetu kwamba Hatua Kumi na Mbili zote ni Hatua za Marekebisho.

16 Julai

"Kabla ya kuja kwenye ushirika wa N.A., tulikuwa hatujali maisha yetu. Tulitumia madawa kuficha aibu yetu, hatia, udhaifu na hisia za kutokutosha."

— Kitabu cha Kijivu, p. 23 (Chapter Three, Lines 1-3)

Kwa wengi wetu, madawa yalikuwa Suluhisho letu kwa muda mrefu. Madawa yalikuwa jibu kwa ukosefu wetu wa Kiroho na ujuzi wa kukabiliana. Wengi wetu tungejiua mara moja kama si kwa kujitibu wenyewe kwa madawa.

Tunatambua kwamba ulevi ulikuwepo muda mrefu kabla hatujachukua. Uozo wetu wa kiroho ulikuwa na mwanzo na kuendelea kama watoto. Baadhi ya dalili za ugonjwa wa ulevi zilikuwa huzuni, wasiwasi, kuchanganyikiwa, kujidharau na magonjwa mengine mengi.

Wengi wetu tuligunduliwa vibaya, madaktari walisaidia ugonjwa wetu kwa kuandikia dawa. Hii ilifanya mambo kuwa mabaya zaidi na kufanya ulevi wetu kuendelea. Baadhi yetu tulitafuta majibu kupitia dini na taasisi nyingine.

Tulitumia watu kujaza mapengo yetu. Mambo haya yote yalishindwa sio tu kuzalisha Kujizuia bali aina yoyote ya Urejesho kabisa.

Ulevi wetu uliendelea kuendelea hadi tulipofika Narcotics Anonymous. Suluhisho hili halikuwa hata wazo letu. Tulipigwa hadi tukasalimu amri na kulazimishwa kujaribu kitu kipya ambacho hatujawahi kujaribu hapo awali.

Narcotics Anonymous ikawa kitu cha mwisho tulichojaribu na cha kwanza kilichofanya kazi. Leo kwa Kanuni za Kiroho tunaweza kuwa na mtazamo tofauti wa Maisha yetu.

Tunayo seti mpya ya hisia tunazoweza kuhisi. Ilianza na Tumaini lililoshirikiwa na wengine. Kwa ushahidi huu mpya tuliweza kuwa na Tumaini kwamba na sisi tunaweza Kupona. Kwa mara ya kwanza kwa muda mrefu, tukawa Wajibu, kwanza kwa Urejesho wetu na kisha, Kutoa Ujumbe wa Narcotics Anonymous kwa wale wanaotafuta Urejesho.

Hatutumii tena madawa au kitu kingine kuficha hisia zetu za sisi wenyewe na wengine. Tunapata maono mapya ya jinsi Maisha yetu yanavyoweza na yanavyopaswa kuwa. Leo tunakubali kuwa Wastani kwa kuwa ukamilifu ni sifa ya Kimungu, kitabu chetu cha Gray kinatuambia.

Kwa Wakati Huu: Tunahisi hisia zetu na kuishi na hisia zetu. Hatutumii tena madawa au kitu kingine kutufanya tuwe ganzi.

17 Julai

"Je, tunakubali kikamilifu ukweli kwamba kila jaribio letu la kuacha kutumia au kudhibiti matumizi yetu lilishindwa?"

— Kitabu cha Kijivu, p. 29 (Chapter Four, Lines 4-5)

Fasihi yetu inatuambia kwamba tulikosa nguvu juu ya matumizi yetu ya dawa za kulevya. Ni mara ngapi katika ulevi wetu wa kutumia tulijaribu kudhibiti matumizi yetu? Tuliambia wenyewe hatutatumia leo, au siku fulani tu, lakini tukatumia tena kinyume na mapenzi yetu. Baada ya muda tuliona kwamba hatukutumia dawa za kulevya; dawa za kulevya zilitutumia sisi.

Mara nyingi tulijikuta tunatumia dawa za kulevya wakati usiofaa kabisa. Tulitumia kabla au wakati wa kazi.

Tulitumia kabla ya matukio maalum ambayo tungepaswa kuwa na akili na hisia. Baadhi yetu tulitumia kabla ya tarehe ya mahakama, bila kujua au kujali kama tungejaribiwa siku hiyo. Kukataa kwetu kulituzuia kutambua kutokuwa na nguvu kwetu.

Sehemu ya kiroho ya ugonjwa ilituzuia kuona uharibifu ambao ulevi ulikuwa unasababisha karibu nasi. Tulipoona madhara tuliyosababisha kwa sababu ya ulevi wetu; hatukuwa na uwezo wa kuacha. Baada ya kufika Narcotics Anonymous na kufikia Kujizua Kamili na Kabisa, tulianza kupata nguvu kutoka kwa uharibifu uliosababishwa na matumizi yetu. Kufanya na Kuishi Hatua ya Kwanza kunasaidia kuvunja udanganyifu wetu kwamba tulikuwa na udhibiti.

Kutokuwa na nguvu kulimaanisha kwamba tulitumia dawa za kulevya kinyume na mapenzi yetu, na bila kujali matokeo. Hatua ya Pili katika N.A. inashughulikia sehemu ya kiakili ya ugonjwa. Nguvu Kubwa Kuliko Sisi wenyewe ndiyo inayotumika kupunguza hamu yetu ya kutumia.

Kugeuza Mapenzi yetu na Maisha yetu kwa Huduma ya Nguvu hii ya Juu katika Hatua ya Tatu inathibitisha kwamba kukataa kwetu kumeshavunjika.

Kwa Wakati Huu: Tutajisalimisha kwa Kanuni za Narcotics Anonymous kama kitendo cha Imani kwamba Programu hii inafanya kazi.

18 Julai

"Dawa, dini na saikolojia zilionekana kutokuwa na majibu kwa ajili yetu ambayo tungeweza kutumia. Njia hizi zote ziliposhindwa kwetu, kwa kukata tamaa, tulitafuta msaada kutoka kwa kila mmoja katika Narcotics Anonymous."

— Kitabu cha Kijivu, p. 23 (Chapter Three, Header)

Sura ya Kwa Nini Tuko Hapa inaelezea maisha ya mtumiaji wa dawa za kulevya. Inaelezea maendeleo ya ugonjwa wa ulevi kama inavyohusiana na matumizi ya dawa za kulevya. Utambulisho wetu kama watumiaji unatokana na baadhi ya dalili na matukio haya.

Kutowajibika kwetu katika maisha yetu kulikuwa kunasababisha matatizo yetu wenyewe. Kujidunga dawa ili kuficha hisia za kutokuwa na uwezo na kutokuwa na thamani ni baadhi tu ya mambo. Kuamka ukiwa mgonjwa na kufanya chochote kilichohitajika ili kuendelea kutumia.

Njia yetu ya uharibifu ilikuwa haijulikani kwetu, na kuumiza hasa wale tunaowapenda. Mwishoni mwa hali zetu mbaya, tulijaribu tiba kadhaa kwa matatizo yetu. Tulijaribu kazi mpya, miji mipya, wapendwa wapya.

Tulijaribu dini, wataalamu wa saikolojia, madaktari, wataalamu wa akili, dawa, dawa nyingine na taasisi, ikiwa ni pamoja na magereza. Fasihi yetu inatambia kwamba suluhisho hizi zinazoitwa hazikuwa na majibu yoyote ambayo tungeweza kutumia. Wengi wetu tulijaribu zote na ilishindwa kutuletea Kujizuia Kamili na Kabisa na Kupona. Wengi wetu tulifika Narcotics Anonymous tulipokosa chaguo.

Kwa wengi wetu inaweza kuelezewa kama nyumba ya mwisho kwenye mtaa. Tulifika kwa kukata tamaa na tulishindwa kwa maumivu yetu. Narcotics Anonymous ilikuwa kile kilichokosekana, maisha yetu yote.

Tulihisi jinsi nyumbani inavyopaswa kuhisi hapa. Wanachama walitupokea kwa Upendo Usio na Masharti.

Utambulisho wetu kama watumiaji ulitokea katika kiwango cha kina cha hisia na hisia. Hii ni lugha isiyo na maneno ya Huruma. Karibu Narcotics Anonymous, Karibu Nyumbani.

Kwa Wakati Huu: Tutakuwa na Shukrani kwa Programu hii Iliyotolewa na Mungu kwa Kuishiriki na wengine wanaoitafuta.

19 Julai

"Ndoto zile tulizojiacha zamani sasa zinaweza kuwa ukweli kwa msaada wa Mungu."

— Kitabu cha Kijivu, p. 106 (Tradition Seven, Lines 23-24)

Kabla ya kuja Narcotics Anonymous, wengi wetu tulikuwa na ndoto. Tulikuwa na ndoto za kufanikiwa, na kuwa na Familia zetu wenyewe.

Wengi wetu ndoto zetu ziliharibiwa na ulevi wa kutumia. Sio tu ndoto zetu zilikatishwa, lakini pia kupitia matumizi yetu, tuliharibu ndoto za wengine. Tulihitaji pesa ili kuendeleza ulevi wetu, kwa hivyo tulitegemea wengine kwa pesa na kuwaibia wao na wengine. Baada ya kuja Narcotics Anonymous, kufanya na Kuishi Hatua na Mila, tulijifunza kusimama kwa miguu yetu wenyewe.

Uhuru wetu, kwanza kutoka kwa ulevi wa kutumia, kisha tukapata Uhuru kutoka kwa nafsi na kisha wengine. Fasihi yetu inatuambia kwamba "haraka tunavyokabiliana na matatizo yetu ndani ya jamii yetu, katika maisha ya kila siku, ndivyo tunavyokuwa wanachama wanaokubalika, wanaowajibika, na wenye tija wa jamii hiyo." Ingawa kukubalika kijamii hakulingani na Kupona, tunajifunza kufanya kazi bila matumizi ya dawa za kulevya. Hii ni ndoto inayo Timia. Pia tunakuwa na wajibu, kwa ajili yetu wenyewe na wapendwa wetu.

Kwa njia ile ile kama watu binafsi, tunakuwa na uwezo wa kujitegemea kabisa, kama Vikundi tunakuwa na uwezo wa kujitegemea kabisa pia. Mila yetu ya Saba inatuambia kwamba hatuombi tena misaada.

Kama watu binafsi na Vikundi tunapata Kanuni ya Uhuru. Uhuru huu unatupa uwezo wa kukua katika njia za Kiroho.

Kama watu binafsi ndoto zetu za ajabu zinakuwa Ukweli, kama Kikundi tunashiriki Ujumbe wa Tumaini, na Ahadi ya Uhuru na mtumiaji anayeteseka na wengine.

Kwa Wakati Huu: Kupona kunatupa fursa ya Ukuaji wa Kiroho Usio na Kikomo, Ukuaji huu unapaswa kutuathiri katika maeneo yote ya Maisha yetu na katika Maisha ya wengine.

20 Julai

*"Tuliamua kwamba hatukuwa na uwezo juu ya uraibu wetu, kwamba maisha yetu
yalikuwa hayadhibitiwi."*

— Kitabu cha Kijivu, p. 30 (Step One, Header)

Katika Narcotics Anonymous, Kukubali kwetu lazima kufuatiwe na vitendo. Kulinganisha vitendo vyetu na Ukweli ni aina ya Kujisalimisha.

Hivi ndivyo Tamaa ya Kweli inaweza kupimwa na sisi wenyewe. Hatua yetu ya Kwanza inasema tunapokubali kutokuwa na uwezo na kutodhibitiwa, katika Maisha yetu, tunafungua mlango wa Urejesho na Nguvu ya Kutusaidia. Hatuchukui sifa kwa kufika Narcotics Anonymous.

Tulishindwa na tukajisalimisha. Kiwango chetu cha Kujisalimisha kinapimwa na Utayari wetu wa Kujaribu. Tunafanya kitendo kinachoitwa katika Hatua ya Kwanza kwa Kuhudhuria Mikutano, kupata na kutumia Mdhamini wa N.A., kusoma Fasihi yetu, kujiunga na kupata ahadi katika Kikundi cha Nyumbani na kuendeleza mtandao wa Msaada.

Hizi ni mapendekezo tu ikiwa unataka Kufikia na Kudumisha Kujizuia na kufanya Urejesho uwezekane. Kuna kiwango cha kina zaidi cha Kujisalimisha na Kukubali tunapoendelea na Hatua na Mapokeo. Tunafanya Mazoezi ya Mpango huu wa Kuishi wa Narcotics Anonymous ili Kudumisha Reprieve hii ya Kila Siku, kutoka kwa hofu za uraibu.

Katika Hatua ya Kwanza tunakuza miguu yenye busara tunapohudhuria Mikutano. Tunaanza Kuona kutoka miguu yetu kwenda juu. Ikiwa hatufanyi Mazoezi ya mapendekezo haya, basi hatufanyi Mazoezi ya Uaminifu, na kwa kweli tunafunga mlango huo wa Urejesho na Nguvu hiyo itakayotusaidia.

Kwa Wakati Huu: Tutafanya zaidi ya Kukubali kwamba sisi ni waraibu kwa midomo yetu. Tutalinganisha vitendo vyetu na Ukweli.

21 Julai

"Ikiwa baada ya kipindi cha muda tunajikuta katika matatizo na Urejesho wetu, labda tumeacha kufanya moja au zaidi ya mambo ambayo yalitusaidia katika hatua za awali za Urejesho."

— Kitabu cha Kijivu, p. 144 (Chapter Nine, Lines 17-20)

Kwa mraibu anayepata nafuu, kutumia dawa kawaida huja mwishoni mwa kurudi nyuma. Wanachama wengi wenye muda mrefu wa usafi wakati mwingine hushindwa kuona mwanzo wake.

Uzembe wa Kiroho ni mwanzo wa mchakato wa kurudi nyuma. Tunaposafiri kwenye Safari hii ya Urejesho, Maisha yetu yanaanza kuwa na shughuli nyingi. Fasihi yetu inatuambia kwamba sehemu ya Urejesho wetu ni kuwa Wanachama Wenye Tija, Wanaokubalika, na Wenye Kuwajibika wa Jamii.

Pia inatuambia kwamba Kukubalika Kijamii hakulingani na Urejesho. Kusudi letu la Msingi ni kuwa Safi, Kuishi Kanuni hizi za Kiroho katika mambo yetu yote, na kubeba Ujumbe wa Narcotics Anonymous kwa mraibu anayeteseka anayetafuta Urejesho. Baadhi ya dalili za Urejesho ni kwamba tunapokea Zawadi.

Baadhi ya wanachama wanaanza Kuishi Maisha kwa ukamilifu. Baadhi yetu wanapata ajira, wengine wanaoa na kuanzisha Familia.

Zawadi hizi zilizotajwa hazipaswi kuunganishwa na Urejesho wetu. Tunapaswa kufanya kazi ya Mpango bila kujali kama mambo haya yapo katika Maisha yetu au la. Vitu vya kimwili si lengo au kusudi la Urejesho wetu.

Hata baadhi ya wanachama wetu matajiri zaidi walikuwa na mali za kimwili baada ya kufikia chini. Hiyo haikuwasaidia kupata au kubaki Safi na katika Urejesho. Baadhi yetu tunakuwa na shughuli nyingi sana kupona, na tunaanza kupuuza Mpango wetu. Hii ni mwanzo wa mchakato wa kurudi nyuma, na ikiwa hatutajitolea tena kwa Mpango wetu, mchakato wa Urejesho unakoma, na tunaweza kujikuta bila matumaini, tukijitenga na hatimaye kurudi kutumia dawa tena.

Kwa kufanya kazi na wengine na kuendelea Kufanya Mazoezi ya Misingi, hatutalazimika kurudi kwenye Misingi. Mpango wetu ni Safari ya Kupanda, hivyo kusimama tu kutatufanya kurudi nyuma. Kile kilichotufanyia kazi mwanzoni mwa Urejesho wetu kinaweza kuendelea kutufanyia kazi Leo.

Kwa Wakati Huu: Tutaendelea kusonga kwenye njia sahihi, kwa sababu kuna treni nyingine inakuja. Hatupimi Urejesho wetu kwa mafanikio yetu ya Kijamii na ya kimwili.

22 Julai

"Kwetu sisi, kutumia ni kufa. Tumeona waraibu wakija kwenye Ushirika wetu, kujaribu mpango wetu, kubaki safi kwa kipindi fulani, kisha kuondoka polepole."

— Kitabu cha Kijivu, p. 119 (Chapter Seven, Lines 1-3)

Fasihi yetu inatukumbusha kwamba uraibu ni kinyume cha kuishi. Hakuna tiba ya ugonjwa wetu katika N.A., na uraibu pia unaendelea na ni hatari, lakini tunaweza kuutibu kwa Reprieve ya Kila Siku. Kwa kuwa uraibu na kujiondoa kunapotosha mawazo ya busara, Sisi kama wageni hatupaswi kufikiria wenyewe. Tunahitaji kufuata Mapendekezo ya N.A.

Kuzingatia kutotumia na kufikia Kujizuia Kamili na Kabisa inapaswa kuwa Kipaumbele chetu cha kwanza na Kazi. Kwanza tunajifunza kuhusu Dalili iliyo wazi zaidi ya ugonjwa wetu, ambayo ni kutumia dawa.

Kuishi bila kutumia dawa, hata hivyo, ni kipengele kikubwa zaidi cha ugonjwa wetu. Hatua yetu ya Pili ndiyo inayohitajika kujaza pengo na kupunguza maumivu ya Kuishi bila dawa. Ugonjwa tunaouguua katika Narcotics Anonymous unatuambia hatuna ugonjwa.

Ingawa baadhi ya wanachama wetu wanaweza kuondolewa na tamaa, baadhi wanaweza kuchanganya hii na kupona; lakini bado wanaweza kuteseka kutokana na uraibu usiotibiwa. Reprieve ya Kila Siku tunayopata inategemea Matengenezo yetu ya Kiroho, ambayo hubaki hai tu ikiwa tunafanya kazi ya Mpango wa Kuishi. Baadhi ya wanachama hufanya juhudi ya kuendelea Kupona. Baadhi hupuuza Hatua ya Pili na kutafuta dawa kama Suluhisho.

Hatimaye wengi huondoka N.A. Baadhi ya wanachama huondoka kwenye wingu la bidii ya kidini au kijamii.

Wengi hufa kutokana na kurudi kwenye matumizi ya dawa au mtindo wake wa maisha. Hata kama hatuwaoni wanachama hawa baada ya kuondoka N.A., tunaweza karibu kudhani wanaishi hofu za uraibu. Baadhi huenda hawakuwa waraibu wa kweli mwanzoni.

Lolote litakalokuwa, tunagundua kwamba Kujizuia Kamili na Kabisa; na Kufanya Mazoezi ya Mpango wa Kuishi kwa Msaada wa Mungu na Ushirika wa Narcotics Anonymous ni tiba bora kwa ugonjwa huu unaoweza kutibika.

Kwa Wakati Huu: Tutashikilia na kubaki kwa Kufanya Mazoezi ya Kanuni za Kiroho za Narcotics Anonymous.

23 Julai

*"Kwa muda mrefu, tumekuwa tukitaka na kudai kwamba mambo yaende kwa njia yetu.
Tunajua kutokana na uzoefu wetu wa zamani kwamba njia yetu ya kufanya mambo
haikufanya kazi."*

— Kitabu cha Kijivu, p. 144 (Chapter Nine, Lines 4-10)

Rekodi ngumu zaidi kuvunja ni rekodi yetu wenyewe. Wazimu wa ugonjwa ulitufanya turudie makosa yale yale tena na tena. Kitabu chetu cha Gray kinaendelea kusema, "Uraibu ni ugonjwa ambao ulijidhihirisha ndani yetu katika hatua isiyojulikana katika maisha yetu." Kinaendelea kusema, "Katika wakati adimu wa uwazi, tuliweza kuangalia tukio lote katika wazimu wake wote." Hii ni nafasi iliyohitajika ili Kupandikiza Wazo Jipya kwenye akili iliyofungwa.

Ufunguzi huu wa haraka wa akili zetu zilizofungwa unaweza kuwa mwanzo wa kufanya Kujisalimisha. Tunaona kwamba njia yetu ya zamani haikufanya kazi.

Tunaanza kukuza Utayari wa kujaribu; tamaa yetu ya Kweli kwa ajili yetu wenyewe itaamuliwa na vitendo vyetu. Katika Narcotics Anonymous tunajifunza upya pamoja na kujifunza mitazamo na tabia mpya.

Tunatambulishwa kwa Nguvu ya Juu inayowezesha Urejesho wetu. Tunapoendelea Kupiga Hatua katika Urejesho wetu, tunaendelea kuongeza Imani yetu na Matumaini yetu yanaendelea kuimarika, kama matokeo. Tunaendelea Kujisalimisha kwa Kutenda Kanuni za Kiroho za Narcotics Anonymous kila siku katika kila eneo la Maisha yetu.

Fasihi yetu inatuambia kwamba tunapokataa Kutenda Kukubali tunakana Imani yetu kwa Nguvu ya Juu. Kanuni ya Kiroho ya Kutokujulikana inatuonyesha tusichukue sifa kwa ajili ya Urejesho wetu. Tunafanya kazi ya miguu na kuacha matokeo kwa Mungu wa Kuelewa Kwetu.

Tunampa Mungu wetu Utukufu wote kwa kuonyesha Shukrani yetu katika Vitendo. Tunashiriki Zawadi hii ya Thamani na wote wanaotafuta Urejesho katika Narcotics Anonymous.

Kwa Wakati Huu: Tutaendelea kuvunja rekodi ngumu zaidi duniani, yetu wenyewe.

24 Julai

"Kwa miaka mingi, tumeficha kujidharau kwetu kwa kujificha nyuma ya sura bandia ambazo tulitumaini zingewadanganya watu. Kwa bahati mbaya, tulijidanganya zaidi sisi wenyewe kuliko mtu yeyote. Barakoa lazima ziondoke."

— Kitabu cha Kijivu, p. 45 (Step Five, Lines 22-28)

Kadiri ugonjwa wa uraibu ulivyoendelea katika maisha yetu, nafsi zetu za Kweli zilionekana kutoweka. Tabia zetu zilipata mabadiliko mabaya kwa kiwango cha kina. Uraibu ulitupeleka mahali ambapo hatujawahi kwenda hapo awali.

Kutumia dawa, kwa wengi wetu ilikuwa kazi ya saa ishirini na nne. Tu kupata, kutumia na kutafuta njia na njia za kutumia zaidi, ilikuwa mzunguko wa uharibifu. Wakati huo hatukuwa na chaguo; tulilazimika kutumia.

Tulikuwa katika mikono ya nguvu ya uharibifu, yenye nguvu ya kifo. Kasoro zetu za tabia zilikuwa zana zilizotuwezesha kutumia dawa. Tulivaa barakoa nyingi ili kudanganya watu, mahali na vitu ili kufanya uraibu wetu uwezekane.

Wengi wetu hata tulivunja baadhi, ikiwa sio zote, za imani na maadili yetu binafsi. Hatukuwa sisi wenyewe, tulikuwa zaidi ya ugonjwa katika mazoea yetu.

Tunaishi kutumia na kutumia kuishi. Kujidharau kwetu na kutokuwa na usalama kulikuwa moja ya sababu tulizochukua mwanzoni. Baada ya kufika Narcotics Anonymous, tunagundua kwamba tulikuwa wagonjwa kutokana na ugonjwa wa uraibu kabla hata hatujaanza kutumia dawa. Hatua yetu ya Kwanza inathibitisha kwamba hatuko waraibu kwa sababu tunatumia dawa.

Tunatumia dawa kwa sababu sisi ni waraibu. Ni ugonjwa wa uraibu unaotufanya tuwe waraibu, sio dawa.

Uraibu hai na kujiondoa kulipotosha mawazo ya busara. Kukataa, kujishughulisha na ubinafsi vilikuwa tatizo letu kuu. Kutenda Kanuni za Kiroho za Narcotics Anonymous kunatupa Mpango wa mabadiliko ya tabia yanayohitajika. Hii ni mabadiliko ya kila siku yanayoweza na Mungu wa Kuelewa Kwetu na kwa Kutenda Mpango wa Kuishi wa Narcotics Anonymous.

Kwa kila Hatua tunayoishi tunafanya kujisalimisha kunakohitajika ili Kukua katika Safari hii ya Urejesho. Hatutafuti tena idhini kutoka kwa wengine ili kuthibitisha nafsi zetu za Kweli. Tunapata Ahadi ya Uhuru ambayo Narcotics Anonymous inatoa, lakini lazima tuendelee kufanya kazi ya miguu kila siku.

Kwa Wakati Huu: Hatua ya Tano inatupa mchakato wa kuondoa barakoa, ili tuwe nafsi zetu za Kweli, za Kweli, hata kama ni kwa mara ya kwanza.

25 Julai

"Baada ya kupata Uamsho wa Kiroho kutokana na Hatua hizi, tulitafuta kupeleka ujumbe kwa waraibu na kutenda Kanuni hizi katika mambo yote ya maisha yetu."

— Kitabu cha Kijivu, p. 59 (Step Twelve, Step Twelve Header)

Hatua ya awali ilitumika kusoma, "kutokana na HATUA HIZO kutenda KANUNI HIZI katika mambo yote ya maisha yetu", hiyo ilikuwa kumaanisha kwamba Uamsho wetu wa Kiroho hutokea wakati na kama matokeo ya Kutenda Kanuni za Kiroho za kila Hatua hadi Hatua ya 12. Hatua 1-11 zinatundaa kuchukua onyesho barabarani. Upendo na Huduma ni Kanuni kuu nyuma ya Hatua ya 12. Upendo wa nafsi unapaswa kutokea kabla ya kupenda wengine.

Tunanza kujipenda tunapofanya kazi Hatua 4-11. Ina maana tu kwamba tunakuwa na Upendo ili kutoa Upendo.

Huduma yoyote inayofanywa kabla ya hii inaweza kuchanganywa na hadhi na ubinafsi, ambayo kwa kweli inatufanyia vibaya sisi na wale tunaotaka kuwahudumia. Migogoro mingi hutokea kwa jina la Huduma; umewahi kwenda kwenye mkutano wa eneo la naws hivi karibuni? Egos zinagongana na kutokubaliana kunaleta mgawanyiko na Kusudi letu Kuu haliko Kuu tena. Wakati wanachama wanafanya kazi Hatua na kuwa na Uhusiano wa kufanya kazi na Mungu wa Kuelewa Kwao, Kanuni za Kiroho hazitakuwa katika mgogoro.

Maarifa ya kufanya kazi ya Mila yanaweza kuwa hayatoshi, utafiti halisi na matumizi yanaweza kuhitajika katika viwango fulani vya Huduma. Kuchagua wanachama kabla hawajawa tayari Kiroho kwa nafasi za Huduma, kunaweza kufanya madhara zaidi kuliko mema. Alama yetu inazungumzia Mapenzi Mema, kufanya jambo sahihi kwa sababu sahihi, nia yetu ya kufanya Huduma inapaswa kuwa kuwahudumia wengine, sio sisi wenyewe. Sisi kubaki safi ni jambo la pili.

Dalili ya kusaidia wengine, ni kwamba tunapata kuhifadhi kile tulicho nacho. Ikiwa kile tulicho nacho hakifanyi kazi basi, tunapata kuhifadhi hicho pia. Urejesho wa Kulingana na Huduma kwa kweli unajishinda, hatupatikani kupitia Huduma.

Tunapatikana kupitia kufanya kazi Hatua, kisha tunatenda Kanuni hizi kupitia Mila zetu. Tunapaswa kujiuliza; je, Huduma yangu, Inategemea Urejesho? Au nina Huduma Inayotegemea, Urejesho?

Kuchukua hesabu ya kwa nini tunahudumu kunaweza kufungua ufahamu fulani, na inahakikisha nia zetu hazina nia. Upendo na Huduma inapaswa kuwa nia yetu pekee, ikiwa tumefanya kazi HATUA HIZO.

Kwa Wakati Huu: Tutaendelea kufanya kazi juu ya nafsi, ili tuwe na kitu cha kutoa, hatuwezi kutoa kile ambacho hatuna.

26 Julai

*"Tulijisalimisha—tukaacha kupambana—tukasalimu amri kabisa na bila masharti.
Kisha na hapo tu ndipo tulipoanza kupona kutokana na ugonjwa wa uraibu."*

— Kitabu cha Kijivu, p. 33 (Step One, Lines 13-15)

Kusalimu amri ili kushinda. Tumesikia hili mara kadhaa katika Safari yetu ya Kupona, lakini wengi hawalielewi kweli. Ili kuwa na nafasi yoyote ya Kupona dhidi ya ugonjwa wa uraibu, lazima tuache kupambana na ugonjwa; mapambano yamepangwa.

Kwanza lazima tusalimu amri kwa kujizuia kabisa na kwa kutokuwa na nguvu na kutoweza kudhibiti maisha yetu. Mpaka tukubali hili, mlango wa Kupona utabaki umefungwa. Tunaweza kutoa sababu na visingizio tena na tena.

Tunaweza kushindwa, kufungwa, karibu kufa, kupoteza Familia, kazi na kila kitu tulicho nacho, lakini haijalishi kama hatutasalimu amri. Kusalimu amri bila masharti kunamaanisha kwamba tunakubali Kanuni za Narcotics Anonymous. Ujumbe unasema kwamba tunaweza kuacha kutumia na kupoteza tamaa ya kutumia. N.A. haifanyi kazi ikiwa tutaibadilisha katika maisha yetu, lazima tubadilishe maisha yetu katika N.A.

Kila kitu tulichojaribu kabla ya kuja N.A. kilishindwa. Hatua yetu ya Kwanza inahitaji Uaminifu.

Uaminifu unamaanisha tunalinganisha matendo yetu na Ukweli. Kuhudhuria mikutano, kusoma na kusoma Vitabu, kufanya kazi na Wadhamini wetu, kufanya Huduma na kusaidia wengine, ni jinsi tunavyofanya Mazoezi ya Uaminifu. Kufanya Mazoezi ya Uaminifu ni aina ya Kusalimu amri. Kusalimu amri bila masharti kunamaanisha kwamba tunafanya Programu bila kujali nini.

Kazi au hakuna kazi, Familia au hakuna Familia, pesa au hakuna pesa, wakati wa ugonjwa au afya. Hii ndiyo sababu kuna sharti moja tu la uanachama katika N.A.

Bila hilo hatuwezi Kupona.

Kwa wakati huu: Tutafanya Mazoezi ya Kanuni ya Kusalimu amri. Itatuwezesha kukua katika Kupona kwetu kila siku.

27 Julai

"Baada ya kujiunga na Jumuiya ya Narcotics Anonymous, tunajikuta tuko miongoni mwa kundi maalum sana la watu. Wengi walikuwa katika hali mbaya zaidi kuliko sisi. Hapa tulipata matumaini."

— Kitabu cha Kijivu, p. 17 (Chapter Two, Lines 9-12)

Kwa muda mrefu tumekuwa tukitafuta njia ya kutoka. Tulijaribu njia nyingi, vitu na watu ili kuacha kutumia, lakini hakuna kilichofanya kazi.

Tuligundua kwamba hatuwezi kudhibiti uraibu wetu. Tukiwa tumeshindwa na kushindwa, tulitafuta msaada kutoka Narcotics Anonymous. Hapa tulikutana na watu wanaofanana na sisi, ambao maisha yao yalidhibitiwa na kuharibiwa na matumizi ya dawa za kulevya.

Watu hawa hao walikuwa sasa Wenye Furaha, Wenye Shauku na Wako Huru, na hawakuwa wakitumia dawa za kulevya. Walipata njia ya kutoka, sio tu kwamba hawakutumia dawa za kulevya tena, lakini walikuwa na furaha bila hizo. Ujumbe wa Matumaini na Ahadi ya Uhuru ulionekana mara tu baada ya kuingia katika vyumba vya Narcotics Anonymous.

Tuliambiwa Karibu Nyumbani na Kuendelea Kurudi, na tulifanya hivyo. Tulipata kile tulichokuwa tukitafuta kila wakati, katika Narcotics Anonymous, Upendo Bila Masharti. Watu walitupenda mpaka tulipojifunza kujipenda wenyewe.

Kadri tulivyosikia uzoefu wa wengine, ndivyo tulivyosikia, "Lugha Isiyo na Maneno ya Utambuzi, Imani na Imani, ambayo tunaita Huruma" Utambulisho wetu kama waraibu ni zaidi kuhusu hali ya kukata tamaa tuliyojikuta kutoka kwa uraibu wetu wa kazi, hadi hali ya Matumaini tuliyopata na wengine katika Narcotics Anonymous. Ni Programu ya Sisi, kwa hivyo Tunahitaji wengine kufanya Programu. Hatua ya Kwanza hadi ya Kumi na Moja inaanza na neno Sisi, kwa sababu Tunahitaji kila mmoja ili Kupona ifanye kazi. Mraibu Mmoja Akimsaidia Mwingine Hakuna Kitu Kinacholingana.

Kitabu chetu cha Msingi kinasema kwamba, "Moyo wa N.A. unapiga wakati waraibu wawili wanashiriki Kupona kwao." Kwa hivyo tunapata na kutumia Mdhamini wa N.A. kufanya Hatua; kama Roho zetu Zinavyoamka, tunashiriki Zawadi hii na wengine. Shukrani yetu inaonyeshwa na jinsi tunavyoishi.

Kwa Wakati Huu: Kwa Msaada wa Jumuiya ya Narcotics Anonymous, tunaendelea na Safari hii ya Kiroho.

28 Julai

"Tumeogopa kwamba ikiwa tutajifunua jinsi tulivyo kweli, tutakataliwa bila shaka."

— Kitabu cha Kijivu, p. 44 (Step Five, Lines 14-15)

Kwa miaka mingi, tulikuwa tumekataa wenyewe, uraibu wetu wa kazi ulitupeleka mahali, tulifikiri hatutawahi kwenda. Wakati mwingine tulifanya mambo ambayo tulifikiri hatutawahi kujiona tukifanya. Mabadiliko haya ya ajabu ya utu wetu yalisababishwa na sisi kuvaa vinyago tofauti ili kutoshea uraibu wetu.

Wakati mwingine sio watu wanaobadilika, ni kinyago kinachoanguka. Nakumbuka kwamba nilihitaji kwanza kukubalika kwa wengine katika N.A.

Hatimaye N.A. ilinisaidia kuto hitaji kutafuta kukubalika huko, bali kujipenda mwenyewe kwa ajili yangu mwenyewe badala yake. Tulipofika kwanza N.A., tunahimizwa kuendelea kurudi; tulikuwa na wasiwasi kuhusu kumruhusu mtu yeyote aingie. Watu wengi tuliowahi kuwaamini walituangusha, labda hata kutuacha. Kupitia kufanya kazi hatua, tulipata Kukubalika kwa wenyewe, kasoro na yote; na tunapoweza kukubali mapungufu yetu wenyewe, tunajifunza kukubali mapungufu ya wengine.

Tunagundua kwamba hawatofautiani sana na sisi baada ya yote. Tulijifunza katika Hatua yetu ya Tano kwamba vinyago lazima viende.

Kujikubali kulikuwa Suluhisho letu; Hatua zinatungoza kwanza Kukubali ugonjwa wetu na sisi wenyewe kama waraibu. Tunaanza Mchakato wa Kujikubali katika Hatua ya Nne hadi ya Sita, mara tu tunapojikubali jinsi tulivyo, tunaanza Kukubali wengine.

Kwa Wakati Huu: Kwa Unyenyekevu huu mpya tulio nao tunakomesha kujikataa na kukataliwa na wengine.

29 Julai

"Hatua ya Nane inaanza utaratibu wa kusamehe watu wengine, kusamehewa na wao, na kujifunza jinsi ya kuishi duniani kama binadamu asiye na dawa za kulevya."

— Kitabu cha Kijivu, p. 50 (Step Eight, Lines 15-18)

Kitabu chetu cha Msingi kinasema, "Hatua hii ni mtihani wa unyenyekevu wetu mpya." Hatua hii inatuondolea hatia tuliyopata kupitia madhara yetu kwa sisi wenyewe na wengine. Kanuni ya Kiroho ya "Uko Tayari Kujaribu", itakuwa mwanzo mzuri. Tulipaswa Kufanya Mazoezi ya Haki ya kujisikia vizuri kuhusu sisi wenyewe ambayo Hatua yetu ya Nne inatoa.

Kwa wengi wetu orodha yetu ya Hatua ya Nane itakaribia mara mbili ya orodha yetu ya Hatua ya Nne. Neno kwa wenye busara; usichome orodha yako ya Hatua ya Nne, utaihitaji. Ugonjwa wetu utajaribu kutushawishi kwamba tulikuwa wahanga.

Hatupaswi kusahau kwamba sisi, pamoja na uraibu wetu, tuliweka wenyewe katika nafasi ya kuchochea wengine. Kwa baadhi yetu kulikuwa na hali ambazo tulipokuwa watoto, au kwa default, tulikuwa wahanga wa kweli, wa wengine na uraibu wao. Kushikilia chuki hizi kunaweza kusimamisha mchakato mzima wa Kusamehe.

Kitabu chetu cha Msingi kinatukumbusha kwamba tunakuwa tayari kuelewa badala ya kueleweka. Tunaweza Kuomba kwa Mungu wa Kuelewa Kwetu kuondoa uchokozi na hofu zetu. Uponyaji uko katika kuandika.

Kuandika kunafungua sehemu fulani za fahamu zetu ambazo zimefichwa kwetu. Tunajifunza kwamba wakati wa uraibu hai karibu kila mtu tuliyeonana naye, tuliathiri vibaya. Baadhi ya madhara yalikuwa madogo sana kiasi kwamba hatukujua hata tuliyasababisha.

Kadri Mchakato wa Kusamehe unavyoendelea, tunaona kwamba tulijiumiza wenyewe kwa kusababisha madhara kwa wengine. Tunajiweka kwenye orodha na kujifunza Kujisamehe pia. Hatimaye tunaweza kuinua vichwa vyetu moja kwa moja mbele.

Tunajifunza Uhuru wa Kweli na tunaweza kuangalia watu wengine machoni na kukabiliana na Ulimwengu Kwa Ujumla.

Kwa Wakati Huu: Mchakato wa Hatua ya Saba na Nane utatusaidia kutekeleza vitendo katika Marekebisho yetu halisi, katika Hatua yetu ya Tisa.

30 Julai

"Kuendelea kuchukua hesabu ya kibinafsi inamaanisha kwamba tunaunda tabia ya kujitazama sisi wenyewe, vitendo vyetu, mitazamo yetu, na mahusiano yetu mara kwa mara."

— Kitabu cha Kijivu, p. 57 (Step Ten, Lines 14-16)

Ingawa Hatua zote katika Narcotics Anonymous ni Hatua za Hesabu, Hatua ya Kumi inatukumbusha kufanya kuwa Hesabu ya Kila Siku. Kwa kuwa yote tunayopata ni Reprieve ya Kila Siku kutoka kwa uraibu hai; Reprieve hii inategemea Mazoezi ya Kila Siku ya Kanuni za Kiroho za Narcotics Anonymous. Wakati wa kutumia, tulitazama kila kitu na kila mtu, lakini sisi wenyewe. Uongo na tabia za uharibifu zilikuwa njia ya kupata kile tulichotaka, kawaida zaidi ya dawa.

Sasa kwa kuwa tuko safi, tunajaribu Kuishi kulingana na Kanuni za Kiroho za N.A. badala ya njia zetu za zamani. Kupitia kufanya kazi Hatua na Mdamini, tunachunguza tabia zetu na kuwasiliana na sisi wenyewe. Tunachunguza Mali zetu na madeni yetu. Kila siku, tunajisalimisha kwa ukweli kwamba tuna ugonjwa na njia yetu ya kuishi haikufanya kazi.

Tunachunguza jinsi tunavyoishi, ili tuweze kuendelea kukua Kiroho kwa uwezo wetu bora. Tutafanya makosa, lakini tutajifunza kutoka kwao.

Tutabadilika, na tutakua kwa kutotumia na Kuishi Njia hii mpya ya Maisha. Mungu atatusaidia, ikiwa tutamruhusu.

Wakati wa Kufanya Hatua ya Kumi tunafanya kweli Hatua ya Kwanza hadi ya Tisa, Mchakato wa kutazama Nguvu na Udhaifu wetu. Tunatazama Asili ya Kweli ya Kasoro zetu na pia tunatazama Mali zetu. Hatua ya Kumi inaonekana kuwa na maana hasi kwa kuwa baadhi wanazingatia sehemu ya kurekebisha ya Hatua. Kuzingatia sehemu ya Kuzuia inaonekana kuwa na faida zaidi kwa Ukuaji.

Kuingia katika Tabia ya Kufanya Mazoezi ya Kanuni za Kiroho kutatufanya tushindwe kidogo. Pia inaturuhusu kuchukua Hesabu ya Mema tunayofanya, na Mema tunayoweza kufanya.

Mahusiano yetu na Mungu, Sisi wenyewe, na Wengine yatastawi.

Kwa Wakati Huu: Tutaendelea Kukua katika Safari hii ya Kiroho, ikiwa Tutaendelea kuchukua Hesabu ya Kibinafsi.

31 Julai

*"Tunapata afueni kupitia Hatua Kumi na Mbili, na kushiriki na marafiki tunaowaamini.
Tunawapenda na tunaamini katika ahadi na matumaini wanayotoa."*

— Kitabu cha Kijivu, p. 140 (Chapter Eight, Lines 1-3)

Kitabu chetu cha Kijivu katika Sura ya Nane kinasema, "ushiriki wetu halisi katika kupona unatoa afya tunayoihitaji kujibu maisha na kukomesha ugonjwa wa uraibu." Kwa kuwa ugonjwa wa uraibu hauwezi kuponywa, unaendelea na ni hatari, tunapaswa kufanya zaidi ya "usitumie bila kujali nini." Mara tu tunapojisalimisha na kufikia Usafi kupitia Kujizuia Kamili na Kabisa tunaweza kupona. Ujumbe wa Matumaini na Ahadi ya Uhuru siyo ya moja kwa moja, ni kile Programu ya Narcotics Anonymous inatoa. Tunapaswa Kujifunza na Kufanya Mazoezi ya Programu ya Kiroho ya Kuishi ya Narcotics Anonymous.

Kuishi bila kujidunga dawa inaweza pia kuwa kuzimu ya kuishi. Tunajifunza haraka kwamba waraibu hawawezi kuishi na au bila matumizi ya dawa.

Hata hivyo, kuna Suluhisho la Kiroho kwa tatizo letu la Kiroho. Tunategemea Kupona kwetu kwenye Hatua Kumi na Mbili za Kiroho na Mila kama Suluhisho.

Fasihi yetu na ushahidi unaonyesha kwamba wale wanaofanya kazi na Kuishi Programu ya Narcotics Anonymous hawashindwi kupata Kupona. Dhamana yetu bora dhidi ya kurudi nyuma Kiroho, Akili na Kimwili ni Hatua na Mila za Narcotics Anonymous. Kupona kunakuwa Uhalisia tunaposhiriki Zawadi hii ya Thamani na wengine na Kufanya Mazoezi ya Kanuni hizi za Kiroho katika kila eneo la Maisha yetu kila Siku.

Sasa ni kuhusu, "usitumie, sasa nini?" Narcotics Anonymous inatoa zaidi ya Uhuru kutoka kwa uraibu hai.

Kwa Wakati Huu: Tutazingatia zaidi tu kutotumia. Tutakumbuka kwamba Narcotics Anonymous siyo programu ya dawa; ni Programu ya Kupona.

1 Agosti

"We turned to drugs because we are people who demand instant gratification and drugs gave us that instant satisfaction."

— Kitabu cha Kijivu, p. 39 (Step Three, Lines 8-10)

In Narcotics Anonymous we're not concerned how or when we became addicts. Some might say they were born addicted.

Some might say that their upbringing had an effect in causing their addiction. Some might even say it was a choice and a bad decision to use drugs, then they got hooked. In Narcotics Anonymous, we focus on the Solution and not the problem.

We Accept that we suffer from a progressive, incurable, fatal disease. Our focus is on the treatment of the disease, not how we got it or the most obvious symptom, the drugs. We suffered from a disease that we always wanted instant gratification of our basic desires. The initial euphoria the drugs first gave us stopped; we had to use.

We could no longer enjoy the simple things in life. The drugs stopped working and turned against us, and now the drugs were using us. Whatever felt good we did to the extreme, we were still chasing that high the drugs gave us in the beginning. We tried filling this void with people, places and things.

In Narcotics Anonymous we learned that a Spiritual problem had to be treated with a Spiritual Solution. The Steps are our Solution; it's our blueprint for Life. We learned that only a Higher Power can relieve our obsessions and compulsions.

We unlearn our old ways. Through Living the Spiritual Principles of the Steps and Traditions, we develop another Perspective of our Lives. Our Perceptions about ourselves, God, others and the World at large, change for the better.

We are no longer self-seeking. We focus on Helping others and get out of self.

Our Spiritual Gratification helps us Grow. We want more of this so, we keep coming back.

In This Moment: We will replace our instant gratification for Gratitude. We will take it easy and work the Program on a daily basis.

2 Agosti

"Whenever we feel trapped or pressured, it takes great spiritual and emotional strength to be honest."

— Kitabu cha Kijivu, p. 123-124 (Chapter Seven, Lines 36-1)

When we first came around, we might have heard that things around us might not get better; but we will get better with the things around us. The defects that have been saving our Lives until now are still with us. Trying to solve our problems while still acting on default is not a viable Solution in Recovery. Step One gives us the opportunity to practice Honesty.

Aligning our actions with the Truth results in some of our initial problems being resolved. We see how our original Surrender worked when it came to our using. As we progress in our Recovery, we will experience deeper levels of Surrender.

Our Second Step tells us that, "We grow to feel comfortable with our Higher Power as a source of strength. As we learn to trust this Power, we begin to overcome our fears of life. " In times of stress our defects that we thought we let go of can surface again. Sometimes they look different and seem subtle, but they're the same defects dressed up in different clothing.

Once again we forget that change is not difficult, it's the resistance to change. Our Greatest Source of Strength becomes our Solution. One of the Spiritual Principles we can reach for and practice is Gratitude.

As we practice some Spiritual Principles, it becomes like the domino effect. Honesty becomes the antidote to our disease thinking.

The old tools of our disease seem to subside, and the Spiritual Solution becomes the answer. We tap into our Higher Power for the Strength to apply these Spiritual Principles. Honesty takes on a deeper meaning, once again we align our actions to the Truth.

As we practice these Principles in our Daily Lives, the evidence becomes clear. Our Sixth Step tells us that Faith, Humility and Acceptance replace pride and rebellion.

We Share this experience with others as we Live the Program.

In This Moment: We can tap into this Power Greater Than Ourselves for the Strength and Guidance to face Life on God's Terms.

3 Agosti

"Many of us would have nowhere else to go if we could not trust our N.A. groups and members."

— Kitabu cha Kijivu, p. 119 (Chapter Seven, Lines 11-12)

For many of us Narcotics Anonymous was the last house on the block. Toward the end in our active addiction, many of us searched for answers or solutions for our problem. Our Literature says that before coming to Narcotics Anonymous, everything we tried failed to hold any answers that we could use. Our disease always re-surfaced, ours was more than an Abstinence problem.

In some cases Abstinence wasn't even achieved. Having tried everything in desperation we found Narcotics Anonymous. For some of us it was the last thing we found, but the only thing that worked.

Here we found people just like us that suffered from a hopeless state. We learned that a Spiritual problem needed a Spiritual Solution. We found a Fellowship of people; we didn't have to be alone anymore.

We were finally home, and the members of Narcotics Anonymous became our Brothers and Sisters. We attended meetings where there we heard the Life Saving Message of N.A. Recovery. With other's Experience, Strength and Hope, together with the application of the Living Program of N.A., we too started to Recover.

The Empathy and Identification at meetings kept us coming back. Recovery is what happens at our meetings. We grow to Trust and depend on one another with our Lives.

This Healthy Dependence on God and the Groups sustains our Recovery and unlimited Growth. Finally, we found a viable Solution for our addiction problem. Through Total and Complete Abstinence, we are able to apply Spiritual Principles to arrest and treat this disease of addiction.

In This Moment: We will never forget that nothing else ever worked for us, besides the Program of N.A. We will continue to apply what worked the first time,

In This Moment.

4 Agosti

"We were finally free to be ourselves, because we were not trying to cover anything up. It was a great relief to be rid of all our secrets, to share the burden of past guilts."

— Kitabu cha Kijivu, p. 45 (Step Five, Lines 30-33)

We've often heard at meetings that we're as sick as our secrets. After arriving to Narcotics Anonymous, most of us realized we were sick people. Living in active addiction requires that we hide behind a lot of phony images.

The things that some of us had to do to keep using only caused us degradation. We had feared if people got to know us we would surely be judged and rejected. Since dark places are where negatives are developed, we got sicker.

Our Literature reminds us that defects grow in the dark and die in the light of exposure. The Fifth Step is the Solution to having these defects exposed and identified. Admitting to God, ourselves and another human being starts this process.

Our first spoken Inventory might not reveal all our past mistakes. Our Goal with our Recovery in Narcotics Anonymous is to Achieve Adequacy, not perfection. The process of Prayer will be our most important Spiritual Tool at this point.

We continue with the Help of the God Of Our Own Understanding, our N.A. Sponsors, and the Fellowship of Narcotics Anonymous. We no longer have to be bogged down in our self-made prisons.

The Fifth Step is the Key to a deeper level of Freedom. Since we are only Offered a Daily Reprieve, our self-assessment will have to be a lifelong process, "A Day At A Time. "

In This Moment: We will take a Healthy risk motivated by Faith to keep Growing in our Spiritual Journey in Narcotics Anonymous.

5 Agosti

"The ability to accept God's will and feeling serene inside is freedom for us. Faith has replaced our fear and has given us a freedom from ourselves."

— Kitabu cha Kijivu, p. 160 (Chapter Ten, Lines 17-20)

The Offer of the Promise of Freedom is part of the Narcotics Anonymous Message. Most of us experience Freedom from drugs and active addiction shortly after our arrival. For us, the N.A.

Program is more than just Freedom from active addiction. After all, if all we sought was Freedom from active addiction, we would be considered just another drug program. The N.A. Program Offers a New Way Of Life through Our Twelve Spiritually Based Steps and Traditions.

Working and Living this Spiritual Program unlocks our Spiritual Awakenings as a result. Our initial and consistent Surrenders make us available for our Personal Recovery. Another great Benefit from the N.A. Program is that it makes it possible to Seek and establish a Relationship with a God Of Our Own Understanding.

This Relationship will be our Greatest Source Of Strength and will Help make our other Relationships Healthy and possible. We first achieve Freedom from active addiction through Complete and Total Abstinence; then Freedom from our self-imposed prison. The Process of the Steps and Traditions will Grant us Freedom from others and the World At Large. Most of us have been our biggest obstacles.

God cannot Help us if we keep getting in the way. The Program Helps clear these obstructions and Acceptance is then possible. For our Daily Reprieve and Serenity, we need to stay in Conscious Contact with our Higher Power.

For our Progress in our Recovery, we need to do the Action. Finally, we begin to Live more with Faith and less with fear.

We must remember that we don't do this alone. We need the Help of The God of Our Own Understanding, Sponsors, and the Fellowship of Narcotics Anonymous. We Share this Precious Gift with all those who seek Recovery in Narcotics Anonymous in order to keep it.

In This Moment: By Accepting and making Surrender, we make ourselves Available for God's Will.

6 Agosti

"Before, we thought in terms of self-centered materialism that could not possibly bring us Happiness. Now we live with a new outlook, that of caring and sharing the N.A. Way."

— Kitabu cha Kijivu, p. 159 (Chapter Ten, Lines 31-34)

Our Literature tells us that we're not interested in how much or how little you have, but only in what you want to do about your problem and how we can help. The Third Tradition talks about how we are all Equal in N.A. Membership. The disease of addiction does not discriminate; our Members come from Park Ave or park bench, from Yale or jail.

Homeless or Hopeless we're all the same. Money, property or prestige does not Help or hinder our chances at Recovery, or in Carrying the Message. We hear it in our Meetings that Recovery is an inside job.

The First Step also says that social acceptability does not equal Recovery. With the Help of our Higher Power, Sponsor, Fellowship and Steps, we change from the inside out. The material Gifts are sometimes a symptom of Recovery.

We cannot afford to float out on a cloud of Social Zeal. Humility is a Principle that when practiced, keeps us right sized and our priorities in order. Adapting our lives into N.A. and not N.A. into our lives helps with this.

It doesn't matter how our outsides look if our insides are already in an emotional, mental and Spiritual relapse, no amount of material items will change that. Giving back what was Freely given to us changes how we view ourselves, others, and the World. We gain a Spirit of Empathy towards our fellow Recovering addicts that we didn't have before coming to N.A. We need to allow ourselves to become vulnerable and open to suggestions.

If not, we get the same results jails, institutions and death.

In this moment: I am the richest of the richest because I have learned the N.A. way, investing in myself and others rather than materialism.

7 Agosti

"When we forget this or the effort and tenacity it took us to get a period of time in our Lives when we experienced Freedom from within; ungratefulness sinks in and self-destructive behavior begins again."

— Kitabu cha Kijivu, p. 128-129 (Chapter Seven, Lines 34-1)

The Spiritual Principle of Gratitude should be our First and Greatest Tool against dis-ease thinking. We must not forget that, "The progression of the disease is an ongoing process, even during abstinence, no matter how long. " We must always keep up front, the Beauty and Freedom, that resulted from N.A. and the God Of Our Own Understanding. Not using and Social acceptability alone, can guise as Recovery. We forget that the progression of our Recovery is a continuous uphill Journey. Our Spiritual Awakening must be on going, lest we shall fall asleep again.

Since relapse is a process, we could be in our last 30 days. Our Literature says, "Unless recognition and action is taken immediately that fall will encompass our existence and then we are along for the ride. " In other words we are in a downward spiral. Only returning to the Basics can save us.

Praying, Making meetings, calling our Sponsors, working with others; will get us out of ourselves. The N.A. Program is a twentyfour-hour Program.

We are only as good as our last Step Practiced. Our Daily Reprieve expires when we go to bed.

Since we can't stay clean on yesterday's shower, we must begin the input again. Are we Grateful before our feet hit the floor? Is our next move the next right thing? Are we asking for the Power to walk the walk?

Only a Program of Action can guarantee the next twenty-four. It can all start with the Spirit of Gratitude.

Peace and Serenity usually follow. We are now ready to do God's Bidding; we can now be Armored with our Higher Power's Love. We start to Practice a Living Program, not a dying one.

In This Moment: "Our Gratitude Speaks When I Care And Share With Others The N.A. Way. "

8 Agosti

"When we refuse to practice acceptance we are, in effect, denying our faith in a Higher Power."

— Kitabu cha Kijivu, p. 144 (Chapter Nine, Lines 10-12)

Our Literature tells us that worrying is a lack of Faith; we must also include Surrender and Acceptance. Even though we don't hear about Faith until the Third Step, we can't help looking at the Evidence thus far. We were forced to stop using in the First Step, and Accept that we suffered from a disease.

This Admittance was followed by action in the Second Step. Our obsession was lifted as a result of this action and that gave us Hope, so there's no blind Faith.

We did the action, and that Process took away our obsession to use. Faith is the action that has to follow Hope, without the action of Faith, our Hope turns to desperation, once again. Part of Anonymity is not taking credit for our Recovery.

We can't do this alone. The Fruit of Trust is a result of our Faith; we need this in order to continue on this Journey we call Recovery in Narcotics Anonymous. When we forget who really got us clean, we start to run on self-will.

We have to remember that God's Will has its ending at the beginning of ours. We can cease the Recovery Process when we stop Practicing the Principles of Narcotics Anonymous. Since addiction affects every area of our lives, we must live by Spiritual Principles in every area of our lives as well. Surrender means we don't resist; Acceptance usually follows.

The longer we're in Recovery, the deeper our Surrender must go. Acceptance followed by Action is how we develop our Faith.

The proof is evident in the way we Live. One of the Greatest aspects in Narcotics Anonymous is that we don't have to do this alone because in Reality we can't.

In This Moment: We will continue to look at the Evidence on what has worked for us thus far. We will see that our Faith is not blind Faith.

9 Agosti

"The love was there all the time, waiting for us to accept it."

— Kitabu cha Kijivu, p. 57 (Step Ten, Line 28)

As addicts, we were confused about Love. We spoke of Love with our lips, but our actions proved different.

Our Loved ones soon grew tired of enabling our using in the name of Love. We grew resentful when they stopped enabling our addiction or didn't care to have us around anymore. Many of us were hurt by Loved ones as Children, even before active addiction.

We became Love veterans, hurt by Love. Since we didn't Love ourselves, how can we Love anyone.

Most of our interactions with others were motivated by our addiction. We used drugs, but we also used people, places and things. Like our Literature says, "We use to live and live to use. " If we felt unloved by people who were visible, with our eyes, how can we Believe something we couldn't see could Love us.

When some of us hit our bottoms, we reached out in desperation and called out for Help. This cry for Help was the end of our bottoms and the beginning of our Journey to Recovery. In our First Step we were beaten into submission.

The pain of Living without drugs and nothing to replace them, force us to seek Help from a Power Greater than ourselves. This Power we're introduced to in the Second Step is one that's Loving and Caring. Whether it's the Group or a Higher Power we experienced unconditional Love.

We heard members say, 11 Love you until you learn to Love yourself. We discover that Love was present all the time, we just needed to tap into it. Recovery in Narcotics Anonymous is Free and Available for all those who seek it.

Love is one of the Highest forms of Spiritual Principles manifested in our Lives. Yes, Love becomes an action word, not just a feeling. Motivated by Love and service, we Help supply Love for new members. Through the Steps and Traditions of Narcotics Anonymous, we are able to Practice Love and other Spiritual Principles in all our affairs.

In This Moment: We learn to Accept the unconditional Love from our God and others in and out of the Fellowship of Narcotics Anonymous.

10 Agosti

"Many times, our efforts have produced in us feelings of peace and serenity that we have never known before. We know that in doing God's will, our lives will be fulfilled."

— Kitabu cha Kijivu, p. 58 (Step Eleven, Lines 34-36)

Our Literature tells us that the Fruits of the Eleventh Step is Emotional Stability. We Pray for the Power, not over addiction, but the Power to Practice the Principles of the Program, in our daily lives. The Eleventh Step can be said to be the last preparation Step, before we take the Show on the Road.

When Praying to our Higher Power, we're Asking for His Will for us. When we Meditate to our Higher Power, we're Listening for the answer and the Power to carry His Will for us out. One of the Spiritual Awakenings as a result of those Steps is Serenity and Peace of Mind.

Most of us never experienced these Principles while using. For us it's a great Freedom to experience the Fruits of the Eleventh Step. At this point in our Recovery, we're not motivated as often by pain to do the right thing.

Our Gray Book says that, "Enforced morality lacks the force that comes from our own choice. We are no longer using foxhole Prayers to get us out of jams that our defects can put us in. Seeking though Prayer and Meditation to improve our Conscious Contact, is Surrender at its Finest.

Humility and Anonymity are also Principles that come as a result of this Step. This God Consciousness will prevent some of our pitfalls.

It will also serve as an Example of Power to others. Walking the talk is almost an impossibility without the God of Our Own Understanding and the Program of Narcotics Anonymous. During our Journey, we will see Glimpses of the people we can become without our defects. As we continue on this Path of Recovery, we will see that God's Will for us is exactly what we want for ourselves.

In This Moment: We will Trust that God's Will for us will lead us to Living Happy, Joyous and Free.

11 Agosti

"Often it means simply listening to those hunches and intuitive feelings that we think would benefit others or ourselves and acting on them spontaneously."

— Kitabu cha Kijivu, p. 151 (Chapter Ten, Lines 24-26)

One saying you might hear is: "Learn to Listen and Listen To Learn." " In some meetings you might hear: "Take the cotton out of your ears and put it in your mouth." These suggestions are life savers; it makes it possible for us to hear the life saving Message of Narcotics Anonymous. When we first came into N.A., our minds were filled with unending thoughts of using. This obsession is part of what makes up the disease of addiction.

The Solution is in our Message, but we won't be able to hear it if we're filled with thoughts of insanity. The disease is loud, and its voice is heard over anger, confusion and anxiety. To hear our Recovery Message, which are Whispers from a Higher Power, we must remain Silent and Calm.

When we're new, it's suggested that we Listened. First of all we don't know what Narcotics Anonymous is about.

Narcotics Anonymous is a Program of its own, we have our own Language, Steps and Traditions. The way we Practice our Spiritual Principles are different from any outside entities.

What we consider being Abstinent from all drugs in order to Recover, is different from what all other organizations practice. As we gain some Clarity, we will see that our Truth and Perceptions were actually twisted by our addiction. Listening to those who came before us, we're able to hear their Experience, Empathy and Solution.

This Identification with others is what keeps us coming back and eventually saves our Lives. As we Progressed through the Steps, our voices in our heads get quieter.

This Process is usually confirmed in our Eleventh Step. Here we are asking our Higher Power to give us instructions on how to carry out His Will for us. Emotional Stability is one of its Fruits. Active Listening has its beginning when we first walk into the Program of Narcotics Anonymous, if we Listen to Learn.

In This Moment: In order to pass on a Clear Message of Recovery in Narcotics Anonymous, we would have to Listen to a Clear Message of Recovery in Narcotics Anonymous.

12 Agosti

"For us, an addict is a person who uses drugs, in any form, to the extent that the individual cannot live normally with or without them."

— Kitabu cha Kijivu, p. 4 (Chapter One, Lines 26-28)

This is a good definition for us in Narcotics Anonymous. Many of our members didn't consider themselves addicts while in active addiction.

Before arriving to N.A., many of us had a different perception of what an addict was. Our Gray Book says, "The term "drug addict" conjured up visions of street crime, fear of the law, and needles. " This wasn't our experience for many of us. Our Literature also says that; everything from the sweet old lady hitting doctors for prescription drugs; to the junkie snatching purses for a fix, were both considered drug addicts, as well.

Although drugs don't make us addicts, it's actually the disease that makes us addicts. However, for Narcotics Anonymous purposes, we needed the identification of our unmanageability and powerlessness of our drug use, to first draw us in. Our identification as addicts come more from a deeper level of feelings and emotions, rather than the type or amount of the drugs used. The apparent symptoms of our disease, after a while, was what was first noticeable.

Some of us were so deep in our denial that a lot of times we were the last to know. Denial help build the walls that imprisoned us mentally.

In Narcotics Anonymous most of us arrive because of the apparent symptoms. These symptoms, which are the drugs themselves, accompanied by our intolerable behaviors toward others is what brings most of us in. After arriving to N.A., we find out we were sick people.

We find out that it was the disease of addiction that made us addicts, the drugs were just a symptom. An addict cannot live with the use of drugs, but more importantly an addict cannot live without the use of drugs either. This is the purpose of N.A. to provide a Spiritual Solution to a Spiritual problem, which is the disease of addiction, and the drug use that is one of the results.

In This Moment: Have we convinced our innermost selves that we are addicts? The idea or belief that we can use drugs safely has to be shattered.

13 Agosti

"We have learned this kind of unconditional love from our fellow addicts in Narcotics Anonymous. Through the love we have received in our Fellowship, we begin to feel lovable ourselves.""

— Kitabu cha Kijivu, p. 72 (Step Twelve, Lines 24-28)

We so often hear at meetings; we will love you, until you learn to love yourself. Some using addicts feel that they were rejected by their Friends and Family. This act of tough Love is often mistaken for lack of Love by the addict and by some loved ones as well.

That's why it's called tough Love, because it's tough on both parties. It seemed like it was conditional Love from both sides. Families and some close friends are not able to Twelve Step the using addict without any ineffective results.

Arriving to Narcotics Anonymous, we were Greeted by strangers with a hug and words of comfort. We wondered about their motives, after all, most of our recent experiences with Love; from our loved ones, appeared conditional. They Loved us as long as we didn't use.

This unconditional Love and Empathy shown to us by the N.A. Fellowship started our Healing process. We began to feel the end of isolation that was so prevalent in our Lives until then.

We began to feel Worthy of something Good; and Good for us. As our Healing and Recovery Process began, we became more Lovable to ourselves and to others. The Principle of Love becomes one of the most underlying Spiritual Principles that forms our Foundation in Narcotics Anonymous.

In This Moment: We will Freely Give to others what was so Freely Given to us; Unconditional Love in Narcotics Anonymous.

14 Agosti

"We don't want to settle for the limitations of the past. We want to examine and re-examine all our old ideas, and constantly improve on them or replace them with new ones."

— Kitabu cha Kijivu, p. 18 (Chapter Two, Lines 6-8)

Our Literature reminds us that we cannot graft a new idea into a closed mind. It tells us that an opening has to be made somewhere. For most of us our bottoms were that opening, and our Surrender was the Solution.

Regardless how we got here or why we must agree that we all made new discoveries. Living with or without drugs was our plight now. With a Fellowship and a Belief in a Power Greater Than Ourselves, we can arrest this fatal, progressive and incurable disease, just for that day.

Our Gray Book says, we become new people with Abstinence and the Steps. It tells us that our Daily Reprieve Frees us from our self-imposed life sentences. We Recover with each Spiritual Awakening as a result of Practicing a Living Program.

Our Creative Spirits enable us to a re visioning of all our Truths. Our Literature reminds us that what worked for us in one phase of our Recovery may not work for us in another. We as Recovering addicts must keep raising the bar in what our Truths and Sanity are. We keep making Surrender without pain as a motivator.

Our Gratitude for this Unlimited Growth shows as we continue in our Journey. It shows as we improve this Relationship with our God.

It shows as we Share this Precious Gift with those who seek Recovery. It Manifests itself when we carry the True Message of Narcotics Anonymous.

In This Moment: We move forward on this Spiritual Journey by the re visioning of everything we know, especially what we know about the Truth.

15 Agosti

"We are probably not going to recover--physically, mentally or emotionally--overnight."

— Kitabu cha Kijivu, p. 40 (Step Four, Lines 18-19)

Our Literature says that we didn't become addicts overnight. Recovery in Narcotics Anonymous happens overtime not overnight.

Narcotics Anonymous offers the Promise of Freedom and the Message of Hope. This Message of Hope only manifests in our Lives if we make the effort to get it. Fortunately, there's plenty of evidence from the surrounding members to Spark the Hope that leads to action on our part.

Many of us were surprised to see just how sick we were after arriving to N.A. and became Completely and Totally Abstinent. It was revealed to us that the disease of addiction affected every area of our Lives, and not just the physical use of drugs part. We soon learned that Recovery in Narcotics Anonymous is more than just Physical Abstinence from all drugs.

Our Recovery involves Applying the Spiritual Principles of the Steps and Traditions, of Narcotics Anonymous, to every area of our Lives. Since there's no cure for this progressive and fatal disease, our Recovery has to be Progressive in our Daily Reprieve. The Program of Narcotics Anonymous, the God Of Our Own Understanding, Sponsorship and the Fellowship of N.A. are the Spiritual Tools; it's what makes our Recovery possible. Emotional Stability and Spirituality are the last to return to us in our Recovery process.

Sharing this Precious Gift with those that seek Recovery in Narcotics Anonymous is how we keep it.

In This Moment: We will Accept that this Recovery Process in Narcotics Anonymous is an overtime Solution, not an overnight process.

16 Agosti

"Failure to accept the N.A. program and the full implications of our powerlessness has proven for many of us to be a fatal stumbling block in our recovery"

— Kitabu cha Kijivu, p. 129 (Chapter Seven, Lines 20-22)

Our First Step, at the beginning says that, "When we admit our powerlessness and the inability to manage our own lives, we open the door to recovery " The last paragraph says the same thing, except that, " we open the door for a Power greater than ourselves to help us " Both these passages are reminding us that Acceptance of our disease and our condition, is necessary for Recovery and ongoing Recovery. Our basic text talks about reservations we can have in our Program. In the NA Program, we surrender our will and our lives to a Higher Power as we understood it.

We became willing to practice the Spiritual Principles contained in Narcotics Anonymous. We started following suggestions given by others in our Journey and found that they work and helped us stay Clean.

Something we could have never Achieved before on our own. We learned that we cannot stop here, we're not powerless over drugs, but we learned that we have a disease called addiction that we have no Power over. This disease may manifest itself in the ways that we react, towards people, places and situations.

If we do not accept our powerless in all areas of our lives, the pain and misery will return and many of us will return to active addiction. By applying the N.A. Program to all areas of our lives, and in our Daily Affairs, we can stay Clean and Recover from our self-destructive personalities.

Narcotics Anonymous Grants us a Daily Reprieve and Offers only one Promise, the Freedom from active addiction. Anymore Spiritual Gifts we have to work for.

With the Help from our Sponsors, Our Higher Power and the Fellowship of Narcotics Anonymous, we never have to return to active addiction. Working the Steps and Traditions are the best guarantee against relapse and a seemingly hopeless state.

In this moment: We will Accept our powerlessness against the disease of addiction. We Surrender to a Higher Power on a Daily Basis that will Guide us to overcome any obstacles.

17 Agosti

"Upon working Step One, we affirmed our surrender to the principles of N.A., and only then did we overcome the alienation of being a drug addict."

— Kitabu cha Kijivu, p. 31 (Step One, Lines 1-3)

Accepting through our Surrender to the disease of addiction, also initiates our Surrender to the Spiritual Solution to this disease. Narcotics Anonymous offers us a viable and proven method to treat our disease of addiction and Recovery from. The Steps and Traditions of Narcotics Anonymous is the Program that offers us a Daily Reprieve from active addiction and makes our Recovery possible.

One of Narcotics Anonymous Spiritual Principles is Complete and Total Abstinence from all drugs in order to Recover. We can't Recover if our minds and bodies are still clouded with drugs, illegal or prescribed, it doesn't matter.

Our minds and bodies don't know the difference. Working and Practicing the Honesty behind Step One proves we have Faith in the Program of Narcotics Anonymous and that it will work. We have countless proof of the Program working in the Lives of those addicts that arrived before us.

After working and Living the Steps, we learn that the drugs were the surface symptom of a deeper disease. We learn that the disease of addiction is what makes us addicts, not the drugs. If we really work the First Step in Narcotics Anonymous we begin to identify ourselves as addicts not drug addicts.

With our Admission and Surrender to the Spiritual Principles of N.A., we open the door to a Power Greater Than Ourselves; that can Help us in our Recovery. This Power Greater Than Ourselves becomes the God Of Our Own Understanding as we Progress through the Steps and Traditions.

In This Moment: We will Recognize our God as our Greatest Source of Strength that will Guide us in our Recovery.

18 Agosti

"From liars, thieves and wards of the state to responsible productive members of society; these are the themes of character changes that take place in Narcotics Anonymous."

— Kitabu cha Kijivu, p. 122 (Chapter Seven, Lines 2-5)

Chapter One in our Gray Book states, "We did not choose to become addicts. We suffer from a disease which expresses itself in ways that are anti-social and make detection, diagnosis and treatment difficult. " Because the disease of addiction manifests itself in ill behaviors, sometimes we are still cast out of society.

At least in the past anyway, where once an addict always an addict was society's view of addicts. Since 1953 Narcotics Anonymous has been proving the old lie to be untrue. Our Literature says that the sooner we can return to become Productive and Responsible members of our society, the better it is for us and society.

That doesn't mean we rush it just means that the sooner we work the Narcotics Anonymous Program, the sooner we can change that old lie; and have positive contributions to our Lives and the Lives of others. Today, addiction is considered a disease and not a moral deficiency. Narcotics Anonymous already knew that; it's been in our readings since the 50s.

That's why our views and treatment of our disease of addiction and our Recovery have to remain separate from society's views and treatment. Narcotics Anonymous is not a drug Program, we just don't treat the main symptom, which is the usage of drugs. Our Program offers more than just Freedom from active addiction.

Narcotics Anonymous offers a Spiritually Based Program based on Twelve Steps and Twelve Traditions without the use of drugs as a Recovery Program. Recovery in N.A. offers us a Total and Complete Spiritual Awakening as a result of Practicing a Living Program, Just For That Day.

In This Moment: We will not only Achieve and Maintain Complete and Total Abstinence, but we will also Practice a Spiritual Daily Recovery Program.

19 Agosti

"Let us apply our efforts to the obtainable and let the rest go. As we do the job at hand the balance changes and new opportunities for improvement present themselves."

— Kitabu cha Kijivu, p. 83 (Chapter Five, Lines 9-11)

As addicts, we often find ourselves trapped in either resentments of the past or fear for the future. Anywhere but right here and right now.

We cannot change our past, nor do we know what the future holds for us. By focusing on the unobtainable, we find ourselves stuck and going nowhere.

We are often told by our friends in Narcotics Anonymous "First Things First," "Just For Today," and "Look At Your Feet. " All we truly have is the present. The present is where we're able to participate in change. When we first come to the Fellowship, obtaining and maintaining Complete Abstinence is our First priority because this Abstinence is the cornerstone of our Recovery. "Staying Clean Must Come First. Once we're Clean, a void is created that forces us to seek a Power greater than ourselves to relieve the obsession to use.

From there our minds are finally clear enough for us to make a decision to turn our Will and Lives over to the Care of God as We Understood Him. Being in the Care of that Power gives us the Courage to assess ourselves in Step Four. This assessment gives us the information necessary to make an admission in the Fifth Step.

The logical conclusion of that admission is the Willingness of the Sixth Step. Our Process continues in this manner through the Twelfth Step in which we use our Spiritual Awakening to Carry this Message to others. Carrying this Message to others requires that we Live it by continuing to look at ourselves and improve.

In this way, each time we look at and act on our present state, the Balance changes and new possibilities present themselves. A member once explained Balance as a dynamic force which requires constant adjustment, like a tightrope walker. If we're not continuing to adjust, we will lose Balance and fall.

However, so long as we maintain Balance by focusing on where we're at right now, we get to move forward.

In This Moment: With the Help of the Fellowship, we can see what task is in front of us. By focusing only on what we can do right now, the God of Our Understanding will open new avenues for us to travel.

20 Agosti

"The Program of Narcotics Anonymous provided an opportunity for us to relieve our pain by applying the spiritual principles."

— Kitabu cha Kijivu, p. 150 (Chapter Ten, Lines 6-8)

Pain is what brought many of us to Narcotics Anonymous. Physical, Mental, Spiritual, and we can add Emotional pain, forced us to seek relief. Many of us tried other solutions through religion, medicine, other people and other institutions.

After all these methods failed for us, we ended up in Narcotics Anonymous. For most of us, it was the last thing we tried, but it was the first that worked.

The last house on the block you could say. After years of selfinflicted pain, as a result of addiction, we finally sought help. In Narcotics Anonymous we were told from other members that we didn't have to live this way, that we had a choice.

We heard we didn't have to hurt ourselves or others anymore. The pain led us to Surrender, first to the disease, then to the Spiritual Principles of N.A. Our Second Step tells us that the pain of living without drugs or anything to replace them; forces us to seek a Power Greater Than Ourselves that can relieve our obsession to use. Withdrawal is pain that also is relieved by this Power.

The pain we experience as a result of addiction cannot be treated with more drugs. Ours is a Spiritual problem, not a medical one. Living by Spiritual Principles as we work the Steps with a N.A.

Sponsor, relieves us from our self-imposed pain. Living The Program helps us to live life to the fullest without needing to escape. Living Clean and by Spiritual Principles prevents us from causing more pain to ourselves and others.

We progress toward Healthy Living, Physically, Mentally, Spirituality and Emotionally and yes in that order. Recovery in N.A. is an uphill Journey. We are Granted a Daily Reprieve, and that's continual depending on our Spiritual Maintenance.

In This Moment: We will seek Spiritual Relief from Life on Life's Terms. We know that We can't solve a Spiritual problem with a chemical solution.

21 Agosti

"Today we have real feelings of love, joy, hope, excitement, sadness and friendship--not the old drug induced feelings."

— Kitabu cha Kijivu, p. 153 (Chapter Ten, Lines 25-26)

Many of us, upon arrival to Narcotics Anonymous heard that the good news is that we get our feelings back. We also heard that the bad news is that we get our feelings back. We asked ourselves, how can both statements be True?

We find that after Achieving Complete and Total Abstinence we were no longer medicating our feelings. Many of us began to feel better. The problem was that we began to feel everything better; including the physical, mental and spiritual withdrawals.

We also began to feel bottled in negative feelings, including the effects, the drug use and its lifestyle had on our Lives. We soon learned that the disease of addiction was also a feeling disease. Many of us used drugs to mask our feelings of self.

We used the drugs to control our feelings; we knew exactly what drugs we wanted to use and amount, thus, "controlling our feelings. The Program of Narcotics Anonymous offers a New Way Of Life. It offers a Spiritually Based Program that when Lived results in positive feelings about us and others.

We don't use the Steps to medicate or numb us. The Steps Helps us trace our feelings and survive our emotions. We also with the Help of our God, Sponsorship and the Fellowship replace hopelessness with Hope.

Practicing the Spiritual Principles of Narcotics Anonymous, we develop new good feelings of ourselves and what we're doing about our Recovery. We find a new Euphoria and know deep down inside that all will be well. Our feelings and emotions can still define our disease even in Recovery.

It's the Practice of the Spiritual Principles and positive actions that can define our Recovery.

In This Moment: We will replace our old drugged induced high with positive feelings as a result of our actions.

22 Agosti

"Afraid, unable to let go of old ideas, still working to "run the show" he found no answer to what he saw as his problem. Blinded by what he saw as important, unwilling to let go of the old familiar ways, he used again."

— Kitabu cha Kijivu. p. 129 (Chapter Seven, Lines 33-36)

In N.A. it is Suggested that we keep our Priorities in Order. First of all we don't use drugs, no matter what.

In this freedom, we found that we had a Choice; we didn't have to use again. We had to find a new way to respond to life and our daily situations. Because we are powerless over our addiction and our inability to manage our own lives, We can use the N.A. Program, We Do Recover. We have seen addicts trying to solve Life on their own; our diseased thinking will trick us into trying our own way.

We can lose ourselves in thinking we can manage our own lives. Our way of doing things will eventually end us up in an Emotional, Spiritual, Mental, and finally a Physical relapse, we can feel sicker than ever before. If We do not let go of old reservations, we are doomed to make the same mistakes over and over again. Only a complete Surrender of our old Attitudes will allow us to receive the Benefits the N.A.

Program has to Offer us. A Total Surrender of these reservations will allow us the Ability to work the Steps and find Freedom from active addiction; and see ourselves for who we Truly are. If we are lucky enough to survive a relapse, we Surrender again, this time totally. The humiliation we experienced in our relapse made the opening in our minds needed to Graft a new idea into it. We were beaten into submission once again, only this time the seed had been planted.

Once we know, we can't unknow. We found that the only Suggestions we paid for, was the ones we didn't take. We were Welcomed back by other Members free of judgement.

In Narcotics Anonymous we are Loved until we learn to Love ourselves. Getting an N.A. Sponsor, we start to read the Basic Text and with our Sponsor's Guidance, we work the Steps.

Day after Day with the Help of Meeting attendance and the Fellowship we begin to Recover. We finally found a New Way To Live.

In This Moment: We have to keep our Priorities in Order, or God will do it for us. We use our Experiences to Help others on their Journey of Recovery in Narcotics Anonymous.

23 Agosti

"Before we got clean, all our actions were guided by impulse."

— Kitabu cha Kijivu, p. 137 (Chapter Eight, Lines 24-25)

Our Literature speaks of our Living skills becoming, "reduced to the animal level" and an accompanying loss of conscience caused by our drug use. Conscience can be described as the use of our Morality to Guide our Actions. This animalistic state is associated with the compulsive nature of our disease.

We needed drugs and would let nothing stand in the way of our obtaining them. We react to situations immediately like an animal acting on instinct instead of taking time to think of the consequences of our behaviors. Our decision making process doesn't automatically change just from getting Clean.

We can even have similar behaviors with some time in Recovery, especially if we find ourselves becoming obsessive, in any area of our Lives. Narcotics Anonymous teaches us to put the I. ntellect before the E. motion. We Learn through Step One that we are powerless over our first thought, and that sometimes it comes from our disease.

Some members have said, "My first thought is always a felony. Through the N.A. Program, we learn to use a set of Spiritually Based Tools that can restore our Sanity and as a result, our conscience.

We gain a "pause button" which allows us to think before we act. We can call our Sponsors or other Recovering addicts with experience in the situations we deal with, who can Guide us toward a New Way Of Living. In the Fourth Step, we take Inventory of our Morality so that we can stop damaging ourselves by violating our own Beliefs. We learn to Trust and Rely on a Loving Higher Power to Help us Live beyond our defects of character and find Freedom from self.

This Power Helps our actions move toward Helping other addicts escape the hell we once lived. We no longer have to go through Life constantly trapped by the pain of problems we've brought on ourselves.

In This Moment: Our actions are no longer Guided by impulse; we are now Guided by the Spiritual Principles of the Narcotics Anonymous Program, our friends in N.A., and the Love and Care of the God Of Our Own Understanding.

24 Agosti

"The underlying principle of this Step is God-consciousness. We try to avoid asking for specific things."

— Kitabu cha Kijivu, p. 58 (Step Eleven, Lines 11-12)

The Eleventh Step in the Basic Text says, "Through prayer we seek conscious contact with our God. In meditation we achieve this contact and the Eleventh Step helps us maintain it." Many of us refer to Prayer as speaking with the God of Our Own Understanding and Meditation as listening to that God. In active addiction many of us treated whatever God we thought we had like a cosmic bellboy.

Most of whatever Praying we did was in the form of "foxhole prayers. " In desperation, we ask for our immediate wants. We asked, but did not listen to any answer or Solution.

Most of us didn't have a working relationship with God, reality or with others. In Narcotics Anonymous we're told that we need a Loving Power Greater than ourselves to achieve and maintain Recovery. Although this Power brought us to Step Eleven, we must continue to seek and improve this Conscious Contact.

Some of us Pray for specific things because we still think we know what's good for us. We forget that we're not running the show. Sometimes we ask for specific things, and then we asked for them to be removed when we get it.

Most of the time it's because we don't Achieve the contact by listening in Meditation. We sometimes take actions without thinking of the consequences or our motives.

This Step asks us to Pray for God's Will for us, not our Will for ourselves. We learn to Trust that the Power that got us and keeps us Clean and Recovering is still with us. As we Recover, we will see that God's Will for us is what we need to Live a Fulfilled Life.

We learn to keep God's Will first. As we Progress through the Steps and Traditions of Narcotics Anonymous, we develop God Awareness and Consciousness. Our Prayers change as we Achieve the Meditation part because now we wait for the answer.

Sometimes the answer is no, sometimes it's yes, and sometimes, not now. We learn that this Power is our Greatest Source of Strength.

In This Moment: We will learn the Power of Prayer and Meditation. We will use this Spiritual Principle responsibly.

25 Agosti

"Staying clean is also an amend because we're no longer part of the problem. Now we're part of the solution."

— Kitabu cha Kijivu, p. 53 (Step Nine, Lines 33-35)

Our Twelve Steps in Narcotics Anonymous can be seen as Twelve Amends. When we first come in, we first have to get Clean.

Our first Three Steps can be understood as making Amends to a Higher Power. We found that we weren't God and had to Surrender that job to a Power Greater Than Ourselves. Our ideas of God start to change, in the Third Step, which is an Amends.

In the Fourth Step, we start making Amends to ourselves by taking an Honest look at our behavior and the thinking that leads to misbehavior. In the Fifth Step, we begin making Amends to society by getting a reality check before acting on our thinking. In the Sixth Step, we are making Amends to ourselves and society by being aware of our character defects, and doing what we can to lessen their affects. In the Seventh Step, we again are making Amends to God as we Admit we are powerless and need God's Help.

Forgiving self and others in the Eighth and Ninth Step, we learn Compassion for ourselves and others. God Forgives us, We Forgive us, and perhaps Others Forgive us. The Tenth Step can be looked as an Attitude Adjustment, an Amends to the World at Large.

We no longer are fighting fear, depression, anger or anxiety. We continue taking Personal Inventory by Practicing Spiritual Principles.

As a result, we start to feel Good about ourselves and others. By Practicing Spiritual Principles we need the corrective part of the Tenth Step less. Our Amends to ourselves, God and others continue as we try to Achieve Emotional Stability through Prayer and Meditation.

We are making Amends in the Eleventh Step by Achieving that God Conscience, through Conscious Contact with Our Higher Power. In the Twelfth Step, our Amends becomes a continuance of all the Steps, and Practice those Principles in Working and Living our Traditions in all our affairs.

In This Moment: We will continue making Amends. Since Amends means Change, We continue to work on Change for the better; with the Help of our Higher Power, our Sponsor and the Fellowship of Narcotics Anonymous.

26 Agosti

"We continued to take personal inventory, and when we were wrong promptly admitted it."

— Kitabu cha Kijivu, p. 54 (Step Ten, Header)

Regular self-assessment is imperative to our New Way Of Life in Narcotics Anonymous. We learn to make a habit of looking at our feelings, thoughts, motives and our successes daily. We look at where we have practiced Spiritual Principles over defects and where we fell short. We examine our H.A.L.T.S.

Are we too hungry, angry, lonely, tired and are we taking ourselves too seriously? Are we staying Honest? Are we slipping back into old fears and resentments? Our Gray Book reminds us "It's a vaccination against insanity on a continuing basis. " We find it Helpful to Share our Tenth Step with God and another member of Narcotics Anonymous. Another person can best Help us see through our own self-deception and rationalization.

We see where we did well and where we could do better. When we see where we are wrong, we need to take corrective measures. Whether that's making a Direct Amends to a person, place or thing, or making an Amends in our behavior with a Spiritual Principle.

This allows us to address our defects before our Lives tailspin. Step Ten is the Spiritual Principle of Humility in Action.

In This Moment: Through Narcotics Anonymous and a Higher Power, we make a habit of looking at ourselves to continue to reap the Spiritual rewards the Program has to offer.

27 Agosti

"Our old ways were so self-destructive and egocentric, we hurt ourselves and those we loved. Learning a new way of living is a blessing from our Higher Power"

— Kitabu cha Kijivu, p. 140-141 (Chapter Eight, Lines 32-1)

As addicts our egos have controlled our Lives in many ways. One of those ways is by not allowing others to Help us, when we needed Help.

Often we also rebelled against those who tried to interfere with our will; especially if they were trying to lend us a hand. The idea that we do not need Help has to be shattered.

Self-sufficiency is part of the disease of addiction, and it's a lie. Acceptance of the idea that we don't have all the answers is part of learning how to Live Our New Way of Life in Narcotics Anonymous. The initial Surrender we experience in Step One starts the Process of deflating our egos.

We begin to Practice the Spiritual Principle of God-consciousness and start to look for God's role in our Lives. Many of us start to see that we experience the most Freedom from our self-destruction when we are being of Service to our Higher Power. It's been said that ego's acronym is "Easing God Out." " Since ego is part of the disease of addiction, it's in opposition to Living a Spiritual Solution; it would be just the opposite to "Easing God In!"

In This Moment: We will be Grateful to our Higher Power for that's the reason we have this New Way Of Life.

28 Agosti

"This Step must cut into our character defects and expose our motives and our actions for what they really were."

— Kitabu cha Kijivu, p. 45 (Step Five, Lines 11-13)

Many of us arrive to Narcotics Anonymous with a hundred stories, real or imagined from the past and the present; good, bad or indifferent. When we Share our stories we've held on to for so long in the Fifth Step with God, ourselves and another human being, we get to the exact nature of our wrongs. The exact nature of our wrongs are our defects of character.

Once we share these stories, we are now able to see that they were just a handful of defects manifesting themselves in all areas of our Lives. Our Literature reminds us, "These defects grow in the dark, and die in the light of exposure." In exposing the exact nature of our wrongs, our higher power gives us the Spiritual Direction and Guidance we need. The disease of addiction is the opposite of Spirituality and a contradiction to Living, so we must practice the Spiritual Principles of Narcotics Anonymous to replace them.

In doing this, we starve the disease of addiction and feed our Recovery. These defects of character are repetitious, so we must continue our Recovery efforts. This allows us to Live Clean and Recover Just For Today without the limitations of our past ways.

We have Surrendered our past and do not have to cling to it. We are Free.

In This moment: We cannot make these changes alone. We need our Higher Power's Help and the Help of the Narcotics Anonymous Fellowship.

29 Agosti

"The Eighth Step is a mighty stride away from a lie dominated by guilt and remorse."

— Kitabu cha Kijivu, p. 51 (Step Eight, Lines 14-16)

The Spiritual Principle of Willingness is the stride that will free us from the guilt we have been carrying all of our Lives. We write the list of those we have harmed only concerned with where we caused harm to people places and things. We make an Honest Assessment and Admission in the roles we played in all of our Relationships.

Although some of the people we have harmed have also us harmed us we still must become Willing to put them on our Eighth Step list. Many of us retaliated against those who mistreated us in an effort to get even. This old attitude has no room in our New Way Of Life in Narcotics Anonymous.

Seeing how we need to be Forgiven ourselves, often makes us more Forgiving toward others. Our Gray Book asks us "Are we willing, if it is possible and practical, to make amends; once, and for all, clear away the shadows of fear that our past holds for us?" We strive to Practice the Spiritual Principles of Narcotics Anonymous unconditionally and the stride we make in this Step is Unconditional Willingness. This allows to look the world in the eye with neither aggressiveness nor fear.

No longer condemned by our own guilt we are stepping out of a sea of isolation and into the land of the Living.

In This Moment: We will Pray for the Willingness to let go of guilt so our past behavior no longer dictate our present Freedom.

30 Agosti

"At times, our motives will be obscured by clouded thinking. We can pray for humility and use it as a light to examine our real motives."

— Kitabu cha Kijivu, p. 57 (Step Ten, Lines 2-4)

Our Basic Text tells us, "We have been experts at self-deception and rationalization " However, when we Pray to our Higher Power and we Share our thoughts and actions with our Sponsors; we can better see our real motives. We do this regularly, through our Personal Inventory on a daily basis. Our Literature reminds us that defects can drive us into a corner that we can't come out of Clean. Fear, guilt and resentment often causes our motives to have motives.

These defects of character can cloud our thinking and decisions. The disease of addiction often manifests its self-obsession and fantasy.

What we really need is Spiritual Principles, which is the opposite of that. Spirituality is often described in Narcotics Anonymous, as having the Right Relationship with Reality. Like any other meaningful Relationship it requires our daily Effort and Commitment.

We Maintain this Right Relationship with Reality through Honest Sharing and Prayer. These actions allow us to see our True motives, however, this is only part of our Spiritual Solution. The Healing is in the Corrective part of our self-examination.

We correct this by asking our Higher Power for the Strength, Courage, Humility and Willingness to be motivated by His Will and not our own selfcenteredness.

In This Moment: We will Practice Humility by asking our Higher Power to Help us see through our own self-deception.

31 Agosti

"No one can explain the incredible fact that addicts, hopeless in their addiction, can reach for and receive help in Narcotics Anonymous."

— Kitabu cha Kijivu, p. 136 (Chapter Eight, Lines 23-25)

Narcotics Anonymous has the power to bring the Spiritually and Emotionally dead Back to Life. All we have to do is reach out for Help and be Willing to let that Help Guide us. The state of desperation and hopelessness many of us first come into Narcotics Anonymous with often fuels our Willingness.

Some members come in thinking the Program of Narcotics Anonymous couldn't help them; yet, in desperation, become Willing to bet their Lives on the Program. When we are Completely Willing to bet our Lives on Narcotics Anonymous, our Recovery always flourish. We find Freedom from active addiction and eventually experience an Awakening of the Spirit.

When We achieve Complete and Total Abstinence and begin to Embrace Narcotics Anonymous, a Miracle occurs. We make meetings, get involved with a Home Group, find a Sponsor, start taking the suggestions the Program offers us; and We start building a relationship with a Higher Power of Our Own Understanding. This is when the incredible Miracle happens.

We lose the desire to use and start Living a New Way of Life. Our Grey Book tells us, "We saw that we could learn to function in the world we live in, that we, too could find meaning and purpose in life, and that we could be rescued from insanity, depravity and death."

In This Moment: Through continuing to ask for Help from Narcotics Anonymous, we will keep our Miracle Alive.

1 Septemba

"By living clean we are giving up using. We are giving up the right to be close-minded, selfish, dishonest, hateful and generally unhappy."

— Kitabu cha Kijivu, p. 155 (Chapter Ten, Lines 31-33)

Some of us couldn't fathom life without the use of drugs. Stopping the use of drugs wasn't really our choice; we often thought we couldn't see ourselves living, without the use of drugs. Surrendering to Complete and Total Abstinence and Living without drugs was our first task.

We soon found out that the only thing we had to change, was everything. Surrendering to the Spiritual Principles of Narcotics Anonymous called for a complete change of attitudes, behaviors and ideas. The Steps and Traditions of Narcotics Anonymous provide the vehicle for this physical, mental and Spiritual Transformation.

We discover from others that Recovery is more than not using. N.A. not only offers Freedom from active addiction, but also, a New Way To Live.

When we choose Recovery, we choose the whole Narcotics Anonymous Program. Admitting our powerlessness and unmanageability, we open the door for a Power Greater Than Ourselves to Help us in our Recovery. The Daily Reprieve allows us to give up our old ideas.

We now have a set of Spiritual Principles that can be applied to our Daily Lives. The tools of the disease from our old way of life does not work in the N.A. Program. Today with the Help of the God Of Our Own Understanding, Sponsorship and the Fellowship of Narcotics Anonymous, we don't have to suffer from untreated addiction. We can tap into this Unlimited Source of Strength and Growth, which offers Freedom from self, others and the World at Large.

In This Moment: We choose Life today. We Learn to apply this Simple, Spiritual, not religious Program of Narcotics Anonymous.

2 Septemba

"Daily practice of the Twelve Step program enables us to change from what we were to what our Higher Power would have us become."

— Kitabu cha Kijivu, p. 122 (Chapter Seven, Lines 8-10)

The Key for Recovery in Narcotics Anonymous is a Daily Practice of its Spiritual Principles. In active addiction most of us used drugs in one form or another, on a daily basis. We focused on the next one with very little in between.

As our disease progressed, our worlds began to shrink; we lost people, places and things. Some of us were on a twenty-four hour mission to find and use drugs. Our personalities took a dark twist and began to disappear with every use of drugs.

Toward the end of our progression, not even our Families and Friends recognized us. We became the product of the disease of addiction. Some of us sought help through medication, religion, psychiatry or rehabs.

Our Literature tells us that these things failed to find any solution that we can use. Arriving to Narcotics Anonymous was the Solution that worked for addicts like us. The Program of Narcotics Anonymous first called for the Surrender of its Spiritual Principles.

Complete and Total Abstinence from all mind and mood altering chemicals had to be Achieved for Recovery to be possible. The Spiritual Principles of N.A. are written so simply that we Practice them in our Daily Lives. The Steps and Traditions are our Living Program.

Our Literature is our written Program. Since Knowledge is not a substitute for Surrender, we have to make more Surrender. Our Positive actions and a Total Surrender are what makes our Recovery possible, Just For That Day.

Recovery in Narcotics Anonymous is capable of Transforming our personalities and Spirits. Narcotics Anonymous not only saved our Lives but also Granted us a Life most of us never knew. One of our Greatest Gifts is to be able to have a Relationship with a God of Our Own Understanding.

In This Moment: It works if we work it. It works if we don't work it, it'll just not work for you.

3 Septemba

"In attraction rather than promotion, we give the addict the right to join in our anonymity and find recovery."

— Kitabu cha Kijivu, p. 117 (Tradition Twelve, Lines 23-25)

Anonymity is the Spiritual Foundation of all our Traditions, ever reminding us to place Principles before personalities. Our Symbol section in the Basic Text reminds us that in Narcotics Anonymous there's room for every manifestation of the Recovering addict. Our Message is one of Love and Inclusiveness. Our Steps and Traditions make Recovery possible for any addict that seeks Recovery.

Narcotics Anonymous Offers only one Promise, the Freedom from active addiction, and a New Way Of Life. It's Offered through a Daily Reprieve and the Practice of Spiritual Principles for that Day. Narcotics Anonymous works on a twenty-four hour basis. We can arrest the disease of addiction and Apply the Narcotics Anonymous Spiritual Principles to every area of our Lives.

The Great thing about it is that it has worked for countless others. We are given Hope from others that it can also work for us. Narcotics Anonymous is not for people who need it, it's not even for people who want it.

It's for people who work it. We don't promote our Program; we don't make Promises to anyone.

We Carry our Message of Freedom and the Promise of Hope. This is conditional if we are Willing to make the effort to get it.

We learn that we carry the Pure Narcotics Anonymous Message, to the next suffering addict. We learn that God delivers that message when the time is right.

In This Moment: By carrying the Pure message of Narcotics Anonymous, we give every addict the right to Accept or reject Our Way of Life.

4 Septemba

"We can only make our amends to the best of our ability and they can either accept it or deny it."

— Kitabu cha Kijivu, p. 53 (Step Nine, Lines 16-18)

Our Basic Text reminds us that we make Amends to those we have harmed because we have to. Step Nine comes with a lot of warnings. Timing seems essential in our Amends. How many times in our active addiction did we say we were sorry, only to repeat our harms.

Families and Friends lost any Trust in our words. That's why our Literature says, when it comes to the Family, Clean Time speaks for itself. Show me, don't tell me, was a phrase we heard a lot. The main part of the Amends Process is that we've changed.

We are no longer creating havoc in our and the lives of others. For many of us in Narcotics Anonymous, this can be a difficult Step. We learn to approach this Step with no expectations.

Step Nine warns us about making Amends while people are still angry with us. We use the God Of Our Own Understanding and Sponsor for Guidance. Our Hearts start to Recover in this Step and the Process of Forgiveness is in full force. As changed people we're able to Forgive people who don't Forgive us.

We are changed people and our Responsibility is to clean our side of the street. We repair what we have damaged, and we give others the opportunity to let go of their anger. We're not Responsible for their reaction or feelings; we've done our part.

Let's not forget this is a lifelong process. With Step Nine we gain another great Freedom from the chains of addiction.

In This Moment: We will make Amends to the best of our Abilities and Capabilities and leave the results to God.

5 Septemba

"We have an incurable, progressive, terminal disease called addiction."

— Kitabu cha Kijivu, P. 30 (Step One, Lines 23-24)

Before Narcotics Anonymous existed, many addicts died from the horrors of addiction. Chapter Eight in our Basic Text talks about the end of the road for many of us. This is where our Surrender starts, without this Surrender there is no Hope.

Many of us went to the bitter ends, and few of us were fortunate enough to find ourselves in Narcotics Anonymous. Many times we have asked ourselves; "what is wrong with me?" Everything we tried to better ourselves and our lives failed. Most of the time it seemed to make things worse.

Every time we stopped using drugs; we found ourselves returning to using. The inner turmoil and pain we experienced without drugs made us look for a Solution. We searched everywhere for that Solution, for a problem we didn't even understand.

Coming into N.A., we were told that we have a disease, not a moral dilemma. Even though we knew we were sick and needed help, we could go back to find our old and familiar ways; trying to obtain the comfort, we once knew. We have a disease that is incurable, progressive, and terminal.

If the drugs didn't kill us, we will do the jobs ourselves; this is our self-destructive personality. When we fully Accepted the fact that we could not Live with or without drugs the Solution appears. We knew we belonged in NA, when we met people just like us who were trapped in our own self-imposed prisons. These same people now seem to be Free of using drugs and Free of the selfbondage that kept us going back to using time after time.

They told us that we were Home, and that they found a way out. The suggestions that they gave us were Free, the ones we would have to pay for were the ones we didn't take. Together with these other members we were able to get Clean.

We were able to stay Clean that day and apply Spiritual Principles to arrest the disease for that day. We were told that it was an I disease, followed by a dying program; to a We Solution, followed by a Living Program. We are given a Daily Reprieve from the horrors of addiction.

That Reprieve depended on Daily Maintenance of our Spirits. By staying and working the Steps we were able to Live with this disease, instead of dying from it.

We Recover from addiction, just for that day. With the help of our Program, fellow addicts and our Higher Power, we never have to use again.

In this moment: We will ask God to Help us understand the full extent of our disease of addiction. I will Thank God for giving us the Gift of desperation necessary for Daily Surrender.

6 Septemba

"We have learned from our group experience that those who keep coming to our meetings regularly stay clean."

— Kitabu cha Kijivu, p. 15 (Chapter Two, Header)

Since 1953 the Narcotics Anonymous Program has proven itself to be a viable and effective answer to drug addiction. Many have Recovered from the horrors of addiction, a Day At A Time. Narcotics Anonymous not only offers the possibility of Complete and Total Abstinence from all drugs; but also a new way to Live without the use of drugs. The important thing for us to remember is that we don't do it on our own.

The first Eleven Steps begin with the word "WE. " This Spiritual Principle of Anonymity is probably what we first experience when we first come in and Surrender. The Narcotics Anonymous Groups provide, in its Recovery Meetings, an Atmosphere where our Life Saving Message can be Shared. Our Recovery Meetings provide the study of Narcotics Anonymous Literature and the Experience, Strength and Hope of the older members.

The Spiritual Principles of Empathy and Identification starts our Recovery Process. Attending Meetings is a physical act of Surrender. If we're newcomers, we listen to other members as they carry the Message of Narcotics Anonymous. We Share the Solution of our problem, addiction.

We realize that we have a Fellowship to Share our concerns with. We can ask questions after the Meeting and learn how to socialize with others.

We see firsthand that we don't have to use drugs, Just For Today. Recovery is what happens in our Meetings. It is our one and only purpose.

Overtime we see members Celebrating various amounts of Clean Time during N.A. Birthday Celebrations.

That gives us Hope that we also can continue to attend Meetings, and work a Living Program of Narcotics Anonymous.

In This Moment: We still continue to do the physical act of Surrender by attending Meetings.

7 Septemba

"Working the Steps will give us a relationship with a Power greater than ourselves, correct old defects, right old wrongs, and lead us to help others."

— Kitabu cha Kijivu, p. 19 (Chapter Two, Lines 3-6)

Ask ourselves, what does Recovery in Narcotics Anonymous mean to us? Many of us would say that it saved our Lives, some would say that they stopped hurting.

Many would say that we got our Families back. Some of us would say that we became employable, we were able to become financially successful. Some would say that we finished school, and became productive members of society. Although some of these things are True, that's not what our Recovery should be about, those are just symptoms of staying Clean.

Nothing ever seemed to fill the void/emptiness inside of us. In N.A. we Learn to Live in a New Way.

By working and Living the Steps and Traditions we allow ourselves to Change and Grow. For this we needed the Help of God As We Understood Him and the Help of other addicts. By staying in contact with the N.A. Program, fellow addicts and our Higher Power, we're capable of a Transformation We move from using to Helping ourselves and others, from isolation to Fellowshiping and from emptiness to Fulfillment.

One of the most important aspects of Recovery is that our Spirits Awaken. We're able and capable of seeking a Relationship with a God Of Our Own Understanding. We're able with the Help of the Steps, the Fellowship, our Sponsors, and our Higher Power to change from our old ways.

We're able and capable to Amend the wreckage of the past. We find a New Way To Live without the use of drugs and to incorporate Spiritual Principles in our Lives. We are then able to Share this Precious Gift with all those that seek it.

Yes our Recovery is more than just about us and material gain. We find ourselves through the Process of the Twelve Steps and Twelve Traditions. Then, we lose ourselves through Service and Helping others.

In This Moment: We start to lose the stigma of the phrase "Once an addict, always an addict." We learn to Love ourselves and others, Forgive ourselves and others.

8 Septemba

"When we are working Step Six, it is important to remember that we are human and should not place great expectations on ourselves."

— Kitabu cha Kijivu, p. 47 (Step Six, Lines 7-9)

Even though Steps One through Five qualified us to be entirely ready for Step Six, Willingness is the Spiritual Principle here. Our Gray Book states, "there is a certain distorted security in familiar pain. It seems safer to hold on to the old familiar pain than to let go of it for the unknown." Here again we have to Admit Complete defeat over these defects. They served us well in active addiction.

Some call these defects the tools of the disease. Some of us become attached to them like an old friend.

So it can be a grief process in getting rid of them. Fortunately, we don't have to, the God Of Our Own Understanding will remove them for us. What's needed from us is a deeper level of the Spiritual Principle of Surrender.

We learn to Achieve Humility when asking for Help. We learn that yes we are addicts, but we're also human.

Our aim here is to Achieve Adequacy and not perfection. Our Gray Book reminds us that perfection is a Divine quality that we as humans don't possess. Since the God Of Our Own Understanding only removes what we really want Him to remove; we must want these defects to be removed decisively. God will not force his Goodness on us.

He will need our cooperation, God will move mountains, but we have to bring the shovel. This Spiritual Surgery can only be done with our Complete and Total Surrender.

In This Moment: We will develop the Spiritual Principle of Willingness To Try. We will use the Spiritual Tools we were given in Narcotics Anonymous, to Practice the opposite of our defects.

9 Septemba

"One of our biggest stumbling blocks seems to be in unrealized expectations of ourselves and others."

— Kitabu cha Kijivu, p. 127 (Chapter Seven, Lines 32-33)

When we arrive in Narcotics Anonymous battered and beaten by the disease of addiction, it is clear that neither we, nor the world have met our expectations. Spiritually bankrupt, many of us gave up on ourselves and others long ago and many of us expected nothing more than pain and perhaps the relief of death. After attaining Complete and Total Abstinence, and beginning to Live the Spiritual Principles of the Narcotics Anonymous Program, most of us begin to regain some things, and along with these things we may regain expectations of ourselves and those around us. As addicts, we have a tendency to try to project into the future. No human has the ability to predict the future and as people with a disease which distorts rational thought, we're particularly bad at it. Worse still we have a pension for reacting with resentment and hostility when our expectations are not met.

Many have heard the expression "expectations are premeditated resentments. We find that this is painfully true. Part of the Admission we make in the First Step is that we have no control over people, places and things.

Our struggle against this fact is where we stumble. An insane person is one who lives out of harmony with Reality.

This is exactly what we're doing when we attempt to control outcomes which are out of our control. Through the Help of Narcotics Anonymous, we have found a Loving Higher Power which can restore us to Sanity.

We no longer have to cause harm to ourselves and others when Life doesn't go the way we planned. We can Forgive, and be Forgiven.

We don't have to carry the exhausting burden of our resentments. We're reminded that we're Responsible for the footwork and the God of Our Understanding is Responsible for the results. We do our best to Live the Spiritual Principles of Narcotics Anonymous, and we Surrender the rest to our Faith and Trust in God.

We learn that God may not always give us what we want, but He will always give us what we need. It is not the world that must change, it is our perceptions that must change. We realize that not only is it ok for people to make mistakes, it's ok for us to be human as well.

We're not perfect and that's ok. God Loves us for who we are and so does the Fellowship of Narcotics Anonymous. Now we must learn to do the same for ourselves and others.

In This Moment: Through the Narcotics Anonymous Program I will Maintain my Awareness that we're all perfectly imperfect. All we do is give our best and Trust the God of Our Understanding to Care for us.

10 Septemba

"This can show up as an unexplainable depression or disorientation. It is really related to a poor spiritual condition and can be remedied by an ongoing application of the Twelve Steps of recovery."

— Kitabu cha Kijivu, p. 140 (Chapter Eight, Lines 19-22)

How many times we hear at Meetings, "don't use no matter what". Addicts use no matter what. If it was that simple, then we wouldn't need Narcotics Anonymous, God and our Sponsors.

There would be no need for Steps, Traditions and the Practicing of Spiritual Principles. Our Literature reminds us that addiction affects every area of our Lives, not just the physical use of drugs. Just not using is still untreated addiction.

It can be an illusion that just because we Achieved Complete and Total Abstinence that were ok. One of the symptoms of the disease of addiction is the using of drugs. We can arrest this disease A Day At A Time, but it is still progressing and there's no cure.

In Narcotics Anonymous we treat not only the symptom, but we also treat the mental, Spiritual and emotional parts of this disease. We use a Spiritual Solution to a Spiritual problem. Narcotics Anonymous offers us a set of Spiritual Principles that work on a twenty-four hour basis. Many members old and new forget about this Daily Reprieve.

The Spiritual Conditioning has to be maintained for relapse to stay at bay. The relapse process starts when we stop Practicing these Simple Spiritual Principles. It can show up as anxiety and depression.

Our Spirituality is the first to go in this relapse process. Then, our mental disorder kicks in and the obsession starts.

Then, we get loaded at the end of the relapse. The only thing that can save us is the reapplication of the Spiritual Principles and Practices of them.

In This Moment: We will never leave Practicing the Basics of the Narcotics Anonymous Program, so we won't start the relapse process.

11 Septemba

"Seperation from the atmosphere of recovery and the spirit of service to others slows our spiritual growth and can threaten relapse."

— Kitabu cha Kijivu, p. 156 (Chapter Ten, Lines 28-30)

Our Literature reminds us that complacency is a red light indicator. It's indicating that we could be in the relapse process.

When we stop doing the things that have been keeping us Clean and Recovering, we start to back slide. Since Recovery is an Uphill Journey, we can find ourselves in trouble. Our Gray Book states, "Complacency does not go with recovery.

The deadly and insidious nature of our disease can disguise itself as boredom or superiority and generate the old "apart from" feelings. " We can only keep what we have unless we give it away. This might sound like a strange paradox to most people, but it's what works for us in Narcotics Anonymous. Our Primary Purpose in Narcotics Anonymous is to carry the N.A.

Message to the still suffering addict. In the process we get to stay Clean ourselves. Complacency starts when we start to put anything in front of our Recovery.

We must Guard our Recovery, "The program doesn't work when we adapt it to our life, we have to adapt our life to the program. " We must remain Vigilant by continuing to Practice the Spiritual Principles of Narcotics Anonymous in every area of our Lives on a Daily Basis.

In This Moment: We get to keep what we have by working a Living Program, and Giving away what was so Freely Given to us.

12 Septemba

"There is a danger that we will exaggerate our wrongs, and an equal danger that we will minimize or rationalize away our part in situations. This Step must cut into our character defects and expose our motives and our actions for what they really were. We have no right to expect these things to reveal themselves."

— Kitabu cha Kijivu, p. 45 (Fifth Step, Lines 7-14)

One acronym for EGO is, "Easing God Out. Step Five asks us to Admit to God, ourselves, and another human being the exact nature of our wrongs. In this Step, we have to involve The God Of Our Own Understanding out loud with our own lips and voice.

Prayer as in all the other Steps and Traditions, is essential. The ego will protect itself from ourselves.

Our egos served us well in active addiction, but it's not conducive to our Recovery. Since we are as sick as our secrets, we must be vigilant against our egos. In active addiction, our mouths contributed a lot to our addiction.

We used drugs with our mouths and used our mouths to lie and exaggerate in order to keep using. Step Five is asking us now to use our mouths for healing. Admitting, Praying and being Honest are some effective tools we use in Narcotics Anonymous to work the Program and Heal. Sometimes the stories and lies we told ourselves and others became distorted from the Truth and Reality.

After a while, we couldn't tell the Truth from fantasy. Many of us included these exaggerations and lies when we told our stories. Over time and Complete Abstinence our minds and bodies start to clear up.

Working the Steps the fog starts to lift; it's an overtime not overnight Process. A deeper Surrender is essential as we progress through the Steps. With each Step the Spiritual Awakening we experience as a result, will begin our Uncovery process.

Faith resulting from Hope will allow us to ask for Help. Our Higher Power, Narcotics Anonymous, Sponsor and the Fellowship will Guide us in this Process. Today we use the same mouths that sickened us, to Heal us.

In This Moment: After using our mouths to Heal, we will use our mouths to Help others as we Carry the Life Saving Message of Narcotics Anonymous.

13 Septemba

"We had to have something different and we thought we had found it in drugs."

— Kitabu cha Kijivu, p. 23 (Chapter Three, Header)

As addicts, it seems that we were always searching for something. We used drugs to satisfy that constant yearning.

Something was missing in us, but we didn't know what it was. The use of drugs temporarily filled that need, but it wasn't enough, so we used more. What we didn't realize was that drugs were that great eraser, which made our void even bigger. Finally, after erasing our Families, Friends, and our part in society, it erased us.

In Narcotics Anonymous, we use Spirituality and all its Principles to fill whatever void we have. Drugs were our solution for a long time until it turned against us. The more we used the worst we felt and our problems worsened.

By this time we didn't use drugs; drugs used us. We were trapped by our ball and chain, in our self-imposed prisons. Narcotics Anonymous offers something big and Good that can change our Lives for the better.

Narcotics Anonymous offers us a drug free lifestyle and a Spiritual Awakening as a result of the Steps. Since our problem is Spiritual in nature, our Solution has to be Spiritually Based. We Practice a Living Program in every area of our Lives on a Daily Basis.

We become Loving and Caring people. We finally found what we've been searching for, ourselves. In Narcotics Anonymous we're never alone, we have the God of Our Own Understanding, our Sponsors, and a Fellowship of people who really care.

We Share this Precious Gift with all who seek it.

In This Moment: We are finally Home. We no longer have to search outside ourselves to feel good about ourselves.

14 Septemba

"Faith is the key. It takes a firm belief in a loving God before we can possibly begin to turn our wills and lives over to His care."

— Kitabu cha Kijivu, p. 139 (Chapter Eight, Lines 25-27)

Many of us came into N.A. with no experience turning our Wills and our Lives over to the Care of a Loving, Caring God. We haven't seen Miracles that happens by just Practicing Faith. We talked about Belief, but truly didn't Believe.

Our new-found lives are based on Faith. We had trouble Accepting life the way it was, and we lived in a way that was rooted in fear. By working the Steps, we come in contact with a Higher Power in which we can Believe in.

At first, it was difficult to believe in anything different from what we believed was True. But by working Step Two we opened ourselves to the possibility that something Greater Than Ourselves could restore us to sanity. If we Believe that there is a Loving God, by opening our minds to this possibility, we Practice Belief and eventually our Trust and Faith will Grow, giving us Strength. Our Gray Book says, " a Spiritual Experience is necessary to arrest our addiction. " Working the Steps and Traditions of Narcotics Anonymous charts that course.

Our First Spiritual Experience starts when we Surrender to Total Abstinence. The pain of living without drugs forces us to seek a Power Greater Than Ourselves. This Power relieves our obsession to use.

This is the Beginning of our Spiritual Awakening. We begin to Trust this Power, and it Guidance in our Daily Lives.

Having only a Daily Reprieve from this fatal, progressive, incurable disease, we need to Recommit ourselves with a Daily Surrender. We wake up every morning by showing our Gratitude with a Prayer. We Pray for God's Will for us and the Power to carry it out.

We do the next right thing for the right reason; we look at every situation throughout the day as an opportunity for Growth. No matter what happens, we make time for Meetings, call our Sponsors, help another suffering addict and Live the Spiritual Principles of Narcotics Anonymous. This is our Safeguard against the relapse process.

Each day with God's help our Spirits gain more territory against this deadly disease.

In This Moment: After some time doing things the N.A. Way and not our own way, we begin to Develop the Faith which Leads to Trust that our Higher Power has better plans for us than ourselves.

15 Septemba

"Spirituality is to isolation as recovery is to addiction."

— Kitabu cha Kijivu, p. 121 (Chapter Seven, Lines 32-34)

We often hear Shared at our Meetings "An addict alone is in bad company!" The disease of addiction strengthens when we are in isolation and it's only a matter of time until the thought of using sounds like a solution. At times, we can feel condemned by our own guilt and fear. We feel we want to run away from the world.

Our disease thrives off isolation, and our Recovery thrives off Connection with the Fellowship of Narcotics Anonymous. This is why using the phone and going to Meetings are so vital to our Recovery. Often our Higher Power works through others.

Although we can't see or touch this Power, we can hear and feel it from others if our minds and hearts are open. This is a "We" Program, "We" can't do alone what "We" can do together. It wasn't until we joined others in this Way Of Life in Narcotics Anonymous, did we ever find any Freedom from the horrors of addiction.

We must remain visible in Narcotics Anonymous if we want to Recover.

In This Moment: We will "Keep Coming Back" no matter how we feel. We will allow our Higher Power to reach us through others.

16 Septemba

"Many times, our efforts have produced in us feelings of peace and serenity that we have never known before."

— Kitabu cha Kijivu, p. 58 (Step Eleven, Lines 34-35)

Peace and Serenity were very foreign feelings for many of us, before coming to Narcotics Anonymous. We lived a life of confusion and contradiction. Many of us were dominated by worrying and uncertainty fueled by our fear of running out of drugs.

In the pursuit of our addiction, we had lost the ability to be alive and enjoy the lives other people had. However, in Narcotics Anonymous we have found a way for addicts to find Freedom from the horrors of addiction. First, we stop using.

Once we are Completely and Totally Abstinent we begin to feel the pain of withdrawal. The pain of our physical, mental and Spiritual withdrawals forces us to seek a Power Greater Than Ourselves that can relieve our obsession to use. We come to learn to Trust and Serve this Higher Power.

We start see the Spiritual Principle of Reciprocity come alive. When we give Freely of ourselves in helping others, the Higher Power gives us Gifts of Happiness, Peace, Self-esteem and sometimes even Serenity. We must remember God Grants Serenity, not us.

We are only capable of Living God's Will to the best of our ability, and God will give us the Spiritual Gifts. We see that what we're longing for all our Lives was for an Awakening of the Spirit. We just hadn't known until we were in the Program of Narcotics Anonymous!

In This Moment: We will continue doing the Higher Power's foot work and leave the results up to Him.

17 Septemba

"The spiritual basis of the program is strong enough to support a person with the disease."

— Kitabu cha Kijivu, p. 137 (Chapter Eight, Lines 13-14)

Narcotics Anonymous is a Spiritual Program with a Spiritual Solution to a Spiritual problem, the disease of addiction. We use 12 Spiritually Based Steps and 12 Spiritually Based Traditions to treat our Spiritual malady. Our problem is not the drugs, in fact drugs for a short time were our Solution to a hopeless state of existence. Drugs made our suicide a slow process, slow enough that many of us got sick and tired of being tired and sick.

A Spiritual problem cannot be solved with chemicals. Our hopeless state of desperation is what made our Recovery possible. Surrender is the Key that opens the door up to Recovery.

Once that door is open our Willingness and Action make it possible to step through. Many of us tried other alternatives, religion, medicine, new lovers, new towns and psychiatry. All these methods failing as a Solution, we finally came to N.A.

It was the last thing we tried, but it was the first thing that worked. While practicing active addiction, we were slowly committing suicide.

Many times we tried to stop using on our own, but no matter how many times or what we tried, it failed. Many times we were so hopeless that we thought there was no other option then to keep killing ourselves. Our experience shows that The Spiritual Basis of the N.A. Program is strong enough to support our Recovery.

We have come to rely on a Power Greater Than Ourselves. For the first time, Recovery from the disease of addiction was a Reality for us. In Narcotics Anonymous we keep this Precious Gift alive by Sharing it with all those who seek a Solution from the disease of addiction.

In Narcotics Anonymous we keep this Precious Gift alive by Sharing it with all those who seek a Solution from the disease of addiction.

In This Moment: We live to Experience life on God's Terms and Grow from this Experience.

18 Septemba

"As we became responsible for our own recovery, we became responsible for our fellow addicts."

— Kitabu cha Kijivu, p. 79 (Chapter Five, Lines 32-33)

Our Literature says that we keep what we have by giving it away. Giving away what was so Freely Given to us seemed to be secondary, in our beginnings, we just didn't want to use. As we received the Spiritual Gifts by Working and Living those Steps, we wanted to Share this Precious Gift with others.

Sponsorship offers that one on one opportunity to Help others, without parallels. Because we truly care, staying clean then becomes our second motive. Before we could give away what we got, we have to have something to give away.

The Gray Book calls this Responsibility twoedged. It states, "The other edge is our own need to preserve our recovery. We found from experience that our own recovery is strengthened when we share it with others, who ask for help. " One of our Narcotics Anonymous Founders stated that only an addict can Help another addict.

Since our disease is anti social in nature, it makes detection, diagnosis and treatment difficult. Religion, psychiatry and medication all failed us. Empathy in the form of Identification is what makes us qualify to Help the suffering addict.

One of our Founders wrote, "You and I have been given through illness, through suffering and through disease, a talent for helping other human beings like ourselves. Let's never forget that we have it and are responsible for others. " Recovery in Narcotics Anonymous is the Gift that keeps on Giving. We learn in Step Twelve that Love and Service is the N.A.

Way, Just For Today.

In This Moment: Some of our motives might still have motives, but this motive is a good one. We will Help others to stay Clean by Sharing this Precious Message of Narcotics Anonymous.

19 Septemba

"Patience is the great method of the Fellowship. The unconditional love we experience will rejuvenate our will to live and each positive move on our part will be matched by an unexpected opportunity."

— Kitabu cha Kijivu, p. 54 (Step Nine, Lines 17-20)

One of our slogans in our Gray Book is, "Take It Easy. " In active addiction it wasn't about taking it easy, or easy does it, and definitely not Patience. As using addicts it was about instant gratification, and more of it.

We used to live and lived to use. When we were running out of drugs, we found the means and ways to use more, we just couldn't get enough.

This made waiting for anything in our Lives difficult. We were looking for the same results the drugs gave us, instantly.

Coming into Narcotics Anonymous we heard that TIME meant, "Things I Must Earn. " We also were told that Recovery was an overtime process not overnight. We learned to Live In The Moment and stay in the day.

We experienced Love and Patience from the other members, toward us. The Unconditional Love and Acceptance we received Helped us develop Patience with ourselves, and later with others. Although we were seeking micro-wave Recovery, we knew we had to work for it. The Literature reminds us that we did not become addicts overnight, so getting better would take time and effort on our part.

As we Work and Live the Steps with the Guidance of a Higher Power, our Sponsors and the Fellowship of Narcotics Anonymous, we experience an Awakening of our Spirits. We do the footwork and leave the results to the God Of Our Own Understanding.

Our Faith increases; we start to see the results of Recovery in our Lives. We experience the Message of Hope and the Promise of Freedom our Message talks about. Since addiction affected every area of our Lives, we have to Practice these Spiritual Principles in every area as well.

One of the ways we Practice these Spiritual Principles is by serving others in our Program. We do Service, keeping in mind that Service is for those we serve. Our Recovery blossoms, and we lose self-obsession when we get out of self and help others. Narcotics Anonymous offers Spiritual Unlimited Growth as we Live The Steps and Traditions.

In This Moment: We will show the same Patience and Unconditional Love that was shown to us in our beginnings, to the newcomers and other members in Narcotics Anonymous.

20 Septemba

"This can show up as an unexplainable depression or disorientation. It is really related to a poor spiritual condition and can be remedied by an ongoing application of the Twelve Steps of Recovery"

— Kitabu cha Kijivu, p. 140 (Chapter Eight, Lines 19-22)

Chapter One in our Gray Book p. 7, Lines 25-27 says that "Addiction is a treatable disease: as soon as we begin to "treat" our addiction by working the Twelve Steps that have worked repeatedly, we experience very positive results. " Many of us arrive at our first N.A. Meeting Spiritually dead; Emotionally crippled and in poor Physical Health. Overwhelmed by shame, guilt, self-hatred and the painful rewards of our self-centered lifestyle, we are relieved to find that we have a treatable disease. In N.A., we have evolved a concept of the disease of addiction, as derived by addicts Recovering in N.A.

Ours is a Spiritual Solution, a Daily Application of Spiritual Principles that arrests our disease and makes Recovery possible. Our Literature tells us that "With each meeting we attend, seeds planted in earlier meetings are watered until we can see them grow to harvest. This harvest is a form of spiritual growth. " This tells us that our Spirits need to keep Growing and Awakened as a Process and Progression.

Recovery is a Process that takes WORK to keep the Miracle alive. Relapse is an automatic Process that takes NO WORK, for us to die.

Time after time, we've seen long timers in Narcotics Anonymous, tired of Working the Program, give in to medication as an answer to their poor Spiritual condition. A Spiritual Problem cannot be solved with chemicals. If we find ourselves in poor Spiritual condition, we've probably slighted in our Step Work, Praying to the God of Our Understanding, and stopped working with others.

A return to the Basics is the only thing that can Help save us at this point. Complacency is the enemy of any addict with clean time.

If we never leave the Basics of this Program, we never have to return to them.

In This Moment: We will be Grateful we have a Spiritual problem that is treatable by applying the Spiritually Based Twelve Steps and Traditions in our Lives.

21 Septemba

"When we pray a remarkable thing happens; we find the means, the ways, and energies, to perform tasks far beyond our capabilities."

— Kitabu cha Kijivu, p. 58 (Step Eleven, Lines 23-25)

When we first arrived to Narcotics Anonymous, most of us found getting and staying Clean was beyond our own capabilities. We had to Surrender to Complete and Total Abstinence from all mind and mood changing chemicals. After this form of Admission through Action, we were forced through the pain, in Step Two, to tap into a Power that can help us with our Cleanliness. Practicing a Living Program requires Working and Living the Steps of Narcotics Anonymous.

We soon Learned that Living and Practicing these Spiritual Principles were also beyond our own capabilities. We would have to continue tapping into this Power to remain Clean.

We would also have to improve this contact with this Power, to continue this Path of Recovery. Practicing through Constant, Conscious Contact, we seek to Improve this Relationship. Our Basic Text states, "We have found that our spiritual condition is the basis for a successful recovery that offers unlimited growth." This Growth is contingent on a Daily Reprieve that's dependent on our Spiritual Maintenance.

The Evidence of this phase in Recovery, sometimes called Discovery, can lead us to Emotional Stability. Our Spiritual Awakening has to be Progressive, for our Spirits not to fall asleep again. We attend Meetings, work with our Sponsors, do Service and work with others to ensure our Recovery.

We also have to remind ourselves that this is a Twenty-Four hour Program.

In This Moment: We will continue to Depend on this Power not only to keep us Clean, but also to continue to Recover.

22 Septemba

"Now we live a new outlook, that of caring and sharing the N.A. way. We are surrounded by like-minded addicts, who once were at the depths of misery and despair, and now serious about their own recovery and helping the suffering addict."

— Kitabu cha Kijivu, p. 159-160 (Chapter Ten, Lines 33-3)

"A New Way To Live", this is part of our Message in Narcotics Anonymous. What does that mean to us? What our Higher Power has revealed to us is that Practicing these Principles and Sharing this Gift with others is a New Way to Live. In active addiction this wasn't the way we Lived.

In active addiction, we did not Practice Spiritual Principles, material possessions did not change our way of life. Most of us, while using, did not care much about anyone or anything. We put our addiction before anything, including our Lovedbones. Arriving at Narcotics Anonymous we met others that were in the grip of despair, as we were.

They now seemed to be Free and reasonably content. Out of the ashes, they found Hope.

They Shared their Hope and showed us that wordless language of Empathy. It was the Narcotics Anonymous Message of Hope and the Promise of Freedom. We were told that to receive this Gift of Life, we had to put the effort to get it.

Once receiving this Gift, we had to give it away to other suffering addicts in order to keep it. Today we use our past as a stepping stone and a touchstone for Spiritual Growth. The worst day of our Lives is now considered the best day of our Lives because it enables our Unconditional Surrender. Surrendering to the Spiritual Principles of Narcotics Anonymous we are set Free.

We work Steps with our N.A. Sponsors. We develop a Relationship with a Higher Power of our own Understanding.

We answer to the cry for help from others that are newly arriving to N.A. We attend Meetings to Carry Our Message, and we serve the Fellowship in form of service. Our Recovery is enforced as we Share it with others.

In This Moment: We will not forget why we are Clean, Just For Today. We will show Gratitude by taking some time to Share freely what was so freely Shared with us.

23 Septemba

"The unconditional love we find at meetings makes it possible to relax and review our assumptions about ourselves and reality."

— Kitabu cha Kijivu, p. 19 (Chapter Two, Lines 1-3)

"We used to live and lived to use. " In active addiction, the tools of the disease helped shape our personalities. It also affected what we thought about ourselves.

Isolation shrank our world. A lot of our time was spent using and finding ways to use more. Toward the end of our using most of us had very little contact with others, except to serve our active addiction.

Many of us arrived to Narcotics Anonymous thinking of ourselves as a defect looking for a character. When others shared their stories with us, we Identified with their feelings and suffering. After coming to Narcotics Anonymous we found out that we were sick people trying to get better, not bad people trying to get well. We learned that our problem was one that was Spiritual in nature.

The Narcotics Anonymous Program offered us a Spiritual Solution. The Solution required us to take action by applying Spiritual Principles in every area of our Lives.

It offered us Freedom from active addiction. The Program offered us a Fellowship, so we wouldn't have to do it alone, because we can't. The unspoken language of Empathy became one of the Principles that led us to Self- Acceptance.

Our Literature tells us that part of Sanity is effectively relating to others. The Steps and Traditions makes this possible. We start to experience a relationship with Reality, as we Share these Spiritual Principles with others in our Lives.

In This Moment: We will not moralize or judge each other. We realize as we kept coming back, that what makes us unique, is that we are all the same.

24 Septemba

"The only thing we want to emphasize is that you should feel comfortable with your Higher Power and be able to make the statement that your Power cares about you."

— Kitabu cha Kijivu, p. 35 (Step Two, Lines 12-15)

Our Literature tells us that we need the Second Step in order to achieve any sort of ongoing Recovery. Working this Step relieves our obsession to use, and Helps us with our withdrawals. Narcotics Anonymous Grants us the Freedom to choose a Power Greater than ourselves that can restore us to Sanity.

What's asked of us is that this Power be Loving and Caring. This Higher Power of our own understanding does not come without catches.

Our Third Step asks that we be Honest about our Belief. Part of being Honest is to be Willing to try to Emulate some of its Qualities and show Empathy to others, as it is shown to us. The Care, Trust, and Patience we are shown through our relationship with this Power can be reflected to others. Our Literature tells us that it is better to understand rather than to be understood.

If we are asking our Higher Power to remove our shortcomings, we are asking for Forgiveness at the same time. In turn, we will show this Spirit of Forgiveness to others.

In This Moment: We will choose a Higher Power of our own understanding. We will choose a Power that will reflect how we want to be treated, and how we will treat others through the Spiritual Principles.

25 Septemba

"As using addicts, we lived under a regime of fear. In attaining our new life, we want it free of unreasonable fear."

— Kitabu cha Kijivu, p. 42 (Step Four, Lines 20-21)

A fearless moral inventory of ourselves, it sounds easy right? As addicts, our Lives were dominated by fear.

Self-centered fear was at the root of all our problems. We acted out on our defects as a means to cover up what we were really feeling. These defects served us well for a while in our active addiction.

Our lack of self-esteem made us create false images of ourselves, for others to see. We didn't like ourselves, and we were sure if others got to know us, we would be rejected. Our Literature tells us that the masks have to go.

Fear was our default mode; it motivated us to act and react. We were always covering who we really were. Putting pen on paper and revealing ourselves to ourselves was our Solution.

We need a Loving God to Guide us, and give us the Courage to go through this fear and expose the real from the imagined. Writing our Inventory unlocks certain parts of our subconscious that just talking about it won't. Our Healing is in the writing in this Step.

As our Faith increases with every stroke of the pen, our fears are lessened. We have to remember that the Higher Power that got us Clean in the first few Steps is still with us during this Process. Listing our Assets and liabilities Helps us with our Self-Acceptance.

One of the results from this Step is that we peel another layer of the onion. Our Goal in Recovery is to get to the Core, because that's where our Spirituality resides.

In This Moment: God will help remove these thorns from our sides. We have to be thorough and write through our fears.

26 Septemba

"It will not make better persons to judge the faults of another. The thing that will make us better is to clean up our lives by relieving ourselves of guilt."

— Kitabu cha Kijivu, p. 51 (Step Eight, Lines 12-14)

By the time we reach the Eighth Step, we should have put away our blame throwers. In our addiction, we put ourselves in situations to be hurt by others. We also, through our defects, have managed to bring out the worst in people, our families, and employers.

We were told that although we are not responsible for our disease, we are accountable for our Recovery. In our Seventh Step, we learned that God has Forgiven us, and since we're not greater than God, we learn to Forgive ourselves. This will also enable us to become Willing to Forgive others, especially if we're not Forgiven by them. In this Step we achieve Freedom from the past guilt that trapped us.

We become Willing to make a list of people, places and things that we brought harm to. Almost anything or anyone we came in contact with, during our addiction, was a victim. Our Literature says that we also hurt ourselves in the process.

The harms we caused others could've been minor or major. The harms were physical, mental, Spiritual and emotional. We began to look at our side of the street.

As we wrote, our anger and resentments seemed to melt away. We began to build Awareness and gain new Perspectives about ourselves and others. We experience a deeper level of the Promise of Freedom.

We Share our Amends list with our Sponsor. They will show us except where to do so, would injure them or others.

In This Moment: We will clean up our side of the street. We will also, in time, learn to Forgive those that we think, real or imagined, harmed us.

27 Septemba

"There is something in our self-destructive personalities that cries out for failure."

— Kitabu cha Kijivu, p.126 (Chapter Seven, Lines 34-35)

No matter how long we are Clean, no matter how much we Recover through Working and Living the Steps; we in our normal state, is to feel like failures. Our default mode is self-destruction. Recovery is an Uphill Journey, so this implies some work on our part. The Willingness to Change is up to us.

Our Journey in Recovery starts with a Desire. The Actions we take in our Recovery will determine that Desire.

We reap the Fruits of Recovery when we SOW with Spiritual Principles. By attending Meetings our self-destruction button is misplaced, that day. Our Spirits are lifted, and we get to Recover through our Reprieve another day.

The opposite is also True. The longer we stay away from our Meetings the closer we get to finding that self-destruction button. Our Second Step reminds us that we bought our destruction on the time plan.

What we lacked was a Relationship with Reality. The disease of addiction put our Spirits to sleep, and then we picked up. This disease was present in us long before we knew and even before our actual use of drugs.

Our Third Step in the Gray Book states that, "This is the Step where we come into contact with sanity we are promised in Step Two. " This is where insanity meets God. Narcotics Anonymous offers us Spiritual Principles to Live by. They are written so simply that we can follow them in our Daily Lives.

We find that the best way to get out of self, is to work with others. Sharing Hope gives us Hope and that makes us take the Actions that propels us into Faith.

In This Moment: We will continue, through attending Meetings, and Working a Living Program, to misplace our selfdestruction button.

28 Septemba

"Gradually, as we become more and more God-centered than self centered, our despair turns to hope."

— Kitabu cha Kijivu, p. 147 (Chapter Nine, Lines 4-5)

Living the Steps of Narcotics Anonymous is how we come in contact with Sanity. With each Step taken, our Relationship with the God of Our Own Understanding deepens. Our Higher Power becomes our safety net in our Lives.

As our Trust increases so does our Faith. God becomes an action figure in our Lives instead of this distant faraway icon. We become more and more God Conscious rather than self-conscious.

We become more God-centered and less self-centered. As our Spirits Awaken, as a result of those Steps; we become an asset to those around us. We are no longer making a mess out of our Lives and the Lives of others.

This is a gradual process. Our Seventh Step tells us that, "We change every day to gradually, carefully and simply pull ourselves out of isolation and loneliness of addiction into the mainstream of life. " It's an overtime progress not overnight. In our Recovery we get out what we put in.

We Share this Message of Hope with others in order to keep it. We learn to work with addicts who seek Recovery.

We light up the path for them as it was lit up for us. We Practice being God Conscious in everything we do. We continue on this Journey so that our Spiritual Awakening stays Progressing.

In This Moment: We will Share this Precious Gift of Hope with those that are in despair.

29 Septemba

"Sometimes, after a few days of neglecting spiritual maintenance, things begin to really get out of hand in our own lives."

— Kitabu cha Kijivu, p. 146 (Chapter Nine, Lines 4-6)

Our Basic Text reminds us that when we stop Living in the here and now, our problems become magnified unreasonably. This Process happens slowly and without notice, until we're in Spiritual trouble. Like a pair of focused binoculars in the trunk of a moving car, it becomes unfocused with the bumps and curves during its daily travels. We're usually unaware how unfocused they are until we pick them up and look through them again.

We realize how unfocused they really were. The same happens to us without the Daily Maintenance of our Spirits. Without Daily Practice, we become like those binoculars in the trunk of that car, unfocused.

In the Seventh Step there's a Spiritual Tool Box laid in front of us as a result of Step Six. With the Help of the God of Our Own Understanding, we tap into the Power to walk this walk. We Surrender on a daily basis and Trust that God will take care of our needs.

Our Third Step starts to bridge that gap between Faith and fear. This Relationship had its beginning in Step One, when we Surrendered to the Program of Narcotics Anonymous. At that point our minds are opened.

We recognize the Hope all around us as evidence in the Lives of ourselves as well as others. We become part of our Message as we Live this Program and Share it with others.

In This Moment: We will continue to focus on Spiritual Principles daily, during the bumps and curves of the day.

30 Septemba

"Through the freedom in our new lives we are finally able to see the special qualities that we possess as individuals"

— Kitabu cha Kijivu, p. 161 (Chapter Ten, Lines 1-3)

Part of the disease of addiction is loathing ourselves. We used drugs to get out of self, and be someone else. The problem with using drugs is that we didn't like what we have become either.

We couldn't Live with or without drugs. After a while, we didn't like living in our own skins.

The more we used the worst we felt. A lot of us reached a point where suicide seemed like a good idea; so we used more to cover up these feelings. In Narcotics Anonymous we're Offered a New Way of Life.

We're Offered the Promise of Freedom. First; Freedom from drugs, then Freedom from self, finally Freedom from others and the World at Large. Through the Process of Working Steps and Practicing the Principles of the Program, and the Help of our Higher Power; we become who we were really meant to be. We become Loving, Caring people. We develop Gratitude for our Lives and for the people in our Lives.

Narcotics Anonymous restores sick people back to a better condition than they were before they got sick. With this new condition, we're able to help others. We no longer have to pretend we're someone else.

In this Journey, we are introduced to ourselves. Today, we Accept and start to Love ourselves.

We help others by Sharing who we really are.

In This Moment: We will see that the real value is in us being ourselves. We will Share our real selves with others.

1 Oktoba

"It is important to remember where we came from so that we don't return. We had to go through what we did to get to where we are now."

— Kitabu cha Kijivu, p. 42 (Step Four, Lines 4-6)

Most of us have heard the phrase, "no pain, no gain. " The pain in active addiction didn't seem to make any sense, as far as a "gain. " Most of the times it seemed senseless and self-afflicted. Most times the result of this pain was followed by negative circumstances and consequences.

Arriving to Narcotics Anonymous, most of us didn't realize that the worst day of our Lives would turn out to be a positive stepping stone that would actually Help us. The pain drove most of us to our Initial Surrender. We recall the poison from the horrors of our addiction.

The pain motivated us to change; it also helped us Empathize with others. The Second Step states that this pain forces us to seek a Power Greater Than Ourselves.

As we work our Fourth Step, we use that pain to write, as we write we heal. In the beginning of our Journey, many of us used pain as a motivator to change.

Working a Living Program we begin to heal. With each Spiritual Awakening, we are Enlightened and the Principles of Freedom and Joy replace our motives. In Recovery, we move through pain and no longer rely on it to motivate change.

Our Steps and Traditions are Spiritual Principles to Live by. Whenever we go against Spiritual Principles, we begin to feel the pain that our self-will produces. Living a Spiritual Life sometimes conflicts with our Human condition and not to mention our addiction.

Change and pain might be inevitable, but suffering is optional. Today, we welcome Change and Accept the growing pains that sometimes accompany it. Whatever is troubling us at any given moment, becomes our Greatest Teacher.

In This Moment: We initially use pain as a motivator to change. As we grow with the Help of God, our Sponsors and the Program of Narcotics Anonymous, Goodwill replaces pain as the motivator.

2 Oktoba

"It is important we keep faith and renew it through daily prayer."

— Kitabu cha Kijivu, p. 58 (Step Eleven, Lines 26-27)

Our Eleventh Step says that we continue to seek through Prayer and Meditation, to improve our Conscious Contact with God, as we understood Him. We gain the Power we need to continue to walk this Spiritual Life by renewing this commitment on a Daily basis. The same way yesterday's shower doesn't keep us Clean today, yesterday's Program served its purpose that day, and it brings us to today. All we get is a Daily Reprieve, and that depends on our Daily Spiritual Maintenance.

Maintaining our Conscious Contact with The God Of Our Own Understanding will ensure our continued Growth and Recovery. Our Literature says, "Enforced morality lacks the force that comes from our own choice." Today we can learn without experiencing pain first. We Practice these Spiritual Principles in all areas in our Lives.

Through Prayer, we tap into this Power. We Humbly ask to show us His Will for us.

In Meditation, we achieve this contact. We gain, through this process, the Power to Carry and Live the Message of Narcotics Anonymous.

In the Eleventh Step, we gain Emotional Stability and possibly Achieve Emotional Recovery. This process of Recovering, Uncovering and Discovering takes place over time with lots of actions on our part. The Benefits of Living this Way of Life comes to us soon after incorporating these Spiritual Principles in our Daily Affairs. Our Spiritual Awakening becomes a Dynamic not static force in our Recovery.

When we Share this Gift of Hope with others, we tap into Unlimited Growth.

In This Moment: We will Practice a Daily Program of Recovery. We will continue participating in our Journey Day by Day.

3 Oktoba

"The principle of surrender, is admission of responsibility when we are at fault, and practicing faith."

— Kitabu cha Kijivu, p. 146 (Chapter Nine, Lines 22-24)

When we first arrived to Narcotics Anonymous, we were told that we were not Responsible for our disease. We were told that we would be Accountable for the harms we caused. We heard from others that were here before us to "Take It Easy. " All we had to do right now was not to use and to Keep Coming Back.

In time, we would learn to take Responsibility for our Recovery. Our initial Surrender included the Admission of being an addict in the First Step.

We then Surrender to the Spiritual Principles of Narcotics Anonymous. Complete and Total Abstinence was another Spiritual Principle we had to Embrace and Surrender to. The Principle of Honesty means we Align our Actions to the Truth in Step One.

We tap into a Power Greater Than Ourselves that relieves our obsession to use drugs. This Surrender is shown through our Actions, that is what we're Responsible for. This Process is what restores us to the Principle of Sanity.

We begin this Relationship with this Power Greater Than Ourselves in our Third Step. We Surrender to God's Will through Aligning our Actions to that Will. Our Admission of our powerlessness and unmanageability of our Lives, is how we Practice the Spiritual Principle of Faith.

We continue to Practice the Spiritual Principle of Surrender by Sharing this Gift, by Carrying the Pure Message of Narcotics Anonymous.

In This Moment: We will take Responsibility for our Recovery, we will Practice Faith through the Principle of Surrender; Aligning our Actions to the Truth.

4 Oktoba

"giving away that which has been given to us--is our best possible insurance against relapse"

— Kitabu cha Kijivu, p. 59 (Step Twelve, Lines 22-23)

In the Gray Book, p. 59, Lines 10-11, it says, "This great Step is to be proceeded by the working of Steps One through Eleven. " This implies that the preceding Steps have to be Worked and Lived first. This recycle of our Recovery also means it doesn't end at Step Twelve, if we stop here the relapse process will begin. The Spiritual Awakening is an ongoing process.

We have to continue on this repetitious Journey. The same way our Spirits Awakens, as a result of those Steps, our Spirits can go back to sleep again.

We have to realize that even if we are on the right track, we have to keep moving, because there's always another train coming. The Spiritual Principles of Narcotics Anonymous has to be Practiced in every area of our Lives. One of the ways we keep our Recovery is to Share it with another suffering addict.

Step Twelve is how we individually Carry our Message from one addict to another. Our Gray Book says, " the Twelve Steps guide us from a state of humiliation and despair to a state wherein we are able to act as instruments of God's will. " This Revelation that our Recovery is more than us staying Clean and Recovering is a new concept for a lot of us.

God's dual plan is that He saved us, so we can Help Him save others.

In This Moment: We will continue recycling our Recovery, we will remember that relapse is also a process.

5 Oktoba

"We were forced to cut away all our justifications and all our ideas of being a victim."

— Kitabu cha Kijivu, p. 52 (Step Eight, Lines 11-12)

For a lot of us, by the time we wrote our Eighth Step list, our Fourth Step list of names nearly doubled our list for the Eighth Step. The reason for this is the result of the Fifth, Sixth, and Seventh Steps. What began as anger and resentments toward what was done to us in our Fourth Step, was flipped around in the Fifth, Sixth, and Seventh Steps. Our own defects were then revealed to us.

We got to see our part in those situations. We saw that our addiction and drugs put us in situations to harm and be harmed by others.

Our part is that if we weren't practicing the disease of addiction, we probably wouldn't be in a position to get harmed. We no longer could play the blame game. We cut away our justifications and see the part we played.

One of the purposes for this Step is to achieve Freedom from the guilt of the past. Many of us were truly victims as children. We may still hold resentments against our perpetrators.

It will still hurt our Spirits to hold on to these resentments. The Eighth Step makes Forgiveness of these people possible.

We also Forgive ourselves in this Step. We are shown in this Step how our actions and behaviors, in active addiction, actually affected us at a deep level. That's why it's suggested that we also put ourselves on the list.

With Prayer and the Help of our Sponsors, we become Willing to Amend our past. Our Gray Book says that in this Step, " we are gaining new attitudes about ourselves, and how we deal with other people. "

In This Moment: We will acknowledge that in most cases, we were the victimizers, not the victims. We will learn the Spirit of Forgiveness as a result.

6 Oktoba

"Projecting about the Ninth Step can be a major obstacle both in making the list and in becoming willing."

— Kitabu cha Kijivu, P. 52 (Step Eight, Lines 14-16)

In active addiction, we became excellent projectors; we never Lived in the Moment. We regretted our past, and we borrowed from tomorrow. We projected how situations and events were going to take place, with the worst scenarios and results.

We became good script writers in a horror flick. The whole plot put us in the worst case possible and was not based in Reality.

Most of the time, our predictions were wrong. Now that we're in Narcotics Anonymous, our projections can still be based on fear. Fear is never in the present; it's us Living in the future, causing our own anxiety and obsessions.

We find if we Live in the Moment our fears are lessened. As a result, our Spirituality Flourishes. We are then able to make the list of all those people, places and things we have harmed.

We are then capable and possibly become Willing to Amend our wrongs. Our Literature says, "We try and work this Step as if there were no Ninth Step. " It goes on to say that it can be a stumbling block in making a list and become Willing. We have to remember that the purpose of this Step is for us to achieve Freedom from guilt, from our past.

We are preparing to Practice the Spiritual Principle of Forgiveness. We place ourselves on the list for the harm we caused others.

As we Forgive ourselves, we are able to Forgive others. Some will put God on the list because in our active addiction, we violated most of the Spiritual Principles that He Created.

In This Moment: We will not project about making Amends. We will stay in the Moment with the presence of God.

7 Oktoba

"As recovering addicts, we find that we are still dependent, but our dependence has shifted from the things around us to a loving God and the inner strength we get in our relationship with Him."

— Kitabu cha Kijivu, p. 106 (Tradition Seven, Lines 18-21)

In active addiction, we depended on people, places and things to feed our addiction. This unhealthy dependence led us to become slaves to our addiction. We couldn't be ourselves or stand on our own two feet.

We were our own prisoners and were held hostage by the disease of addiction. In Recovery, our dependence is shifted to a Higher Power, and to the Program of Narcotics Anonymous. We found that this was a Healthy dependence.

We found that we no longer had to be alone. We no longer have to be hostages in our self-made prisons. Our Reliance, not compliance, is actually a Healthy Relationship with a Positive Force in our Lives.

We see and experience the evidence of Sanity in our Lives and in the Lives of others. We develop Faith as a result of this Trust and action.

No longer is it blind Faith. It's actually a working Relationship with a God Of Our Own Understanding. This is something many of us lacked in active addiction and before coming to Narcotics Anonymous. We continue to tap into this Source for inner Strength and continuous Spiritual Growth.

Our Spirits Grow and we gain more Freedom. In this Living Program, we continue depending on God and the Support of others. Although Spirituality is an individual path, we still do it together, no longer are we forced into isolation.

In This Moment: We will shift our dependence from the disease of addiction, to God and the Program of Narcotics Anonymous.

8 Oktoba

"We suspect that if we do not use what we have, we will lose what we have."

— Kitabu cha Kijivu, p.119 (Chapter Seven, Heading)

Recovery is a process, but so is a relapse; the process of a relapse requires no work on our part. The fact is, not working on our Recovery process is when the relapse process begins. The Recovery process requires constant action on our part. Our Literature says that our Program is a set of Principles written so simply that we can follow them in our Daily Lives.

The most important thing about them is that they work. Addiction affects us in every area of our Lives. We must Practice these Spiritual Principles, in every area, for them to work.

Our Literature reminds us that if we don't use what we have, we lose it in a relapse. The last physical action in a relapse is that we use. We get loaded at the end of a relapse.

The process of Recovery ceases when we stop using what we've learned, at that point the relapse process begins. We must stay active in our Recovery. We must continue to attend meetings.

We also continue working with our Sponsors and Sponsees if we have any. Our Literature tells us that we continue Living the Spiritual Principles of the Steps and Traditions.

We also have to give away what we have in order to keep it.

In This Moment: We will Practice the Spiritual Principles of Narcotics Anonymous Daily, moment to moment. We will use what we have or lose it in the process of a relapse.

9 Oktoba

"Sometimes, after a few days of neglecting spiritual maintenance, things begin to really get out of hand in our lives."

— Kitabu cha Kijivu, p. 146 (Chapter Nine, Lines 4-6)

Living Just For Today entails that we renew our Recovery on a Daily Basis. We did work Steps, and yes; we went to hundreds of Meetings previously. This is a twenty-fourhour Program and all that work we did brought us up to where we are today.

Anonymity suggests that we don't take credit for our Recovery. We give Thanks to the God Of Our Own Understanding. We demonstrate our Gratitude by showing up at Meetings and staying available for Service.

We also show our Gratitude by Sharing it with other suffering addicts. For us, not to continue on a Daily Basis to renew our Surrender and our Commitment to Recovery, magnifies the problems in everyday Living. Our Recovery is only as good as our last Step Work, Meeting, and the last Principle we've just Practiced. Ongoing Recovery means just that, ongoing.

We can't stay Clean on yesterday's shower, so we can't stay Clean on yesterday's Recovery. One member Shared that when they go to sleep that night, their Recovery expires. When they wake up the next day, they renew their Recovery with the Third Step Prayer.

This Daily Surrender allows us to stay Clean for that day. This Daily Reprieve Granted to us is contingent on our Total Surrender to Spiritual Principles on a Daily Basis.

In This Moment: We will renew our Commitment to our Recovery. We will continue to Surrender on a Daily Basis as if it were our first time.

10 Oktoba

"Before we got clean, all our actions were guided by impulse. We seldom thought constructively"

— Kitabu cha Kijivu, p. 137 (Chapter Eight, Lines 24-26)

In our active addiction, we seldom made our own decisions. Our decisions were made for us by default.

Sometimes our decisions were made for us by others. As using addicts, we were guided by what seemed to be animal instincts. We acted out of impulse and most of the times; the results were negative.

We were creating problems on top of the original problem. We Lived in the problem instead of the Solution. Learning how not to act on impulse is a result of Practicing the Principles of Narcotics Anonymous. We learn that by hitting the pause button before acting or reacting can make all the difference in the world, and saves us a lot of grief.

Step Ten reminds us to take those extra ten seconds, or dismiss those first ten ideas, to act and not react; to stop and give ourselves the Privilege of thinking. Our Literature reminds us that a Clean addict is in an abnormal state. Recovery has been described by some like a right-handed person doing things with their left hand. We can start our day over at any given time. We can take a spot check Inventory during the day.

We can use Step Ten as a pressure relief valve. We Practice the preventive part of the Step to avoid the corrective part.

We make self-restraint a habit and act with Positive actions and attitudes. We Practice these Spiritual Principles until they become automatic.

In This Moment: We will not act on impulse. We will stop and give ourselves the Privilege of thinking.

11 Oktoba

"The willingness to try new ideas and possible solutions will help open the door to our recovery."

— Kitabu cha Kijivu, p. 80 (Chapter Five, Lines 26-27)

Our Literature tells us that what we knew about living, before we got to Narcotics Anonymous nearly killed us. Our addiction forced us into surviving instead of Living. Denial had us trapped in these endless loops that only led to destruction and self-destruction.

The Solution was right in front of our eyes, but our disease caused us to miss it. In the Gray Book, p. 80 lines 8-9 says, "We often miss what we are looking for because it isn't hidden. " For many of us, Recovery was beyond our reach. In Narcotics Anonymous with the Help of our Higher Power, our Sponsor, and others, we will find what we were always missing, "ourselves. " We have to be willing to try something different; something that has worked for many years and countless others.

The First Step tells us that Admitting our powerlessness and unmanageability that addiction has over our Lives, opens the door to Recovery. Our Admittance has to be followed by Action to be effective. We confirm our Surrender by following the suggestions and the Spiritual Principles of Narcotics Anonymous. We Admit that our way did not work.

We get Honest with our using by doing it the N.A. Way.

The suggestions we are given are free. The only suggestions we pay for are the ones we don't take.

Our minds are opened as we witness and experience the many Miracles in Narcotics Anonymous.

In This Moment: The door of Recovery will open, if I'm Willing to knock, new ideas and Solutions will answer.

12 Oktoba

"When we admitted that our lives had become unmanageable, we didn't have to argue our point of view."

— Kitabu cha Kijivu, p. 79 (Chapter Five, Lines 8-10)

One of the first things we experience in Narcotics Anonymous, when we stop using drugs, is an inertia like that of a speeding car that suddenly stops, everything that's in the back seat flies to the front seat. We begin to see and experience the wreckage of our past. Although the tornado is over, the wreckage we caused is left behind. The results of our using finally start to catch up to us.

The powerlessness and the unmanageability of our Lives are evident and become hard to deny. However, there is a Solution.

Our First Step says repeatedly that, when we Admit our powerlessness and unmanageability of our Lives, we open the door to Recovery. The opposite is also True, not Admitting our powerlessness and unmanageability, closes the door to Recovery. This can happen no matter how long we've been Clean and in Recovery. We no longer make excuses or blame the disease.

We take Responsibility by taking Action to make sure we don't repeat our history of using. The Steps and Traditions of Narcotics Anonymous are designed to change our Future. Today we will use the Principles of Narcotics Anonymous to change our past by changing our present.

Our present becomes the past in the Future. We Learn to Accept our disease as well as our Recovery.

We will no longer have excuses for our disease, or in being an addict.

In This Moment: We will Admit that our Lives are unmanageable, by our own accord. We will seek Help from God and the Program of Narcotics Anonymous.

13 Oktoba

"To be able to receive we must give and more importantly we have to receive in order to have something to give."

— Kitabu cha Kijivu, p. 152 (Chapter Ten, Lines 21-23)

Another way of saying the above quote is, we can't keep what we have, unless we give it away; and yes, we can't give away what we don't have. This saying sounded strange when we first came to Narcotics Anonymous, it didn't make sense in our active addiction. We no longer had what we gave away, and most of the time we had nothing to give away anyway. We lived a selfish, self-centered life in active addiction.

In Narcotics Anonymous we received Freely from addicts who were here before us. Many of us wondered if there was a motive behind it. When we first arrive to Narcotics Anonymous, we have to receive the Message from those who were here before us.

Before that, we really had nothing to give away. Our active addiction is all we knew, and it didn't serve as a Solution. Our past will serve as a Stepping Stone later.

When we are new, we need to take the cotton out of our ears, and put it in our mouths. In other words, we had to Listen to Learn.

Only then we would have a full Narcotics Anonymous Message to Share. As we Grew Spiritually, we saw that this Gift when Freely Shared with others, multiplied our sense of Humanity and also kept us Clean and wanting more. If our cups are full, we are unable to Receive more. We have to give some away to Receive more.

Today our cup will not runneth over and go to waste.

In This Moment: We will continue to Give away what we have Received, in order to get more and have more to Give away.

14 Oktoba

"This is our road to spiritual growth, to change our character, day by day, to gradually, carefully and simply pull ourselves out of the isolation and loneliness of addiction into this mainstream of useful Fellowship."

— Kitabu cha Kijivu, p. 49 (Step Seven, Lines 31-35)

The road to Spiritual Growth is sometimes a painful, Joyous, and at times a tedious path. The word "gradually" seems to let us know that it happens overtime not overnight.

The word "carefully" in this quote implies that we remain vigilant. Recovery is a slow process, but it is progressive.

The Steps and Traditions of Narcotics Anonymous is a blueprint for Life. It is also the instructions on how to Change. Our Spiritual Awakenings has to be followed by a Change in our attitudes and behaviors.

We have to replace our old habits with new habits, that are conducive to our Recovery. We must always guard our Recovery no matter how long we've been Recovering. Some people, places and things can be detrimental to our New Way of Life.

The way we Lived in isolation, in the past, can cause us to sometimes be unaware of the daily traps that Life itself may incur. Devolving our new character through working the Steps, helps us avoid some of these pitfalls. We heard from others that people and the Fellowship can fail you, but the Program won't. The Gray Book tells us, "From the isolation of our addiction, we were thrust into a fellowship of people with a common bond: addiction, N.A. is like a lifeboat in a sea of isolation, unwillingness and chemicals." We Thank N.A. for God, and we Thank God for N.A.

In This Moment: Through Living the Steps with the Help of God, Sponsors and the Fellowship of Narcotics Anonymous, we will avoid some of the obstacles and pitfalls on this Spiritual Path.

15 Oktoba

"Few of us set out to become addicted, because when we used, we thought we were in our normal state."

— Kitabu cha Kijivu, p. 6 (Chapter One, Lines 10-11)

We first used drugs, then drugs used us. Our using began as a normal event and was recreational. We soon became preoccupied with using drugs even when we weren't using.

The progression sometimes rapid, at times slowly, at the end drugs used us. That earlier euphoria that drugs gave us no longer came. The feelings of emptiness and despair returned whenever we put the drugs down.

Toward the end of our drug use, we used to avoid getting sick. We didn't set out to become addicts. After a while, we found that we couldn't live with or without the use of drugs.

We used drugs to survive, and it was the only way we knew how to live. Our lives became unmanageable and most of us sought help from religion, medicine, institutions and doctors; some of us went to jails or institutions; all these methods failed us. The last house on the block was Narcotics Anonymous. We found our solution in Narcotics Anonymous. We found out that we suffered from a spiritual disease.

Doctors and modern medicine just seem to enable our disease even more. We soon learn that a spiritual problem needs a spiritual solution not a chemical one. Today being clean and serene is an abnormal state for us.

It's the best life we ever have known.

Every day, more will be revealed.

In this moment: Although we had no choice in being addicts, we can choose recovery. We could take advantage of what N.A. has to offer us.

16 Oktoba

"we pray only for knowledge of his will for us and the power to carry it out.""

— Kitabu cha Kijivu, p. 58 (Step Eleven, Lines 17-18)

When we first arrived to Narcotics Anonymous, most of us were broken. A lot of us were in pain, and had lost almost everything that was near and dear to us; most of all we lost ourselves. We were at the end of our road. Everything we tried failed to bring any relief or answers to our problems. Our pain and withdrawal from using drugs were inevitable.

The pain of Living without drugs, and the lifestyle, forces us to seek a Power Greater Than Ourselves. After Complete and Total Abstinence, this Power relieves our obsession to use. This Power restores our Hope and Grants us Freedom from active using. We identify this Power in the Third Step. We build Trust with the God Of Our Own Understanding as a result of the evidence in our and other's Lives.

This Relationship takes on a more personal meaning as we progress through the Steps. In the Eleventh Step, we see that most of our Prayers are answered. By this time in our Recovery, our Prayers become really simple. We pray for our basic needs.

At times, we Pray for our wants; things we think we need. We soon find out that it isn't God's Will for us. What we received caused us more pain and sometimes insanity in our Lives. Our Sponsors told us to be careful what we Prayed for because we might get it. Then we might have to Pray for its removal. We learned to be Responsible in our Prayers.

In This Moment: We will Pray for Knowledge of God's Will for us. We will Pray to want the things we have. Not Pray to have the things we want.

17 Oktoba

"If our spirituality cannot help us today, then we need to re-evaluate what we term spiritual."

— Kitabu cha Kijivu, p. 146 (Chapter Nine, Lines 10-11)

Our Literature tells us that what was appropriate to one phase of Recovery may not be for another. In this Journey of Recovery, with the Help of our Higher Power, each other, and Working Steps, we need to keep redefining our Truths. Our Gray Book, in our Twelfth Step says, "Everything we know is subject to revision, especially what we know about truth. " One of our first Truths that needed defining was what we defined as Sanity. The bar on the definition of Sanity must constantly be raised. It's no longer just about not using.

Our Third Step bridges that gap, from insanity to Sanity. We are constantly evolving and there's always work to be done. As we recycle through the Steps, they take on a deeper meaning.

Overtime, the Steps seem to be different because we're different. Some of our defects of character appear to have subsided. The Truth is that some defects learn to disguise themselves.

They come out of the closet with different clothes on. They are the same defects just a little more subtle. The Solution is to stay Open-Minded to new ideas about ourselves and others.

We keep developing our God Consciousness in the Eleventh Step. We complete this Conscious Contact through Prayer and Meditation.

We keep studying our Literature, and we continue taking Personal Inventory. Every day is different and so are we. There's always an Opportunity for Growth.

We keep what we have through Spiritual Vigilance.

In This Moment: We will keep re-evaluating what we term as Spiritual. With the Spiritual Principle of Open-mindedness, we will avoid becoming Spiritually complacent.

18 Oktoba

"Although "Politics makes strange bedfellows", as the old saying goes, addiction makes us one of a kind."

— Kitabu cha Kijivu, p. 132 (Chapter Eight, 1st Paragraph)

Addicts come from all walks of life. The disease of addiction does not discriminate.

It's an equal-opportunity destroyer. Addicts differ in age, race, sexual identity, creed, religion, or lack of religion. Since the disease of addiction is so inclusive, Recovery also has to be inclusive.

The Program of Narcotics Anonymous is like an island that is filled with shipwrecked people. Our Gray Book tells us that, " we were thrust into a fellowship of people with a common bond " Narcotics Anonymous offers a Program that its Spiritual basis is strong enough to support a person with the disease of addiction. We Share a common bond of addiction. We also Share a common bond of Recovery.

This Common Welfare is what Unites us. Together we can Help each other where no one, or anything else could. Chapter Eight in our Literature says we Share, "That wordless language of recognition, belief and faith, which we call empathy, created the atmosphere in which we could feel time, touch reality " The Identification from the horrors of addiction we suffered creates our Empathy. Together we're United for the Purpose of Recovery for ourselves and to Help others Achieve Cleanliness and Recovery as well.

In Narcotics Anonymous we're given a set of Spiritual Principles. These Spiritual Principles can be applied to every area of our Lives. The results are different levels of Freedom and Hope that only Recovering addicts can Understand.

Narcotics Anonymous has been described, by many of us, as a ship in a sea of isolation. Either we hang together or we hang individually.

In This Moment: We will use our Diversities as our Strength. We will use our differences to Help every manifestation of the Recovering addict.

19 Oktoba

"That wordless language of recognition, belief and faith, which we call empathy, created the atmosphere in which we could feel time, touch reality and recognize spiritual principles"

— Kitabu cha Kijivu, p. 133 (Chapter Eight, 2nd Paragraph)

One of our members said, "Spirituality is having a right relationship with reality"; these words ring True. Living in active addiction was anything but right, or based on Reality. It was a dysfunctional relationship at best.

We never Lived in the moment. Our feet never matched our minds; our feet might've been in that moment, but our minds were in fantasy. Some of us talked about traveling and doing all kinds of things.

The fact was that we couldn't leave the drugs that were right in front of us. Our world was constantly shrinking; it soon involved nothing but using and finding means and ways to use more. The only traveling we did was back and forth to cop drugs. Little by little we lost ourselves.

The disease was gaining more and more territory as we continued to use. At the end of our active use, we were isolated from others.

Although our bottoms were physical, mental and Spiritual, they differed in degree. We identified with the feelings and the desperation of others. Coming to Narcotics Anonymous has been described as a coming home.

We began to feel the Unconditional Love and Empathy from others. We finally felt time and touched Reality.

We finally felt like we belonged. We were finally part of something big and Good. Today we Live by Spiritual Principles, some like the ones we first experienced from others when we first arrived to Narcotics Anonymous.

In This Moment: We will Share this Precious Gift of time and space with another suffering addict. Today we will remain Grateful for our Homecoming.

20 Oktoba

"Enforced morality lacks the force that comes from our own choice."

— Kitabu cha Kijivu, p. 58 (Step Seven, Lines 32-33)

As addicts, sometimes we have to learn the hard way. As we grow Spiritually we find that we can learn from our own humiliations.

We can also learn from the experience of others. We see members struggle; we see some pull through, and some return to active addiction. If they're fortunate to make it back, they tell us about those experiences.

They learned through their experience and so did we. We don't have to go back out there to learn.

It isn't worth it; Recovery is much better. We learn to Share our experience with others. We Share our experience for identification purposes.

We also Share our experience so that some won't have to go through with what we went through to learn from it. We learn by Choice; we learned through Wisdom this time; we didn't have to experience it. When we work the Program, we find that we still experience consequences of our actions. We also find that when we practice the Principles of the Program and are Guided by God's Will, we will get the Power necessary to go through whatever we need to learn this lesson. Today we don't necessarily have to choose pain as a motivator.

Wisdom sometimes comes from experience, but experience usually comes from lack of Wisdom.

In This Moment: We will seek Change when we see the Light and not wait to feel the heat.

21 Oktoba

"This is the Step where we come into contact with the sanity we are promised in Step Two."

— Kitabu cha Kijivu, p. 39 (Third Step, Lines 29-30)

Our Literature tells us that in Step Three, we made a Decision. For the first time, for many of us, we made a decision. After a while, working and Living the Steps, the pain of our addiction was not the reason we were still here.

We were not mandated or coerced by someone or something, anymore. The desperation of our using was replaced by Hope, and our insanity replaced by Faith.

Our Decision was made strictly by us. We got a taste of the Program, and we wanted more. For many of us, it was the first time we ever had a working Relationship with the God Of Our Own Understanding.

For some of us, Life didn't necessarily get better; we got better with Life and the things going on around us. Our Third Step reminds us that this Decision implies Action. Our Literature tells us that if you want what we have to offer, you have to be Willing to make the effort to get it.

This statement implies that there's action on our part. This Commitment entails everything we heard when we first came to N.A. We first had to practice Acceptance through the Surrender to the disease.

Then, we had to Surrender to Narcotics Anonymous and its Spiritual Principles. We had to continue to improve the contact with the God we met in Steps One and Two. We might've made the Decision early on, but this is a Daily, Twenty-Four-Hour Program. A Daily Reprieve is all we get and that is dependent on our continued effort to Practice these Spiritual Principles on a Daily basis.

This Daily Reprieve is also contingent on us Sharing our Recovery with other suffering addicts who seek it.

In This Moment: We will Practice Surrendering to the Principles of Narcotics Anonymous on a Daily basis. We will continue doing what first worked for us when we first got Clean.

22 Oktoba

"The progression of the disease is an ongoing process, even during abstinence, no matter how long."

— Kitabu cha Kijivu, p. 128 (Chapter Seven, Lines 32-33)

The Basic Text tells us that the disease of addiction is progressive, fatal and incurable. This disease can only be arrested "A Day At A Time. " There is no cure for the disease of addiction.

The disease once manifested is always worse than before. Even during our Cleanliness the disease is still progressing.

Recovery, on the other hand, only progresses with Action. Our Literature tells us that the progression of Recovery is a continuous Uphill Journey. This means that we can't stop doing the things that got us Clean at the beginning. When we stop going to Meetings, working Steps with a Sponsor and a Higher Power, we start the downhill spiral into jails, institutions and possibly death.

Ongoing Recovery means we have to keep "on-going." Abstinence does not equal Recovery; however, it can equal to Recovery if we put the work in. Our Clean time can become our enemy if we become too complacent. We learn to recycle through the Steps and Traditions.

We draw a deeper meaning to these Spiritual Principles as we Grow in this Process. The Principle of Perseverance must come into place, if we are to stay. If we never leave the Basics, we would never have to return to them.

If we stay, we never have to Keep Coming Back. We get out of ourselves by working with others.

We Share Freely what was Freely Shared with us. Today we will continue working a Living Program of Action.

In This Moment: We will work the Narcotics Anonymous Program for Twenty Four hours at a time. We will continue on this Uphill Journey.

23 Oktoba

"By the surrender of our own power, we gain a far greater power that will see us through."

— Kitabu cha Kijivu, p. 58 (Step Eleven, Lines 25-26)

In the First Step, we Admit our powerlessness and our unmanageability of our Lives. Surrendering to the Principles of Narcotics Anonymous is our Admission of defeat.

This Unconditional Surrender is the beginning of our Journey. We are not on this Journey on our own; we have the support of a whole Fellowship of people just like us. We also have a set of Spiritual Tools to make our Recovery possible.

The Second Step is where we tap into a Power that can do for us what we can't do for ourselves. This Power is Greater than ourselves and is Spiritual in nature.

This Power Helps us with our obsession and withdrawals from drugs. By using this Power, we actually gain the Power we need to Recover. We gain the Power to Practice Spiritual Principles in our Lives and in all our affairs.

Our Gray Book says, " we simply recognize that there is a force for good in the world and we cooperate with that force. " The Eleventh Step is where we ask for Power to continue on this Process of Recovery. Through this Process, we gain God Consciousness and Practice the Principle of Anonymity. We Admit that we can't do this on our own accord.

This is a supernatural Step because this Power is not from any human source. This Power that saved us from the horrors of addiction is still here for us, if we seek it.

In This Moment: We will continue tapping into this Power; we will Surrender to win.

24 Oktoba

"We are not responsible for our disease. We are responsible for our recovery As we begin to apply what we have learned, our lives begin to change for the better."

— Kitabu cha Kijivu, p. 139 (Chapter Eight, Lines 8-9, 16-17)

We're guilty until proven innocent; how many times have we felt this way in our active addiction? Our guilt and shame only brought us down deeper into the depths of addiction. Narcotics Anonymous tells us that we're not bad people trying to get good, we're sick people trying to get better. We suffer from a Spiritual disease, not a moral dilemma.

Part of Admitting that we have a disease releases us from being Responsible for having it. Admission releases us from that remorse and self-condemnation.

We realize that the only way to feel better, is to get better. We Surrender to the fact that although we are powerless, we are not hopeless. There's a Solution and the Solution is up to us, and it's in Narcotics Anonymous, if we want to make the effort to get it.

Yes, we are Responsible for our Recovery and Accountable for our disease. In our New Way of Life, with the Help of our Sponsors, others and a Higher Power, we are able to start the healing process and start to clean up the wreckage of our past. We begin to experience a Freedom we've never known. We start to Live Happy, Joyous and Free.

We find a New Way To Live. We Share this Message of Hope and Promise of Freedom with other suffering addicts who seek Recovery, for that we are Responsible and Accountable.

In This Moment: Although we are not Responsible for our disease. We are Responsible for our Recovery. Today we are Accountable.

25 Oktoba

"The spiritual truths at the heart of our program do not change but the edges are constantly Growing."

— Kitabu cha Kijivu, p. 157 (Chapter Ten, Lines 4-5)

If it's not Practical, it's not Spiritual, that's what our Literature tells us. The Spiritual Principles of Narcotics Anonymous do not change, but the edges are constantly Growing as the Gray Book states. The indispensable Principle of Honesty, for instance, may mean cash register honesty at first.

As we Live the Principle of Honesty in the First Step, it comes to meaning more. Honesty Grows into aligning our Actions to the Truth.

No longer is it about just being Clean, it's about Action. We attend Meetings; we work with a Sponsor; we read our Literature and apply its Principles to our Lives daily, in all our affairs. As we Awaken Spiritually, the Principle of OpenMindedness increases as we Tap into the Higher Power we met in the Second Step. Our Higher Power not only relieves our obsession to use drugs, but also, we use this Power to relieve our other obsessions.

Anything we use to fill in the void left by the drugs becomes subject for removal by our Higher Power. We made the Decision to turn our Thinking and our Actions to the Power we tapped into in the Second Step. We then became Willing to turn over all parts of our Lives, not just our using.

Our Surrender deepens with every Step we take. Our Spiritual Awakening becomes a Progression as we continue on our Spiritual Journey.

In this moment: We will Trust our HP to Guide and Direct us into learning more ways to Live life the N.A. Way.

26 Oktoba

"For years, we have avoided seeing ourselves as we really are."

— Kitabu cha Kijivu, p. 44 (Step Five, Lines 8-9)

We used to Live, and Lived to use. We used to cover up what we've become in our active addiction. The guilt, shame and remorse were too painful for us to face Clean.

The more we used, the more shame, guilt and remorse we created. After a while, our conscience stopped bothering us because it left, soon after we stop listening to it. All that was left is what we've become, and we weren't too proud of that either. We created masks to enable our using.

The problem is that our feelings got masked as well. The Fifth Step tells us that the masks have to go.

We've been taking Inventory of our Lives since coming to Narcotics Anonymous. Writing our Inventory unlocks parts of our subconscious that normally wouldn't have been revealed by just talking about it. The healing we get from working the Steps, helps us Accept our Assets. The Steps also reveals what we are lacking, so we can work on those liabilities.

It gives us the tools we need and with the Help of God and others in Narcotics Anonymous, we are able to become the people we were meant to be. We become Free to be ourselves. We no longer have to seek approval from others. We learn to Love ourselves.

Part of our Recovery is also about Self-Care. We no longer participate in risky behaviors.

We learn to take Care of ourselves. We learn Self-Forgiveness and Forgiveness of others with all their liabilities.

In This Moment: We will work toward Self-Acceptance. Through the Steps, we will Accept both Assets and liabilities in ourselves and others.

27 Oktoba

"We want to look our past in the face and see it for what it was--and then to release it so that we can live today."

— Kitabu cha Kijivu, p. 41 (Step Four, Lines 4-6)

Fear kept us trapped in the past. When we dwelt in the past it kept us angry and depressed.

The only way out is to go through it, and use the information as not to repeat it. When we take a Personal Inventory in the Fourth Step, we see that we caused most of our problems through our active addiction. We developed patterns that made our using possible. We put ourselves in positions that the only way out was to lie, steal and cheat.

Taking a Moral Personal Inventory we see that we weren't bad people trying to get good; we were sick people attempting to get better. We were guided by a destructive force that was slowly killing off our spirits. These defects or tools of the disease enabled us to keep using. Committing a slow suicide by using enabled us to exist just long enough to get rescued by Narcotics Anonymous.

We needed every single defect of character for our survival of the disease of addiction. In Recovery, none of these old tools are no longer needed. They served their purpose in our old way of life. In Narcotics Anonymous we find a New Way To Live.

Today we jot these situations on paper. Our written Inventory helps us see the Truth for what it was.

We develop the Willingness to Change by taking Positive Action in our behaviors and attitudes. We Surrender our fears and our anger to God. We learn to Live in the Day.

We stop creating more wreckage and Practice Spiritual Principles instead. We no longer walk with shame, and we're released from our chains.

Today with Narcotics Anonymous we are Free to Live, Just For Today.

In This Moment: We will look at our past and then learn to turn our negative experiences to positive lessons.

28 Oktoba

"Working the Steps got us out of our old attitudes."

— Kitabu cha Kijivu, p. 79 (Chapter Five, Lines 7-8)

Our Literature reminds us that our disease is one of attitudes and behaviors. Although this is not what makes us addicts, it's one of the characteristics of the disease. Our personalities took a dark twist as we practiced our addiction day in and day out. The result was that our Perceptions were changed and that led to our Perspectives being changed, as a result our minds got sick.

We had to lose our heads to find our minds. We had to put ourselves in the position of "Surrender", to be found. The Second Step reminds us that it is the Process of Coming to Believe that Restores us to Sanity. This Restoration requires Action on our part.

A new Idea cannot be Grafted into a closed mind. This means that we have to Live our way to Good thinking. We can't think our way into Good Living.

The actions that the Steps required for Change is what we needed. Some of us had to fake it till we made it. We can only fake it for so long.

Developing a Good Attitude required Gratitude. To be Grateful that we're not in active addiction.

To be Grateful that we're still alive. To be Grateful that we have a Fellowship that can Help us in this Journey.

A Personality Change is what we needed. We have Narcotics Anonymous and a God Of Our Own Understanding as the necessary Tools for us to Change. We first need to Surrender to these Spiritual Principles of Narcotics Anonymous.

In This Moment: We will position ourselves where our Altitude and Longitude will be our Attitude and our Gratitude.

29 Oktoba

"As we begin to live in the present, burdens of the past and anxieties of the future slip away."

— Kitabu cha Kijivu, p. 147 (Chapter Nine, Lines 26-28)

Living In The Moment means to focus on what's right in front of us. Some of our members say, "fantasy is where your head is at, Reality is where your feet are at." In Narcotics Anonymous we're told to bring the body, and the mind will eventually follow. Our Literature tells us when we don't Live in the Present, our problems become unreasonably magnified.

We as addicts tend to make mountains out of mole hills. Living with lack of Faith affects our Spirits. We start to project false Realities, and our fears begin to set in.

We dwelled in the past, SO we began to Live in the past. Depression, anger and resentment begin to set in.

We Surrender again to our Higher Power and let Him do what we can't do for ourselves. We learn to focus at the task at hand and Live in that Moment. We ask our Higher Power to relieve our obsessions, and we continue to do the next right thing. The Steps and Traditions of Narcotics Anonymous make it possible for us to get out of the way, so our Higher Power can reconstruct us.

It's an inside job, so we might not see the changes right away. In fact, we are sometimes the last ones to see these changes. We come to enjoy Living in the Present and develop Gratitude for where we're at.

We ask God to Guide our thoughts and our Recovery and continue on our Spiritual Journey. Our fears and anxieties slip away, and we're Free again. In This Moment: We will Live

In This Moment, We will come to realize that fear and anxiety are feelings that are based in the future. Depression and anger are feelings based in the past. We shall Live with the Joy from Living in Today.

30 Oktoba

"Our new found way of life may have its problems. When we ask for help, the road ahead won't be so rocky."

— Kitabu cha Kijivu, p. 146 (Chapter Nine, Lines 18-19)

When we arrived to Narcotics Anonymous, we were told that things around us may not necessarily get better, but we will get better with the things around us. Regardless what happens to us, in Recovery; we don't have to go through it alone. In our active addiction we suffered alone and often we saw no Hope insight. Today with the Help of the God of Our Own Understanding and the support we get in Narcotics Anonymous, we can face anything and not use over it.

They say that the calmest place in a hurricane is in the eye of the storm. In Narcotics Anonymous, the safest place for us to be is right in the center. Our Gray book says, "The program doesn't work when we adapt it to our life, we have to adapt our life to the program. " N.A. has to be at the center of our Lives; everything else has to be around the center. Together we can face Life on God's Terms.

With our new found Way Of Life, we find it's okay to ask for Help. We can have the Faith that all will be well. We realize that no problem is bad enough that using can't make worst.

We Share whatever is troubling us with our Sponsor and our support group. We listen for a Solution from their experience.

We become part of the Solution and not part of the problem. We learn that whatever we go through will serve as a Stepping Stone to Help others.

Thank God we are each other's eyes and ears.

In This Moment: No matter what happens on this Journey, with an addict on our left and an addict on our right we can stay in the middle, where it's calm.

31 Oktoba

"Our recovery is dependent on our belief in a loving God who cares for us, and will do for us whatever we found impossible for ourselves."

— Kitabu cha Kijivu, p. 147-148 (Chapter Nine, Lines 33-1)

When we tapped into a Higher Power in the Second Step, we found that this Power did for us what we found impossible for us to do for ourselves. One of the things this Power did for us was that it relieved our obsession to use drugs. This was a supernatural event in our lives, an addict that can stop using drugs, and lose the desire to use. Indeed, this was an abnormal act for an addict, but not impossible for this Supernatural Power most of us call God.

As we progressed through the Steps, we took the action, and we experienced the results. Results that can only be attributed to a Loving, Caring Power outside ourselves. This Recovery process didn't take place by our own accord.

As we progress in our Recovery, we see that it would be impossible for us to accomplish these tasks without this Higher Power. We wouldn't be able to stay Clean.

Without this Higher Power we wouldn't be able to Practice Spiritual Principles in our Lives on a Daily Basis. We get to see ourselves and other members go through crisis in Life and not use. This Belief along with Action that creates Faith, is what restores us to Sanity.

The God of Our Own Understanding is still with us to Help us in our Recovery.

In This Moment: We will acknowledge that the Power that saved us from the horrors of addiction is still with us and can help us do what we can't do for ourselves.

1 Novemba

"As clean addicts in the Fellowship of Narcotics Anonymous, we help ourselves by helping others."

— Kitabu cha Kijivu, p. 70 (Step Twelve, Lines 35-36)

One of our members shared that he spent years in Narcotics Anonymous, working on himself. The member spent countless hours working with the Literature, working Steps. The whole focus was on his progress in his Recovery.

This member found himself still depressed and not benefiting from all the Fruits the Program offered. Not until he worked with others, not until he actually got out of self and worked with another suffering addict, did he start to fully experience Growth. That is when his Recovery began to flourish. The work this member did on himself by himself was like planting seeds and not watering them.

Growth cannot take place in Narcotics Anonymous by ourselves. We can't keep what we have, unless we give it away. On the other hand, we must have something to give away.

One of the Greatest phenomena we can Share is when the desire to use was lifted. This abnormal state of being Clean gives Hope to the newcomer. This Miracle also demonstrates a Power Greater Than Ourselves at work, earlier on in our Recovery.

Recovery in Narcotics Anonymous does not work with us doing it by ourselves. This is a WE Program, so we need each other in order to Grow and keep Growing Spiritually. Are we working with others? If we've been around for a while, do we have a newcomer in our Lives?

Our Gray Book states, "A great magic is found when we help others. "

In This Moment: We will stop working on self by ourselves. We will get out of self by working with others. We will continue to Share this Life Saving Message of Narcotics Anonymous.

2 Novemba

"If sharing the pain we have been through helps but one person, it will have been worth the suffering."

— Kitabu cha Kijivu, p. 80 (Chapter Five, Lines 1-2)

Who knew that the worst days of our Lives, the hopelessness, isolation and desperation we felt those final days, hours, or minutes, would be our Greatest asset in Helping others. We were beaten into submission. We still needed to Surrender Totally and Unconditionally to Narcotics Anonymous and it's Spiritual Principles.

The pain from the horrors of addiction also served as a positive stepping stone for us. The pain we experienced in our active addiction became the touchstone to our Spirituality. The pain and devastation we felt of our first Total Surrender, would later serve as the bedrock for our Recovery Foundation.

We Helped others as they witness our Admission of powerlessness, over the disease of addiction. We lessen our past regrets when we can help just one person besides ourselves. As we Recover, we see that our Higher Power is our Greatest Source of Strength.

We soon learn that part of Anonymity meant that we don't credit for our Recovery. The Gray Book states, "Being grateful begins when we realize that something other than ourselves blessed us with what we have. " Some of us may not be happy that we became addicts. We hurt a lot of people, including ourselves.

This is the process some of us had to take, to get where we are today. We can now take our Experience, Strength and Hope to Help others.

We can Share Hope for a better future, filled with Serenity and Purposefulness. Our useless destructive past has turned out to be a Goldmine. We keep reaping the Benefits from our past, by Sharing it with others.

In This Moment: We shall Share our pains with others in Hope to Help others, at the same time we Help ourselves and not regret the pains of Growth.

3 Novemba

"We eventually have to stand on our own feet and face life on its own terms, so why not from the start."

— Kitabu cha Kijivu, p. 133 (Chapter Eight, Third paragraph)

"Carry the message, not the mess." That's a motto we try to Live by, another saying is, "If you carry the addict, you will bury the addict. " As active addicts we lived in lies and contradictions. We lied and we're lied to.

When we arrived to Narcotics Anonymous we appreciated the Truth, even if it hurt. Recovery isn't for the Faint of Heart, the sooner we face the problems of everyday Living, just that much faster we can become productive people. Facing the Truth as soon as we can will Help us with our denial.

We had to face some hard Truths after becoming Clean. The "Why Are We Here" chapter in our Basic Text mentions the Three disturbing realizations. We face Reality and put away our blame throwers.

We Accept our woes and ask for Help. We never have to carry our burdens by ourselves any longer.

Today we have a whole Fellowship of people in N.A. Through Practicing a Living Program we learn to Live our Lives with Spiritual Principles. No amount of Recovery or Spirituality will shield us from the pains of Growth.

We learn to Live and Accept Life on God's Terms. Our Higher Power, Sponsors, Fellowship and Narcotics Anonymous will Help us through our trials and tribulations. What we have to do is Trust and continue to have Faith.

Our Program only offers one Promise, Freedom from active addiction. Life still shows up, and we show up for Life. Our struggles become points of references that we don't have to use no matter what.

Our Recovery sometimes may not be Graceful, but we can become examples of God's Power to others.

In This Moment: We will not sugarcoat our Recovery process. We will also Share the hard Truth with newcomers.

4 Novemba

"The full fruit of a labor of love lives in the harvest, and that always comes in its right season"

— Kitabu cha Kijivu, p. 1 (Forward)

We reap what we SOW. In active addiction, we worked tirelessly to use and find the ways and means to continue using.

What we got was not so rewarding. The results were disastrous for us and others. We were harvesting rotten fruits, if any because it wasn't created or planted with Love. In Narcotics Anonymous, we learn that the Process of Recovery takes a lot of work, a lot of digging, a lot of turning over of old soil.

The Gray Book states, "A meeting is like a fence around our clean time. " We do not only have to achieve Complete and Total Abstinence, but we also have to attend N.A. meetings. Recovery is what happens at our Meetings. Members that Live a Narcotics Anonymous Program carry the Message; newer Members listen to the Message.

When the newcomers start Living N.A. Spiritual Principles, they too can carry a Message of N.A. We're planting new seeds, seeds of Love, Compassion, Empathy and Patience. As a result of Those Steps we Practice These Principles.

A lot of hard work is still ahead of us, Amending the wreckage of our past. Our transformation is always in process.

We start to experience new feelings of Self-worth. We start to show Empathy towards others, and we start to Grow Spiritually. With the Help of our Higher Power, Sponsors and the Fellowship of N.A.

We did the work; we did it with Love. We finally took Responsibility for our Lives, now we're reaping the rewards.

The right season is now upon us. Recovery happens overtime not overnight. We Harvest the Fruits and Share with others this Precious Gift. We Help and show others how to SOW and reap the Benefits when we do God's will.

In This Moment: We will reap the Fruits of our Labor of Love. We will give time, time. The full Harvest comes in its right season.

5 Novemba

"We no longer feel alone; we have a partner in our Higher Power, who is with us all the time."

— Kitabu cha Kijivu, p. 147 (Chapter Nine, Lines 1-3)

One of the exact natures of the disease of addiction is isolation. During active addiction our contact with the rest of the world was under false pretense and shrinking day by day. Some of us couldn't wait to get out of work, so we could go use.

Some of us used on the job.

Sometimes we didn't go to work at all. Eventually, some of us lost our jobs. Many of us couldn't wait to get away from our families; we were usually on our way to go use.

Our minds seemed to be more and more preoccupied with the next time we could use again. We were hardly ever present, either physically or mentally, for our families, friends or employers. At the end we felt alone, we felt the isolation of the disease, and it was killing our Spirit. In Narcotics Anonymous we heard N.A. stands for "Never Alone" and that we didn't have to suffer alone anymore.

We found a place where there were people like us who hit a bottom filled with hopelessness and helplessness and found a New Way To Live. We found that we can tap into a Power Greater than ourselves, that was Loving and Cared for us and was always with us at all times. This Relationship with this Higher Power is one of the greatest Gifts in our Recovery.

Like any other relationship, or partnership, it requires work on our part. We continue this constant, Conscious Contact throughout our Spiritual Journey. The Eleventh Step states that, "We have found that our Spiritual condition is the basis for a successful Recovery that offers unlimited Growth. " We never have to feel alone anymore.

In This Moment: We never have to feel alone. We can rest assured that this Power will always be with us, as long as we ask.

6 Novemba

"The main objective of Step Seven is to get out of ourselves and strive for achieving the will of our Higher Power."

— Kitabu cha Kijivu, p. 49-50 (Step Seven, Lines 36-2)

Humility is a by-product of getting Honest with ourselves. In other words, we don't get humble, humble gets us. We made a Decision in the Third Step to turn our Will and Lives over to the Care of the God of Our Understanding.

With this Decision comes the action to back up that Decision. The Principle of Surrender means we don't resist.

The Principle of Honesty also means that we align our actions to the Truth. In our Personal Assessments we work on removing the old and in with the new. Up to now we've been obstacles in our own Recovery.

The remove and replace Process in Living our Steps and Traditions Help us get out of our own way. We Help clear the path for God to reconstruct us. One of these Truths is that we on our own, cannot Recover by ourselves.

The Principle of Anonymity also means that we need our Higher Power; we need the Fellowship, and we need each other. Throughout our Step Process we learn how to get out of self and work with others. Asking God to remove our shortcomings will Help us get out of the way and let God work through us.

The more we Practice these Principles the less we practice our defects. Some of our shortcomings are removed, some are minimized, as we Practice the opposite of our defects. In Step Seven we open our Spiritual Tool Box and Practice these Principles with the Tools we are given, one of the results is Humility.

In This Moment: We will achieve this Humility indirectly by aligning our thinking and our actions over to God's Will for us.

7 Novemba

"We who have lived in darkness and horror for so long begin to walk freely in the sunlight of reality."

— Kitabu cha Kijivu, p. 39 (Step Three, Lines 33-35)

Our Twelfth Step starts off saying "Having had a spiritual awakening", that signifies that we had a Spirit and it went to sleep. Our Spirits were smothered by drugs and the disease of addiction. The drugs polluted our bodies, minds, Spirits and it twisted our personalities on a deep level.

We became different people from what we were meant to be. We no longer walked in the Sunlight of Reality, we walked in the darkness and lived in fantasy. We lived with the horrors of addiction and it was killing us, first our Spirits, and then eventually it would kill us.

Our Gray Book states, "What we knew about living when we got here had almost killed us." We first had to Learn about Honesty and Surrendering to the Spiritual Principles of Narcotics Anonymous. Other Members told us that we needed to be Opened- minded for us to Learn a New Way To Live. We needed the Spiritual Principle of Willingness to take the action needed to secure our Recovery and Help other's Recover.

We Share with new members what worked for us, and what didn't. This is the HOW of our Program.

Narcotics Anonymous brings dead people back to Life. Living the Steps Awakens our Spirits and brings us toward this Sunlight of Reality. Narcotics Anonymous and it's members serve as a beacon to Help Guide other suffering addicts to this new Reality.

In This Moment: We will Help Guide others to the Light of Recovery, where their Spirits can Awaken, as ours did.

8 Novemba

"Do I believe it would be insane to walk up to someone and say, "Would you please sell me my own death--on the time plan?"

— Kitabu cha Kijivu, p. 34 (Step Two, Lines 14-16)

If anyone of us has a problem with the word insanity, all we have to do is think back in all the times we used drugs against our will. We just have to think back at all the things we did to continue using drugs. All the dangers we put ourselves and loved ones in, just to get that one more. Looking back there's no denying that we were slowly committing suicide and in some extreme cases, homicide.

Day after day even after knowing the results of our using, we still continue to pick up once again and started the deadly cycle all over again. Few can actually argue that we were acting insane. There's another death we suffered that was worse than a physical death, it was the death of our Spirit. We hurt ourselves and others.

Whatever the case we were committing a slow suicide. By the time we approached Step Two, most of us hadn't had a problem with the word insanity.

Some of us still had the obsession to use, some went back to using. This is insanity at its best. Recovery in Narcotics Anonymous grants us a Daily Reprieve from this insanity.

Recovery in Narcotics Anonymous is not only about Freedom from active addiction. The N.A. Program also offers a Spiritual Awakening with each Step taken.

The Spiritual Principles when Lived, offer unlimited Spiritual Growth. What we have to do is Surrender Daily and Practice a few simple Spiritual Principles in all areas of our Lives. Each day We Do Recover from the thrones of addiction.

We are a Vision of Hope.

In This Moment: We will recognize the insanity of the disease we Lived in. Today, through applying the Second Step we will Gradually be Restored to Sanity.

9 Novemba

"It is the action that is important, not the result. We leave all results to God."

— Kitabu cha Kijivu, p. 142 (Chapter Eight, Lines 18-19)

How many times at meetings we hear that if we want to make God laugh, make plans. This doesn't mean that we stay idle and don't take any actions.

In our active addiction, we functioned through default. Most decisions were made for us, by others, and by the drugs. Our Third Step asks us to make a Decision.

This Decision is based on the evidence we experienced with the Power Greater Than Ourselves we met in the Second Step. The Third Step is the bridge into Sanity. We experienced the results of our actions, in the Program, and they were Good.

Our doom and gloom were replaced by Hope, and our Hope turned into Faith by our actions. Like turtles, we can only make progress by sticking our necks out of the shell. In this journey, we take Healthy risks based on the positive evidence in our Lives and in the Lives of those around us.

We participate in our Lives and leave the results up to the God Of Our Understanding. Our Gray Book states, "With each meeting we attend, seeds planted in earlier meetings are watered until we can see them grow to harvest. This harvest is a form of spiritual growth. " As we begin to Trust, our Faith Grows.

We are released from that paralyzing fear we've known before we came to Narcotics Anonymous. We Trust God and Narcotics Anonymous with our Lives. We now make Decisions based on Principles, and we Believe in our Hearts that all will be well.

In This Moment: We will make right choices, based on Spiritual Principles. These choices will be backed by the Faith we have found in Narcotics Anonymous.

10 Novemba

"We were frightened and ran from the fear, but no matter how far we ran, the fear followed us."

— Kitabu cha Kijivu, p. 25 (Chapter Three, Lines 5-7)

Fear dominated us all our lives, most of our actions and reactions were feared based. As addicts, we lived our lives without Faith, without a working Relationship with God or a Higher Power, without a safety net. It's no wonder that when we fell, we fell hard.

Most of our decisions were based on false evidence appearing real, which is the acronym for F.E.A.R. The part that was real we could do little or nothing about.

We were victims of ourselves. We were trapped in our portable self-made prisons and could not escape. Our Gray Book states, "The peculiar inertia that keeps a person going the way they are, acted on us. " Many of us spiraled downward out of control.

Hopelessness and helplessness became our way of life. Not until we arrived to Narcotics Anonymous did the negatives in our lives turn to Positives. Recovery in Narcotics Anonymous teaches us a new acronym for fear can mean; Face Everything And Recover.

Surrendering to the Spiritual Principles of Narcotics Anonymous, our fear turns to Faith. When we fall today, our Higher Power serves as a safety net to catch us gently. Going through and Living the Steps of Narcotics Anonymous our Lives are no longer dominated, or ran by fear.

Our Step Four reminds us that fear is lack of Faith. Later on in Chapter Nine it also tells us that worrying is also a lack of Faith.

It doesn't mean they both can't exist together. It means that lack or the level of one can influence the other. Today with the Help from the God of Our Own Understanding, Sponsors and the Fellowship of Narcotics Anonymous, we no longer have to run from anything, including ourselves. Today we can Face Everything and Recover.

In This Moment: Fear has a different meaning. We can Live just for This Moment. Our fears subside by having Faith (Feel. As. If. There's. Hope.).

11 Novemba

"The only price is to quit fighting, surrender quietly and let the God of our own understanding take care of us."

— Kitabu cha Kijivu, p. 40 (Step Three, Lines 4-6)

One of our predecessors wrote that; "there's no substitute for Surrender. " Our experience is that neither medicine, knowledge or religion can take the place of a quiet Surrender. A Complete and Total Surrender means we no longer have to fight people, places and things. Our Third Step asks us to Trust the Higher Power we met in the Second Step, with our Lives.

Our Decision to keep coming back to NA wasn't made because of fear. It wasn't made because our families or the law was on our backs.

We made this Decision with our Hearts. We experienced enough evidence that this Program works, and we wanted more.

We do whatever it takes, to let the God Of Our Own Understanding Care for us and Guide us in our Recovery. This calls for a deeper Surrender than we did in Step One. This Decision was based on Faith; we weren't beaten into submission, like in the First Step.

We replace self-defeating behaviors with behaviors that Help builds our Self-esteem. We learn to turn our thinking and actions over to the Care of God as we Understood Him. The longer we are in Recovery and Live the Spiritual Principles of Narcotics Anonymous, we find that it is the easier softer way.

Although it's not always Graceful, at the end; we Surrender to Win, we walk over to the winning side. When we Surrender quietly to the Will of our Higher Power, we find that God's Will for us becomes the very same things we want for ourselves.

In This Moment: We will try the last thing we tried, first. We will not resist, in essence we will Surrender.

12 Novemba

"If we are not first honest with ourselves, we can't be honest with others."

— Kitabu cha Kijivu, p. 148 (Chapter Nine, Lines 29-30)

It's no coincidence that one of our first Principles in Narcotics Anonymous following Total and Complete Abstinence, is Honesty. This Journey of Recovery starts by getting Honest with our using, with ourselves, God, and with others. This Journey of Recovery in Narcotics Anonymous starts with the First Step.

It begins with Admitting with our lips and our actions, that's our Admittance to N.A. Our actions must align to the Truth, that's Honesty in Action.

We Grow by Practicing this vital Spiritual Principle of Honesty. We are able to Share our Truths and get Honest with others.

The Spiritual Principles of Narcotics Anonymous deepens with each Step we Live. The cash register Honesty we started off with in our First Step, takes on a new meaning. This deeper meaning of Honesty means that we Practice these Spiritual Principles in every area of our Lives, not just the not using.

Honesty and Surrender deepen even more as we progress in the Steps and Traditions. This Foundation will be based with the unlimited Growth that our Lives are built on. When we Honestly tell our story and Share our Recovery with others, in Narcotics Anonymous, we are able to Help those who seek Recovery. As we get more Honest with ourselves, we Grow and get more Honest with others. That's when the Principle of Empathy, " in which we can feel time, touch reality and recognize spiritual values long lost to many of us, " has its beginning.

In This Moment: We will Share our experience and an Honest N.A. Message of Recovery. We will not cloud our Message with opinions and untruths.

13 Novemba

"We are not going to be perfect. If we were perfect, we would not be human."

— Kitabu cha Kijivu, p. 43 (Step Four, Lines 11-12)

We as addicts thought we needed to be perfect in everything we did. Since we thought we would fail, sometimes we didn't even try. We looked at mistakes as failings, so we never learned from them.

We continued repeating the same mistakes over and over. We became extremist, it was either black or white, there was never any gray area in our lives.

Fear dominated our lives, once again. Lack of Faith became our default in all our work. Our Gray Book defines insanity as, "poisoning one's self for no apparent reason. " The Basic Text reminds us that making the same mistakes over and over; and expecting different results, was a form of insanity.

In Narcotics Anonymous, we learn from our mistakes; we learn that Sanity meant we could make new mistakes. As we progress in Living the Steps, we Accept ourselves as we really are. We also Accept what we're lacking and work on that.

We accept ourselves and others as just being human. We Accept ourselves with all our flaws, we learn to Accept others with all their faults. Our Gray Book says, "We are trying to achieve adequacy, not perfection." God Forgives us in Step Seven, as we Humbly ask for our shortcomings to be removed.

We Forgive others and ourselves, for all the harm we caused in Step Eight. We extend the same Forgiveness we ask for ourselves, from our Higher Power, to others. We learn to be Patient with ourselves.

We give ourselves and others a break.

In This Moment: We will not strive for perfection. "Adequacy can be achieved, but perfection cannot." We will allow ourselves and others to be human.

14 Novemba

"Sharing enables us to return to the realm of human experience"

— Kitabu cha Kijivu, p. 69 (Step Twelve, Lines 1-2)

Active addiction isolated us from the rest of the world. The longer we used, the smaller our world got. After some time, for some of us, our only contact with others was to use and find the ways and means to use more.

Our world shrank, and we weren't Sharing anything with anyone. We were cut off from this human experience of Sharing thoughts and feelings with another human being. Most of our actions were motivated by our using and no one knew how we felt or what we were going through. Coming to Narcotics Anonymous is described by some as a coming home.

We were Greeted with a hug and were told to keep coming back. We were finally rescued from that sea of isolation.

We found people who we could Identify with. We began to listen to others Share a Message of Hope and the Promise of Freedom.

We began to feel the magic of Empathy. We started Sharing both good and bad feelings. As we Shared with others, we began to feel part of.

We began to feel human again; a feeling that we long-lost by active addiction. By our Positive actions and Practicing Spiritual Principles, we began to define and shape our Recovery. With the Guidance and Help from the God of Our Own Understanding and the Fellowship of N.A. we start to Grow. We became part of a Fellowship, and our Recovery started to Flourish.

We began to Share with others from this experience. We keep this Precious Gift as a result.

In This Moment: We will become part of something Whole. We will, through Practicing a Living Program, have a Relationship with Reality. We begin to mature Spiritually.

15 Novemba

"I can't solve my problems and I ask you to take care of me and show me how to live."

— Kitabu cha Kijivu, p. 38 (Step Three, Lines 28-29)

We see the evidence of a Power Greater than ourselves working in our Lives; and in the Lives of others. This evidence resulted in Faith, not blind Faith either. We develop Trust in this Step.

We begin to rely on this Power in our decision-making process. Asking for Help from our Higher Power becomes our Greatest Source of Strength. We made a Decision in the Third Step to turn our Wills (which is our thinking), and our Lives (which is our actions) over to this Power we tapped into in the Second Step. The Third Step is the Bridge to Sanity. We gain Faith as we cross over to the winning side.

This Higher Power, which some of us call God, is what makes our Recovery possible. A deeper level of Surrender is what's needed.

Whenever we need to, we can ask this Power to Guide our thoughts and actions during the day. This short Prayer, at the beginning header, is so simple that we can use it whenever we need to. The Spiritual Principles of Narcotics Anonymous does not shield us from pain. There will be the pain that leads to Spiritual Growth.

This type of pain is less self-inflicted. Narcotics Anonymous has been referred to as a Program for Learning.

Most of the time it's a Program of unlearning. Talking to our Higher Power confirms that we Truly believe that we can't do this on our own. Day by day our Faith increases as we experience this Power at work.

Our Surrender has to be followed by actions to be effective.

In This Moment: We will say these simple words whenever we feel stuck. We will ask for Guidance as we work on the Solution.

16 Novemba

"The main objective of Step Seven is to get out of ourselves and strive for achieving the will of our Higher Power. Our will didn't work."

— Kitabu cha Kijivu, p. 49-50 (Step Seven, Lines 36, 1-2)

As addicts, we became our own worse enemy. For years, we locked ourselves up in our own self-made prisons. Against our will we let our disease out to control our Lives.

Needless to say, we made a real mess of our Lives. Active addiction became a destructive force in our Lives and in the Lives of others. Our will was detrimental to Life itself.

Our best made plans was the Admission to Narcotics Anonymous. After arriving to Narcotics Anonymous, we realized that most of our pain was self-inflicted. In Narcotics Anonymous we're introduced to a Spiritual Program.

The Program laid out a blueprint for Living and a road-map for Recovery. We became Aware that we were the hindrance for a Higher Power to work in our Lives. The First Three Steps removes us out of the way.

We now had to take further Steps to make God, as we understood it, an action figure in our daily Lives. We had to Surrender Totally and Completely to the Spiritual Principles of Narcotics Anonymous. We Practice Honesty by Aligning our will and our Lives to our Higher Power's Will. Asking for Help resulted in Humility.

We were no longer our own obstacle. Being Human we will, of course, wander.

We ask the God of Our Own Understanding, to Forgive us when we fall short. Humility keeps our feet on this Spiritual Path. Our Third Step reminds us that our Decision to ask for God's Help is our Greatest Source of Strength and Courage.

In This Moment: We will get out of ourselves. We will let the God Of Our Understanding, and the Spiritual Principles of Narcotics Anonymous, work in our Lives.

17 Novemba

"Addiction is a feeling disease."

— Kitabu cha Kijivu, p. 121 (Chapter Seven, Line 5)

As addicts, we used over feelings, yours and mine. We used not to feel certain feelings, and we also used to feel other feelings.

We got loaded to change what we were feeling at the moment. Drugs helped us bury our feelings. Little did we realize that when we buried our feelings we buried them alive.

Drugs that were once our solution, are now part of the problem. The good news in Narcotics Anonymous is once we stop using drugs, we get our feelings back. The bad news is that when we stop using drugs, we get our feelings back. In our Recovery we learn that feelings are not facts, but it's a fact that we have feelings.

The Steps help us sort these feelings, separating the real from the imagined. We learn that feelings are just signals that are trying to tell our Body, Mind and Spirit something. Our Literature tells us that the Steps are not designed to numb us like the drugs did.

Through working and Living the Steps we find out what these feelings are trying to tell us. The Steps make us Aware of the things we have to address. When our feelings stop overwhelming us, we can learn to be part of the Solution.

We Empathize with others as we learn from our feelings. Today we sometimes just feel our feelings; we will not label them neither good nor bad. Today working a Living Program we Understand what our feelings are showing us.

We then can take the action to work on the Solution.

In This Moment: We realize that for the most part, our thinking and feelings define our disease. It's our Positive Actions, and the Practice of Spiritual Principles, is what defines our Recovery.

18 Novemba

"The thing we do is check for the surfacing of defects early on by working Step Ten daily."

— Kitabu cha Kijivu, p. 55 (Step Ten, Lines 34-35)

The Tenth Step asks us to continue taking our daily personal inventory and promptly admit when we were wrong. The reason we take our personal daily inventory is to prevent the corrective part of this Step. As addicts, we sometimes don't know when we are wrong; we have to work this Step to find out.

We have to examine our actions and reactions. We have to monitor our emotions, feelings and fantasies throughout the day.

When we fall short, we have the opportunity to make the corrections and start our day over again. We can also feel good about our Recovery when we Practice our Spiritual Principles and feel good about ourselves. We show our Gratitude by Thanking God in quiet moments.

At nighttime before bed, we can recall our day and all our interactions with others. After taking our inventory, we are able to see where we fell short.

We can decide if any amends need to be made. If we Practice Spiritual Principles in all our affairs, we will falter less. Overtime, by working Steps and having a constant Conscious Contact with our Higher Power, we are able to see ourselves coming. The Tenth Step has a negative reputation because it addresses being wrong and making Amends.

The Tenth Step is also asking us during that inventory, to look at our Assets and to Practice them in our daily affairs. This daily Practice of our Assets and Spiritual Principles make us better people.

In This Moment: We will Practice the Spiritual Principles of Narcotics Anonymous in our attitudes and behaviors, in doing so, some of our defects can be minimized, and in some cases removed.

19 Novemba

"the addict would find from the start as much identification as each needed to convince himself that he could stay clean, by the example of others who had recovered for many years."

— Kitabu cha Kijivu, p. 133 (WE DO RECOVER, First Paragraph)

For many years addicts were dying, unnecessarily, from the disease of addiction. Addicts had no where to go, except for jails and institutions.

It was illegal for addicts to assemble or meet in public, even for the sake of Recovery. Many of us were forced to go to other fellowships or other places, for the sake of Recovery. Our identification as addicts was still not met, many of us continued to die.

Our disease is one of feelings and emotions, not the symptom, which is the use of drugs. When Narcotics Anonymous was started, addicts finally found somewhere they could identify with others. This identification was what made our Recovery possible.

One of the most powerful statements a newcomer can hear at Narcotics Anonymous meetings is the powerlessness and Surrender to the disease of addiction, from another addict. The First Chapter in the Basic Text; Who Is An Addict, talks about our first identification comes from our Life being centered in drugs. The powerlessness and unmanageability, the Living to use and using to Live.

The identification of the feelings from hopelessness and the isolation that came next. After seeing people like us staying Clean and finding a New Way to Live, we start to experience Hope, a Spiritual Principle long-lost for so many of us. We finally felt that we no longer had to use, we also, like so many, could stay Clean.

We finally found a place where we felt we belonged. We learned about the Spiritual Principle of Empathy, "That wordless language of recognition, belief and faith." For us, Empathy means, your pain in my Heart. As others Shared their Experience, Strength and Hope with us, we nodded our heads in approval and said, "Me too. " We finally were home.

Isolation which is at the center of our disease, began to disappear.

We became a part of a Whole. Our Basic Text says, "We become fully whole and wholly free. "

In This Moment: We will learn to identify and not compare with others. We will serve as examples of the Power that keeps us Clean. We share this Divine Gift, with all those who come after us.

20 Novemba

"We weren't focused on the fulfillment of life, but on the emptiness and worthlessness of it all."

— Kitabu cha Kijivu, p. 135 (Chapter Eight, Lines 2-3)

Our literature says that addiction is an enemy of life. When we were using, we were slowly committing suicide, and we couldn't help it. Our Lives had become an exercise in survival, but we were also killing ourselves at the same time.

We sought no Solution that worked. We blamed everyone and everything for our condition.

We saw no way out, so we used drugs to cover up our feelings of failure. We were trapped in an endless cycle with no end in sight. After Surrendering to the Program of Narcotics Anonymous, and tapped into a Power greater than ourselves, our Lives began to have meaning.

We no longer were just surviving or existing. We actually found something to Live for, ourselves. We started to see that staying Clean was paying off.

We started to feel Hope, as we were released from our self-made prisons. We were doing more than just existing, we were finally Living. Each day we didn't use we saw that our Lives were worth Living. In practicing the Spiritual Principles of Narcotics Anonymous, we began to gain selfworth and our Faith grew as a result.

We became the people we were meant to be all along. In Living the Program, our Lives became full and Fulfilling. We show our Gratitude by Sharing and Caring with others the N.A. way.

In This Moment: With the Help of N.A. and the God of Our Own Understanding, our Lives will be worth Living. No longer are our Lives just an exercise in survival.

21 Novemba

"Having decided we want God, as we understood Him, to relieve us of the useless or destructive aspects of our personalities, we have arrived at the Seventh Step."

— Kitabu cha Kijivu, p. 48 (Step Seven, Lines 12-14)

Defects are the tools of the disease; they helped us survive our addiction. Now in Recovery, we're different people, who found a New Way To Live and no longer need these old tools in our New Life. Working and Living the Steps with our Sponsors and the God Of Our Understanding, we are ready to rid ourselves of these useless traits; that are now causing others pain and us. These defects of character that can lead to shortcomings, have no purpose in our Recovery. The Seventh Step in Narcotics Anonymous offers us a Spiritual kit.

These new tools will replace the old tools, and we start to feel some relief. We replace the old with the new and our defects start to subside, or at least less present in our Lives by Practicing Spiritual Principles. Either way they stop causing others pain and us.

We are able to start building a New Life. We become a Power of example to others. We start to see glimpses of God's Will for us.

We experience moments free of defects that drain us of time and energy. We experience some moments of Serenity, and this gives others Hope and us.

Step Seven like all the others, is an Action Step. We continue Practicing the Spiritual Principles of Narcotics Anonymous in all areas of our Lives.

In This Moment: We will seek relief from our defects. We will with the Help of God, our Sponsors, and N.A. replace our old survival skills with New Living skills.

22 Novemba

"As long as we preserve our clean time we enjoy the greatest possible advantage over our disease."

— Kitabu cha Kijivu, pg. 125 (Chapter Seven, Lines 28-29)

Our Gray Book tells us that, "A meeting is like a fence around our clean time. " It keeps positive things inside, and it also keeps the insanity of active addiction out. Like anything else that needs to flourish, it must remain fertile. Abstinence from all drugs is how Recovery becomes possible.

We cannot Recover if our minds and bodies are still clouded with drugs. A lot of our compulsions are relieved by remaining Clean.

The obsessions which are part of the disease of addiction still permeate in our Lives. As long as we don't use drugs, we can use the rest of the Steps to Grow Spiritually. The disease of addiction affects every area of our Lives.

Recovery has to be more than physical Abstinence. The disease of addiction affects us mentally and Spiritually as well. Working and Living the Spiritual Principles of Narcotics Anonymous preserves our Clean Time and makes the other stages of Growth in our Recovery possible.

Besides Freedom from active addiction, Narcotics Anonymous offers a Spiritual Awakening with each and every Step Lived. Even though addiction is an incurable progressive disease, we can arrest it just for that day by remaining Clean. With Total and Complete Abstinence, we still have an advantage over the disease.

Our Higher Power, the N.A. Steps, Traditions, Sponsors, Meeting attendance and the Fellowship allow our Recovery to Flourish. Our Recovery can offer us Spiritual Unlimited Growth, if we Practice a Daily Living Program.

In This Moment: Our Clean Time will preserve our Recovery, in turn our Recovery, will preserve our Clean time.

23 Novemba

"The release by letting go and letting God helps us develop what works here and now."

— Kitabu cha Kijivu, p. 38 (Step Three, Lines 32-33)

When soldiers surrender in battle, the first thing they do is stop fighting. Then they let go of whatever they are holding in their hands.

They hold their hands up and wait for further instructions and direction. In Narcotics Anonymous we are told, "Let Go and Let God.

Both are an act of Surrender. The First Step was a forced Surrender, we were beaten into submission by the disease. We then Surrender to the Spiritual Principles of N.A., In our Second Step. The Third Step asks us to make a Decision, to let the God Of Our Understanding take Care of us.

What we have to do is let go of whatever we are holding on to, so we are able to receive what the God Of Our Understanding is trying to hand us. Lack of Trust and fear of the unknown is what kept us trapped in the past, and nervous about the future. Today we shouldn't forget to Trust the Power that got us Clean in the First Step. We should Trust that Power that relieved our obsession to use and kept us Clean in the Second Step.

We must remember that this same Power is still here with us in our Third Step. This Power we can call God, will continue to Help and Guide us on our Spiritual Journey. Today we will Practice Faith by letting go of what is troubling us today.

We will learn from our past and present mistakes. We will Trust that whatever is troubling us, "In This Moment", will be our greatest teacher. We can also let go of what's affecting our Recovery in a negative way. In This Moment: We will Practice "Letting Go and Letting God", Just For Today,

In This Moment.

24 Novemba

"Separation from the atmosphere of recovery and the spirit of service to others slows our spiritual growth and can threaten relapse."

— Kitabu cha Kijivu, p. 156 (Chapter Ten, Lines 28-30)

It's ironic that Spirituality is one of the last things we receive in this Program, but it's the first thing we lose in the relapse process. For us, using drugs is the last thing we do in the relapse process.

We get high at the end of a relapse. Complacency can be one indicator that the relapse process already started.

We miss meetings because of work or other reasons that are only possible because we are now clean. We forget that we only get a Daily Reprieve from active addiction. That Reprieve is only possible through Daily Practice of Spiritual Principles.

Narcotics Anonymous is a twenty-four-hour Program, and we are only as good as our last Meeting, Step or Principle. The disease convinces us through priorities that Recovery comes second or even last. We need to Practice the Principle of Surrender by the physical act of attending Meetings, Sharing with Empathy, serving others, calling our Sponsors, working Steps and Practicing these Principles. Just doing one or two of these things might keep us clean, but remember, we are Clean right before we use drugs, so being Clean can't be the only point, either we Grow or we go.

Recovery is a Journey, not a destination. Recovery is an Uphill Journey, and we can easily slip backwards if we don't keep it moving. Recovery in Narcotics Anonymous is a process, but so is relapse and this one you don't have to work on; it's always happening even while we are Clean.

In This Moment: We will continue to renew our Recovery daily by physical, mental and Spiritual acts of Surrender.

25 Novemba

"The Eleventh Step helps us, in the face of a problem, to be aware of God."

— Kitabu cha Kijivu, p. 58 (Step Eleven, Lines 10-11)

One of the first Fruits of the Eleventh Step is Emotional Balance. Seeking God's Will for us through Prayer and Meditation, is an act of Faith. What we are saying with our actions is that we cannot Recover by our own accord.

We need to Humbly seek Constant, Conscious Contact with the God Of Our Understanding. We first have to Practice being calm.

Calm is Trust in action. We clear the thoughts that have been causing us turmoil by breathing and remaining still. Next, we Trust the God Of Our Understanding will supply us with the Power to overcome our problems and the Strength to seek a Solution. Our Basic Text says, " that our spiritual condition is the basis for a successful recovery that offers unlimited growth.

This act of Faith restores our Hope and makes us really internalize that we're not alone. We see and feel God's presence and start to experience God Consciousness.

We intuitively know that all will be well no matter what happens. We are only Responsible for the action of the Solution, and we leave the results to our Higher Power. Our Gray Book states, "It is important we keep faith and renew it through daily prayer." We quickly recall again that if we're not the problem, there's no Solution.

We Surrender quietly and let the God of Our Understanding Care for us.

In This Moment: We will show Trust by remaining calm in the midst of the storm. We finally Believe in our Hearts and Spirits, that all will be well.

26 Novemba

"A lot happens in one day, both negative and positive, and if we don't take time to appreciate both, chances are we will miss something that will help us grow."

— Kitabu cha Kijivu, p. 147 (Chapter Nine, Lines 24-26)

As using addicts, a lot happened to us in one day. Most of it was negative, and most of it was self-inflicted.

In the past, we never learned from our mistakes. We continued to repeat the same mistakes expecting different results. In some cases we knew what the results would be.

When something positive happened to us we felt unworthy, so we didn't take time to appreciate it. We lived with the doom and gloom. We waited for the other shoe to fall off.

After arriving to Narcotics Anonymous and started adapting our Lives to the Program, we began to experience Life both the negative and positive; this time Clean. We heard from our predecessors that when we stop using we would feel better. They were right, we felt everything better; we felt anger, fear, remorse, guilt and shame better.

We no longer had the drugs to numb us. However, we also felt Hope and Freedom. Some of these feelings were long-lost to many of us.

What we experience, through Living the Spiritual Principles of Narcotics Anonymous, is that we can learn from both experiences. We now could appreciate the negative because we can learn valuable lessons from it. We also learn to appreciate the positive because now we feel worthy of it and use it as a Touchstone to Reality.

This Relationship with Reality becomes our Spirituality. In Narcotics Anonymous, we Share this Precious Gift of Recovery and Awareness with one another. We Share that we don't have to use no matter what we're going through.

We learn to survive our feelings and use our experiences as reference points for Growth. We Grow from each experience. We Share the Message of Hope and the Promise of Freedom from active addiction with others in and out of Narcotics Anonymous.

In This Moment: We will learn that everything passes. We appreciate both negative and positive experiences. We will learn from them and Share our feelings, thoughts and Solutions with others.

27 Novemba

"At these times in our recovery, the Third Step is our greatest source of strength and courage."

— Kitabu cha Kijivu, p. 39 (Step Three, Lines 20-21)

Our Third Step says that as using addicts we turned our Will and Lives over many times to a destructive power. The result of that power left us in a hopeless state, to say the least. Now in Narcotics Anonymous we're asked to turn our Wills and Lives over to the Care of a Loving Power that will Guide us and will serve as force for Good.

As we grow to Trust this Power, we can see the evidence of that Power in our Lives and the Lives of others. Tapping into this Power in the Second Step makes our Recovery possible. This Power Greater Than Ourselves gives us the Strength and Courage to work the Steps and Practice these Principles in our Daily Lives.

This same Power can offer relief in times of stress and turmoil. There are times in our Recovery where no amount of Spiritual Awareness will relieve the pain of losing loved ones, suffering through health issues, or financial difficulties. However, this Power will be there for us in our times of need when no one else, or anything else is sufficient.

The Eleventh Step tells us that we can grasp the limitless Strength provided by Prayer and Meditation. Through this Constant, Conscious Contact, the answers we seek will come to us. When we forget where our real strength lies, we're quickly subjected to the useless patterns we followed before we came to Narcotics Anonymous.

In This Moment: We will remember where our real Strength lies. We will utilize this Power, by allowing it to Guide all our actions.

28 Novemba

"We are trying to achieve adequacy, not perfection; for perfection is a divine quality."

— Kitabu cha Kijivu, p. 50 (Step Seven, Lines 7-9)

One of the Spiritual Principles we receive from working and Living the Steps and Traditions is Humility. Humility comes from the word human, to be human is to err.

If we didn't make mistakes, we wouldn't be human. In Narcotics Anonymous we try to achieve adequacy, not perfection. The disease of addiction had us trapped in the idea that we had to be perfect.

Many of us wouldn't try anything new because we thought we would fail. Failure became the stumbling block that kept us from actually learning to take healthy risks. Afraid of the unknown and dominated by fear, we retreated to our distorted security in familiar pain.

In Narcotics Anonymous by working Steps we learn it's OK not to try to be perfect. Steps Five through Seven teach us that it's OK to be ourselves; it's OK to be human. Steps One, Two and Three shows us that we're not God, and we can stop trying to be God, that job is already taken.

We let go and let Him. The result is that we become ourselves; we become human, perfectly imperfect. Perfection is a Divine quality of our Higher Power, we are never going to be perfect. Through Living the Steps, we reach a point in our Recovery that our true value is just being ourselves, with all our flaws.

It's OK to be human and learn from our imperfections.

In This Moment: We will stop trying to reach perfection. We will strive for Adequacy and Self-Acceptance. In turn, we learn to Accept others right where they're at.

29 Novemba

"Now we have learned that we can, and must, go to our Higher Power for help in solving problems."

— Kitabu cha Kijivu, p. 80 (Chapter Five, Lines 32-33)

In active addiction, we depended on the drugs for all our answers. The drugs we used numbed our feelings.

Drugs were our Solution for a long time. After some time instead of solving our problems, we were actually creating new ones on top of the original problems. We had no control over this deadly dependence; we were powerless.

We were actually slowly committing suicide. Our Gray Book states, "The progression of the disease was not apparent to us. " The wreckage of our path was obvious after we had stopped using. We needed relief and drugs, people, doctors, religion and other institutions could not provide a solution.

In desperation, we sought Help through Narcotics Anonymous. We sought relief, but first we needed an Unconditional Surrender.

We first Surrendered to the disease, then we Surrendered to the Principles of Narcotics Anonymous. Surrender can only be achieved through a Total and Complete Abstinence from all drugs. Working and Living a Spiritually based Twelve Step Program, we found that our Higher Power not only offered relief; but also blessed us with the Spiritual Awakening that the Principles offered. We could Live by Simple Spiritual Principles and Practice them in every area of our Lives.

Our Gray Book says, 'The most important thing about them is that "They Work. Today we have a Source we can turn to.

We have a force for Good that works in our Lives. We continue to seek this Conscious Contact by Prayer, and we use Mediation to Achieve this Contact.

In This Moment: We learn that we on our own, can't Recover. Along with our Sponsors, Narcotics Anonymous and our Higher Power, we can.

30 Novemba

"Spirituality and sharing is the essence of our recovery."

— Kitabu cha Kijivu, p. 129 (Chapter Seven, Lines 4-5)

Spirituality has been described, by one of our Predecessors, as having the right Relationship with Reality. In active addiction, we didn't have right Relationships, never mind any with Reality. The disease of addiction is the Great isolator.

Addiction isolated us from our feelings; it isolated us from everyone and everything, every chance we got. Isolation is one of the exact nature's of the disease. Our world, which once was so full and big, became smaller and smaller because of our active addiction.

The Gray Book says that, "This loneliness will kill us inside and the drugs which always comes next, may do the job completely. " Narcotics Anonymous offers us a Fellowship with a Twelve Step and Twelve Tradition Program. Practicing a Living Program frees us from our self-made prisons. N.A. offers us a Total Spiritual Awakening filled with Unlimited Spiritual Growth.

Through Sharing our Recovery with others in Narcotics Anonymous; we are able to keep this Precious Gift. In Narcotics Anonymous, we learn to have a right Relationship with God, ourselves, others, and the world. This is our Reality; this is our Spirituality.

As we continue on this Spiritual Path, we will come in contact with addicts that are still suffering from the disease of addiction. We Carry the N.A. Message and Share our Experience, Strength and Hope, so no addict need ever die from the horrors of addiction.

This is also part of our Spirituality.

In This Moment: We will continue our right Relationship with Reality. We will continue Sharing this Precious Gift with all who seek it.

1 Desemba

"We now know if we pray to do God's will, we will receive what's best for us."

— Kitabu cha Kijivu, p. 58 (Step Eleven, Lines 14-15)

The Eleventh Step in Narcotics Anonymous tells us that Prayer carries a certain Responsibility. This Step asks us not to Pray for specific things or results, when we're Praying. This Step tells us to Pray for God's Will for us and the Power to carry that Will out.

In active addiction, some of us used fox hole Prayers for specific results. In Narcotics Anonymous some of us still find ourselves Praying for specific things or specific results. We can find ourselves still using God as a cosmic bellboy.

This is not the purpose of Step Eleven. Some of us only Prayed and didn't Meditate.

Meditation Achieves this Contact, many of us didn't wait for the answer. We blamed God when the results weren't what we Prayed for or when we got what we Prayed for and didn't expect some side effects that came with the results. Praying for God's Will for us can almost guarantee that we will receive what's best for us and others. In the Third Step we made the Decision to turn our Will and Lives over to the Care of God.

In the Eleventh Step we reaffirm this Decision. We Trust the God Of Our Understanding knows what's best for us.

We increase our Faith by aligning our actions with that Will. We learn that God's Will consists of the very things we want for ourselves. We then see that our Greatest Source of Strength comes from our Higher Power. The results can be seen in our Emotional Stability and in the way we Live.

In This Moment: We will continue to have a Constant Conscious Contact with God. We will Pray for God's Will for us. We will use Meditation to Listen for His answer.

2 Desemba

"We can stay clean by going to a meeting when we feel we do not want one or need one."

— Kitabu cha Kijivu, p. 128 (Chapter Seven, Lines 5-7)

When all else fails, we can always not pick up and go to a Meeting. This physical act of Surrender keeps us Clean, saves our Lives, and makes Recovery possible. Some members say that the best time to go to a Meeting is when we don't want to go.

Even though the Steps are written from top to bottom, One through Twelve, we Recover inversely from our feet up. We start developing Smart Feet, by attending Meetings; that's part of our First Step. We have to bring our bodies and after time our minds will follow.

Spirituality is one of the last things we receive in the Recovery process. Ironically, Spirituality is the first thing we lose in a relapse process.

The Step Process reverses, at this point. We can find ourselves thinking that using is a good idea.

The disease talks to us in a voice we don't talk back to, our own. The disease fools us into thinking that we don't need a Meeting today. It makes us shift our Priorities from Recovery and Meetings, to work and family.

Some of us forget that we only have those Gifts because of Recovery and Clean Time. Our Second Step tells us that it's the process of coming to believe that restores us to Sanity. The Second Step treats the mental illness part of our disease, by relieving our obsessions. It's the actual action of going to Meetings and Sharing the Solution to the problem. We get Hope when listening for the Solution as other members Share their Experience, Strength and Hope. Just For Today we have to ask ourselves; "Is Recovery in Narcotics Anonymous still number one or is it somewhere in the top forties this week?"

In This Moment: We will perform a physical act of Surrender by attending a Meeting. This is the Spiritual Principle of Honesty in Action.

3 Desemba

"We decide what our priorities are and envision life free from defects."

— Kitabu cha Kijivu, p. 48 (Step Six, Lines 3-4)

As using addicts we depended on our defects for our existence and survival. Our defects were the tools of addiction.

They served their purpose in that way of life. In Narcotics Anonymous, we are doing more than just existing and surviving. Through working and Living these Steps, we are finding a New Way To Live.

Practicing the Spiritual Principles of Narcotics Anonymous, we render these defects useless. Step Five tells us that the masks have to go. There's much work to do after we stop using drugs.

That phrase we hear in our Meetings, "don't use no matter what" becomes, "don't use now what?". When we stop using, it's just the beginning to the end of that way of life. Practicing the Spiritual Principles of Narcotics Anonymous is the beginning of a New Way of Life.

One of our first priorities is to achieve and maintain Complete and Total Abstinence. Our Gray Book states, "The program doesn't work when we adapt it to our life, we have to adapt our life to the program. " When we Practice these Spiritual Principles in our Lives, our priorities change. We are no longer living to use, and using to live.

Through Living the Steps and Practicing a Living Program; through our Relationship with The God Of Our Understanding, we get glimpses of what Freedom from some of our defects can be. We experience Hope as we trade the tools of the disease for the Spiritual Tools of Recovery. Our character and personality begin to change. We become entirely ready, as a result of Those Steps.

We begin to Practice These Principles in every area of our Lives. Our Eleventh Step tells us that enforced morality lacks the power we get by Practicing Spiritual Principles. We no longer wait for pain to motivate us.

Recovery becomes our top priority; everything else is extra. Our Higher Power is always ready and able to Help us, if we seek it.

In This Moment: Living a Spiritually Principled Life will be our top priority. We will experience Hope with each Spiritual Principle, as we put them into action.

4 Desemba

"By the surrender of our own power, we gain a far greater power that will see us through."

— Kitabu cha Kijivu, p. 58 (Step Eleven, Lines 25-26)

In Narcotics Anonymous we are told that we have to "Surrender to Win." After years of trying it our way, we found that the fight was fixed. Our addiction continued to progress and we continued to suffer.

The First Step says that when we admit our powerlessness and unmanageability in our lives, we open the door to Recovery. We open the door that allows a Higher Power to Help us with our Recovery. We learn that the opposite is also true, when we think we have the power to manage our own lives, we close that door and Recovery is not possible. After tapping into this Power in the Second Step, we became Aware that we need this Power to begin in our Spiritual Journey.

We Trust this Power and make the Decision to allow this Power to Guide us. The Steps in Narcotics Anonymous are designed to get us out of our own way. The Eleventh Step tells us that when we Pray a remarkable thing happens; we find the means, the ways, and energies to perform tasks far beyond our capabilities.

Surrendering after enforced morality tends to lack this Growth. Our Spiritual Conditioning is what makes our Unlimited Spiritual Growth possible. It becomes a Reality for us when we Trust to rely on this Power. We now are given the Power to walk the talk.

We can now Carry a Message sufficient enough to attract others to Recovery. This Higher Power will also Guide us and sustain us through Life's trials and tribulations.

We now learn to Live Life on God's terms.

In This Moment: We will Surrender to Win, we will continue to ask God for the Power to carry out His will for us.

5 Desemba

"We have seen it work for every one who honestly and sincerely wanted to stop using."

— Kitabu cha Kijivu, p. 17 (Chapter Two, Lines 19-20)

When we were using drugs, our minds and bodies were clouded by drugs. Many of us couldn't even imagine a life without drugs.

Our whole lives were centered in addiction in one form or another. Toward the end of our active addiction, we saw no way out.

Many of us envisioned ourselves living and dying as using addicts. We accepted this deadly self-imposed death sentence. For most of us jail, medicine, religion and psychiatry failed to Help us.

Arriving to Narcotics Anonymous, we heard from others that we didn't have to use anymore. We saw the evidence of Clean addicts Living and enjoying Life without the use of drugs. We heard these members say that working the Program transformed them into different people from when they were using. Narcotics Anonymous offers a set of Simple Spiritual Principles to encompass our existence.

We heard other members at Meetings say, "It works if you work it", not, it works if you know it. Utilizing the Spiritual Principles of this Program with the Help of our Higher Power and others, we could also receive this Special Gift. All we had to do first was to Surrender to the disease and then to the Program of Narcotics Anonymous. We had to Practice Complete and Total Abstinence from drugs to start to Recover.

We then had to Practice these Simple Spiritual Principles to every area of our Lives. We've seen it work for countless others. First they had an Honest Desire to stop using, then they applied these Spiritual Principles to every area of their Lives.

With this Hope we experienced we were propelled into action. This action turned into Faith as the Program worked for us as well. Our Twelfth Step says, as our Recovery progresses, Spiritual Principles touch every area of our Lives.

In This Moment: We see the evidence of addicts around us Living a Life filled with Happiness, Joy and Freedom. We also see with the Help of others, the work that this Way Of Life requires.

6 Desemba

"Relationships are a terribly painful area."

— Kitabu cha Kijivu, p. 127 (Chapter Seven, Lines 33-34)

The disease of addiction is partially a disease of isolation. It's a disease that one of its many symptoms is separation. During our active addiction any Relationships we had with people deteriorated and in many cases died.

Addiction isolated us from our Loved ones, our Friends and any type of employment we might have held. Our Spirits finally went to sleep, after years of smothering it with drugs. Our worlds became smaller, and the only relationship we were left with was with the drugs. No longer did we have a right Relationship with Reality.

After a while, even the drugs turned against us. We found ourselves isolated and all alone.

With nowhere to turn to, in desperation, we found the last house on the block, "Narcotics Anonymous". After coming to N.A., we found out just how sick we were. We saw how much our lives were affected by our addiction and drug use.

Practically everyone we came in contact with was affected by our addiction. We caused a lot of pain to a lot of people, but most of all we were hurting ourselves. Today in Narcotics Anonymous, we learn to apply the Steps to our Lives.

We begin the process of change and making Amends. We Practice the Spiritual Principles of Narcotics Anonymous. With the Help of the God Of Our Own Understanding, our Sponsors and the Fellowship, we begin to Live a New Way of Life.

We start to develop healthy relations, first with God, ourselves and then others. We Amend our past Relationships. We learn to form true partnerships in the Fellowship.

Relationships, however, still seem to cause us pain when they don't work out. We don't give up.

We Pray to God for Discernment and Understanding. We Pray for the Wisdom to learn something from our experiences. Asking for direction and God's Help is our Greatest Source of Strength.

Our Gray Book says, " part of sanity is effectively relating to others. " In Narcotics Anonymous we keep changing for the best by Living the Spiritual Principles of Narcotics Anonymous. We Grow when we Share this Message with the addict that still suffers and seeking Help.

In This Moment: Although Relationships can be a painful area, we will learn from our mistakes and use the pain as a Stepping Stone for ongoing Growth.

7 Desemba

"We use the tools available to us, and because we do not want to lose any of what we have gained, we will want to continue in the program."

— Kitabu cha Kijivu, p. 43 (Step Four, Lines 13-15)

Our Twelfth Step reminds us to Practice These Principles in all our affairs. To keep and Grow in our Recovery we must keep Practicing Spiritual Principles. Our Awakened Spirits can always go back to sleep if we don't use what we got.

The Program of Narcotics Anonymous altered our Lives for the best. Our Gray Book states, "No addict has ever failed to recover who has surrendered completely to our program. " As Recovering addicts if we're not Growing, we are going. Our Spiritual Awakenings must be an ongoing Process.

We must be constantly stepping forward. Even if we're on the right track, we must keep moving, because there's always another train coming.

Recovery is an Uphill Journey. Addiction is a progressive disease even while we're abstinent. Our Literature tells us that lack of using our Tools is a sign of complacency.

If we don't use what we have, we will lose it in the relapse process. Going to Meetings, working with our Sponsors, Sponsees, and Carrying the Message to the suffering addict is part of it. The other part is actually Practicing these Spiritual Principles in our personalities, and with the personalities of others. In all our affairs means everywhere we go and in everything we do.

We especially have to Practice these Spiritual Principles when others are not. Step Four provides us with the information; and provides the beginning of the removal Process. The rest of the Steps provide the replacement process.

For us to Live we must continue in this Process. The God Of Our Own Understanding will supply us with the Power to carry it out.

In This Moment: We will make our Recovery an ongoing Process. Our Daily Reprieve will depend on this Spiritual Conditioning.

8 Desemba

"When we see how our defects exist in our lives and accept them, we can let go of them and get on with our new life."

— Kitabu cha Kijivu, p. 47 (Step Six, Lines 2-3)

Our Gray Book tells us: "We should approach old defects with patience and understanding, for they served us well in days past. " What that means is that these defects were developed to save our lives in active addiction. Many of us would have killed ourselves if we didn't use. We couldn't face Life without the use of drugs.

We needed these defects to continue to use. Letting go of character defects is like letting go of an old friend.

This old friend is not conducive to our Recovery. So there is some grief involved, but it's time to let go in order to move on.

We no longer need these old survival skills. Today we are doing much more than just surviving and existing, we were finally Living. In the Sixth Step, we are asked to become Entirely Ready and Willing to let go of these defective traits.

Our Gray Book states, "We are trying to achieve adequacy, not perfection " The purpose of the Seventh Step is to replace these defective traits with new Spiritual Traits. As a result of working and Living the previous Steps we became Entirely Ready for this Spiritual Surgery. Part of this readiness is to Accept ourselves with both Assets and liabilities.

Part of Self-Acceptance is also acknowledging what we were lacking. With this readiness we make God an Action Figure in our Lives. As long as we Practice these Spiritual Principles embodied in the Steps and Traditions our defects will be minimized and at best they can lie dormant.

In This Moment: We will let go and acknowledge that our defects served their purpose. Today we are Living with Spiritual Principles and not just surviving.

9 Desemba

"Ours is a message of the Spirit, not of words. Words can describe the process but not explain it completely."

— Kitabu cha Kijivu, p. 157 (Chapter Ten, Lines 17-19)

The Message of Hope was given to us from others, when we first came to Narcotics Anonymous. This Message was more from the demonstration of the Spirit through actions, not words. Our Twelfth Step says: "Words cannot describe the sense of spiritual awareness that we receive when we have given something, no matter how small, to another person. " And; "The message is meaningless unless we live it.' " As we feel the Compassion of others toward us, our Spirits start to Awaken, and we start to heal.

The Empathy that others Shared with us was a language all of its own. The nod of identification and approval we sought for so long, was given to us unconditionally without asking.

For once in a long time, if ever, we felt part of something, we were finally home. This wordless language from the Spirit that was present in Meetings was what we were always searching for and we thought we found it in drugs. This was a different euphoria that we got from the drugs.

What we found in Narcotics Anonymous was a real sense of well-being. This is the New Way to Live that our Message mentions.

This Spirit can only be attained through Complete and Total Abstinence from all drugs. Recovery can only be retained through constant Practice of these Spiritual Principles. Principles in action is how our Recovery Grows, words cannot explain it.

In This Moment: We will make our Recovery more than just a theory, our Spirits will do all the talking, by our actions. Acting as examples of Recovering addicts is a Gift to the newcomer.

10 Desemba

"Addiction is a disease which manifested in us at an interminable point in our lives."

— Kitabu cha Kijivu, p. 13 (Chapter One, Lines 7-8)

After coming to Narcotics Anonymous we realize we were sick people, not bad people. We got sick overtime not overnight. The using of drugs was just a symptom of the disease of addiction.

The using was just the tip of the iceberg. The submerged part of the iceberg is the greater part of the disease. Addiction in Narcotics Anonymous is considered a Spiritual disease, not a medical one.

Our Solution has to be Spiritual in nature. Addiction is a Spiritual disease because it affects our Relationship with God, ourselves, others, and the world around us. In other words, it affects our Relationship with Reality.

When we arrived to Narcotics Anonymous, we came in with different bottoms. Most of us suffered either Physically, Mentally, or Spiritually. Some of us lost everything and everyone that were in our Lives.

Some of us arrived with our families and jobs still intact. Regardless as to how and why we got here, we all suffered. Our Spirits visited the same horrors of addiction.

It was at that interminable (incapable of being terminated) moment that we had to Surrender. We found that in Narcotics Anonymous there's room for all manifestations of the Recovering person. When we identify and not compare, we develop that Wordless Language of Empathy. With this Spiritual Principle we are able to help one another.

In Narcotics Anonymous our diversity creates Unity in Strength. We carry the Message of Hope and the Promise of Freedom for all who seek it.

That's our Unity of Action and our Unity of Purpose.

In This Moment: In Narcotics Anonymous if we don't remember our bottom, then maybe we haven't had it yet. We share this valuable experience with all who seek Recovery.

11 Desemba

"We take the Fourth Step to gain the necessary strength and insight to enable us to grow in this new way of life."

— Kitabu cha Kijivu, p. 40-41 (Step Four, Lines 29-1)

Fearless and Moral are two words that are in our Fourth Step; these are positive Spiritual Principles. The Fourth Step has a reputation for being painful and shameful. In reality, it's the most loving thing we can do for ourselves.

The Fourth Step helps us remove the unnecessary personality traits that served us during our active addiction. The Fourth Step supplies the information we need to begin this process. We trap this shameful part of our personalities on paper.

These negative traits and patterns are no longer necessary for our New Way of Life. We also list our Assets and decide to keep those, after all it is a Moral inventory. These newly discovered Assets are necessary to negotiate the rest of our Recovery.

The first Three Steps provide us with the Strength and Faith to work this crucial Step. Working, then Living the Steps, Helps us become useful and Spiritual people. Our personalities get a make over, which allows us to be our True selves.

We start to be useful in our Lives and in the Lives of others. Narcotics Anonymous makes it possible for us to create a new past.

A past filled with Positive experiences and Positive changing decisions. The Reality and actions of our present become our past in the future. This overhauling begins in the Fourth Step.

This transformation is only possible with the Help of the God of Our Own Understanding, our Sponsors and others. Lost dreams start to Awaken and the Hopes that seemed impossible become possible. As we Practice this remove and replace process and Share it with another person, it becomes a Reality for us.

In This Moment: We will allow ourselves the Privilege of change. We will look forward to Honest self-appraisal.

12 Desemba

"By working the Steps, we came to accept our Higher Power's will and this acceptance led us down the road of recovery."

— Kitabu cha Kijivu, p. 27 (Chapter Three, Lines 8-10)

In Narcotics Anonymous the only thing we have to change about ourselves is everything. When we first arrived to Narcotics Anonymous our Spirits were broken and, for many of us, our Lives were in utter shambles. We Surrendered to the disease of addiction.

We stop fighting, and we Surrender to the Program of Narcotics Anonymous. We first had to Achieve and maintain Complete and Total Abstinence. We had to complete this Admittance of our powerlessness and unmanageability for anything to happen.

In working Step One, we opened the door to a Power Greater than Ourselves. This Power makes our Recovery a Reality.

Being Abstinent from all drugs leaves a void in our Spirits. The purpose of Step Two is to fill this Spiritual void with the Hope of the Narcotics Anonymous Program. Tapping into a Power Greater than Ourselves relieves our obsession to use drugs.

Our Gray Book says, "We now have a workable idea of a Higher Power. " This Hope propels into Faith through positive action. Our Third Step Decision provides our Spiritual Foundation in which to build our Recovery on. To sum up our Program, first we get right with God, we get right with self, we get right with others and; finally, we get right with the world at large. We continue the cycle of Recovery on a Daily Basis by Practicing these Spiritual Principles.

We can only keep our Recovery by Sharing it with others. We reinforce our Recovery as we work with our Sponsors and Newcomers. We Live Life Happy, Joyous and Free.

We become a power of example and give our Higher Power all the credit. We are on the road of Recovery, We Do Recover.

In This Moment: We will work the Steps, then the Steps work us. Finally, we learn to Live the Steps by Practicing the Spiritual Principles contained in them.

13 Desemba

"There is only "One" requirement for membership, the honest desire to stop using."

— Kitabu cha Kijivu, p. 15 (Chapter Two, Header)

When we talk about using, we're talking about using drugs. An addict is a man or woman for whom drugs controlled and made their Lives unmanageable. The symptom of our disease is what usually brings us to N.A.

It also Helps us with our identification. Our Gray Book states, "We are Narcotics Anonymous and our problem is addiction, " The honest desire to stop using drugs cannot be measured. It's left up to the individual whether the honest desire to stop using is a wish or a real desire.

Usually, our level of desire can equal to our level of Willingness to try. Before coming to Narcotics Anonymous, some of us wished we had a desire to stop using. The bottom line is that we didn't have a choice; we had to use.

One way or another we had to get stopped. Some of us just got tired of being tired and sick.

Whatever the case we were Accepted into Narcotics Anonymous. Our Third Tradition is focused more on the Spiritual Principle of Equality. We can become members no matter what age, race, sex or sexual preference, creed, religion or lack of it.

We all can be members if we choose to. We all have the equal opportunity to have access to this Program. Our literature also reminds us that membership is not automatic when the addict walks in through the door, or stops using. It's an actual decision that has to be followed by Embracing the Spiritual Principles of Narcotics Anonymous. "The choice of membership rest with the individual. " An example is like meeting the requirements for membership to be a firefighter.

Once you meet the requirements and you're a firefighter, you're expected to fight fires. That's if you're planning to stay.

In our Program you can stay as sick as you want that's up to the individual member. Requirements do not necessarily equal membership. Not using any mind altering or mood changing chemicals is the First Step in our Program.

To get all the Benefits this Program has to offer, we need to follow this Decision with action. Our desire can be measured by our Willingness to take that action. Aligning our actions to the truth, that's the Honest part.

In This Moment: We will Welcome all at the end of their road, as we were Welcome. We will also Share with others who seek Recovery, the Narcotics Anonymous Message.

14 Desemba

"we tried countless other remedies--counselors, psychiatrists, hospitals, lovers, new towns, new jobs--everything we tried, failed."

— Kitabu cha Kijivu, p. 33 (Step One, Lines 6-8)

In Narcotics Anonymous the disease of addiction is defined as a physical, mental, Spiritual and emotional disease that affects every area of our Lives. Our Gray Book states, "Addiction is a feeling disease. " Our drug use was just a symptom of a much deeper problem. As far back as many of us can remember, we never felt complete.

We suspected that something was wrong, but didn't know what it was. We masked our feelings with things outside ourselves.

Some of us tried religion, medication, psychiatry, and other people. All these methods failed to solve our problem, ourselves.

When these things failed to fill our void, we used more drugs. Drugs were our only solution for a while. Our drug use provided us with suicide on the time plan, instead of instant death.

When the drugs stopped working and caused us enough pain and suffering, we turned to Narcotics Anonymous. After putting down the drugs, we found ourselves physically Clean; but still suffering from the mental, Spiritual and emotional pain. In the first Three Steps, we learned that we weren't God and had to find a Power Greater than Ourselves that can relieve us of this insanity. Once we Surrendered and turned our Will and Lives over to the care of that Power we tapped into, we began to feel Hope.

Our Foundation for our Recovery was now in place. Steps One, Two and Three formed this Foundation where we can build our Recovery on.

Steps Four through Twelve treat this disease and gives us a Daily Reprieve. Practicing the Spiritual Principles of Narcotics Anonymous we Recover into a drug free Life.

We can Live Happy, Joyous and Free. We finally can Live without the use of drugs or anything to replace them. Our Eleventh Step in our Basic Text says, " our spiritual condition is the basis for a successful recovery that offers unlimited growth."

In This Moment: We will learn that we suffer from a disease that affects us in more ways than just physically.

15 Desemba

"Many times, our efforts have produced in us feelings of peace and serenity that we have never known before."

— Kitabu cha Kijivu, p. 58 (Step Eleven, Lines 34-35)

Some of us during active addiction acted on self-will. Acting on our self-will resulted in our Lives becoming unmanageable.

This is one of the reasons that in desperation, we arrived to Narcotics Anonymous. Another reason was that we were powerless over our addiction.

In Narcotics Anonymous, the Decision in the Third Step to turn our Will and Lives to the Care of God sounded like a big order. Some of us weren't ready for this alignment.

To stop using drugs was one thing, but some of us weren't ready to quit smoking cigarettes. Some of us didn't want to stop sleeping around with different sex partners.

Some of us weren't ready to stop stealing and lying. The drug lifestyle seemed to follow us, even after we got Clean. Participating in killing ourselves softly wasn't conducive to our New Way of Life. Our Basic Text states, "Recovery is an active change of our ideas and attitudes." Only a complete change in our personalities would enable our Recovery to continue to Grow.

Our Spirits experienced periods of Serenity only to be followed by periods of remorse whenever we fell short, or every time we took our Will back. The longer we stayed in Narcotics Anonymous and Lived the Steps, our Conscious Contact with our Higher Power increased. We found that as long as we Prayed for God's will, we actually were getting what we wanted for ourselves all along. God's Will for us is to continue to Recover, to be of good health, to not be alone, and to be Self-supporting.

Through applying the Spiritual Principles, God's Will for us becomes our Will for ourselves. We begin to experience longer periods of Joy and Serenity, as long as we continue this Conscious Contact.

In This Moment: We know that as long as we continue doing God's will, our Lives will be Fulfilled.

16 Desemba

"Some of us reach a point of complacency in recovery. If we stay at this level for long, the recovery process ceases and we begin to backslide."

— Kitabu cha Kijivu, p. 127 (Chapter Seven, Lines 22-24)

Our Literature tells us that addiction is a progressive disease. It's progressive even during abstinence.

In Narcotics Anonymous, we are granted a Daily Reprieve and that depends on our Spiritual Maintenance that day. Complacency is the enemy of members with substantial amount of Clean Time.

Our Gray Book states, "Clean time in the program acts as insurance. " We have to Practice our Spiritual Principles in order to keep this insurance from lapsing. Early signs of complacency can be missing Meetings, not working with others, not staying Open-minded, and thinking we don't need to continue working and Living the Steps. When we stop paying these dividends, is where the process of relapse has its beginning.

Some of us become Spiritually complacent, we slow down on our Prayer and Meditation. Since our Spiritual Conditioning is the basis for a Successful Recovery, we lose the Power to Practice these Principles on a daily basis.

We start to backslide on this Uphill Journey. This process happens so subtly that we fail to notice it. We depend on our Clean Time to carry us through our day to day activities. Our addiction starts to manifest itself in other areas that seem justifiable, like working a lot of overtime, or spending time with our families and not attending Meetings, for example.

The longer we stay in this condition, our Recovery process ceases and the relapse process begins. We have to remember our Recovery comes First, or we will lose these Precious Gifts in the relapse process.

In This Moment: We will realize that Recovery is a process that requires daily work. Relapse is a process that requires no work.

17 Desemba

"Everything that occurs in the course of N.A. service must be motivated by the desire to more successfully carry the message of recovery to the addict who still suffers."

— Kitabu cha Kijivu, p. v (Introduction, Third Paragraph)

The Primary Purpose of the N.A. Group is to carry the N.A. Message to the still suffering addict.

That's the whole reason we exist. For the member to carry the N.A. Message, we must have an N.A. Message to carry.

Being Of Service is one of the ways we can carry the N.A. Message. When we first come to Narcotics Anonymous, we are told that a Commitment will keep us coming back.

Our first Privilege of serving others occurs in our Home Group; as a result, we get to stay Clean. That's at the beginning of our Recovery. After being here for a while, our primary motive for Service will be to Serve others. We start to Share this Precious Gift with others.

Service is one way of giving away that which was so freely given to us. Our motive should be Love and Selfless Service. We have to ask ourselves; do we have Service based Recovery or do we have Recovery Based Service? Are we doing Service or are we Of Service? Service might keep us Clean, but are we Recovering? Are we using Service to take the place of Step work? Are we missing Meetings to do Service commitments in service committees? Are we holding to Service commitments past our rotation term because it keeps us Clean? Is that what we mean by Selfless Service? Are we truly motivated to carry the Message because we Care for the suffering addict, or for our own selfish motives?

These are the questions we should be asking ourselves to determine if our motives have motives. Goodwill is exemplified by doing the right thing for the right reason. Doing Service to stay Clean is doing the right thing for the wrong reason. Our Service to N.A. should be pure and not motivated by selfishness, money, power or prestige. As long as we keep our Primary Purpose up front, we will reach addicts and save Lives.

In This Moment: We will check our motives for doing Service. We will be Of Service. We will make sure that our Service is Recovery Based, and not Service based Recovery.

18 Desemba

"The fact that we require each and every group to focus on carrying the message provides consistency."

— Kitabu cha Kijivu, p. 102 (Tradition Five, Lines 21-23)

Our Fifth Tradition states that, "Our primary purpose is to carry the message to the addict who still suffers. " The Primary Purpose of a Group is more than just holding Meetings. The Primary Purpose of a Narcotics Anonymous Group is to Carry the N.A. Message.

Primarily and lastly we do it in our Meetings. Some members Share the N.A.

Message and other members Listen to the N.A. Message.

That's the only thing that should take place in our Meetings. It means that when Sharing everyone should have some Consistency in the Narcotics Anonymous Message being carried. That Message is Hope and the Promise of Freedom. We Share Solutions to the problems that plague us.

Recovery is what happens in our meetings. In the Twelfth Step we Carry the Message as individuals, which can be interpreted by our personalities. However, as a Group our common theme should be the same, Freedom from active addiction and the Hope of Recovery; that's our purpose and why we exist. All of our Traditions exist to protect our Primary Purpose.

Our predecessor's hard won experience proved over and over that when they strayed from their Primary Purpose, their members died. Our Gray Book states, "The group is the most perfect vehicle we have for carrying the message to the addict who still suffers. " It's vital that we carry an Unblurred and Pure Message of Narcotics Anonymous, because this is all we have to give. When we stray from this Purpose, addicts continue to die.

In This Moment: For the individual the only requirement for N.A. membership is a Desire to stop using. The only requirement for an N.A. Group is to Carry the Narcotics Anonymous Message.

19 Desemba

"The program doesn't work when we adapt it to our life, we have to adapt our life to the program."

— Kitabu cha Kijivu, p. 80-81 (Chapter Five, Lines 34-2)

When we first come to Narcotics Anonymous most of us just wanted to stop hurting, some of us wanted to stop using. We saw how our drug use brought us to our knees in a state of despair. We stopped using drugs, and we started to work some Steps with our Sponsors. Soon our Lives started to get busy.

We were around our families more, and some of us gained much-needed employment. Some of us went back to school.

We felt we had to make up for lost time. Many of us forgot that these new Gifts were possible because we were in N.A. Some members mistook the point of Recovery in Narcotics Anonymous.

At first our whole Life was centered in N.A. Then, some of us forgot our priorities; and put these Gifts in front of our Recovery. Narcotics Anonymous was no longer number one.

We were too busy to attend Meetings, call our Sponsors or Carry the Message to others. We forgot that we can't keep what we have unless we give it away. We stopped making Surrender to this Way Of Life.

Many of us returned to active addiction. If we were lucky enough to survive and come back, we learned to put our Lives into Narcotics Anonymous; instead of putting Narcotics Anonymous into our Lives. We learned that our Lives had to be in the center of N.A. Our Recovery must come first, our Lives hinges on this fact.

We have to be always on our way to a Meeting; we just have to stop and work first. We're on our way to a Meeting; we just have to see our families first. In other words, we should always be on our way to a Meeting.

Meetings are a fence around our Cleanliness. This Physical Act of Surrender protects our Clean Time.

It keeps making our Recovery possible and Growing.

In This Moment: N.A. will be in the center of our Lives; everything else has to revolve around N.A. Our Recovery must come first in order to keep it.

20 Desemba

"The Twelve Steps of Narcotics Anonymous are a progressive recovery process established in our normal living."

— Kitabu cha Kijivu, p. 147 (Chapter Nine, Lines 31-33)

The Third part of our N.A. Message says that we can find a New Way to Live. This Promise of a New Way to Live that's offered, largely depends on us Practicing the Principles of Narcotics Anonymous in all our affairs. Staying Clean and maintaining Total and Complete Abstinence is the cornerstone of our Program.

The Spiritual Principle of Abstinence is what makes the rest of our Recovery possible. Our Literature tells us that social acceptability does not equal Recovery. Part of that acceptability is our Clean Time.

Don't be confused about it, it's not Recovery. There are plenty of people in the world that are abstinent.

Many are not Practicing the New Way of Life of Narcotics Anonymous. Even our own members celebrate lengths of Clean Time only to miss the whole point of our Program of Recovery. Narcotics Anonymous is not a drug program, it's a Recovery Program. Our Steps and Traditions focus on Recovery from the disease of addiction.

Our Principles offer more than just freedom from active addiction. They offer a Complete and Total Spiritual Awakening as a result of each Step.

Not just Freedom from the symptom, which are the drugs. The Spiritual Principles that are locked in our Steps and Traditions can only be unlocked by Working and Living the Program through practical daily application. That's only possible with the Help of Narcotics Anonymous and the God of Our Own Understanding.

In This Moment: We will unlock the Spiritual Principles of our Program by the Practical application of our Steps and Traditions.

21 Desemba

"Personality change is a natural progression set in motion by our surrender to the program."

— Kitabu cha Kijivu, p. 81 (Chapter Five, Lines 4-5)

The use of drugs stopped our Spiritual and Emotional Growth. Most of us started using drugs at an early age, so there wasn't much Growth to begin with. Our Spirits completely closed and went to sleep.

Some say that when we stopped using drugs we were actually the same age emotionally, when we first started. Not to mention our Spirits were still asleep. What we needed was a personality change and an Awakening of the Spirit.

Narcotics Anonymous offers a New Way to Live and an Awakening of the Spirit through Working and Living the Steps. The first thing we have to do is stop using all drugs. The pain of Living without the drugs introduces us to a Power Greater than Ourselves in Step Two.

This Power Greater than Ourselves relieves our obsession to use drugs. We Decide to let this Power Guide us in our Recovery and in our Lives. This same Higher Power we call God in the Third Step makes it possible for us to Work the rest of the Steps.

Practicing a Living Program is so necessary for our personality transformation. We have to Live our way into good thinking, not think our way into good Living.

The Action must come first. As we use the Tools of the Program with the Help of our Higher Power, which some of us choose to call God, Sponsors, and the Fellowship, we start to Change over time. Sometimes this Change occurs behind our backs as we work and Live the Steps. We start to become the people we were meant to be all along.

The process begins with that first and continuing act of Surrender.

In This Moment: We will use the Necessary Tools in N.A. to Achieve a Personality Change and we will meet ourselves in the Process.

22 Desemba

"When at the end of the road we find that we can no longer function as a human being, with or without drugs, we all face the same dilemma"

— Kitabu cha Kijivu, p. 132 (Chapter Eight, 3rd Paragraph)

Before Narcotics Anonymous addicts had no where to go, to get Clean and Recover. We went to other places but they failed to offer any Solutions. Most of us went to the bitter ends, jails, institutions, and death.

Some of us continue to use till we reached a state of degradation. Some were lost beyond recall.

Today some addicts still suffer some of these results. Today Thanks to a small Group of addicts, exists a Program called Narcotics Anonymous. Addicts no longer need to suffer or die from the horrors of addiction.

Addicts are more fortunate to find the identification with the feelings and emotions that was needed. There are Narcotics Anonymous Meetings in most neighborhoods around the World. Meetings are available to every person that seek Recovery from the use of drugs and the disease of addiction.

The only price for admission was our suffering. That with the desire to stop using is our cover charge When we get sick and tired of being tired and sick, we can benefit from what Narcotics Anonymous has to offer. A drug free life style with the opportunity for Recovery with Unlimited Growth.

It's up to us, no one is going to force us to give up our misery. Our Gray Book states, "The pain of working the program did not seem as great as the pain of addiction, so we surrendered. " The Narcotics Anonymous Program has worked for countless addicts who Surrendered to the Spiritual Principles of Narcotics Anonymous. For the first time in man's history a Solution exists to the age old problem in society of the hopeless state of drug addiction. We treat a Spiritual problem with a Spiritual Solution.

We Do Recover.

This is our Program of Narcotics Anonymous.

In This Moment: We will show our Gratitude for Narcotics Anonymous by Sharing it with all that seek help.

23 Desemba

"God consciousness fills the empty place inside that nothing ever could before."

— Kitabu cha Kijivu, p. 145 (Chapter Nine, Lines 19-20)

For many of us our Spirits were voided at a young age. That was the beginnings of our addiction.

We turned to drugs to fill that void in our souls. For a long time the drugs worked, they were our solution.

When we used drugs, we didn't have to feel. We didn't have to face our emotions. In fact, we needed the drugs to survive our emotions.

Then one day the drugs stop working and turned against us. The more we used the bigger our void got.

Nothing could fill that hole in our soul. Our usage caused destruction in our Lives and in the Lives of others. In N.A. living without the use of drugs can be just as painful.

We have to use the Spiritual Principles of Narcotics Anonymous to fill that void. The purpose of the Steps is to bring us closer to the God Of Our Understanding. Our Gray Book states, "God consciousness fills the empty place inside that nothing ever could before. " God's Grace fills in the missing parts of our personalities and Spirits.

We tapped into this Power Greater Than Ourselves in the Second Step. We developed Trust and a Relationship with the God Of Our Own Understanding in the Third Step. We treat our addiction in Steps Four through Ten.

We learn to Live with this Guidance through a Constant Conscious Contact in the Eleventh Step. This God Consciousness fills the void that was left and created by the disease of addiction. Through our Unconditional Surrender, our Complete and Total Abstinence from all drugs, and the Practice of Spiritual Principles, we can find a New Way to Live. We take the show on the road in Step Twelve.

In This Moment: We will fill that God void with the things that come from God, because nothing else fits.

24 Desemba

"The Twelfth Step of our personal program also says that we should carry the message to the addict who still suffers."

— Kitabu cha Kijivu, p. 102 (Tradition Five, Lines 26-27)

Our Fifth Tradition states that the Primary Purpose of each Group is to Carry the N.A. Message. In our Personal Program we are also asked to Carry the Narcotics Anonymous Message.

In the Twelfth Step we work with others on a oneto-one basis. One addict helping another addict is why the Program works. Only addicts can help addicts Recover.

Sponsorship is the most direct way that one addict helps another addict. The Gray Book states, "We found that the ultimate weapon for recovery was the recovering addict." Sponsorship makes this possible.

We begin to develop Trust between ourselves and another human being. For many of us, this could be the first time we ever developed a healthy intimate Relationship with another human being. Sponsorship gives us the Opportunity to develop that True bond.

A Relationship with Love and Caring as the only True motive. There are as many ways to Carry the Message as there are addicts. Each one of us has our own personal style; no one style is better than the other, just different.

This diversity makes it possible to reach every type of addict from all walks of Life. Carrying the Narcotics Anonymous Message reinforces our Program and helps us keep what we have. After a while, True Love and Service become our Primary Motive.

Selfless service becomes our Goodwill. Our Twelfth Step reminds us that the Message is meaningless unless we're Living it. We continue our Constant Conscious Contact with our Higher Power and ask for the Power to Carry this out.

Our job as Sponsors is to lead our Sponsees to God. We are Responsible to Carry the Message, God is the one who delivers it.

In This Moment: We will Share this Precious Gift with others in order to keep it. Our Primary Motive is because we Genuinely Care.

25 Desemba

"Anonymity is the whole basis of the program; it is truly the foundation."

— Kitabu cha Kijivu, p. 115 (Tradition Twelve, Lines 13-14)

Our Gray Book says, "The awakening of anonymity in each of us occurs when we finally give up trying to manage our lives and begin to depend on a power greater than ourselves. " The experience of this Spiritual Principle happens as soon as we Surrender to Narcotics Anonymous. The definition of Anonymity is to remain nameless, part of that means that we don't take credit for our Recovery. We also don't take credit for helping others. Our contract to stay Clean and Recover is with the God of Our Own Understanding.

This protects our Anonymity that we are doing it for ourselves, but not by ourselves. This belief confirms the WE of the Program.

Our True Motive for serving the Fellowship and N.A. should be Goodwill, in other words; doing the Right Thing for the Right Reasons. As we become part of the Whole in Narcotics Anonymous, we learn that the Whole is Greater than the sum of all its parts. That means although we are part of that Whole, our contribution is Selfless and the Power to Carry that Will out comes from our Higher Power.

Recognizing every addict's right to Recover is also an acknowledgment of Anonymity. We don't break their Personal and Spiritual Anonymity by, e.g.; taking advantage of their sexual identity. We are here to Serve Narcotics Anonymous, not fulfilling our selfish and sexual needs.

Service is for those we Serve, yes it keeps us Clean, but it can't take the place of Step Work and our Personal Recovery. Everything we do in Narcotics Anonymous is for the still suffering addict and all admiration and credit goes to the God of Our Understanding. We are just messengers and vessels for delivering this God Sent Message.

We can't keep this Program of Narcotics Anonymous unless we Share it with all who seek Recovery.

In This Moment: We will remain nameless in our Service Work. We will not pat ourselves on the back for our Recovery.

26 Desemba

"By opening the gates of our hearts, we become ready to receive the help we need."

— Kitabu cha Kijivu, p. 37 (Step Two, Lines 7-8)

For most of us active addiction closed not only our minds, but it also closed our hearts. The drugs numbed us, and that's exactly what we wanted.

We didn't want to think, and we wanted to control what we felt. Our minds were closed to anything, but using.

The using process also closed our Spirits. At the end of the road, many of us wanted to die, but our desire to Live was just a little stronger. After all else failing us, and with this desperation we sought Help through Narcotics Anonymous. Beaten into Surrender and powerlessness we were forced to open our minds to try something different.

In Narcotics Anonymous we saw the evidence of other members staying Clean and Enjoying Life without the use of drugs. This Open-mindedness gave us the Hope we needed to want the same for us. This Hope propels our Willingness to make the Decision in the Third Step.

Our Literature tells us that this Decision is not a mental decision, but a Decision we make with our Hearts. The Second Step made the opening we needed in our minds.

Now in the Third Step we open our Hearts to this Power. We now start to form a Heartfelt Relationship with the God Of Our Understanding. This is the Spiritual Foundation that we can build a successful Recovery on. Our Gray Book states, "The only price is to quit fighting, surrender quietly and let the God of our own understanding take care of us. " This opening of our Hearts and minds make us available to receive the help we need to continue on this Journey of Recovery in Narcotics Anonymous.

In This Moment: We will keep an Open Mind as well as an Open Heart. We will also Share these Spiritual Principles with others.

27 Desemba

"The mind begins to accept new ideas which lead to a new way of life as the grip of drugs and our past way of thinking and doing begins to relax."

— Kitabu cha Kijivu, p. 10 (Chapter One, Lines 35-37)

After arriving to Narcotics Anonymous, many of us witnessed addicts around us celebrating various amounts of Clean Time, most of them Living Happy, Joyous and Free. This Attraction of the Program at work moved us to also want this Precious Gift in our Lives. We soon found out that Recovery in N.A. was more than wishing, it was more than just Admitting our powerlessness. We soon learn that Hope without Action turns into despair.

One of the main Spiritual Principles of our Second Step is Open-mindedness. The pain of withdrawal forces us to seek a Power Greater Than Ourselves; this Power relieves our Obsession to use. Since a sick mind cannot cure itself, we meet this Power through our Actions.

Our Second Step says that it's the Process of Coming to Believe that Restores us to Sanity. It's the coming to meetings; it's the studying of our Literature; it's the getting and using a Sponsor and working with others through Service. The Practicing of the Spiritual Principles locked in the Steps.

This is what Restores us and what keeps our Spiritual Awakening Progressive. We don't think our way to Sanity, We Live our way to Sanity.

As we continue to Trust The God of Our Own Understanding, we begin to loosen our grip on the things we can't control, Everything. Letting go and Letting God is proof of our Surrender. Our Gray Book says; "Problems that had no solutions became transparent and unreal in the light of our new understanding. " In other words we lose the grip fear had on us.

We learn to Live In The Moment.

In This Moment: We begin to see that if we're not part of the Solution, we're part of the Problem.

28 Desemba

"We are no longer fighting fear, anger, guilt, remorse, self-pity, anxiety, depression and a thousand other ills."

— Kitabu cha Kijivu, p. 39 (Step Three, Lines 25-27)

When we first arrived to Narcotics Anonymous, we were beaten into submission. This made us admit our powerlessness and our Surrender to the disease of addiction. We had to stop fighting the disease, the fight was fixed, and we would lose.

We then Surrendered to the Program of Narcotics Anonymous. This was evident as we started to Practice its Spiritual Principles.

The Principle of Surrender has to become a daily Practice. We attend Meetings, after some time we Sponsor members and get Sponsored. The Steps and Traditions of Narcotics Anonymous changes our personality as we learn to Live them.

We learn about Acceptance, Courage and Wisdom in our decisions. We are no longer fighting anything or anyone.

Our Basic Text tells us, "We no longer need to make fools of ourselves by standing up for nonexistent virtues. " We are no longer seeking approval from others. We are finally Free to be our True selves. Our Relationship with our Higher Power improves through Constant Conscious Contact.

We no longer have to dwell in the past, which can lead to being depressed. We no longer project into the future, which can lead to anxiety.

We learn to stay in the Moment; we no longer borrow from tomorrow. We start to let go of trying to control everything and everyone. We tap into this Higher Power for our Daily Strength to stay Clean and Carry this Life saving Message of Narcotics Anonymous to the addict that still suffers. As a result, we Grow and stay Serene, and get to keep what we have.

In This Moment: We will not get into the ring with the disease because the fight is fixed, and we will lose our Serenity and eventually our Recovery.

29 Desemba

"When someone points out a shortcoming, our first reaction is one of defensiveness."

— Kitabu cha Kijivu, p. 49 (Step Seven, Lines 24-25)

Our Basic Text tells us that we are each other's eyes and ears. That's because I can't see my own eyes and ears, but I could see yours and you can see mine. The same applies to our Assets and Liabilities, sometimes it's difficult for us to see our attitudes and behaviors, but others can.

In Narcotics Anonymous we suffer from the same disease, and we can see each other coming. We may in our Journey react negatively if someone points out a shortcoming.

We may also downplay a compliment when it is given to us. Both reactions are a result of low self-esteem.

Our Gray Book states, "If we truly want to grow, we will take a good look at what is pointed out. As we Share this Journey, we see each other at our best and at our worst. We learn how to Empathize with each other and offer each other our Experience, Strength and Hope.

When we approach each other to offer our help, we do it with Love and Compassion, not with judgment and criticism. We Share our Experiences and our Solutions, more importantly we Share Hope and Understanding. No matter how long we've been in Recovery we are still human and will make mistakes.

Our Seventh Step offers a way out, through God's Forgiveness, as we ask him to remove our shortcomings. These Spiritual Tools and the act of Humility helps us Open our Hearts when others fall short. As we develop Patience, Tolerance, Understanding and Forgiveness with ourselves, we in turn Practice the same Spiritual Principles with others.

In This Moment: We will let our guards down and let our fellow members in. We will Honor each other's suggestions, when it's done with Love.

30 Desemba

"This is our road to spiritual growth This comes not from wishing, but from action and prayer."

— Kitabu cha Kijivu, p. 49 (Step Seven, Lines 31-36)

Hopes, Wishes and Dreams were some positive things that the disease of addiction robbed us from. Some even before they were fulfilled or, in some cases, even developed. We were left with despair and uncertainties.

After arriving to Narcotics Anonymous, we witnessed the Hopes and Dreams of other members. We still failed to see it in our own Lives, but now we had Hope. As we work and Lived the Steps we seemed to Awaken and the fog was lifted.

The Complete and Total Abstinence from all drugs, in our First Step, first had to be achieved and maintained. Our bodies and minds were no longer clouded with drugs. When the obsession to use drugs was removed in the Second Step, we began to experience the Spiritual Principle of Hope.

This Hope was a result of the Spiritual Principle of Open-mindedness. We then decided to Trust our Will and Lives over to the Care of this Higher Power. We worked the Steps with this Higher Power many of us called God and our Sponsors.

Living the Steps, we began to see that anything was possible, even our lost Dreams. Practicing the Principles of our Traditions gave us the WE of the Program. Writing our Fourth Step we saw where we went wrong, we saw our obstacles, which in most cases was ourselves.

As we wrote, our lost Dreams started to slowly reappear, our Wishes became Hopes. Our Hopes became Realities as we worked the Steps. Faith became our new Foundation.

We share these Hopes with others as they see it manifest in our Lives.

In This Moment: We will stop wishing and start working. Lost Dreams can become a Reality as we stay on this Journey of Recovery.

31 Desemba

"Service will get us out of ourselves, and our concern for others will be reflected in our own ability to accept concern from others."

— Kitabu cha Kijivu, p. 85 (Chapter Five, Lines 3-5)

In Narcotics Anonymous we learn to focus on ourselves, to work on ourselves. What we soon find out is, to keep what we have, we have to give it away. In other words, we learn to work with others.

We have to get out of self to have self, to have our Recovery and continue to Live. The way we do this is through Selfless Service. Service is for those we serve.

In our beginning as newcomers, other members suggest that we take a service commitment in our Home Group. As newcomers, we make coffee for the Group, or we greet others as they arrive at the Meeting. These early service commitments keep us coming back week after week; this gives us the opportunity for Recovery. We are still serving others whether we realize it or not.

As we continue in this Journey, the motive to stay Clean by doing service becomes secondary. Recovery happens as a result of the Steps, not service. Service might keep us Clean but does not equal Recovery.

Service Based Recovery is temporary and with little Growth. Recovery Based Service on the other hand results in the Spiritual Principle of Humility. We do service because we truly Care for other addicts.

We freely Share this Gift because it was freely shared with us. One of our Founding Members said, "You and I have been given through illness, through suffering and through disease, a talent for helping other human beings like ourselves. Let's never forget that we have it. " In other words only addicts can help addicts. We do this through service.

As we Share with others, we also learn how to Accept Help from others.

This is true Humility, admitting that we can't do this on our own. Accepting Help from others gives them an opportunity to serve others.

In This Moment: Through serving others we will learn the Humility it takes to ask for and Accept Help when we need it.
